Explanatory Note

On May 18, 2023, Airspan Networks Holdings Inc. (f/k/a New Beginnings Acquisition Corp.), a Delaware corporation (the "Company") filed a Current Report on Form 8-K (the "Current Report") to disclose the Company's new financing arrangements and certain leadership changes. The Company is filing this amendment to the Current Report to include the exhibits filed hereto and to correct certain typographical errors.

Item 1.01. Entry into a Material Definitive Agreement.

On May 18, 2023 (the "Effective Date"), the "Company entered into the Limited Waiver and Consent, Second Amendment and Restatement of Credit Agreement and Reaffirmation of Loan Documents (the "Second Amendment and Restatement Agreement") among the Company, as Holdings (in such capacity, "Holdings"), Airspan Networks Inc., a Delaware corporation ("ANI"), as the Borrower (in such capacity, the "Borrower"), certain subsidiaries of the Company, as guarantors, the lenders party thereto (collectively, the "Lenders") and DBFIP ANI LLC ("Fortress"), as administrative agent and collateral agent (together with its successors and assigns in such capacities, the "Agent"). The Second Amendment and Restatement Agreement by its terms amended and restated the Amended and Restated Credit Agreement, dated August 13, 2021 (as further amended, amended and restated, restated, supplemented or otherwise modified from time to time prior to the Effective Date, the "A&R Credit Agreement"), among Holdings, the Borrower, the Agent and certain Lenders and guarantors party thereto, and replaced the A&R Credit Agreement in its entirety with the Second Amended and Restated Credit Agreement (the "Second A&R Credit Agreement") among Holdings, the Borrower, the Agent and certain subsidiaries of the Company, as guarantors, the

Lenders party thereto, and Fortress. Pursuant to the Second Amendment and Restatement Agreement, the parties thereto agreed to, among other things, (i) certain consents related to the Company's previously disclosed divestiture of Mimosa Networks, Inc., a Delaware corporation ("Mimosa"), (ii) waive certain existing events of default under the A&R Credit Agreement in the limited manner set forth therein, (iii) terminate the existing delayed draw term loan commitments under the A&R Credit Agreement and establish new delayed draw term loan commitments in the aggregate amount of \$25 million, (iv) modify the interest rates applicable to certain loans under the Second A&R Credit Agreement, (v) provide for the issuance of 5,912,040 warrants to purchase shares of the Company's common stock (collectively, the "Warrants"), (vi) amend certain financial covenants and (vii) provide for additional fees related to the Second A&R Credit Agreement.

The Second A&R Credit Agreement establishes an initial term loan commitment of \$10 million (the "Initial Term Loan"), which will accrue interest at a variable rate per annum equal to either the Base Rate (as defined in the Second A&R Credit Agreement) or the Adjusted Term SOFR (as defined in the Second A&R Credit Agreement), plus between 9.00% and 14.00% per annum, which shall be calculated based on the applicable Net EBITDA Leverage Ratio (as defined in the Second A&R Credit Agreement). The Initial Term Loan is scheduled to mature on December 30, 2024. The Borrower may prepay the loans under the Second A&R Credit Agreement, subject to a prepayment penalty of between 0.00% to 5.00% of the principal amount prepaid, depending on the timing of the prepayment. The Borrower is subject to certain affirmative and negative covenants under the Second A&R Credit Agreement.

The Warrants provided for under the Second A&R Credit Agreement were issued to certain Lenders or their designees and will be exercisable to purchase one share of the Company's common stock at an exercise price of \$0.01 per share. The Warrants have a term of 7.5 years and will become exercisable upon the earliest to occur of (i) the third anniversary of the issuance of the warrants, (ii) an "Acquisition" as defined in the Warrant, (iii) any debt financing or issuance of equity or instruments convertible into equity interests of the Company in which the Company receives in excess of \$50 million in one or a series of related transactions, and (iv) any other strategic transactions, joint ventures, financings or combinations between the Company and one or more investors or third parties in which the Company or its subsidiaries receive in excess of \$50 million in one or a series of related transactions.

In connection with the Second A&R Credit Agreement, the Company modified the terms of its 7.00% Amended and Restated Senior Secured Convertible Notes (as further amended, amended and restated, restated, supplemented or otherwise modified from time to time prior to the Effective Date, collectively, the "2021 Notes") and modified the terms of its Senior Secured Convertible Note Purchase and Guarantee Agreement, dated July 30, 2021 (as further amended, amended and restated, restated, supplemented or otherwise modified from time to time prior to the Effective Date, the "Note Purchase Agreement") pursuant to the Limited Waiver and Consent, Third Amendment to Senior Secured Convertible Note Purchase and Guarantee Agreement and Reaffirmation of Note Documents, dated the Effective Date (the "NPA Amendment"), among the Company, ANI, certain of its subsidiaries as guarantors, the purchasers party thereto and Fortress, as administrative and collateral agent. Pursuant to the NPA Amendment, the Company exchanged the 2021 Notes for amended and restated notes (collectively, the "Convertible Notes"). The Note Purchase Agreement (as amended by the NPA Amendment) and the Convertible Notes were modified to, among other things, (i) provide for certain consents relating to the Company's previously disclosed divestiture of Mimosa, (ii) waive certain existing events of default under the Note Purchase Agreement in the limited manner set forth therein, (iii) imposed a \$2.5 million fee, which was capitalized to increase the aggregate principal amount of the Convertible Notes to \$52.5 million (iv) increase the interest rate applicable to the Convertible Notes to 10.00%, and (v) provide for additional fees related to the Note Purchase Agreement and the Convertible Notes.

The Company's view is that these are beneficial transactions, as they endeavor to provide the Company with greater financial flexibility to fulfill its strategic objectives. The Company issued a press release announcing the Second Amendment and Restatement Agreement and the NPA Amendment. A copy of the press release is furnished as Exhibit 99.1 to this Current Report on Form 8-K.

The foregoing descriptions of the Second Amendment and Restatement Agreement, the Convertible Notes, the NPA Amendment and the Warrants do not purport to be complete and are qualified in their entirety by reference to the full text of these documents, which are filed as exhibits 10.1, 10.2, 10.3 and 10.4, respectively, hereto and are incorporated herein by reference.

On the Effective Date, the Company reissued \$52.5 million aggregate principal amount of Convertible Notes and Warrants to purchase 5,912,040 shares of the Company's common stock. The shares of common stock of the Company to be issued upon the conversion of the Convertible Notes and exercise of the Warrants will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), and will be issued in reliance on the exemption from the registration requirements thereof provided by Section 4(a)(2) of the Securities Act and/or Regulation D promulgated thereunder as a transaction by an issuer not involving a public offering.

(c) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that such Benchmark (or such component thereof) or, if such Benchmark is a term rate, all Available Tenors of such Benchmark (or such component thereof) are not, or as of a specified future date will not be, representative.

For the avoidance of doubt, if such Benchmark is a term rate, a “Benchmark Transition Event” will be deemed to have occurred with respect to any Benchmark if a public statement or publication of information set forth above has occurred with respect to each then-current Available Tenor of such Benchmark (or the published component used in the calculation thereof).

Subject to Section 2.01(b), Section 2.01(c), and Section 2.01(d) all amounts owed hereunder with respect to the Closing Date Term Loans shall be paid in full no later than the Maturity Date. Upon funding the Closing Date Term Loans on the Closing Date, each Lender's Initial Term Loan Commitment and Tranche 2 Term Loan Commitment was automatically reduced to zero.

(B) **Procedure for the Advance of the Closing Date Term Loans.** The Closing Date Term Loans were fully-advanced to the Borrower on the Closing Date.

(ii) Delayed Draw Term Loans.

(A) **Delayed Draw Term Loan Commitments.** Subject to the terms and conditions of this Agreement and the other Loan Documents, and in reliance upon the representations and warranties set forth in this Agreement and the other Loan Documents, each Lender in its sole discretion may agree to make Delayed Draw Term Loans to Borrower during the Borrowing Period for such Delayed Draw Term Loans in an aggregate amount not exceeding its respective Delayed Draw Term Loan Commitment for such Delayed Draw Term Loans; provided however, no Lender shall be required to make any Delayed Draw Term Loans unless the Borrower has delivered a Notice of Borrowing in accordance with the procedure for set forth in Section 2.01(a)(ii)(B), and such Lender is satisfied that all of the conditions precedent for such Loan set forth in Section 3.02 have been satisfied or waived in writing. Amounts borrowed under this Section 2.01(a)(ii)(A) and repaid or prepaid may not be reborrowed. Subject to Section 2.01(b), Section 2.01(c) and Section 2.01(d), all amounts and other Obligations owed under the Loan Documents with respect to the Delayed Draw Term Loans shall be paid in full not later than the Maturity Date.

- 68 -

(B) Procedure for Advance of Delayed Draw Term Loans.

(1) The issuance of Delayed Draw Term Loans on the Second Restatement Effective Date shall be in an aggregate amount equal to Ten Million Dollars (\$10,000,000) and thereafter, each issuance of Delayed Draw Term Loans shall be in an aggregate amount equal to Five Million Dollars (\$5,000,000) or, if less, the remaining amount of the Delayed Draw Term Loan Commitments. The parties hereby agree that (x) there shall not be more than four (4) borrowings of Delayed Draw Term Loans hereunder and (y) each such funding of Delayed Draw Term Loans shall be subject to the sole discretion of the applicable Lenders advancing such Loans and the satisfaction of the Administrative Agent and such Lenders that each of the applicable Delayed Draw Funding Conditions for such tranche have been satisfied; provided that notwithstanding the foregoing, the fourth (4th) tranche of Delayed Draw Term Loans shall only be available for a Borrowing to the extent the Divestiture Transaction has not closed by July 31,

2023. Notwithstanding anything in this Agreement or any other Loan Document to the contrary, no Delayed Draw Term Loans shall be funded after the Delayed Draw Outside Date.

(2) The Borrower shall give the Administrative Agent an initial draft Notice of Borrowing no later than ten (10) Business Days prior to the applicable Credit Date (or such later date as may be agreed by the Administrative Agent) (the “**DDTL Notice Date**”), requesting that the Lenders make the Loan if Borrower has delivered to the Administrative Agent the information specified in the Delayed Draw Funding Conditions and requesting that the applicable Lenders and the Agent confirm any additional information to be requested pursuant to clause (v) thereof. The Lenders holding Delayed Draw Term Loan Commitments shall have five (5) Business Days from the Applicable DDTL Notice Date to request any additional information necessary for their commitments to make a Delayed Draw Term Loan on the anticipated Credit Date. The Borrower shall then deliver to the Administrative Agent a fully assembled and irrevocable Notice of Borrowing not later than 1:00 p.m. (New York Time) on the date that is five (5) Business Days prior to the anticipated Credit Date (or such later date agreed with the Administrative Agent), and if such Loan is a SOFR Loan, the Borrower shall have also delivered to the Administrative Agent a letter in form and substance reasonably satisfactory to the Administrative Agent indemnifying the applicable Lenders in the manner set forth in Section 2.02(f) of this Agreement. Upon receipt of a duly executed and completed Notice of Borrowing from the Borrower in form and substance satisfactory to the Administrative Agent, the Administrative Agent shall promptly notify each Lender thereof. Not later than 12:00 p.m. (New York time) on the Credit Date; provided that such Lender is satisfied that each of the conditions precedent for such Loan set forth in Section 3.02 have been satisfied or waived in writing, then each such Lender will make available to the Administrative Agent for the account of Borrower, at the Principal Office in immediately available funds, the amount of the Loan to be made by such Lender on such Credit Date. The Borrower hereby irrevocably authorizes the Administrative Agent to disburse the proceeds of the Loans in immediately available funds by wire transfer to such Person or Persons as may be designated by the Borrower in writing.

- 69 -

(3) Upon funding on any Credit Date, each funding Lender’s Delayed Draw Term Loan Commitment for such tranche of Loans so advanced shall automatically be reduced concurrently with, and in the principal amount of, each Delayed Draw Term Loan made by such Lender, and any remaining unfunded Delayed Draw Term Loan Commitments shall automatically terminate on the applicable Delayed Draw Term Loan Commitment Termination Date. Any funded Delayed Draw Term Loan shall be deemed a “Loan” for all purposes of this Agreement. Each Delayed Draw Term Loan shall rank *pari passu* in right of payment, and shall have the same guarantees as, and be secured by the same Collateral securing, all of the other Obligations hereunder.

(b) Scheduled Payments/Principal Repayment.

(i) Commencing on the Monthly Amortization Commencement Date and continuing thereafter monthly on each Interest Payment Date (other than any Interest Payment Date that occurs during the Amortization Holiday Period) through and including the Maturity Date, in addition to the payment of cash pay interest as described in Section 2.02, the Borrower shall also make monthly principal payments in respect of the Loans, each such monthly payment in an amount equal to one percent (1%) of the principal amount of the Loans funded (which amount may be readjusted by the Lenders from time to time to give effect to any prepayments of the Loans pursuant to Section 2.01(c), Section 2.01(d) and Section 2.01(e) as applicable and/or the incurrence of the Delayed Draw Term Loans).

(ii) Notwithstanding the foregoing, the unpaid principal of the Loans, together with all other accrued and unpaid interest, fees (including the Specified Fees (in the case of any Administration Fee or Origination Fee, to the extent then-earned under this Agreement)), premiums and other amounts owed under the Loan Documents, shall, in any event, be paid in full in cash in immediately available funds no later than the Maturity Date.

(iii) The Loans may only be prepaid in accordance with Section 2.01(c), Section 2.01(d), and Section 2.01(e); provided, however, that nothing in this Section 2.01(b)(iii) shall impair the Secured Parties’ right to recover any Applicable Prepayment Premium or Specified Fees if the Obligations are accelerated or otherwise become due prior to the Stated Maturity Date (whether following the occurrence and during the continuation of an Event of Default, by operation of law or otherwise).

(c) Mandatory Payment Upon Acceleration. If the Loan Obligations are accelerated (whether or not following the occurrence and during the continuation of an Event of Default, by operation of law or otherwise, and whether or not any proceeding under the Debtor Relief Laws is then pending), the Loan Parties shall immediately pay to the Lenders an amount equal to the sum of (i) all outstanding principal plus accrued and unpaid interest; plus (ii) the Specified Fees (in the case of any Administration Fee and Origination Fees, to the extent then-earned and unpaid); plus (iii) all other sums, if any, that shall have become due and payable, including interest at the Default Rate and, to the extent applicable, any Applicable Prepayment Premium. The parties expressly acknowledge and agree that any End of Term Fee or Applicable Prepayment Premium triggered by this Section 2.01(c) shall be subject to Section 2.01(f) and Section 2.02(b) and shall be due and payable based on the deemed voluntary prepayment (solely for purposes of calculating such End of Term Fee and Applicable Prepayment Premium) of the applicable Obligations notwithstanding the acceleration of such Obligations, the occurrence of the Maturity Date, and/or the lack of an actual voluntary prepayment by the Loan Parties.

(B) Borrower’s notice to Administrative Agent shall designate the date (which shall be a Business Day) of such termination or reduction and the amount of any partial reduction, and such termination or reduction of the Delayed Draw Term Loan Commitments shall be effective on the date specified in

Borrower's notice and shall reduce the Delayed Draw Term Loan Commitment of each Lender proportionately to its pro rata share of the Type of Delayed Draw Term Loans so reduced.

(iii) [Reserved].

- 71 -

(e) Mandatory Prepayment Upon Certain Events.

(i) The Borrower shall make a prepayment of the Loans (in each case, without premium or penalty except as otherwise expressly provided in Section 2.01(d)(iii), Section 2.01 (d)(iv), Section 2.01(f), Section 2.02(b) or Section 2.02(f)) upon the occurrence of any of the following at the following times and in the following amounts:

(A) **Asset Dispositions.** Within five (5) Business Days after the receipt by Holdings or any of its Subsidiaries of any Net Cash Proceeds from any Asset Disposition, in an amount equal to one hundred percent (100%) of such Net Cash Proceeds; provided that (x) no such prepayment shall be required unless and until the total aggregate amount of such Net Cash Proceeds received by Holdings and its Subsidiaries in any fiscal year (and not paid to the Administrative Agent as a prepayment of the Loans) exceeds One Hundred Thousand Dollars (\$100,000) (and to the extent prepayment is required, the required amount of such prepayment shall only be the Net Cash Proceeds in excess of the amount thereof) and (y) solely with respect to the Divestiture Transaction, the requirement to prepay the Obligations shall not include a requirement to apply the Company Retained Net Cash Proceeds (as defined in the Second Restatement) of such Asset Disposition provided that all Company Retained Net Cash Proceeds are deposited into a Controlled Account.

(C) **Issuance of Indebtedness.** Substantially concurrently with the receipt by Holdings or any of its Subsidiaries of any Net Cash Proceeds from any issuance of any Indebtedness of Holdings or any of its Subsidiaries (excluding Permitted Indebtedness), including, without limitation, in any proceeding under Debtor Relief Laws, in an amount equal to one hundred percent (100%) of such Net Cash Proceeds.

(D) **Consolidated Excess Cash Flow.** In the event that there shall be Consolidated Excess Cash Flow for any fiscal year of Holdings and its Subsidiaries (commencing with the fiscal year ending December 31, 2021), Borrower shall, no later than the earlier of (i) one hundred and eighty five (185) days after the end of such fiscal year and (ii) five (5) days after the date of delivery by the Borrower of the financial statements described in Section 6.02(a), prepay the Loans and/or the applicable Term Loan Commitments shall be permanently reduced as set forth in Section 2.01(d) in an aggregate amount equal to fifty percent (50%) of such Consolidated Excess Cash Flow. Any amounts prepaid pursuant to this Section 2.01(e) with respect to any Fiscal Year in excess of fifty percent (50%) of Consolidated Excess Cash Flow shall be treated as voluntary prepayments made pursuant to Section 2.01(d).

(E) **Issuance of Equity Securities.** On the date of receipt by Holdings of any cash, Cash Equivalents or other proceeds from any capital contributions to, or issuances or other sales of or transactions with respect to any Equity Interests of Holdings or any of its Subsidiaries resulting in gross proceeds in excess of Seventy-Five Million Dollars (\$75,000,000) in the aggregate in any six (6) month period after (but not including) the First Restatement Effective Date other than Equity Interests issued (i) pursuant to any employee stock or stock option compensation plan, or (ii) for purposes approved in writing by Administrative Agent, Borrower shall prepay the Loans and/or the applicable Term Loan Commitments shall be permanently reduced as set forth in Section 2.01(d) in an aggregate amount equal to one hundred percent (100%) of such Net Cash Proceeds. Notwithstanding the foregoing, no prepayment shall be required as a result of (x) the Equity Contribution (as described in the Merger Consent) upon the consummation of the De-SPAC Transaction, or (y) the issuance of Qualified Equity Interests of Holdings in accordance with the terms of the Note Purchase Agreement and the Convertible Notes and the Warrants (in each case as in effect on the date hereof or as amended from time to time to the extent permitted by the Pari Passu Intercreditor Agreement) and the Pari Passu Intercreditor Agreement to purchase, redeem, convert or otherwise exchange the Convertible Notes solely for Qualified Equity Interests of Holdings.

(ii) Prepayments pursuant to Section 2.01(e)(i) shall be applied ratably across all Classes of Loans then outstanding and the portion applied to principal shall be applied to the principal balance of such Loans in inverse order of maturity. For the avoidance of doubt, amounts attributable to payments of interest, End of Term Fees, Specified Fees, and Prepayment Premiums that are due and payable, and other amounts due and payable as a result of such prepayments pursuant to Section 2.01(e)(i) shall be allocated and paid from the amount of the prepayments required to be made pursuant to Section 2.01(e)(i) and shall not be payable in addition to such required prepayment amounts.

(iii) Notwithstanding any of the foregoing, any Lender may elect by prior written notice to the Administrative Agent prior to the required prepayment date, to decline all or any portion of any prepayment of its Loans pursuant to this Section 2.01(e) (any such Lender, a "**Declining Lender**").

(iv) For so long as any Priority Lien Obligations (other than the Loan Obligations) remain outstanding, to the extent that the Loan Parties are required under the other Priority Lien Documents to offer to make a payment of the types described in Section 2.01(d)(i) or Section 2.01(e)(i)(A)-(E) above (a "**Pari Passu Payment**"), then provided that such payments are required to be made on a pro rata *pari passu* basis with the Loan Obligations, the proceeds available for repayment to the Lenders shall equal the Lenders' allocable share of all such payments then required to be made or offered. In the case that a Declining Lender, or any other Priority Lien Holder that would also be offered or entitled to a Pari Passu Payment, declines its share of such payment (any such amounts, "**Declined Proceeds**") and any such declining Priority Lien Holder, a "**Declining Holder**" and all other holders of Priority Lien Obligations, "**Non-Declining Holders**"), then such Declined Proceeds shall be offered and paid to the Non-Declining Holders in accordance with their pro rata share of the Priority Lien Obligations until all of the remaining Declined Proceeds have been depleted. It being understood that such Declined Proceeds shall be treated in the same manner as the proceeds which required the original payment pursuant to Section 2.01(d)(i) or Section 2.01(e)(i)(A)-(E) above, but for the purposes of determining when such Declined Proceeds are required to be paid by a Loan Party, the date of receipt of such proceeds shall be the first Business Day after the last day that a Declining Holder under any Priority Lien Obligation has the right to decline their share of such proceeds (for example, if a Priority Lien Holder has a right to accept or decline such proceeds of an Asset Disposition for five (5) days under this Agreement and sixty (60) days under other Priority Lien Obligations, then the first day that such Declined Proceeds would be required to be offered to the other non-Declining Holders would be the first Business Day after the sixty (60) day period allowed under the other Priority Lien Obligations). For the avoidance of doubt, nothing in this Section 2.01(e)(iv) shall confer on any Lender the option to elect to decline all or any portion of any voluntary payment of its Loans under Section 2.01(d) of this Agreement.

(f) End of Term Fee; Payment of Applicable Prepayment Premiums.

(i) Notwithstanding anything herein to the contrary, upon the earliest to occur of: (A) the Maturity Date, (B) payment, repayment, redemption or prepayment or deemed payment, repayment, redemption of prepayment, in each case in full of the principal amount of Loans and other Loan Obligations upon the occurrence of a Prepayment Event, and (C) a termination of this Agreement for any other reason (the occurrence of any of the events set forth in the foregoing clauses (A) through (C), the "**End of Term Fee Event**"), Borrower shall pay to the Administrative Agent (for further distribution to the Lenders in accordance with their pro rata share of each Class of the Loans and Commitments) as an inducement for making the Loans (and not as a penalty) an amount equal to the End of Term Fee, which End of Term Fee shall be fully earned, and due and payable, on the date of such End of Term Fee Event, and non-refundable when made.

(ii) Notwithstanding anything herein to the contrary, if a Prepayment Event occurs (other than pursuant to Section 2.01(e)(i)(B) or Section 2.01(e)(i)(D)), Borrower shall pay the Lenders as an inducement for making the Loans (and not as a penalty) an amount equal to the Applicable Prepayment Premium (if any) then due and owing, which Applicable Prepayment Premium shall be fully earned, and due and payable, on the date of such Prepayment Event, and non-refundable when made.

(iii) Any cancellation, prepayment or repayment, whether voluntary or involuntary, of the Loans upon the occurrence of any End of Term Fee Event or Prepayment Event shall be accompanied by all accrued interest on the principal amount prepaid or repaid, together with the End of Term Fee and/or the Applicable Prepayment Premium, as applicable, and shall be subject to Section 2.02(b). Without limiting the generality of the foregoing, and notwithstanding anything to the contrary in this Agreement or any Loan Documents, it is understood and agreed that if the Loan Obligations are accelerated or otherwise become due prior to the Stated Maturity Date for any reason, including because of an Event of Default or the commencement of any proceeding under Debtor Relief Laws or by operation of law or otherwise, (x) the End of Term Fee will be due and payable as though the aggregate principal amount of all Loans was outstanding as of such date and (y) any Applicable Prepayment Premium will be due and payable as though the aggregate principal amount of all Loans outstanding as of such acceleration or due date were voluntarily prepaid (regardless of whether (a) any Loan Obligations have been accelerated or the Maturity Date has occurred prior to such deemed voluntary prepayment, (b) such deemed voluntary prepayment would be permitted under this Agreement, and/or (c) the Loans are actually voluntarily prepaid by the Loan Parties) as of such acceleration or due date.

(iv) Each Loan Party expressly acknowledges and agrees it would be impractical and extremely difficult to ascertain the actual amount of the Lenders' damages as a result of an End of Term Fee Event or Prepayment Event, and that the End of Term Fee and any Applicable Prepayment Premium payable under this Agreement shall be presumed to be the liquidated damages sustained by each Lender as a result of the applicable End of Term Fee Event and/or Prepayment Event, as applicable.

SECTION 2.02 Interest; Fees; Evidence of Debt; Payments.

(a) Interest.

(i) (A) **Interest Rate.** Subject to Section 2.02(a)(i)(C), the outstanding principal balance of each Loan shall bear interest on and after the date so borrowed (or deemed borrowed) at the then Applicable Rate, which interest shall be payable in arrears on and to (i) each Interest Payment Date applicable to that Loan; (ii) upon any prepayment of that Loan, whether voluntary or mandatory, to the extent accrued on the amount being prepaid; and (iii) at maturity, including the final Maturity Date.

(B) **PIK Interest.** On each Interest Payment Date, unless a Default or Event of Default then exists, the Borrower shall pay (1) with respect to the Initial Term Loan and the Delayed Draw Term Loan, five and one half percent (5.5%) of the interest then due in cash and the remainder of the outstanding interest then due in kind, i.e. by adding such outstanding interest to the aggregate principal amount of the Loans and (2) with respect to the Tranche 2 Term Loan, the interest then due in kind. Interest must be paid in cash for any period for which a Default or Event of Default exists. On any applicable Interest Payment Date each Lender will be entitled to receive an amount equal to their pro rata share of the cash interest then due and owing, as well as any such PIK Interest then due and owing on each Class of Loans held by such Lender.

(C) **Default Rate.** Immediately upon the occurrence of an Event of Default described in Section 8.01(h) or 8.01(i), and in all other cases, upon the election of the Requisite Lenders, upon the occurrence and during the continuation of a Default or Event of Default, the outstanding principal balance of the outstanding Loan Obligations shall bear interest at the Default Rate and shall be payable in cash on demand. Any election made pursuant to this Section 2.02(a)(i) may be made retroactive to the date of the occurrence of the applicable Event of Default.

(ii) **Interest Computation.** All interest hereunder shall be computed on the basis of a year of three-hundred and sixty (360) days, except that interest computed by reference to the Base Rate at times when the Base Rate is based on the Prime Rate shall be computed on the basis of a year of three-hundred and sixty-five (365) days (or three-hundred and sixty-six (366) days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first (1st) day but excluding the last day). The applicable Base Rate and SOFR shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

(iii) **Interest Elections; Borrowings.**

(A) Each Borrowing initially shall be of the Type specified in the Notice of Borrowing and, in the case of a SOFR Loan, shall have an initial Interest Period as specified in such Notice of Borrowing. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a SOFR Loan, may elect Interest Periods therefor, all as provided in this Section 2.02(a)(iii). The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing.

(iv) To make an election pursuant to this Section 2.02(a)(iv), the Borrower shall notify the Administrative Agent of such election by telephone not later than 12 p.m. (New York time), five (5) Business Days before the effective date of the proposed election. Each such telephonic Conversion/Continuation Notice shall be irrevocable and shall be confirmed promptly by hand delivery or facsimile to the Administrative Agent of a written Conversion/Continuation Notice signed by the Borrower.

- 76 -

(v) Each telephonic and written Conversion/Continuation Notice shall specify the following information:

(A) the Borrowing to which such Conversion/Continuation Notice applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (C) and (D) below shall be specified for each resulting Borrowing);

(B) the effective date of the election made pursuant to such Conversion/Continuation Notice, which shall be a Business Day;

(C) whether the resulting Borrowing is to be a Base Rate Loan or a SOFR Loan; and

(D) if the resulting Borrowing is a SOFR Loan, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

If the Borrower fails to deliver a Conversion/Continuation Notice with respect to a SOFR Borrowing prior to the end of the Interest Period therefor, then, unless such SOFR Borrowing is repaid as provided herein, the Borrower shall be deemed to have selected that such SOFR Borrowing shall automatically be continued as a SOFR Borrowing with an Interest Period of one (1) month at the end of such Interest Period.

(vi) Promptly following receipt of a Conversion/Continuation Notice, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(vii) Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Requisite Lenders, so notifies Borrower, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a SOFR Loan and (ii) unless repaid, each SOFR Loan shall be converted to a Base Rate Loan at the end of the Interest Period applicable thereto.

(viii) Notwithstanding any other provision of this Agreement, Borrower shall not be entitled to elect to convert or continue any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date.

(ix) In connection with the use or administration of Adjusted Term SOFR, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document. The Administrative Agent will promptly notify the Borrower and the Lenders of the effectiveness of any Conforming Changes in connection with the use or administration of Adjusted Term SOFR.

- 77 -

(b) **Fees.**

(i) The Borrower agrees to pay the following fees:

(A) to the Administrative Agent, an administration fee in an amount equal to Fifty Thousand Dollars (\$50,000.00) per annum, which fee shall be fully earned, and due and payable, annually in advance on the Closing Date and thereafter on each anniversary of the Closing Date (the "**Administration Fee**");

(B) to the Administrative Agent for further distribution to the Lenders in accordance with their pro rata share of the Loans so advanced prior to the Second Restatement Effective Date, an origination fee (the "**Initial Origination Fee**") in an amount equal to two percent (2.00%) of the amount of the Loans so advanced upon any Credit Date occurring prior to the Second Restatement Effective Date, which fees were fully earned, and due and paid, on the date such Loans were advanced;

(C) to the Administrative Agent for further distribution to the applicable Lenders holding Delayed Draw Term Loan Commitments as of the Second Restatement Effective Date in accordance with their pro rata share of such Delayed Draw Term Loan Commitments, an origination fee (the "**Second Restatement Origination Fee**") in an amount equal to five percent (5.00%) of the amount of the Delayed Draw Term Loans so advanced upon any Credit Date occurring on or after the Second Restatement Effective Date, which fees shall be fully earned, and due and payable, on the date such Loans are advanced;

(D) to the Administrative Agent for further distribution to the Lenders in accordance with their pro rata share of the Loans, each of the Third Amendment Fee and the Waiver Fee; and

(E) to the Administrative Agent for further distribution to the Lenders in accordance with their pro rata share of the Loans, a fee (the **Second Restatement Fee**) in an amount equal to \$2,157,751.26. The Second Restatement Fee shall be fully earned, and capitalized and added to the principal balance of the Loans, as of the Second Restatement Effective Date.

(ii) In addition to the foregoing, the Borrower agrees to pay to the Agents and the Lenders the Specified Fees and any other fees and expense reimbursements set forth in any Fee Letter or other Loan Document or as otherwise separately agreed by the parties, in such amounts and at such times so specified.

(iii) The parties hereby agree that the Second Restatement Fee and any similar fee due hereunder shall be added, at the time each such fee is earned, to the principal amount of the applicable Loans and treated as original issue discount.

- 78 -

(iv) Without limiting the generality of the foregoing, and notwithstanding anything to the contrary in this Agreement or any Loan Documents, it is understood and agreed that if the Loan Obligations are accelerated or otherwise become due prior to the Stated Maturity Date for any reason, including because of an Event of Default or the commencement of any proceeding under Debtor Relief Laws or by operation of law or otherwise, the End of Term Fee, the Waiver Fee, the Third Amendment Fee, the Second Restatement Fee and any Applicable Prepayment Premium, if any, along with any then-earned and unpaid Administration Fee and Origination Fees, in each case determined as of such acceleration or due date (and, in the case of any End of Term Fee or Applicable Prepayment Premium, determined as set forth in Section 2.01(f)(iii)), will be due and payable as of such acceleration or due date and shall constitute part of the Loan Obligations, in view of the impracticability and extreme difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each Lender's loss as a result thereof. TO THE FULLEST EXTENT PERMITTED BY LAW, EACH LOAN PARTY EXPRESSLY WAIVES THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING SPECIFIED FEES OR ANY APPLICABLE PREPAYMENT PREMIUM IN CONNECTION WITH ANY SUCH ACCELERATION INCLUDING IN CONNECTION WITH ANY VOLUNTARY OR INVOLUNTARY ACCELERATION OF THE LOANS AND THE RELATED OBLIGATIONS PURSUANT TO ANY PROCEEDING UNDER ANY DEBTOR RELIEF LAW OR PURSUANT TO A PLAN OF REORGANIZATION. The Specified Fees and the Applicable Prepayment Premium, if any, shall also be payable in the event the Loan Obligations (and/or this Agreement) are satisfied or released by foreclosure (whether by power of judicial proceeding or otherwise), deed in lieu of foreclosure or by any other similar means, or reinstated pursuant to section 1124 of the Bankruptcy Code. THE LOAN PARTIES EXPRESSLY AGREE THAT (I) EACH OF THE SPECIFIED FEES AND ANY APPLICABLE PREPAYMENT PREMIUM IS REASONABLE AND IS THE PRODUCT OF AN ARM'S LENGTH TRANSACTION BETWEEN SOPHISTICATED BUSINESS PEOPLE, ABLY REPRESENTED BY COUNSEL, (II) THE SPECIFIED FEES AND ANY APPLICABLE PREPAYMENT PREMIUM SHALL BE PAYABLE NOTWITHSTANDING THE THEN PREVAILING MARKET RATES AT THE TIME PAYMENT IS MADE, (III) THERE HAS BEEN A COURSE OF CONDUCT BETWEEN THE LENDERS AND THE LOAN PARTIES GIVING SPECIFIC CONSIDERATION IN THIS TRANSACTION FOR SUCH AGREEMENT TO PAY THE SPECIFIED FEES AND ANY APPLICABLE PREPAYMENT PREMIUM, (IV) THE SPECIFIED FEES AND ANY APPLICABLE PREPAYMENT PREMIUM ARE NOT INTENDED TO ACT AS OR CONSTITUTE A PENALTY OR PUNISH BORROWER OR ANY OTHER LOAN PARTY FOR ANY PREPAYMENT OR REPAYMENT, (V) THE LOAN PARTIES' AGREEMENT TO PAY THE SPECIFIED FEES AND ANY APPLICABLE PREPAYMENT PREMIUM IS A MATERIAL INDUCEMENT TO THE LENDERS TO MAKE THE LOANS, (VI) NO PORTION OF ANY SPECIFIED FEE OR APPLICABLE PREPAYMENT PREMIUM REPRESENTS "UNMATURED INTEREST" WITHIN THE MEANING OF 11 U.S.C. § 502(b), AND (VII) THE LOAN PARTIES SHALL BE ESTOPPED HEREAFTER FROM CLAIMING DIFFERENTLY THAN AS AGREED TO IN THIS SECTION 2.02(b)(iv). Each Loan Party expressly acknowledges that its agreement to pay the Specified Fees and any Applicable Prepayment Premium to the Lenders as herein described is a material inducement to the Lenders to enter into the Credit Agreement, provide the Term Loan Commitments, make the Loans and provide any applicable waiver or other consideration agreed to in connection therewith. Each Loan Party further expressly acknowledges and agrees that, prior to executing the Second Restatement, it has had the opportunity to review, evaluate, and negotiate the Specified Fees and any Applicable Prepayment Premium and the calculations thereof with its advisors, and that the Specified Fees and any Applicable Prepayment Premium are a good faith, reasonable approximation of Lenders' liquidated damages upon the applicable triggering events, taking into account all of the circumstances, including the costs of funds, the opportunity cost of capital, the relative risk of the investment, and the operational benefits for the Loan Parties from continued use of funds as a result of the Lenders' agreement to accept the Specified Fees and any Applicable Prepayment Premium in lieu of additional up-front fees.

- 79 -

(v) The Loan Parties agree that, once earned, all of the Specified Fees and other fees described herein or in any other Loan Document or any part thereof payable hereunder will not be refundable under any circumstances and are in addition to any other fees, costs and expenses payable pursuant to the Credit Agreement or the other Loan Documents. Borrower shall reimburse Agent and each such Lender for such costs and expenses as provided in Credit Agreement. Except as expressly provided herein, all such fees will be paid in US dollars and in immediately available funds. All such payments shall be made without setoff, counterclaim or deduction for any taxes, levies, imposts, duties, deductions, charges or withholdings imposed by any national, state or local taxing authority. All or any portion of the fees received by Fortress hereunder may be allocated to any affiliate of Fortress, the Administrative Agent or any other Lender or be shared among Fortress, the Administrative Agent and their respective affiliates.

(c) Evidence of Debt; Lenders' Books and Records; Notes.

(i) **Lenders' Evidence of Debt.** Each Lender shall maintain on its internal records an account or accounts evidencing the Obligations of Borrower to such Lender, including the amounts of the Loans made by it and each repayment and prepayment in respect thereof. Any such recordation shall be conclusive and binding on the Loan Parties, absent manifest error; provided that the failure to make any such recordation, or any error in such recordation, shall not affect any Lender's Term Loan Commitments or Borrower's Obligations in respect of any applicable Loans; and provided further, in the event of any inconsistency between the Register and any Lender's records, the recordations in the Register shall govern.

(ii) **Notes.** If so requested by any Lender by written notice to Borrower at least two (2) Business Days prior to the Credit Date, or at any time thereafter, Borrower shall execute and deliver to such Lender (and/or, if applicable and if so specified in such notice, to any Person who is an assignee of such Lender pursuant to Section 13.01) on the Credit Date (or, if such notice is delivered after the Credit Date, promptly after Borrower's receipt of such notice) a Note or Notes to evidence such Lender's Loans.

(d) **Payments.** Interest on the Loan Obligations shall be payable on each Interest Payment Date provided that (i) interest accrued pursuant to Section 2.02(a) shall be payable in cash on demand and (ii) in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment. Except where interest is permitted to be paid in kind, all payments under the Loan Documents shall be made in immediately available funds in Dollars. Accrued interest payable on any Loans which is paid in the form of PIK Interest shall be added to the outstanding principal amount of the applicable Class of Loans as of the applicable Interest Payment Date. All payments (including prepayments) to be made by the Loan Parties under any Loan Document shall be made without setoff or counterclaim. Payments received after 2:00 p.m. New York time are considered received at the opening of business on the next Business Day. When a payment is due on a day that is not a Business Day, the payment shall be due the next Business Day, and additional fees or interest, as applicable, shall continue to accrue until

paid. Each payment made by a Loan Party under a Loan Document is in addition to any payment or distribution to which the Lenders may be entitled or may receive pursuant to such Loan Party's Organization Documents, and nothing in any Loan Document shall be construed as limiting, reducing or in any way diminishing any payment or distribution to which the Lenders may be entitled or may receive under or with respect to such Loan Party's Organization Documents.

(e) **Application of Payments.** The Borrower shall have no right to specify the order or the accounts to which the Lenders shall allocate or apply any payment required to be made by the Borrower or any Loan Party to any Secured Party or otherwise received by a Secured Party under this Agreement or any Loan Document when any such allocation or application is not specified elsewhere in this Agreement or such Loan Document.

- 80 -

(f) **Compensation for Losses.** Notwithstanding anything herein to the contrary, in the event of (a) the payment of any principal of any SOFR Loan other than on the last day of the Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any SOFR Loan other than on the last day of the Interest Period applicable thereto (including as a result of an Event of Default), (c) the failure to borrow, convert, continue or prepay any SOFR Loan on the date specified in any notice delivered pursuant hereto, or (d) the assignment of any SOFR Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to [Section 2.09\(b\)](#), then, in any such event, Borrower shall compensate each Lender for any loss, cost and expense substantiated by such Lender and attributable to such event, including any loss, cost or expense arising from the liquidation or redeployment of funds or from any fees payable (but excluding a loss of anticipated profits). A certificate of the applicable Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate upon receipt thereof.

(g) **Inability to Determine Rates.** Subject to [Section 2.05](#) of this Agreement, if, on or prior to the first day of any Interest Period for any SOFR Loan:

(i) the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that "Term SOFR" cannot be determined pursuant to the definition thereof, or

(ii) the Requisite Lenders determine that for any reason in connection with any request for a SOFR Loan or a conversion thereto or a continuation thereof that Adjusted Term SOFR for any requested Interest Period with respect to a proposed SOFR Loan does not adequately and fairly reflect the cost to such Lenders of making and maintaining such Loan, and the Requisite Lenders have provided notice of such determination to the Administrative Agent,

then, in each case, the Administrative Agent will promptly so notify the Borrower and each Lender.

(h) Upon notice thereof by the Administrative Agent to the Borrower, any obligation of the Lenders to make SOFR Loans, and any right of the Borrower to continue SOFR Loans or to convert Base Rate Loans to SOFR Loans, shall be suspended (to the extent of the affected SOFR Loans or affected Interest Periods) until the Administrative Agent revokes such notice. Upon receipt of such notice, (i) the Borrower may revoke any pending request for a borrowing of, conversion to or continuation of SOFR Loans (to the extent of the affected SOFR Loans or affected Interest Periods) or, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to Base Rate Loans in the amount specified therein and (ii) any outstanding affected SOFR Loans will be deemed to have been converted into Base Rate Loans at the end of the applicable Interest Period. Upon any such conversion, the Borrower shall also pay accrued interest on the amount so converted, together with any additional amounts required pursuant to [Section 2.02](#). Subject to [Section 2.05](#) hereto, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that "Term SOFR" cannot be determined pursuant to the definition thereof on any given day, the interest rate on Base Rate Loans shall be determined by the Administrative Agent without reference to [clause \(iii\)](#) of the definition of "Base Rate" until the Administrative Agent revokes such determination.

SECTION 2.03 Taxes.

(a) **Payments Free of Taxes.** Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable Law. If any applicable Law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after making such deduction or withholding (including such deductions and withholdings applicable to additional sums payable under this [Section 2.03](#)) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) **Payment of Other Taxes by Loan Parties.** Without limiting the provisions of [Section 2.03\(a\)](#) above, the Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable Law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) **Tax Indemnification.** The Loan Parties shall jointly and severally indemnify each Recipient, and shall make payment in respect thereof within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto (including any recording and filing fees with respect thereto or resulting therefrom and any liabilities with respect to, or resulting from, any delay in paying such Indemnified Taxes), whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the applicable Loan Party by the applicable Recipient shall be conclusive absent manifest error. If any Loan Party fails to timely pay to the appropriate Governmental Authority any Taxes payable under this [Section 2.03](#), such Loan Party shall indemnify the applicable Recipient for any incremental taxes, interest or penalties that may become payable by such Recipient as a result of any such failure.

(d) **Evidence of Payments.** As soon as practicable after any payment of Taxes by any Withholding Agent to a Governmental Authority as provided in this [Section 2.03](#), such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) **Status of Lender.** (i) If a Lender is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document, such Lender shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation as prescribed by applicable Laws and reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, if reasonably requested by the Borrower or the Administrative Agent, such Lender shall deliver such other documentation prescribed by applicable Law and reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in [Section 2.03\(e\)\(ii\)\(A\)](#), [Section 2.03\(e\)\(ii\)\(B\)](#), and [Section 2.03\(e\)\(ii\)\(D\)](#) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender or if such Lender is legally prohibited from completing, executing or submitting such documentation or cannot obtain, using best efforts and following a good faith effort to do so, any information requested by the Borrower.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, executed copies of IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit J-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10-percent shareholder" of the Borrower or of Holdings within the meaning of Section 881(c)(3)(B) of the Code or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN or W-8BEN-E; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-2 or Exhibit J-3, IRS Form W-9 and/or other certification documents from each beneficial owner, as applicable; provided that, if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 2.03(e)(ii)(D), "FATCA" shall include any amendments made to FATCA after the Closing Date.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(f) **Treatment of Certain Refunds.** If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified by a Loan Party pursuant to this Section 2.03 (including by the payment of additional amounts pursuant to this Section 2.03), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.03 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the indemnifying party, upon the request of such indemnified party, agrees to repay such indemnified party the amount paid over to the indemnifying party pursuant to this Section 2.03(f) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 2.03(f), in no event will the indemnified party be required to pay any amount to any Loan Parties pursuant to this Section 2.03(f), the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 2.03(f) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(g) **VAT.** Notwithstanding anything in this Section 2.03 to the contrary:

(i) All amounts expressed to be payable under a Loan Document by any Loan Party to a Secured Party which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, subject to paragraph (ii) below, if VAT is or becomes chargeable on any supply made by any Lender to any Loan Party under a Loan Document and such Secured Party is required to account to the relevant tax authority for the VAT, that Loan Party must pay to such Secured Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and such Lender must promptly provide an appropriate VAT invoice to that Loan Party).

(ii) If VAT is or becomes chargeable on any supply made by any Secured Party (the “**Supplier**”) to any other Secured Party (the “**Specified Recipient**”) under a Loan Document, and any Loan Party other than the Specified Recipient (the “**Relevant Party**”) is required by the terms of any Loan Document to pay an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Specified Recipient in respect of that consideration):

(A) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Specified Recipient must (where this paragraph (A) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Specified Recipient receives from the relevant tax authority which the Specified Recipient reasonably determines relates to the VAT chargeable on that supply; and

(B) (where the Specified Recipient is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Specified Recipient, pay to the Specified Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Specified Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.

(iii) Where a Loan Document requires any Loan Party to reimburse or indemnify a Secured Party for any cost or expense, that Loan Party shall reimburse or indemnify (as the case may be) such Lender for the full amount of such cost or expense, including such part thereof as represents VAT, save to the extent that such Secured Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.

(iv) Any reference in this Section 2.03(g) to any Loan Party shall, at any time when such Loan Party is treated as a member of a group for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the representative member of such group at such time (the term “representative member” to have the same meaning as in the Value Added Tax Act 1994).

- 85 -

(v) In relation to any supply made by a Secured Party to any Loan Party under a Loan Document, if reasonably requested by such Lender, that Loan Party must promptly provide such Secured Party with details of that Loan Party’s VAT registration and such other information as is reasonably requested in connection with such Secured Party’s VAT reporting requirements in relation to such supply.

(h) **Survival.** Each party’s obligations under this Section 2.03 shall survive any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all obligations under any Loan Document.

SECTION 2.04 Ratable Sharing; Pro Rata Shares; Availability of Funds.

(a) **Ratable Sharing; Pro Rata Shares.** Except as otherwise expressly provided in this Agreement, each payment or prepayment of principal of any Loan, each payment of interest on the Loans, each payment of fees payable to the Lenders, each reduction of Commitments and each conversion to or continuation of any Loan shall be allocated pro rata among the Lenders of all Classes of Loans then held by the Lenders and entitled to such payment in accordance with their respective Commitments (or, if the Commitments shall have expired or been terminated, pro rata in accordance with the respective principal amounts of the outstanding Loans) held by the Lenders (unless a given Lender or Class of Loans has elected to receive a lesser allocation). The Lenders hereby agree among themselves that, if any of them shall, whether by voluntary payment (other than a voluntary prepayment of Loans made and applied in accordance with the terms hereof), through the exercise of any right of set-off or banker’s lien, by counterclaim or cross action or by the enforcement of any right under the Loan Documents or otherwise, or as adequate protection of a deposit treated as cash collateral under the Bankruptcy Code of the United States, receive payment or reduction of a proportion of the aggregate amount of principal, interest, amounts payable in respect of letter of credit fees and other amounts then due and owing to such Lender hereunder or under the other Loan Documents (collectively, the “**Aggregate Amounts Due**” to such Lender) which is greater than the proportion received by any other Lender in respect of the Aggregate Amounts Due to such other Lender, then the Lender receiving such proportionately greater payment shall (a) notify Administrative Agent and each other Lender of the receipt of such payment and (b) apply a portion of such payment to purchase participations (which it shall be deemed to have purchased from each seller of a participation simultaneously upon the receipt by such seller of its portion of such payment) in the Aggregate Amounts Due to the other Lenders so that all such recoveries of Aggregate Amounts Due shall be shared by all Lenders in proportion to the Aggregate Amounts Due to them; provided, if all or part of such proportionately greater payment received by such purchasing Lender is thereafter recovered from such Lender upon the bankruptcy or reorganization of Borrower or otherwise, those purchases shall be rescinded and the purchase prices paid for such participations shall be returned to such purchasing Lender ratably to the extent of such recovery, but without interest. Borrower expressly consents to the foregoing arrangement and agrees that any holder of a participation so purchased may exercise any and all rights of banker’s lien, set-off or counterclaim with respect to any and all monies owing by Borrower to that holder with respect thereto as fully as if that holder were owed the amount of the participation held by that holder. The provisions of this Section 2.04(a) shall not be construed to apply to (1) any payment made by the Loan Parties pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender) or (2) any payment obtained by any Lender as consideration for the origination of a new Class of Loans or Commitments or an assignment or sale of a participation in any of its Loans or other Obligations owed to it.

- 86 -

(b) **Availability of Funds.** Unless Administrative Agent shall have been notified in writing by any Lender prior to the applicable Credit Date that such Lender does not intend to make available to Administrative Agent the amount of such Lender’s Loan requested on such Credit Date, Administrative Agent may assume that such Lender has made such amount available to Administrative Agent on such Credit Date and Administrative Agent may, in its sole discretion, but shall not be obligated to, make available to Borrower a corresponding amount on such Credit Date. If such corresponding amount is not in fact made available to Administrative Agent by such Lender, Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender together with interest thereon, for each day from such Credit Date until the date such amount is paid to Administrative Agent, at the customary rate set by Administrative Agent for the correction of errors among banks for three (3) Business Days and thereafter at the Base Rate. If such Lender does not pay such corresponding amount forthwith upon Administrative Agent’s demand therefor, Administrative Agent shall promptly notify Borrower and Borrower shall immediately pay such corresponding amount to Administrative Agent together with interest thereon, for each day from such Credit Date until the date such amount is paid to Administrative Agent, at the rate payable hereunder for Base Rate Loans for such Loans. Nothing in this Section 2.04(b) shall be deemed to relieve any Lender from its obligation to fulfill its Term Loan Commitments hereunder or to prejudice any rights that the Loan Parties may have against any Lender as a result of any default by such Lender hereunder. It being understood, however, unless and until a Lender has determined, in its sole discretion, that all conditions precedent for a particular Loan have been satisfied, such Lender shall have no obligation to advance any particular Loan.

SECTION 2.05 Benchmark Replacement Settings. Notwithstanding anything to the contrary herein or in any other Loan Document:

(a) **Replacing Future Benchmarks.** (i) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (a) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (b) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any

Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Requisite Lenders. If the Benchmark Replacement is based upon Daily Simple SOFR, all interest payments will be payable on a monthly basis.

(ii) No Hedging Contract or swap agreement shall constitute a "Loan Document" for purposes of this Section 2.05.

(b) **Benchmark Replacement Conforming Changes.** In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

- 87 -

(c) **Notices; Standards for Decisions and Determinations.** The Administrative Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will notify the Borrower of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 2.05(e) and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.05(c), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 2.05(c).

(d) **Unavailability of Tenor of Benchmark.** Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(e) **Benchmark Unavailability Period.** Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any pending request for a SOFR Borrowing of, conversion to or continuation of SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to Base Rate Loans. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of Base Rate.

SECTION 2.06 Increased Costs; Capital Requirements.

(a) **Compensation For Increased Costs.** If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender;

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender;

- 88 -

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to reduce the amount of any sum received or receivable by such Lender or other Recipient hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or such other Recipient, Borrower will pay to such Lender or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender or other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) **Capital Requirements.** If any Lender determines that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements, has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Term Loan Commitments of such Lender or the Loans made by, or participations in letters of credit held by such Lender, to a level below that which such Lender such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

SECTION 2.07 Application of Prepayments/Reductions.

(a) Subject to the terms of the Pari Passu Intercreditor Agreement, which shall govern the payments on account of the Obligations and any other Priority Lien Obligations from time to time, after any voluntary or mandatory prepayments or repayments of Loans pursuant to Section 2.01 or the exercise of remedies provided for in Section 8.02 (or after the Loan Obligations (including, without limitation, any Applicable Prepayment Premium) have automatically become immediately due and payable as set forth in the proviso to Section 8.02), any amounts received on account of the Loan Obligations (including, without limitation, any Applicable Prepayment Premium) shall be applied by the Administrative Agent in the following order:

first, to the payment of that portion of the Loan Obligations constituting fees, indemnities, expenses and other amounts (including fees, charges and disbursements of counsel to the Agents and amounts payable under Section 2.02(b), Section 2.03, Section 2.05, Section 2.06 and Section 13.02) payable to the Agents;

second, to the payment of that portion of the Loan Obligations constituting fees, indemnities, expenses and other amounts (including fees, charges and

disbursements of counsel to the Lenders and amounts payable under Section 2.02(b), Section 2.03, Section 2.05, Section 2.06 and Section 13.02 (other than any Applicable Prepayment Premium or End of Term Fee) payable to the Lenders;

third, to payment of indemnities and other amounts (other than principal, interest and fees) payable to the Lenders, ratably among them in proportion to the amounts described in this clause third payable to them;

fourth, to payment of that portion of the Loan Obligations constituting accrued and unpaid interest on the Loans, premiums (including, without limitation, any Applicable Prepayment Premium) and fees (excluding any End of Term Fee) other than those previously paid pursuant to clause “*second*” above, ratably among the Lenders in proportion to the respective amounts described in this clause fourth payable to them;

fifth, to payment of that portion of the Loan Obligations constituting unpaid principal of the Loans, ratably among the Lenders in proportion to the respective amounts described in this clause fifth held by them;

- 89 -

sixth, except in connection with any waivable prepayment of the type described in Section 2.01(e)(iii) and Section 2.01(e)(iv), to prepay Loans on a pro rata basis (in accordance with the respective outstanding principal amounts thereof) and shall be further applied in inverse order of maturity to reduce the remaining scheduled installments of principal of the Loans;

seventh, to the payment of that portion of the Loan Obligations constituting any End of Term Fee payable to the Lenders;

eighth, to the payment in full of all other Loan Obligations then owing, ratably among the Secured Parties in proportion to the respective amounts described in this clause sixth held by them; and

ninth, the balance, if any, after all of the Loan Obligations have been indefeasibly paid in full in cash, to the Loan Parties or as otherwise required by applicable Law.

Subject to clauses “*first*” through “*eighth*” preceding, Administrative Agent shall have the continuing and exclusive right to apply and reverse and reapply any and all such proceeds and payments to any portion of the Loan Obligations.

SECTION 2.08 Defaulting Lenders.

(a) **Defaulting Lender Adjustments.** Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) **Waivers and Amendments.** Such Defaulting Lender’s right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of Requisite Lenders and as set forth in Section 13.05(b):

(ii) **Defaulting Lender Waterfall.** Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 13.15 shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second*, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *third*, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata in order to satisfy such Defaulting Lender’s potential future funding obligations with respect to Loans under this Agreement; *fourth*, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender’s breach of its obligations under this Agreement; *fifth*, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender’s breach of its obligations under this Agreement; and *sixth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made when the conditions set forth in Section 3.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of such Defaulting Lender until such time as all Loans are held by the Lenders pro rata in accordance with the Term Loan Commitments. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

- 90 -

(iii) **Certain Fees.** (A) No Defaulting Lender shall be entitled to receive the Administration Fee described in Section 2.02(b)(i)(A) or the Initial Origination Fee described in Section 2.02(b)(i)(B) or the Second Restatement Origination Fee described in Section 2.02(b)(i)(C) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(b) **Defaulting Lender Cure.** If the Borrower and the Administrative Agent agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans to be held pro rata by the Lenders in accordance with the Term Loan Commitments, whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender’s having been a Defaulting Lender.

SECTION 2.09 Mitigation of Obligations; Replacement of Lenders.

(a) **Designation of a Different Lending Office.** If any Lender requests compensation under Section 2.05, 2.06(a) or 2.06(b), or requires the Loan Parties to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.03, then such Lender shall (at the request of the Borrower) use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.03 or 2.06 as the case may be, in the future, and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Loan Parties hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) **Removal or Replacement of a Lender.** Anything contained herein to the contrary notwithstanding, in the event that: (a) (i) any Lender (an **Increased-Cost Lender**) shall give notice to Borrower that such Lender is entitled to receive payments under Section 2.03 or 2.06, (ii) the circumstances which have caused such Lender to be entitled to receive such payments shall remain in effect, (iii) such Lender shall fail to withdraw such notice within five (5) Business Days after Borrower's request for such withdrawal and (iv) such Lender has declined or is unable to designate a different lending office in accordance with Section 2.09(b); or (b) (i) any Lender shall become a Defaulting Lender, (ii) the Default Period for such Defaulting Lender shall remain in effect, and (iii) such Defaulting Lender shall fail to cure the default as a result of which it has become a Defaulting Lender within five (5) Business Days after Borrower's request that it cure such default; or (c) in connection with any proposed amendment, modification, termination, waiver or consent with respect to any of the provisions hereof as contemplated by Section 13.05(b), the consent of Administrative Agent shall have been obtained but the consent of one (1) or more of such other Lenders (each a **Non-Consenting Lender**) whose consent is required shall not have been obtained; then, with respect to each such Increased-Cost Lender, Defaulting Lender or Non-Consenting Lender (the **Terminated Lender**), Administrative Agent may (which, in the case of an Increased-Cost Lender, only after receiving written request from Borrower to remove such Increased-Cost Lender), by giving written notice to Borrower and any Terminated Lender of its election to do so, elect to cause such Terminated Lender (and such Terminated Lender hereby irrevocably agrees) to assign and delegate its outstanding Loans and its Term Loan Commitments, if any, in full to one (1) or more Eligible Assignees (each a **Replacement Lender**) in accordance with the provisions of Section 13.01 and Terminated Lender shall pay any fees payable thereunder in connection with such assignment; provided, (1) on the date of such assignment, the Replacement Lender shall pay to Terminated Lender an amount equal to the sum of (A) an amount equal to the principal of, and all accrued interest on, all outstanding Loans of the Terminated Lender and (B) an amount equal to all accrued, but theretofore unpaid fees owing to such Terminated Lender pursuant to Section 2.01(d)(i), Section 2.01(f) and Section 2.02(b); (2) on the date of such assignment, Borrower shall pay any amounts payable to such Terminated Lender pursuant to Section 2.03 or Section 2.06; (3) in the event such Terminated Lender is a Non-Consenting Lender, each Replacement Lender shall consent, at the time of such assignment, to each matter in respect of which such Terminated Lender was a Non-Consenting Lender. In the event that the Terminated Lender fails to execute an Assignment Agreement pursuant to Section 13.01 within five (5) Business Days after receipt by the Terminated Lender of notice of replacement pursuant to Section 2.09(b) and presentation to such Terminated Lender of an Assignment Agreement evidencing an assignment pursuant to this Section 2.09(b), the Terminated Lender shall be deemed to have executed and delivered such Assignment Agreement, and upon the execution and delivery of Assignment Agreement by the Replacement Lender and Administrative Agent, shall be effective for purposes of this Section 2.09(b) and Section 13.01. Upon the prepayment of all amounts owing to any Terminated Lender and the termination of such Terminated Lender's Term Loan Commitments, if any, such Terminated Lender shall no longer constitute a "Lender" for purposes hereof; provided, any rights of such Terminated Lender to indemnification hereunder shall survive as to such Terminated Lender. For the avoidance of doubt, all fees that would otherwise be due and payable to any Non-Consenting Lender, including, without limitation, any Applicable Prepayment Premium, shall continue to be due and payable to such Non-Consenting Lender.

ARTICLE IV WARRANT

SECTION 4.01 Warrant to Purchase Shares. In connection with the Second Restatement, the Second Restatement Effective Date and the Delayed Draw Term Loan Commitments, pursuant to the terms and conditions of the Warrants, Holdings has authorized the issue and sale of Equity Interests and grants each of the Lenders that hold Delayed Draw Term Loan Commitments on the Second Restatement Effective Date, or a designated Affiliate of any such Lender, the right to purchase Equity Interests in Borrower as more specifically set forth in such Warrant and in Holding's Organization Documents.

Each party hereto further acknowledges and agrees that the fair market value of the Warrants and the "issue price" and "original issue discount" of each of the Delayed Draw Term Loans issued on the Second Restatement Effective Date for purposes of Section 1273(b) of the Code, will be determined in good faith by Fortress after the Second Restatement Effective Date (subject to the review and approval of the Borrower, which approval shall not be unreasonably withheld, conditioned or delayed) as required by Section 1273(c)(2)(B) of the Code and Treasury Regulations Section 1.1273-2(h).

(b) The Loans are intended to be treated as indebtedness for U.S. federal income tax purposes and shall not be treated as "contingent payment debt instruments" governed by the rules under Treasury Regulations Section 1.1275-4. The calculation by the Borrower of the amount of original issue discount for any accrual period of the Loans shall be subject to the review and approval of Fortress, which shall not be unreasonably withheld, conditioned or delayed. Each of the Loan Parties shall provide any information reasonably requested from time to time by any Lender regarding the original issue discount associated with the Loans for U.S. federal income tax purposes.

(c) The Loan Parties and the Lenders agree to use the issue price and fair market values as so determined pursuant to this Section 4.02 for all U.S. federal income tax purposes, shall file all Tax returns, reports and declarations consistent with the provisions of this Section 4.02, and shall not take any tax position that is inconsistent with such intended tax treatment or determination of fair market value or issue price. The inclusion of this Section 4.02 is not an admission by any Lender that it is subject to United States taxation.

SECTION 5.01 Existence, Qualification and Power. No grants, funds or benefits (including, but not limited to, tax benefits actually applied) from the Israel Innovation Authority (formerly known as, the National Authority for Technological Innovation) or any other Governmental Authority were received by any Loan Party and any Loan Party is not obligated to pay any royalties or any other payments to the Israel Innovation Authority or any other Governmental Authority. The transactions contemplated under any Loan Document (including the Transactions occurring on the First Restatement Effective Date and the Second Restatement Effective Date) are not subject to any right and do not require the approval of the Israel Innovation Authority.

SECTION 5.04 Binding Effect. This Agreement has been, and each other Loan Document, when delivered hereunder, will have been, duly executed and delivered by each Loan Party that is party thereto. This Agreement constitutes, and each other Loan Document when so delivered will constitute, a legal, valid and binding obligation of such Loan Party, enforceable against each Loan Party that is party thereto in accordance with its terms, except as enforcement may be limited by equitable principles or by bankruptcy, insolvency, reorganization, moratorium, or similar laws relating to or limiting creditors' rights generally.

SECTION 5.05 Financial Statements; No Material Adverse Effect. The Audited Financial Statements (a) were prepared in accordance with GAAP consistently applied throughout the period covered thereby, except as otherwise expressly noted therein; (b) fairly present the financial condition of (x) prior to the First Restatement Effective Date, Borrower and its Subsidiaries, and (y) with respect to any Audited Financial Statements for a period after the First Restatement Effective Date, Holdings and its Subsidiaries, as of the date thereof and their results of operations for the period covered thereby in accordance with GAAP consistently applied throughout the period covered thereby, except as otherwise expressly noted therein; and (c) show all material indebtedness and other liabilities (including, without limitation, Indebtedness, liabilities for taxes, long-term leases, Indebtedness and other unusual forward or long-term commitments), direct or contingent, of such Person and its Subsidiaries as of the date thereof. Since March 16, 2023, there has been no event or circumstance, either individually or in the aggregate, that has had or could reasonably be expected to have a Material Adverse Effect, except as disclosed to the Secured Parties in Schedule 5.05.

SECTION 5.06 Litigation. There are no actions, suits, proceedings, claims, investigations or disputes pending or, to the Knowledge of Holdings or any of its Subsidiaries, threatened in writing, at Law, in equity, in arbitration or before any Governmental Authority, by or against Holdings or any of its Subsidiaries or against any of their properties or revenues that purport to affect or pertain to this Agreement or any other Loan Document, or any of the transactions contemplated hereby which would be adverse to the Loan Parties or the Secured Parties in any material respect. Neither Holdings nor any of its Subsidiaries, nor any director or officer thereof, is or since December 31, 2019 has been the subject of any action involving a claim of violation of or liability under federal or state securities laws or a claim of breach of fiduciary duty. The SEC has not issued any stop order or other order suspending the effectiveness of any registration statement filed by Holdings or any Subsidiary under the Securities Act and Exchange Act, as applicable.

SECTION 5.08 Ownership of Property; Liens; Permits.

(a) Holdings and each of its Subsidiaries has, in all material respects, good, indefeasible and merchantable title to and ownership of its property, and is the beneficial owner of all Equity Interests in its Subsidiaries and other Persons purported to be owned by such Person, free and clear of all Liens, except Permitted Liens.

No condition exists or event has occurred which, in itself or with the giving of notice or lapse of time or both, would result in the suspension, revocation, impairment, forfeiture or non-renewal of any material permit, license, authorization, approval, entitlement or accreditation necessary to the operation of the business of the Loan Parties as it is currently operated, and, to the Knowledge of the Loan Parties, there is no claim that any thereof is not in full force and effect.

SECTION 5.09 Environmental Compliance. SECTION 5.15 Disclosure.

(a) Each Loan Party has disclosed to the Agents all agreements, instruments and corporate or other restrictions to which it is subject, and all other matters known to it, that, individually or in the aggregate, could reasonably be expected to result in a Material Adverse Effect. SECTION 5.17 Intellectual Property; Licensing.

(a) Schedule 5.17(a) sets forth a complete and accurate list of all: (i) issuances, registrations and applications for Intellectual Property owned or exclusively licensed by Holdings or a Subsidiary, indicating for each, as applicable, the title, jurisdiction, record owner, and application or registration number; and (ii) Licenses to which Holdings or any of its Subsidiaries is a party or otherwise bound that are material to the conduct of the business of Holdings or any Subsidiary or that involve any Assigned Patent, excluding for the avoidance of doubt, any commercially available "off-the-shelf" software or open source software licenses used in the business of Holdings or any Subsidiary, or any licenses granted to customers, distributors or agents of Holdings or any Subsidiary for the purpose of testing, demonstrating, using, installing, maintaining, updating, repairing, decommissioning and otherwise exploiting the Products (each, a "**Material License**").

(b) Except as set forth on the Disclosure Schedule, Holdings and each Subsidiary exclusively own all right, title and interest in and to, or have a valid and enforceable right to use, free and clear of any Lien other than any Permitted Liens, all Intellectual Property necessary for the conduct of its business as presently conducted. Except as set forth in Schedule 5.17(b), within the three (3) years preceding the Closing Date, no claim has been brought, is pending, or, to the knowledge of the Loan Parties, has been threatened, by any Person (i) alleging that the conduct of the business of Holdings or a Subsidiary infringes, misappropriates, dilutes or otherwise violates the Intellectual Property of any Person or (ii) challenging or questioning the validity, enforceability, ownership, use, registrability or patentability of any Material Intellectual Property. To the knowledge of the Loan Parties, no Person is infringing, misappropriating, diluting or otherwise violating any Intellectual Property of Holdings or any Subsidiary.

(c) Other than as set forth on Schedule 5.17(c), no Foreign Subsidiary owns any registrations or applications to register any Material Intellectual Property. To the knowledge of the Loan Parties, all registrations and pending applications for Material Intellectual Property listed in accordance with paragraph (a) are (i) subsisting and have not been adjudged invalid or unenforceable, in whole or part, and (ii) valid and in full force and effect. Holdings and each Subsidiary has taken commercially reasonable steps to maintain, enforce and protect its Intellectual Property, including by requiring each employee, consultant and independent contractor involved in the creation, development or authorship of any Intellectual Property to execute an agreement pursuant to which such Person (x) agrees to protect the confidential information of Holdings and each Subsidiary and (y) assigns to Holdings or a Subsidiary, as applicable, all rights in any Intellectual Property created in the course of his, her or its employment or other engagement with Holdings or a Subsidiary.

If any of the Assigned Patents are terminally disclaimed to another patent or patent application, all patents and patent applications subject to such terminal disclaimer are included in the Assigned Patents. To the extent "small entity" fees were paid to the United States Patent and Trademark Office for any Assigned Patent, such reduced fees were then appropriate because the payor qualified to pay "small entity" fees at the time of such payment and specifically had not licensed rights in any Assigned Patent to an entity that was not a "small entity".

To the knowledge of Holdings and the Loan Parties, no product, system, program or software module designed, developed, distributed or otherwise made available by Holdings or any of its Subsidiaries to any Person, including products and services, contains any "back door," "time bomb," "Trojan horse," "worm," "drop dead device," "virus" or other software routines or hardware components designed to permit unauthorized access or to disable or erase software, hardware or data without the consent of the user ("**Harmful Code**").

Neither Holdings nor any of its Subsidiaries has used any materials subject to a Reciprocal License in any manner that would (A) require the disclosure or distribution in source code form, (B) require the license thereof for the purpose of making derivative works, (C) impose any restriction on the consideration to be charged for distribution of any Material Intellectual Property, or (D) impose any restriction on Holdings or any of its Subsidiaries, from asserting its rights in relation to any Material Intellectual Property or the Collateral Agent or any Secured Party in exercising its rights hereunder.

- 105 -

(i) Neither Holdings nor any Subsidiary, or to Holdings' or its Subsidiaries' Knowledge, any counterparty, is in material breach of or default under the provisions of any of the Material Licenses, or has received written notice of any such breach or default or the intention of the other party to terminate such License, nor is there any event, fact, condition or circumstance which, with notice or passage of time or both, would constitute or result in a material conflict, breach, default or event of default under, any of the foregoing.

No material Intellectual Property of Holdings or any of its Subsidiaries is included in the set of Excluded Assets of the Loan Parties. The consummation of the transactions contemplated hereby and the exercise by the Administrative Agent or the Lenders of any right or protection set forth in the Transaction Documents will not constitute a breach or violation of, or otherwise affect the enforceability of, any licenses of any Intellectual Property owned or licensed by any Loan Party or Subsidiary.

(m) Holdings and its Subsidiaries have or had, as appropriate, complete, valid and enforceable rights to use a complete and correct copy of all data, data sets

It being understood that each such Loan Party and Additional Asset Security Provider shall deliver and cause such Subsidiaries to take all actions and execute and deliver, or cause to be executed and delivered by not later than the applicable Joinder Date a joinder to this Agreement as a Guarantor, the Intercreditor and Subordination Agreements, and supplements and/or joinders to any applicable Collateral Documents and/or other Loan Documents and/or applicable foreign equivalents of the Collateral Documents together with appropriate corporate formalities, opinions, documents, instruments, agreements and certificates and other requirements for such Guarantees and/or Collateral that would have been the local law equivalent of those conditions precedent required to be delivered pursuant Section 5 of the Reaffirmation and Omnibus Amendment Agreement, [Section 3.01](#) and [Section 6.26](#) of this Agreement, the Intercreditor and Subordination Agreements, the Collateral and Guarantee Requirements and the Foreign Subsidiary Accession Requirements, together with such additional documents, evidence, certificates, instruments, agreements and filings as may be reasonably requested by the Agent in order to evidence, grant, perfect or protect a First Priority Lien in the same types and classes of as had been previously required of the existing Loan Parties in the Existing Asset Security Jurisdictions described above but, in each case, taking into account local law formalities, market practices and requirements in order to effectuate such guarantee and collateral arrangements).

(d) If any Loan Party acquires any assets or property that are required to become Collateral pursuant to the Convertible Note or the Note Purchase Documents, or any Loan Party is required to pledge its assets or property as Collateral pursuant to the Note Purchase Documents, such Loan Party shall promptly (and in any event within the time period(s) required by the Collateral and Guarantee Requirements (or such longer period as the Collateral Agent may agree in its sole discretion)) execute a joinder to an existing Collateral Document or enter into a new Collateral Document (in each case, to the extent necessary to cause such Collateral to be so pledged) and take such steps necessary to validly perfect the Collateral Agent's Lien (to the extent required by the Loan Documents). To the extent that a Loan Party is entering into a joinder, entering into a new Collateral Document, or taking other steps to perfect a Lien in order to secure the obligations evidenced by the Note Purchase Documents, the Loan Parties shall take the same steps in connection with this Agreement (with such changes as are appropriate to reflect the applicable priority of the Lien, or the applicable perfection requirements, consistent with the terms of the Pari Passu Intercreditor Agreement and the Liens being created on the First Restatement Effective Date), which shall satisfy the Obligations hereunder, and the Collateral Agent, as applicable, is authorized and directed to execute any documentation consistent therewith. Each Loan Party shall execute such further documents, financing statements, agreements and instruments, and take all further commercially reasonable further actions (including the filing and recording of financing statements or amendments or continuation statements or equivalent in respect thereof), that may be required under any applicable Law, to ensure that the Liens of the Secured Parties under the Loan Documents on the Collateral remain perfected (to the extent required by the Loan Documents) with the priority required by the Pari Passu Intercreditor Agreement, all at the expense of the Loan Parties and provide to the Collateral Agent and the Lenders, from time to time upon reasonable request, evidence reasonably satisfactory to the Collateral Agent as to the perfection and priority of the Liens created or intended to be created by the Loan Documents. It being understood and agreed that the Loan Parties shall not be required to provide, and neither the Collateral Agent nor the Lenders shall request, any additional Liens in respect of the Excluded Assets.

- 122 -

Notwithstanding the foregoing, if a Loan Party does not own assets of a particular category at the time it enters into Collateral Document(s) in respect of assets of one or more other categories specified in the existing Collateral Documents or the Collateral and Guarantee Requirements, such Loan Party will not be required to enter into a Collateral Document solely to create a security interest over future assets of that particular category unless the same can be effected under a composite Collateral Document that also secures assets it owns at the time it enters into the Collateral Document or pursuant to entering into a joinder to the same form of Collateral Document as entered into by another Loan Party in the same jurisdiction covering the same class of assets. However, if such Loan Party subsequently acquires assets of that particular category and other existing Loan Parties in that jurisdiction were required to create a security interest over such class of assets or would have been so required if such assets had been owned at the time the relevant Collateral Document(s) was entered into, the Borrower shall notify the Agent by not later than the date that the next Compliance Certificate is delivered pursuant to [Section 6.02\(e\)](#), and if requested by the Agent, as soon as reasonably practicable thereafter, such Loan Party shall create and perfect its security interest over that asset or those assets to the extent required by the Collateral and Guarantee Requirements and take such actions required under the applicable Law in order to ensure the grant, perfection, protection and enforceability of a First Priority Lien in such assets.

Notwithstanding any of the other Collateral and Guarantee Requirements contained in this Agreement, it is understood and agreed with respect to the Japanese Guarantor that, other than the execution of the Intercompany Subordination Agreement and the Assignment of Receivables from Japanese Guarantor to the Lenders and the Purchasers under the Note Purchase Agreement, there will be no requirement for the Borrower to enter into any additional Japanese law governed Collateral Documents to pledge its Equity Interests in the Japanese Guarantor or for the Japanese Guarantor to enter into any additional Collateral Documents to grant, evidence or perfect the Collateral Agent's security interest in any of the Japanese Guarantor's assets.

Each of the Loan Parties shall ensure that (i) excess cashflows from each Subsidiary of the Loan Parties are upstreamed to the Borrower in an amount at least equal to the lesser of (A) ninety percent (90%) of Free Cash Flow of such Subsidiary with respect to the period as to which Distributable Income for such Subsidiary was measured for purposes of clause (B) hereof, and (B) the maximum amount of Distributable Income with respect to such Subsidiary as of the date of such Distribution permitted to be distributed under the applicable Laws of the Relevant Jurisdiction, as determined with respect to the preceding fiscal year of such Subsidiary or, in the case of Distributions made more frequently than annually, such lesser period of time as may have elapsed since the most recent determination of Distributable Income with respect to such Subsidiary hereunder (or since the Closing Date, in the case of the initial Distribution hereunder by such Subsidiary); and, (ii) to the extent restrictions are imposed by any Governmental Authority on Distributions in Dollars by any Subsidiary, cause and permit such Subsidiary to maximize Dollars available for distribution hereunder to the maximum extent permitted by applicable Law, including through the purchase and sale of Dollar-denominated Cash Equivalent debt instruments issued by the sovereign of such jurisdiction, through any other appropriate mechanism for the acquisition of Dollars in any exchange market, or through the preferential allocation towards any such distribution of Dollar-denominated and/or off-shore revenues received by such Subsidiary. (f) **Restraint on Business.** Any injunction, whether temporary or permanent, shall be rendered against any Loan Party or any of its material Subsidiaries that prevents Holdings or any of its material Subsidiaries from operating or otherwise conducting a material portion of the business of Holdings and its Subsidiaries in the aggregate in the ordinary course for more than thirty (30) consecutive calendar days after the earlier of (i) a Responsible Officer of a Loan Party’s obtaining actual or constructive knowledge of such default or (ii) the Borrower receiving written notice of such default from the Agent or any Lender.

(h) **Insolvency Proceedings.** (a) Any Loan Party or any of its material Subsidiaries institutes or consents to the institution of any proceeding under any Debtor Relief Law, or makes an assignment for the benefit of creditors, or enters into a composition, compromise or arrangement with any creditor (other than in the ordinary course of business and on a solvent basis), or applies for or consents to the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator or similar officer for it or for all or any material part of its property; (b) any receiver, administrative receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, compulsory manager, or similar officer is appointed without the application or consent of such Person; or (c) any proceeding under any Debtor Relief Law relating to any such Person or to all or any material part of its property is instituted without the consent of such Person or an order for relief (including, without limitation, the issue of an order by an Israeli court for the commencement of insolvency proceedings (“*tsav le-ptichat halichim*”) (as defined in the Israeli Insolvency and Economic Rehabilitation Law, 2018)) is entered in any such proceeding, in each case with respect to clauses (b) and (c) above which event continues in existence and is not dismissed or stayed for sixty (60) days after a Loan Party’s receipt of actual or constructive notice of the occurrence thereof.

(i) **Inability to Pay Debts.** Any Loan Party or any of their material Subsidiaries becomes unable or admits in writing its inability to pay its debts when due, whether or not the maturity date therefor has arrived or the value of its assets exceeds its obligations (including future and contingent obligations), or fails generally to pay its debts as they become due and such circumstance, event or failure continues in existence and is not remedied for sixty (60) days after a Loan Party’s receipt of actual or constructive notice of such circumstance, event or failure.

(j) **Judgments.** Any money judgment, writ or warrant of attachment or similar process involving (i) in any individual case an amount in excess of One Million Dollars (\$1,000,000.00) over the amount covered by independent third-party insurance as to which liability has been accepted by the applicable insurance carrier or (ii) in the aggregate at any time an amount in excess of Two Million Dollars (\$2,000,000.00) over the amount covered by independent third-party insurance as to which liability has been accepted by the applicable insurance carrier, shall be entered or filed against Holdings or any of its Subsidiaries or any of their respective assets and shall remain undischarged, unvacated, unbonded or unstayed for a period of sixty (60) days (or in any event later than five (5) days prior to the date of any proposed sale thereunder).

(k) **Change of Control.** A Change of Control occurs.

(l) **ERISA and Foreign Plans.** (a) An ERISA Event occurs with respect to a Pension Plan, Multiemployer Plan or a Foreign Plan which has resulted or could reasonably be expected to result in liability of a Loan Party or its Subsidiaries under Title IV of ERISA to the Pension Plan, Multiemployer Plan or Foreign Plan or the PBGC

- 138 -

(m) **Invalidity of Loan Documents.** At any time after the execution and delivery thereof, (i) the Guaranty for any reason, other than the satisfaction in full of all Guaranteed Obligations, shall cease to be in full force and effect (other than in accordance with its terms) or shall be declared to be null and void or any Guarantor shall repudiate its obligations thereunder, (ii) (a) this Agreement or any Collateral Document ceases to be in full force and effect (other than by reason of a release of Collateral in accordance with the terms hereof or thereof or the satisfaction in full of the Obligations in accordance with the terms hereof) or shall be declared null and void, or (b) Collateral Agent shall not have or shall cease to have a valid and perfected Lien in any Collateral with a fair market value in excess of One Million Dollars (\$1,000,000.00) after delivery thereof pursuant to the terms of the Collateral Documents with the priority required by the relevant Collateral Document, in each case for any reason other than (x) to the extent permitted by the terms hereof or thereof or (y) of such loss of perfection or priority result from the failure of Collateral Agent or a Secured Party to take such actions in the control of such Secured Party (including the failure to maintain possession of any certificated Equity Interests actually delivered to it representing Equity Interests pledged as Collateral pursuant to the Collateral Documents), (iii) Holdings or any of its Subsidiaries shall contest the validity or enforceability of any Loan Document in writing or deny in writing that it has any further liability, including with respect to future advances by Lenders, under any Loan Document to which it is a party, (iv) the Pari Passu Intercreditor Agreement or any of the provisions thereof, ceases to be valid and enforceable against any holder of Priority Lien Obligations or any holder thereof shall so assert in writing; (v) the Subordination Agreement (or subordination provisions incorporated in any Subordinated Indebtedness), or any provisions thereof, ceases to be valid and enforceable against any holder of Indebtedness secured by a Lien intended to be subordinated to the Obligations or any holder of such Indebtedness shall so assert in writing or (vi) the failure of any party thereto to comply with the terms of the Subordination Agreement.

(n) **Intellectual Property.** (a) Holdings or any of its Subsidiaries fails to comply with the Conduct of Business Provisions or fails to meet its obligations under the Loan Documents and/or Transaction Documents and/or Section 17 of the IP Hold-Co Operating Agreement for the timely payment of maintenance fees, annuities or the like for any Patent or fails to meet its obligations relating to the timely prosecution of each patent application in the set of Assigned Patents (including future filed patent applications), provided such failure or delay can no longer be substantially remedied by making a late payment, obtaining an extension or taking further or remedial action in the prosecution of such patent, or (b) any Assigned Patent that constitutes Material Intellectual Property is found unpatentable or unenforceable due to the inequitable conduct or gross negligence or willful misconduct of any Loan Party.

(o) **Moratorium; Availability of Foreign Exchange.** A moratorium shall be agreed or declared in respect of any Indebtedness of Holdings or any of its Subsidiaries or any restriction or requirement not in effect on the Closing Date shall be imposed, whether by legislative enactment, decree, regulation, order or otherwise, which limits the availability or the transfer of foreign exchange by Holdings and/or its Subsidiaries for the purpose of performing any payment obligation under any Loan Document to which it is a party and such moratorium, restriction, or requirement, has a material adverse effect on the ability of the Loan Parties to perform their payment obligations under the Loan Documents.

(p) **Invalidity of Upstreaming.** Any governmental or other consent, license, approval, permit or authorization which is now or may in the future be necessary or appropriate under any applicable law for the upstreaming or other transfer of dividends, Free Cash Flow or Distributable Income from any of the Subsidiaries to any Loan Party or to make such upstreaming, transfer or loan legal, valid, enforceable and admissible in evidence shall not be obtained or shall be withdrawn, revoked or modified or shall cease to be in full force and effect or shall be modified in any manner that would have a Material Adverse Effect.

SECTION 8.02 Rights and Remedies.

(a) Rights and Remedies.

(i) (1) Upon the occurrence of any Event of Default described in Sections 8.01(h) or 8.01(i), automatically, and (2) upon the occurrence of any other Event of Default, at the request of (or with the consent of) the Requisite Lenders, the Agents may, without notice or demand, do any or all of the following, singularly, consecutively or cumulatively:

(A) declare all Guaranteed Obligations (including any Applicable Prepayment Premium and any Specified Fees (in the case of any Administration Fee or Origination Fees, to the extent then-earned and unpaid)) immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Loan Parties (but if an Event of Default described in Section 8.01(h) occurs, all Guaranteed Obligations (including any Applicable Prepayment Premium and any Specified Fees (in the case of any Administration Fee or Origination Fees, to the extent then-earned (including as set forth in Section 2.01(f) and Section 2.02(b))) shall become and shall automatically be immediately due and payable without any action by the Administrative Agent or Secured Parties));

(B) stop advancing money or extending credit for the Borrower's benefit under this Agreement or under any other Loan Document or Transaction Document between any of the Loan Parties and any of the Secured Parties; and

(C) exercise all rights and remedies available to the Secured Parties under the Loan Documents or at Law or equity, including all remedies provided under the UCC, all of which rights and remedies shall be cumulative and nonexclusive to the extent permitted by law, including, without limitation, the following:

(1) Upon the occurrence and during the continuance of any Event of Default, the Collateral Agent shall have all rights and remedies provided by Law, including but not limited to those of a lender and/or a secured party under the UCC as in effect in the States of New York and Delaware on the Closing Date and as amended after the Closing Date (and any equivalent rights under the Laws of any other Relevant Jurisdiction), in addition to the rights and remedies provided herein or in the Loan Documents.

(2) All cash proceeds received by the Collateral Agent in respect of any sale of, collection from, or other realization upon all or any part of the Collateral may, in the discretion of the Requisite Lenders, be held by the Collateral Agent as Collateral for, or then or at any time thereafter applied in whole or in part by the Secured Parties against, subject to the Pari Passu Intercreditor Agreement, all or any part of the Obligations in the order set forth in Section 2.07, or in such other order as the Agent acting at the direction of the Requisite Lenders shall elect. Any surplus of such cash or cash proceeds held by the Collateral Agent and remaining after payment in full of all the Obligations shall be paid over to the Loan Parties or to whomsoever may be lawfully entitled to receive such surplus.

(3) Whether or not an Event of Default shall have occurred, if the Loan Parties fail to perform any agreement contained herein, the Agents may, in their sole discretion, themselves perform, or cause performance of, such agreement, and the reasonable expenses of the Agents

incurred in connection therewith shall be payable by Loan Parties. The powers conferred upon the Agents hereunder are solely for the protection of its interest in the Collateral and shall not impose any duty upon it to exercise any such powers.

- 140 -

(ii) The Loan Parties shall pay to the Agents, on behalf of and for the benefit of the Secured Parties, on demand and as part of the Obligations, all reasonable costs and expenses, including court costs and costs of sale, incurred by the Agents in exercising any of the rights or remedies of the Secured Parties hereunder.

(b) **Application of Payments and Proceeds Upon Default.** If (i) an Event of Default has occurred and is continuing, the Collateral Agent, on behalf of and for the benefit of the Secured Parties, may apply any funds in its possession to the Obligations in the manner provided in Section 2.07 hereof, and (ii) if a Triggering Event (as defined in the IP Hold-Co Operating Agreement) has occurred and is continuing, distributions made pursuant to the IP Hold-Co Operating Agreement shall be made in accordance with the IP Hold-Co Operating Agreement and applied to the Obligations in the order provided by the IP Hold-Co Operating Agreement and then in the manner provided in Section 2.07. It being understood that in all cases the Loan Parties shall remain liable to the Secured Parties for any deficiency. Subject to the Pari Passu Intercreditor Agreement, if the Collateral Agent, in its good faith business judgment, directly or indirectly enters into a deferred payment or other credit transaction with any purchaser at any sale of Collateral, the Secured Parties shall have the option, exercisable at any time, of either reducing the Obligations by the principal amount of the purchase price or deferring the reduction of the Obligations until the actual receipt by the Secured Parties of cash therefor.

(c) **No Waiver; Remedies Cumulative.** The Collateral Agent and Secured Parties' failure, at any time or times, to require strict performance by the Loan Parties of any provision of this Agreement or any other Loan Document shall not waive, affect, or diminish any right of the Secured Parties thereafter to demand strict performance and compliance herewith or therewith. No waiver hereunder shall be effective unless signed by the party granting the waiver and then is only effective for the specific instance and purpose for which it is given. The Agents and Secured Parties' rights and remedies under this Agreement and the other Loan Documents and the Transaction Documents are cumulative. The Agents and Secured Parties have all rights and remedies provided under the UCC, by Law, or in equity. The Agents and Secured Parties' exercise of one (1) right or remedy is not an election and shall not preclude the Agents or Secured Parties from exercising any other remedy under this Agreement or other remedy available at Law or in equity, and the Agents or Secured Parties' waiver of any Event of Default is not a continuing waiver. The Agents or Secured Parties' delay in exercising any remedy is not a waiver, election, or acquiescence.

ARTICLE IX GUARANTY

SECTION 9.01 Guaranty of the Obligations. Subject to the provisions of Section 9.02, Guarantors jointly and severally hereby irrevocably and unconditionally guaranty to Administrative Agent for the ratable benefit of the Lenders the due and punctual payment in full of all Loan Obligations when the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a)) (collectively, the "**Guaranteed Obligations**").

- 141 -

SECTION 9.02 Contribution by Guarantors. All Guarantors desire to allocate among themselves (collectively, the "**Contributing Guarantors**"), in a fair and equitable manner, their obligations arising under this Guaranty. Accordingly, in the event any payment or distribution is made on any date by a Guarantor (a "**Funding Guarantor**") under this Guaranty such that its Aggregate Payments exceeds its Fair Share as of such date, such Funding Guarantor shall be entitled to a contribution from each of the other Contributing Guarantors in an amount sufficient to cause each Contributing Guarantor's Aggregate Payments to equal its Fair Share as of such date. "**Fair Share**" means, with respect to a Contributing Guarantor as of any date of determination, an amount equal to (a) the ratio of (i) the Fair Share Contribution Amount with respect to such Contributing Guarantor, to (ii) the aggregate of the Fair Share Contribution Amounts with respect to all Contributing Guarantors multiplied by, (b) the aggregate amount paid or distributed on or before such date by all Funding Guarantors under this Guaranty in respect of the obligations guaranteed. "**Fair Share Contribution Amount**" means, with respect to a Contributing Guarantor as of any date of determination, the maximum aggregate amount of the obligations of such Contributing Guarantor under this Guaranty that would not render its obligations hereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of Title 11 of the United States Code or any comparable applicable provisions of state law; provided, solely for purposes of calculating the Fair Share Contribution Amount with respect to any Contributing Guarantor for purposes of this Section 9.02, any assets or liabilities of such Contributing Guarantor arising by virtue of any rights to subrogation, reimbursement or indemnification or any rights to or obligations of contribution hereunder shall not be considered as assets or liabilities of such Contributing Guarantor. "**Aggregate Payments**" means, with respect to a Contributing Guarantor as of any date of determination, an amount equal to (1) the aggregate amount of all payments and distributions made on or before such date by such Contributing Guarantor in respect of this Guaranty (including in respect of this Section 9.02), minus (2) the aggregate amount of all payments received on or before such date by such Contributing Guarantor from the other Contributing Guarantors as contributions under this Section 9.02. The amounts payable as contributions hereunder shall be determined as of the date on which the related payment or distribution is made by the applicable Funding Guarantor. The allocation among Contributing Guarantors of their obligations as set forth in this Section 9.02 shall not be construed in any way to limit the liability of any Contributing Guarantor hereunder. Each Guarantor is a third party beneficiary to the contribution agreement set forth in this Section 9.02.

SECTION 9.03 Payment by Guarantors. Subject to Section 9.02, Guarantors hereby jointly and severally agree, in furtherance of the foregoing and not in limitation of any other right which any Beneficiary may have at law or in equity against any Guarantor by virtue hereof, that upon the failure of Borrower to pay any of the Guaranteed Obligations when and as the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a)), Guarantors will upon demand pay, or cause to be paid, in Cash, to Administrative Agent for the ratable benefit of the Beneficiaries, an amount equal to the sum of the unpaid principal amount of all Guaranteed Obligations then due as aforesaid, accrued and unpaid interest on such Guaranteed Obligations (including interest which, but for Borrower's becoming the subject of a case under the Bankruptcy Code, would have accrued on such Guaranteed Obligations, whether or not a claim is allowed against Borrower for such interest in the related bankruptcy case) and all other Guaranteed Obligations then owed to Beneficiaries as aforesaid.

SECTION 9.04 Liability of Guarantors Absolute. Each Guarantor agrees that its obligations hereunder are irrevocable, absolute, independent and unconditional and shall not be affected by any circumstance which constitutes a legal or equitable discharge of a guarantor or surety other than payment in full of the Guaranteed Obligations (other than contingent indemnification obligations for which no claim has been asserted). In furtherance of the foregoing and without limiting the generality thereof, each Guarantor agrees as follows:

- 142 -

(a) this Guaranty is a guaranty of payment when due and not of collectability; this Guaranty is a primary obligation of each Guarantor and not merely a contract of surety;

(b) Administrative Agent may enforce this Guaranty upon the occurrence of an Event of Default notwithstanding the existence of any dispute between

Borrower and any Beneficiary with respect to the existence of such Event of Default;

(c) the obligations of each Guarantor hereunder are independent of the obligations of Borrower and the obligations of any other guarantor (including any other Guarantor) of the obligations of Borrower, and a separate action or actions may be brought and prosecuted against such Guarantor whether or not any action is brought against Borrower or any of such other guarantors and whether or not Borrower is joined in any such action or actions;

(d) payment by any Guarantor of a portion, but not all, of the Guaranteed Obligations shall in no way limit, affect, modify or abridge any Guarantor's liability for any portion of the Guaranteed Obligations which has not been paid; provided that, without limiting the generality of the foregoing, if any Agent or the Secured Parties are awarded a judgment in any suit brought to enforce any Guarantor's covenant to pay a portion of the Guaranteed Obligations, such judgment shall not be deemed to release such Guarantor from its covenant to pay the portion of the Guaranteed Obligations that is not the subject of such suit, and such judgment shall not, except to the extent satisfied by such Guarantor, limit, affect, modify or abridge any other Guarantor's liability hereunder in respect of the Guaranteed Obligations;

(e) any Beneficiary, upon such terms as it deems appropriate, without notice or demand and without affecting the validity or enforceability hereof or giving rise to any reduction, limitation, impairment, discharge or termination of any Guarantor's liability hereunder, from time to time may (i) renew, extend, accelerate, increase the rate of interest on, or otherwise change the time, place, manner or terms of payment of the Guaranteed Obligations; (ii) settle, compromise, release or discharge, or accept or refuse any offer of performance with respect to, or substitutions for, the Guaranteed Obligations or any agreement relating thereto and/or subordinate the payment of the same to the payment of any other obligations; (iii) request and accept other guaranties of the Guaranteed Obligations and take and hold security for the payment hereof or the Guaranteed Obligations; (iv) release, surrender, exchange, substitute, compromise, settle, rescind, waive, alter, subordinate or modify, with or without consideration, any security for payment of the Guaranteed Obligations, any other guaranties of the Guaranteed Obligations, or any other obligation of any Person (including any other Guarantor) with respect to the Guaranteed Obligations; (v) enforce and apply any security now or hereafter held by or for the benefit of such Beneficiary in respect hereof or the Guaranteed Obligations and direct the order or manner of sale thereof, or exercise any other right or remedy that such Beneficiary may have against any such security, in each case as such Beneficiary in its discretion may determine consistent herewith and any applicable security agreement, including foreclosure on any such security pursuant to one (1) or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable, and even though such action operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Guarantor against Borrower or any security for the Guaranteed Obligations; and (vi) exercise any other rights available to it under the Loan Documents; and

- 143 -

(f) this Guaranty and the obligations of Guarantors hereunder shall be valid and enforceable and shall not be subject to any reduction, limitation, impairment, discharge or termination for any reason (other than payment in full of the Guaranteed Obligations), including the occurrence of any of the following, whether or not any Guarantor shall have had notice or knowledge of any of them: (i) any failure or omission to assert or enforce or agreement or election not to assert or enforce, or the stay or enjoining, by order of court, by operation of law or otherwise, of the exercise or enforcement of, any claim or demand or any right, power or remedy (whether arising under the Loan Documents, at law, in equity or otherwise) with respect to the Guaranteed Obligations or any agreement relating thereto, or with respect to any other guaranty of or security for the payment of the Guaranteed Obligations; (ii) any rescission, waiver, amendment or modification of, or any consent to departure from, any of the terms or provisions (including provisions relating to events of default) hereof, any of the other Loan Documents or any agreement or instrument executed pursuant thereto, or of any other guaranty or security for the Guaranteed Obligations, in each case whether or not in accordance with the terms hereof or such Loan Document or any agreement relating to such other guaranty or security; (iii) the Guaranteed Obligations, or any agreement relating thereto, at any time being found to be illegal, invalid or unenforceable in any respect; (iv) the application of payments received from any source (other than payments received pursuant to the other Loan Documents or from the proceeds of any security for the Guaranteed Obligations, except to the extent such security also serves as collateral for indebtedness other than the Guaranteed Obligations) to the payment of indebtedness other than the Guaranteed Obligations, even though any Beneficiary might have elected to apply such payment to any part or all of the Guaranteed Obligations; (v) any Beneficiary's consent to the change, reorganization or termination of the corporate structure or existence of Borrower, Holdings or any of their Subsidiaries and to any corresponding restructuring of the Guaranteed Obligations; (vi) any failure to perfect or continue perfection of a security interest in any collateral which secures any of the Guaranteed Obligations; (vii) any defenses, set offs or counterclaims which Borrower may allege or assert against any Beneficiary in respect of the Guaranteed Obligations, including failure of consideration, breach of warranty, payment, statute of frauds, statute of limitations, accord and satisfaction and usury; and (viii) any other act or thing or omission, or delay to do any other act or thing, which may or might in any manner or to any extent vary the risk of any Guarantor as an obligor in respect of the Guaranteed Obligations.

(g) It is expressly agreed that the Israeli Guarantee Law, 1967 (the "**Israeli Guarantee Law**") shall not apply to this Agreement or to any Loan Document and that should the Israeli Guarantee Law for any reason be deemed to apply to this Agreement or to any Loan Document, or to it in connection thereof, each Guarantor hereby irrevocably and unconditionally waives all rights and defenses that may have been available to it under the Israeli Guarantee Law, provided that the forgoing shall not in any way affect or constitute a waiver of any rights or defenses available to such Guarantor under the terms of this Agreement or the laws of the State of New York after giving effect to the other provisions of this Article IX.

SECTION 9.05 Waivers by Guarantors.

(a) Each Guarantor hereby waives, for the benefit of Beneficiaries: (a) any right to require any Beneficiary, as a condition of payment or performance by such Guarantor, to (i) proceed against Borrower, any other guarantor (including any other Guarantor) of the Guaranteed Obligations or any other Person, (ii) proceed against or exhaust any security held from Borrower, any such other guarantor or any other Person, (iii) proceed against or have resort to any balance of any Deposit Account or credit on the books of any Beneficiary in favor of Borrower or any other Person, or (iv) pursue any other remedy in the power of any Beneficiary whatsoever; (b) any defense arising by reason of the incapacity, lack of authority or any disability or other defense of Borrower or any other Guarantor including any defense based on or arising out of the lack of validity or the unenforceability of the Guaranteed Obligations or any agreement or instrument relating thereto or by reason of the cessation of the liability of Borrower or any other Guarantor from any cause other than payment in full of the Guaranteed Obligations; (c) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal; (d) any defense based upon any Beneficiary's errors or omissions in the administration of the Guaranteed Obligations, except behavior which amounts to gross negligence, willful misconduct, or bad faith; (e) (i) any principles or provisions of law, statutory or otherwise, which are or might be in conflict with the terms hereof and any legal or equitable discharge of such Guarantor's obligations hereunder, (ii) the benefit of any statute of limitations affecting such Guarantor's liability hereunder or the enforcement hereof, (iii) any rights to set offs, recoupments and counterclaims, and (iv) promptness, diligence and any requirement that any Beneficiary protect, secure, perfect or insure any security interest or lien or any property subject thereto; (f) notices, demands, presentments, protests, notices of protest, notices of dishonor and notices of any action or inaction, including acceptance hereof, notices of default hereunder, or any agreement or instrument related thereto, notices of any renewal, extension or modification of the Guaranteed Obligations or any agreement related thereto, notices of any extension of credit to Borrower and notices of any of the matters referred to in Section 9.04 and any right to consent to any thereof; and (g) any defenses or benefits that may be derived from or afforded by law which limit the liability of or exonerate guarantors or sureties, or which may conflict with the terms hereof.

- 144 -

(b) Each Guarantor waives all rights and defenses that it may have because the Obligations are secured by real property. This means, among other things: (i) the Beneficiaries may collect from any Guarantor without first foreclosing on any real or personal property Collateral pledged by Borrower or any other Guarantor; and (ii) if the Beneficiaries foreclose on any real property Collateral pledged by Borrower or any Guarantor: (A) the amount of the Obligations may be reduced only by the price for which that Collateral is sold at the foreclosure sale, even if the Collateral is worth more than the sale price; and (B) the Beneficiaries may collect from the other Guarantors even if the Beneficiaries, by foreclosing on the real property Collateral, have destroyed any right the Guarantors may have to collect from Borrower or any other Guarantor. This is an

unconditional and irrevocable waiver of any rights and defenses the Guarantors may have because the Obligations are secured by real property. In the event that all or any part of the Guaranteed Obligations at any time are secured by any one (1) or more deeds of trust, security deeds or mortgages creating or granting Liens on any interests in Real Estate Assets, each of the Guarantors authorizes the Beneficiaries, upon the occurrence of and during the continuance of any Event of Default, at their sole option, without notice or demand and without affecting any Obligations, the enforceability of the Guaranteed Obligations under this Guaranty, or the validity or enforceability of any Liens of the Beneficiaries on any Collateral securing the Guaranteed Obligations, to foreclose any or all of such deeds of trust, security deeds or mortgages by judicial or nonjudicial sale. Insofar as the Liens created by the Collateral Documents secure the Guaranteed Obligations of other Persons, each of the Guarantors expressly waives any defenses to the enforcement of this Guaranty or the other Loan Documents or any Liens created or granted hereby or by the other Loan Documents or to the recovery by the Beneficiaries against Borrower, any Guarantor or any other Person liable therefor of any deficiency after a judicial or nonjudicial foreclosure or sale, even though such a foreclosure or sale may impair the subrogation rights of such Guarantor and may preclude any of them from obtaining reimbursement or contribution from any other Person.

SECTION 9.06 Guarantors' Rights of Subrogation, Contribution, etc. Until the Guaranteed Obligations shall have been indefeasibly paid in full (other than contingent indemnification obligations for which no claim has been asserted) and the Term Loan Commitments shall have terminated, each Guarantor hereby waives any claim, right or remedy, direct or indirect, that such Guarantor now has or may hereafter have against Borrower or any other Guarantor or any of its assets in connection with this Guaranty or the performance by such Guarantor of its obligations hereunder, in each case whether such claim, right or remedy arises in equity, under contract, by statute, under common law or otherwise and including (a) any right of subrogation, reimbursement or indemnification that such Guarantor now has or may hereafter have against Borrower with respect to the Guaranteed Obligations, (b) any right to enforce, or to participate in, any claim, right or remedy that any Beneficiary now has or may hereafter have against Borrower, and (c) any benefit of, and any right to participate in, any collateral or security now or hereafter held by any Beneficiary. In addition, until the Guaranteed Obligations shall have been indefeasibly paid in full (other than contingent indemnification obligations for which no claim has been asserted) and the Term Loan Commitments shall have terminated, each Guarantor shall withhold exercise of any right of contribution such Guarantor may have against any other guarantor (including any other Guarantor) of the Guaranteed Obligations, including any such right of contribution as contemplated by Section 9.02. Each Guarantor further agrees that, to the extent the waiver or agreement to withhold the exercise of its rights of subrogation, reimbursement, indemnification and contribution as set forth herein is found by a court of competent jurisdiction to be void or voidable for any reason, any rights of subrogation, reimbursement or indemnification such Guarantor may have against Borrower or against any collateral or security, and any rights of contribution such Guarantor may have against any such other guarantor, shall be junior and subordinate to any rights any Beneficiary may have against Borrower, to all right, title and interest any Beneficiary may have in any such collateral or security, and to any right any Beneficiary may have against such other guarantor. If any amount shall be paid to any Guarantor on account of any such subrogation, reimbursement, indemnification or contribution rights at any time when all Guaranteed Obligations shall not have been finally and indefeasibly paid in full, such amount shall be held in trust for the Agents on behalf of Beneficiaries and shall forthwith be paid over to the Agents for the benefit of Beneficiaries to be credited and applied against the Guaranteed Obligations, whether matured or unmatured, in accordance with the terms hereof.

- 145 -

SECTION 9.07 Subordination of Other Obligations. Any Indebtedness of Borrower or any Guarantor now or hereafter held by any Guarantor (the "**Obligee Guarantor**") is hereby subordinated in right of payment to the Guaranteed Obligations, and any such Indebtedness collected or received by the Obligee Guarantor after an Event of Default has occurred and is continuing shall be held in trust for the Agents on behalf of Beneficiaries and shall forthwith be paid over to Administrative Agent for the benefit of Beneficiaries to be credited and applied against the Guaranteed Obligations but without affecting, impairing or limiting in any manner the liability of the Obligee Guarantor under any other provision hereof.

SECTION 9.08 Continuing Guaranty. This Guaranty is a continuing guaranty and shall remain in effect until all of the Guaranteed Obligations shall have been indefeasibly paid in full (other than contingent indemnification obligations for which no claim has been asserted) and the Term Loan Commitments shall have terminated. Each Guarantor hereby irrevocably waives any right to revoke this Guaranty as to future transactions giving rise to any Guaranteed Obligations.

SECTION 9.09 Authority of Guarantors or Borrower. It is not necessary for any Beneficiary to inquire into the capacity or powers of any Guarantor or Borrower or the officers, directors or any agents acting or purporting to act on behalf of any of them.

SECTION 9.10 Collateral Matters. The Lenders and Loan Parties irrevocably authorize the Collateral Agent, in its option and in its best discretion,

(a) to release any Lien on any property granted to or held by the Collateral Agent under any Loan Document (i) upon termination of the Term Loan Commitments and payment in full of all Obligations (including, without limitation, any Applicable Prepayment Premium but excluding contingent indemnification obligations for which no claim has been asserted), (ii) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Loan Document, or (iii) if approved, authorized or ratified in writing by the Requisite Lenders;

(b) to subordinate any Lien on any property granted to or held by the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by the definition of Permitted Liens; and

(c) to release any Guarantor from its obligations under the Guaranty if such Person ceases to be a Subsidiary as a result of a transaction permitted hereunder.

- 146 -

Upon request by the Agent at any time, the Requisite Lenders will confirm in writing the Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations with respect to the Guaranteed Obligations pursuant to this Section 9.10.

In each case as specified in this Section 9.10, the Agent will, at the Loan Parties' expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents or to subordinate its interest in such item, or to release such Guarantor from its obligations with respect to the Guaranteed Obligations, in each case in accordance with the terms of the Loan Documents and this Section 9.10.

SECTION 9.11 Financial Condition of Borrower. Any Credit Extensions may be made to Borrower or continued from time to time without notice to or authorization from any Guarantor regardless of the financial or other condition of Borrower at the time of any such grant or continuation. No Beneficiary shall have any obligation to disclose or discuss with any Guarantor its assessment, or any Guarantor's assessment, of the financial condition of Borrower. Each Guarantor has adequate means to obtain information from Borrower on a continuing basis concerning the financial condition of Borrower and its ability to perform its obligations under the Loan Documents, and each Guarantor assumes the responsibility for being and keeping informed of the financial condition of Borrower and of all circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations. Each Guarantor hereby waives and relinquishes any duty on the part of any Beneficiary to disclose any matter, fact or thing relating to the business, operations or conditions of Borrower now known or hereafter known by any Beneficiary.

SECTION 9.12 Bankruptcy, etc.

(a) So long as any Guaranteed Obligations remain outstanding, no Guarantor shall, without the prior written consent of Administrative Agent acting pursuant to the instructions of Requisite Lenders, commence or join with any other Person in commencing any bankruptcy, reorganization or insolvency case or proceeding of or against Borrower or any other Guarantor. The obligations of Guarantors hereunder shall not be reduced, limited, impaired, discharged, deferred, suspended or terminated by any case or proceeding, voluntary or involuntary, involving the bankruptcy, insolvency, receivership, reorganization, liquidation or arrangement of Borrower or any other Guarantor or by

any defense which Borrower or any other Guarantor may have by reason of the order, decree or decision of any court or administrative body resulting from any such proceeding.

(b) Each Guarantor acknowledges and agrees that any interest on any portion of the Guaranteed Obligations which accrues after the commencement of any case or proceeding referred to in clause (a) above (or, if interest on any portion of the Guaranteed Obligations ceases to accrue by operation of law by reason of the commencement of such case or proceeding, such interest as would have accrued on such portion of the Guaranteed Obligations if such case or proceeding had not been commenced) shall be included in the Guaranteed Obligations because it is the intention of Guarantors and Beneficiaries that the Guaranteed Obligations which are guaranteed by Guarantors pursuant hereto should be determined without regard to any rule of law or order which may relieve Borrower of any portion of such Guaranteed Obligations. Guarantors will permit any trustee in bankruptcy, receiver, debtor in possession, assignee for the benefit of creditors or similar person to pay the Agent and/or the Secured Parties, or allow the claim of the Agent on behalf of the Secured Parties in respect of, any such interest accruing after the date on which such case or proceeding is commenced.

(c) In the event that all or any portion of the Guaranteed Obligations are paid by Borrower, the obligations of Guarantors hereunder shall continue and remain in full force and effect or be reinstated, as the case may be, in the event that all or any part of such payment(s) are rescinded or recovered directly or indirectly from any Beneficiary as a preference, fraudulent transfer or otherwise, and any such payments which are so rescinded or recovered shall constitute Guaranteed Obligations for all purposes hereunder.

- 147 -

SECTION 9.13 Discharge of Guaranty Upon Sale of Guarantor. If all of the Equity Interests of any Guarantor or any of its successors in interest hereunder shall be sold or otherwise disposed of (including by merger or consolidation) in accordance with the terms and conditions hereof, the Guaranty of such Guarantor or such successor in interest, as the case may be, hereunder shall automatically be discharged and released without any further action by any Beneficiary or any other Person effective as of the time of such Transfer.

ARTICLE X AGENTS

SECTION 10.01 Appointment of Agents. Fortress is hereby appointed Administrative Agent and Collateral Agent hereunder and under the other Loan Documents and each Lender hereby authorizes Fortress, in such capacity, to act as its agent in accordance with the terms hereof and the other Loan Documents. Each Agent hereby agrees to act upon the express conditions contained herein and the other Loan Documents, as applicable. The provisions of this Article X are solely for the benefit of Agents and the Lenders, and no Loan Party shall have any rights as a third party beneficiary of any of the provisions thereof. In performing its functions and duties hereunder, each Agent shall act solely as an agent of Lenders and does not assume and shall not be deemed to have assumed any obligation towards or relationship of agency or trust with or for Borrower, Holdings or any of their Subsidiaries. It is understood and agreed that the use of the term "agent" herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agent or the Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

SECTION 10.02 Powers and Duties. Each Lender irrevocably authorizes each Agent to take such action on such Lender's behalf and to exercise such powers, rights and remedies hereunder and under the other Loan Documents as are specifically delegated or granted to such Agent by the terms hereof and thereof, together with such powers, rights and remedies as are reasonably incidental thereto. Each Agent shall have only those duties and responsibilities that are expressly specified herein and the other Loan Documents and the Transaction Document. Each Agent may exercise such powers, rights and remedies and perform such duties by or through its agents or employees. No Agent shall have, by reason hereof or any of the other Loan Documents or Transaction Documents, a fiduciary relationship or other implied (or express) obligations arising under agency doctrine of any applicable law in respect of any Lender; and nothing herein or any of the other Loan Documents or Transaction Documents, expressed or implied, is intended to or shall be so construed as to impose upon any Agent any obligations in respect hereof or any of the other Loan Documents or Transaction Documents except as expressly set forth herein or therein.

- 148 -

SECTION 10.03 General Immunity.

(a) **No Responsibility for Certain Matters.** No Agent shall be responsible to any Lender for the execution, effectiveness, genuineness, validity, enforceability, collectability or sufficiency hereof or any other Loan Document or Transaction Document, the satisfaction of any condition set forth in Article III or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to either Agent thereunder, or for any representations, warranties, recitals or statements made herein or therein or made in any written or oral statements or in any financial or other statements, instruments, reports or certificates or any other documents furnished or made by any Agent to Lenders or by or on behalf of any Loan Party to any Agent or any Lender in connection with the Loan Documents or Transaction Documents and the transactions contemplated thereby or for the financial condition or business affairs of any Loan Party or any other Person liable for the payment of any Obligations, nor shall any Agent be required to ascertain or inquire as to the performance or observance of any of the terms, conditions, provisions, covenants or agreements contained in any of the Loan Documents or Transaction Documents or as to the use of the proceeds of the Loans or as to the existence or possible existence of any Event of Default or Default or to make any disclosures with respect to the foregoing. Anything contained herein to the contrary notwithstanding, Administrative Agent shall not have any liability arising from confirmations of the amount of outstanding Loans or the component amounts thereof.

(b) **Exculpatory Provisions.** No Agent nor any of its officers, partners, directors, managers, members, employees or agents shall be liable to Lenders for any action taken or omitted by any Agent under or in connection with any of the Loan Documents except to the extent caused by such Agent's gross negligence or willful misconduct, as determined by a court of competent jurisdiction in a final, non-appealable order. Each Agent shall be entitled to refrain from any act or the taking of any action (including the failure to take an action) in connection herewith or any of the other Loan Documents or Transaction Document or from the exercise of any power, discretion or authority vested in it hereunder or thereunder unless and until such Agent shall have received instructions in respect thereof from Requisite Lenders (or such other Lenders as may be required to give such instructions under Section 13.05) and, upon receipt of such instructions from Requisite Lenders (or such other Lenders, as the case may be), such Agent shall be entitled to act or (where so instructed) refrain from acting, or to exercise such power, discretion or authority, in accordance with such instructions; provided that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or any Transaction Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law. Without prejudice to the generality of the foregoing, (i) each Agent shall be entitled to rely, and shall not be liable for relying, upon any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and correct and to have been signed or sent by the proper Person or Persons, and shall be entitled to rely and shall be protected in relying on opinions and judgments of attorneys (who may be attorneys for Holdings and its Subsidiaries), accountants, experts and other professional advisors selected by it; and (ii) no Lender shall have any right of action whatsoever against any Agent as a result of such Agent acting or (where so instructed) refraining from acting hereunder or any of the other Loan Documents or Transaction Documents in accordance with the instructions of Requisite Lenders (or such other Lenders as may be required to give such instructions under Section 13.05). Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, that by its terms must be fulfilled to the satisfaction of a Lender, each Administrative Agent may presume that such condition is satisfactory to such Lender unless such Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. No Agent shall, except as expressly set forth herein and in the other Loan Documents or Transaction Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to

SECTION 10.04 Agents Entitled to Act as Lender. The agency hereby created shall in no way impair or affect any of the rights and powers of, or impose any duties or obligations upon, any Agent in its individual capacity as a Lender hereunder. With respect to its participation in the Loans, each Agent shall have the same rights and powers hereunder as any other Lender and may exercise the same as if it were not performing the duties and functions delegated to it hereunder, and the term "Lender" shall, unless the context clearly otherwise indicates, include each Agent in its individual capacity. Any Agent and its Affiliates may accept deposits from, lend money to, own securities of, and generally engage in any kind of banking, trust, financial advisory or other business with Holdings, Borrower or any of their Affiliates as if it were not performing the duties specified herein, and may accept fees and other consideration from the Loan Parties and their Subsidiaries for services in connection herewith and otherwise without having to account for the same to Lenders.

SECTION 10.05 Delegation of Duties. Each Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document or Transaction Document by or through any one or more sub-agents appointed by such Agent. Each Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective and their respective Related Parties. Each Agent shall be entitled to seek and rely on advice of counsel and other advisors or advisory committees of any Secured Party concerning all matters pertaining to such duties, and shall be entitled to act upon, and shall be fully protected in taking action in reliance upon any advice or opinion given by legal counsel or such other advisors or advisory committees of any Secured Party. The exculpatory provisions of this Article X shall apply to any such sub-agent and to the Related Parties of such Agent and any such sub-agent. No Agent shall be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that such Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

SECTION 10.06 Lenders' Representations, Warranties and Acknowledgment.

(a) Each Lender represents and warrants that it has made its own independent investigation of the financial condition and affairs of Holdings and its Subsidiaries in connection with Credit Extensions hereunder and that it has made and shall continue to make its own appraisal of the creditworthiness of Holdings and its Subsidiaries. No Agent shall have any duty or responsibility, either initially or on a continuing basis, to make any such investigation or any such appraisal on behalf of Lenders or to provide any Lender with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter, and no Agent shall have any responsibility with respect to the accuracy of or the completeness of any information provided to Lenders.

(b) Each Lender, by delivering its signature page to this Agreement and funding its Initial Term Loan and/or Tranche 2 Term Loan on the Closing Date and/or by the funding of any Delayed Draw Term Loan, as the case may be, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and Transaction Document and each other document required to be approved by any Agent, Requisite Lenders or Lenders, as applicable on the Closing Date or as of the date of funding of such Delayed Draw Term Loans.

(c) Each Lender (other than Fortress) (i) represents and warrants that as of the Closing Date neither such Lender nor its Affiliates or Approved Funds owns or controls, or owns or controls any Person owning or controlling, any trade debt or Indebtedness of any Loan Party other than the Obligations or, except with respect to any Affiliate of Fortress, any Equity Interest of any Loan Party and (ii) covenants and agrees that from and after the Closing Date neither such Lender nor its Affiliates and Approved Funds shall purchase any trade debt or Indebtedness of any Loan Party (other than the Obligations) or Equity Interests described in clause (i) above without the prior written consent of Administrative Agent.

SECTION 10.07 Right to Indemnity. Each Lender, in proportion to its Pro Rata Share, severally agrees to indemnify each Agent and their respective Related Parties (each, an "**Indemnitee Related Party**"), to the extent that such Indemnitee Related Party shall not have been reimbursed by any Loan Party, for and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including counsel fees and disbursements) or disbursements of any kind or nature whatsoever which may be imposed on, incurred by or asserted against such Indemnitee Related Party in exercising its powers, rights and remedies or performing its duties hereunder or under the other Loan Documents or otherwise in its capacity as such Indemnitee Related Party in any way relating to or arising out of this Agreement or the other Loan Documents, IN ALL CASES, WHETHER OR NOT CAUSED BY OR ARISING, IN WHOLE OR IN PART, OUT OF THE COMPARATIVE, CONTRIBUTORY, OR SOLE NEGLIGENCE OF SUCH INDEMNITEE RELATED PARTY; provided, (x) no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Indemnitee Related Party's gross negligence or willful misconduct, as determined by a court of competent jurisdiction in a final, non-appealable order, and (y) the unreimbursed liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements, as the case may be, was incurred by or asserted against such Agent (or any such sub-agent) in its capacity as such, or against any Indemnitee Related Party of any of the foregoing acting for such Agent (or any such sub-agent) in connection with such capacity. If any indemnity furnished to any Indemnitee Related Party for any purpose shall, in the opinion of such Indemnitee Related Party, be insufficient or become impaired, such Indemnitee Related Party may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished; provided, in no event shall this sentence require any Lender to indemnify any Indemnitee Related Party against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement in excess of such Lender's Pro Rata Share thereof; and provided further, this sentence shall not be deemed to require any Lender to indemnify any Indemnitee Related Party against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement described in the proviso in the immediately preceding sentence.

SECTION 10.08 Successor Administrative Agent and Collateral Agent.

(a) Administrative Agent and Collateral Agent may resign at any time by giving thirty (30) days' prior written notice thereof to Lenders and Borrower. Upon any such notice of resignation, Requisite Lenders shall have the right, upon five (5) Business Days' notice to Borrower, to appoint a successor Administrative Agent and Collateral Agent; provided that in no event shall any such successor Agent be a Defaulting Lender. Upon the acceptance of any appointment as Administrative Agent and Collateral Agent hereunder by a successor Administrative Agent and Collateral Agent, that successor Administrative Agent and Collateral Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent and Collateral Agent and the retiring Administrative Agent and Collateral Agent shall promptly (i) transfer to such successor Administrative Agent and Collateral Agent all sums, Securities and other items of Collateral held under the Collateral Documents, together with all records and other documents necessary or appropriate in connection with the performance of the duties of the successor Administrative Agent and Collateral Agent under the Loan Documents, and (ii) execute and deliver to such successor Administrative Agent and Collateral Agent such amendments to financing statements, and take such other actions, as may be necessary or appropriate in connection with the assignment to such successor Administrative Agent and Collateral Agent of the security interests created under the Collateral Documents, whereupon such retiring Administrative Agent and Collateral Agent shall be discharged from its duties and obligations hereunder. After any retiring Administrative Agent's and Collateral Agent's resignation hereunder as Administrative Agent and Collateral Agent, the provisions of this Article X shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent and Collateral Agent hereunder.

(b) Notwithstanding anything herein to the contrary, Administrative Agent and Collateral Agent may assign their rights and duties as Administrative Agent and Collateral Agent hereunder to an Affiliate of Fortress without the prior written consent of, or prior written notice to, Borrower or the Lenders; provided that Borrower and the Lenders may deem and treat such assigning Administrative Agent and Collateral Agent as Administrative Agent and Collateral Agent for all purposes hereof, unless and until such assigning Administrative Agent or Collateral Agent, as the case may be, provides written notice to Borrower and the Lenders of such assignment. Upon such assignment such Affiliate shall succeed to and become vested with all rights, powers, privileges and duties as Administrative Agent and Collateral Agent hereunder and under the other Loan Documents.

SECTION 10.09 Collateral Documents and Guaranty

(a) **Agents under Collateral Documents and Guaranty.** Each Lender hereby further authorizes Administrative Agent or Collateral Agent, as applicable, on behalf of and for the benefit of Lenders, to be the agent for and representative of Lenders with respect to the Guaranty, the Intercreditor and Subordination Agreements, the Collateral and the Collateral Documents. Subject to Section 13.05, without further written consent or authorization from Lenders, Administrative Agent or Collateral Agent, as applicable may execute any documents or instruments necessary to (i) release any Lien encumbering any item of Collateral (A) that is the subject of a sale or other disposition of assets permitted hereby or to which Requisite Lenders (or such other Lenders as may be required to give such consent under Section 13.05) have otherwise consented or (B) upon termination of all Term Loan Commitments and payment in full of all Obligations, or (ii) release any Guarantor from the Guaranty pursuant to Section 9.13 or with respect to which Requisite Lenders (or such other Lenders as may be required to give such consent under Section 13.05) have otherwise consented. Upon request by any Agent at any time, the Requisite Lenders will confirm in writing such Agent's authority to release its interest in particular types or items of Collateral, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 10.09.

(b) **Right to Realize on Collateral and Enforce Guaranty.** Anything contained in any of the Loan Documents to the contrary notwithstanding, Borrower, Administrative Agent, Collateral Agent and each Lender hereby agree that (i) no Lender shall have any right individually to realize upon any of the Collateral or to enforce the Guaranty, it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by Administrative Agent, on behalf of Lenders in accordance with the terms hereof and all powers, rights and remedies under the Loan Documents and Transaction Documents may be exercised solely by Collateral Agent, and (ii) in the event of a foreclosure by Collateral Agent on any of the Collateral pursuant to a public or private sale, Collateral Agent or any Lender may be the purchaser of any or all of such Collateral at any such sale and Collateral Agent, as agent for and representative of Secured Parties (but not any Lender or Lenders in its or their respective individual capacities unless Requisite Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by Collateral Agent at such sale.

- 152 -

(c) **No Duty With Respect to Collateral.** No Agent shall be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Collateral Agent's Lien thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall such Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

SECTION 10.10 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether Administrative Agent shall have made any demand on Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and Administrative Agent under Sections 2.01(d), 2.02(b), and 13.02) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

(c) and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to Administrative Agent and, in the event that Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of Administrative Agent and its agents and counsel, and any other amounts due Administrative Agent under Sections 2.01(d), 2.02(b), and 13.02.

GENERAL PROVISIONS

SECTION 13.01 Successors and Assigns; Participations.

(a) **Successors and Assigns Generally.** The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither the Borrower nor any other Loan Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of Administrative Agent and each Lender, and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of paragraph (b) of this Section 13.01, (ii) by way of participation in accordance with the provisions of paragraph (d) of this Section 13.01, or (iii) by way of pledge or assignment of a security interest subject to the restrictions of paragraph (e) of this Section 13.01 (and any other attempted assignment or transfer by any party hereto shall be null and void). (b) **Assignments by Lenders.** Any Lender may at any time assign to one (1) or more Eligible Assignees all or a portion of its rights and obligations under this Agreement and any other Loan Documents or Transaction Documents (including all or a portion of its Term Loan Commitment and the Loans at the time owing to it); provided that any such assignment shall be subject to the following conditions:

(i) **Minimum Amounts.**

(1) in the case of an assignment of the entire remaining amount of the assigning Lender's Term Loan Commitment and/or the Loans at the time owing to it that equal at least the amount specified in Section 13.01(b)(i)(2) in the aggregate or in the case of an assignment to a Lender or an Affiliate of a Lender, no minimum amount need be assigned.

(2) in any case not described in Section 13.01(b)(i)(1), the aggregate amount of the Term Loan Commitment (which for this purpose includes Loans and Initial Term Loan Exposure, Tranche 2 Term Loan Exposure or Delayed Draw Term Loan Exposure outstanding thereunder) or, if the applicable Term Loan Commitment is not then in effect, the principal outstanding balance of the Loans and Initial Term Loan Exposure, Tranche 2 Term Loan Exposure or Delayed Draw Term Loan Exposure of the assigning Lender subject to each such assignment (determined as of the date the Assignment Agreement with respect to such assignment is delivered to the Administrative Agent) shall not be less than One Million Dollars (\$1,000,000), unless each of the Administrative Agent and the Lender shall consent in writing thereto.

(ii) **[Reserved].**

(iii) **Required Consents.** No consent shall be required for any assignment except to the extent required by Section 13.01(b)(v) and, in addition the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments in respect of any Loans to a Person who is not a Lender or an Affiliate of a Lender.

(iv) **Assignment Agreement.** The parties to each assignment shall execute and deliver to Administrative Agent an Assignment Agreement, together with a processing and recordation fee of Three Thousand Five Hundred Dollars (\$3,500); provided that Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it is not a Lender, shall deliver to Administrative Agent an administrative questionnaire (in a form reasonably satisfactory to Administrative Agent) and any and all documentation and other information with respect to the assignee that is required in order to permit the Administrative Agent to complete its review under "know your customer" and anti-money laundering regulations, including the PATRIOT Act.

(v) **No Assignment to Natural Persons.** No such assignment shall be made to a natural Person (or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural Person).

(c) **Register.** Administrative Agent, acting solely for this purpose as a non-fiduciary agent of Borrower, shall maintain at its offices a copy of each Assignment Agreement delivered to it and a register for the recordation of the names and addresses of the Lenders, and principal amounts (and stated interest) of and the Term Loan Commitments of, and principal amounts (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and Borrower, Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior written notice.

(d) **Participations.** Any Lender may at any time, without the consent of, or notice to, Borrower or Administrative Agent, sell participations to any Person (other than a natural Person, or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural Person, or Borrower or any of Borrower's Affiliates or Subsidiaries) in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Term Loan Commitment and/or the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (iii) Borrower, Administrative Agent, and Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such

Lender will not, without the consent of the participant, agree to any amendment, modification or waiver described in Section 13.05 that affects such participant. Each Loan Party agrees that each participant (A) shall be entitled to the benefits of Sections 2.03, 2.04, 2.05 and 2.06 subject to the requirements and limitations therein, including the requirements under Section 6.09 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 13.01(b); and (B) shall not be entitled to receive any greater payment under Section 2.03 or 2.06 with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the participant acquired the applicable participation. To the extent permitted by law, each participant also shall be entitled to the benefits of Section 13.15 as though it were a Lender; provided, that such participant agrees to be subject to Section 2.04 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of Borrower, maintain a register on which it enters the name and address of each participant and the principal amounts (and stated interest) of each participant's interest in the Term Loan Commitment and/or the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any participant or any information relating to a participant's interest in any Term Loan Commitments, Loans, or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

This Section 13.02(b) shall not apply with respect to Taxes (which shall be indemnified pursuant to the provisions of Section 2.03) other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(c) **Waiver of Consequential Damages, Etc.** To the fullest extent permitted by applicable Law, the Loan Parties shall not assert, and each Loan Party hereby waives, and acknowledges that no other Person shall have, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, or as a result of, any Loan Document or any agreement or instrument contemplated hereby or thereby, the transactions contemplated hereby or thereby, any Loan or other extension of credit or the use of the proceeds thereof. SECTION 13.16 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "**Maximum Rate**"). If the Lenders receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the applicable Loan or, if it exceeds such unpaid principal, refunded to Borrower. In determining whether the interest contracted for, charged, or received by the Lenders exceeds the Maximum Rate, the Lenders may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest; (b) exclude voluntary prepayments and the effects thereof; and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations.

SECTION 13.17 Securitization of Loans; Appointment of Agent. The Loan Parties hereby acknowledge that the Lenders and their Affiliates may sell or securitize

the Loans (a “**Securitization**”) through the pledge of any Loan as collateral security for loans to the Lenders or their Affiliates or through the sale of any Loan or the issuance of direct or indirect interests in any Loan. The Loan Parties shall cooperate with the Lenders and their Affiliates to effect the Securitization including, without limitation, by (i) amending this Agreement and the other Loan Documents, and executing such additional documents, as reasonably requested by the Lenders in connection with the Securitization; provided that (A) any such amendment or additional documentation does not impose material additional costs on the Loan Parties and (B) any such amendment or additional documentation does not materially adversely affect the rights, or materially increase the obligations, of the Loan Parties under the Loan Documents or change or affect in a manner adverse to the Loan Parties the financial terms of such Loan; (ii) providing such information as may be reasonably requested by the Lenders in connection with the rating of such Loan or the Securitization; and (iii) providing in connection with any rating of such Loan a certificate (A) agreeing to indemnify each of the Lenders and its Affiliates, any rating agencies rating such Loan, or any party providing credit support or otherwise participating in the Securitization (collectively, the “**Securitization Parties**”) for any losses, claims, damages or “liabilities” (the “**Liabilities**”) to which such Lender, its Affiliates or such Securitization Parties may become subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact by Borrower or any Subsidiary or Affiliate of Borrower contained in any Loan Document or in any writing delivered by or on behalf of Borrower or any Subsidiary or Affiliate of Borrower to the Lenders in connection with any Loan Document or arise out of or are based upon the omission or alleged omission by Borrower or any Subsidiary or Affiliate of Borrower to state therein a material fact required to be stated therein, or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, and such indemnity shall survive any transfer by any Lender or its successors or assigns of the Loans and (B) agreeing to reimburse each Lender and its Affiliates for any legal or other expenses reasonably incurred by such Persons in connection with defending the Liabilities.

- 165 -

SECTION 13.18 Confidentiality. Each Agent and each Lender shall hold all non-public information regarding the Loan Parties and their subsidiaries and their businesses identified as confidential by Borrower and obtained by such Agent or Lender pursuant to the requirements hereof in accordance with such Agent’s or Lender’s customary procedures for handling its own confidential information of such nature, it being understood and agreed by Borrower that, in any event, an Agent may disclose such information to the Lenders and each Agent and each Lender may make (i) disclosures of such information to Affiliates of such Lender or Agent and to their Affiliates’ and respective current and prospective Related Parties of such Persons and of such Person’s Affiliates (and to other persons authorized by a Lender or Agent to organize, present or disseminate such information in connection with disclosures otherwise made in accordance with this Section 13.18), (it being understood that the Persons to whom disclosure is made will be informed of the confidential nature of such information and instructed to keep such information confidential), (ii) disclosures of such information reasonably required by any bona fide or potential assignee, transferee or participant in connection with the contemplated assignment, transfer or participation by such Lender of any Term Loan Commitments and/Loans or any participations therein or an assignment of any Agent’s obligations hereunder or by any direct or indirect contractual counterparties (or the professional advisors thereto) to any swap or derivative transaction relating to Borrower and its obligations (provided, such assignees, transferees, participants, counterparties and advisors are advised of and agree to be bound by either the provisions of this Section 13.18 or other provisions at least as restrictive as this Section 13.18), (iii) disclosure to any rating agency when required by it, provided that, prior to any disclosure, such rating agency shall undertake in writing to preserve the confidentiality of any confidential information relating to the Loan Parties received by it from any Agent or any Lender, (iv) disclosure to any Lender’s direct or indirect equityholders (including, without limitation, any partners), current and prospective agents, securitization vehicles, financing sources and/or their agents and advisors, provided that prior to any disclosure to such person, such person is informed of the confidential nature of the information, (v) in connection with any litigation or dispute (including with respect to the exercise of any remedies hereunder) which relates to this Agreement or any other Loan Document to which any Agent or any Lender is a party or is otherwise subject and (vi) disclosures to its accountants and auditors and as required or requested by any Governmental Authority or representative thereof (including any self-regulatory authority, such as the NAIC) purporting to have authority over such Person or its Affiliates, respective current and prospective lenders, financing sources, equity holders (including, without limitation, partners) and Related Parties of such Person and of such Person’s Affiliates or to the extent required by applicable Law or pursuant to a subpoena or similar legal or judicial process or other legal proceeding; provided, unless specifically prohibited by applicable law or court order, each Agent or such Lender, as the case may be, shall make reasonable efforts to notify Borrower of any request by any Governmental Authority or representative thereof (other than any such request in connection with any examination of the financial condition or other routine examination of such Lender by such Governmental Authority) for disclosure of any such non-public information prior to disclosure of such information. In addition, each Agent and each Lender may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement or the other Loan Documents. Notwithstanding anything to the contrary contained in any Loan Document, none of the Secured Parties shall publicly announce, or authorize any press release regarding, the transactions contemplated hereby, in each case without the prior written consent of the Borrower.

SECTION 13.19 No Fiduciary Duty. Each Agent, each Secured Party, and their Affiliates (collectively, solely for purposes of this paragraph, the “**Lenders**”), may have economic interests that conflict with those of the Loan Parties, their other equityholders and/or their affiliates. Each Loan Party agrees that nothing in the Transaction Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and such Loan Party, its equityholders or its affiliates, on the other. Each Loan Party acknowledges and agrees on its own behalf and on behalf of its subsidiaries that (i) the transactions contemplated by the Transaction Documents (including the exercise of rights and remedies hereunder and under the other Loan Documents) are arm’s-length commercial transactions between the Lenders, on the one hand, and the Loan Parties, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of any Loan Party, its equityholders, its subsidiaries or its affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Loan Party, its equityholders, subsidiaries or its affiliates on other matters) or any other obligation to any Loan Party except the obligations expressly set forth in the Transaction Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of any Loan Party, its management, equityholders, subsidiaries, creditors or any other Person. Each Loan Party acknowledges and agrees on its own behalf and on behalf of its subsidiaries that it has consulted its own legal and financial advisors and advisory committees to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. Each Loan Party agrees that neither it nor will any of its subsidiaries claim that any Agent or Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to such Loan Party or any of their subsidiaries, in connection with such transaction or the process leading thereto.

- 166 -

SECTION 13.20 Judgement Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower or any other Loan Party in respect of any such sum due from it to the Agents or the Secured Parties hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the “**Judgment Currency**”) other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the “**Agreement Currency**”), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower or any Secured Party in the Agreement Currency, the Borrower and Secured Party agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable law).

SECTION 13.21 Corporate Seal. The Borrower represents that neither it nor any other Loan Party is required to affix its corporate seal to this Agreement or any other Loan Document pursuant to any applicable Law.

SECTION 13.22 Location of Closing. All parties hereto agree that the closing of the transactions contemplated by this Agreement has occurred in New York.

SECTION 13.23 Waiver of Immunity. To the extent that any Loan Party has or hereafter may acquire (or may be attributed, whether or not claimed) any immunity (sovereign or otherwise) from any legal action, suit or proceeding, from jurisdiction of any court or from set-off or any legal process (whether service of process or notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) with respect to itself or any of its property, such Loan Party hereby irrevocably waives and agrees not to plead or claim, to the fullest extent permitted by law, such immunity in respect of (a) its obligations under the Loan Documents, (b) any legal proceedings to enforce such obligations and (c) any legal proceedings to enforce any judgment rendered in any proceedings to enforce such obligations. Each Loan Party hereby agrees that the waivers set forth in this Section 13.23 shall be to the fullest extent permitted under the Foreign Sovereign Immunities Act and are intended to be irrevocable for purposes of the Foreign Sovereign Immunities Act.

- 167 -

SECTION 13.24 Intercreditor and Subordination Agreements. For the avoidance of doubt and notwithstanding anything herein to the contrary, the Borrower and the other Loan Parties agree and acknowledge that the Agents and the Lenders may, without any additional consent of any Loan Party or any of their Subsidiaries, enter into any intercreditor agreement, subordination agreement, agreement among lenders, and any one or more side agreements that affect the relative rights and priorities of the Agents and the Secured Parties as between themselves, or as between them and any other creditors of the Loan Parties, including in relation to the Loans, the other Obligations, the Collateral, this Agreement and the other Loan Documents and Transaction Documents, including the Pari Passu Intercreditor Agreement and the other Intercreditor and Subordination Agreements; provided, that no such agreement shall effect an amendment or modification of this Agreement or any other Loan Document or affect any rights or obligations as between the Agents and the Lenders, on the one hand, and any Loan Party or any Loan Party's Subsidiaries, on the other hand. No reference to any intercreditor agreement, subordination agreement or agreement among lenders in this Agreement or any other Loan Documents shall be construed to provide that any Loan Party or subsidiary thereof is a third party beneficiary of the provisions of such agreement or may assert any rights, defense or claims on account of such agreement or this Section 13.24, and each Loan Party agrees that nothing in any such agreement is intended or shall impair the obligation of any Loan Party to pay the Obligations under this Agreement, or any other Loan Document as and when the same shall become due and payable in accordance with their respective terms, or to affect the relative rights of the creditors with respect to any Loan Party or, except as expressly otherwise provided in such agreement as to a Loan Party's obligations, such Loan Party's properties.

SECTION 13.25 Acknowledgement Regarding Any Supported QFCs

(a) To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Interest Rate Agreements or any other agreement or instrument that is a QFC (such support "**QFC Credit Support**" and each such QFC a "**Supported QFC**"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "**U.S. Special Resolution Regimes**") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(b) In the event a Covered Entity that is party to a Supported QFC (each, a "**Covered Party**") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States.

SECTION 13.26 English Language. This Agreement and each other Loan Document have been negotiated and executed in English. All certificates, reports, notices and other documents and communications given or delivered by any party hereto pursuant to this Agreement or any other Loan Document shall be in English or, if not in English, accompanied by a certified English translation thereof. The English version of any such document shall control the meaning of the matters set forth herein.

- 168 -

SECTION 13.27 No Strict Construction. The parties hereto have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Agreement.

SECTION 13.28 Attachments. The exhibits, schedules and annexes attached to this Agreement are incorporated herein and shall be considered a part of this Agreement for the purposes stated herein, except that in the event of any conflict between any of the provisions of such exhibits and the provisions of this Agreement, the provisions of this Agreement shall prevail.

SECTION 13.29 Existing Credit Agreement; No Novation. Upon this Agreement becoming effective as of the Second Restatement Effective Date, from and after such Second Restatement Effective Date:

(a) the terms and conditions of the Existing Credit Agreement and Loan Documents shall be deemed to be amended and restated by this Agreement, the Second Restatement and the other Loan Documents being executed and delivered on the Second Restatement Effective Date;

(b) all indemnification obligations of the Loan Parties under the Existing Credit Agreement and Loan Documents in favor of the Agent and the Lenders shall survive the execution and delivery of the Second Restatement and this Agreement and shall continue in full force and effect for the benefit of the Agent and the Lenders and the Secured Parties shall continue to be indemnified under the indemnification provisions of this Agreement; and

(c) the obligations incurred under the Existing Credit Agreement and Loan Documents in respect of the Loans and any accrued and unpaid interest in respect thereof shall continue, to the extent outstanding on the Second Restatement Effective Date, to be outstanding under this Agreement and shall not be deemed to be paid, released, discharged or otherwise satisfied by the execution of this Agreement.

The execution and delivery of the Second Restatement and this Agreement shall not, except as expressly provided therein and herein, operate as a waiver or novation of any Loan Document or of any right, power or remedy of any Agent or Lender under any Loan Document, nor constitute a waiver or novation of any provision of any Loan Documents. Nothing implied in the Second Restatement, this Agreement or any other Loan Document shall be construed as a release or other discharge of any of the Loan Parties under any of the Loan Documents from any of its obligations and liabilities as a borrower, guarantor or pledgor under any of the Loan Documents. Upon giving effect to the Second Restatement on the Second Restatement Effective Date and the Borrowing of Delayed Draw Term Loans occurring in connection therewith, the Register was marked to reflect the principal amount of each such Loan.

2. Payments.

(a) The outstanding principal balance and other Obligations evidenced by this Convertible Note and the other Note Documents shall bear interest on and after the Original Issuance Date, at the then Applicable Rate. Interest shall be computed on the basis of a 360-day year of twelve (12) thirty (30) day months and shall accrue commencing on the Original Issuance Date. For the avoidance of doubt, any interest due and payable in respect of the Obligations shall include any interest calculated using the Default Rate to the extent applicable.

6

Notwithstanding anything to the contrary contained herein or in any other Note Document, the interest paid or agreed to be paid under the Note Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “Maximum Rate”). If the Holder receives interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal amount of the Obligations or, if it exceeds such unpaid principal, refunded to the Issuer. In determining whether the interest contracted for, charged, or received by the Holder exceeds the Maximum Rate, the Holder may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, Make-Whole Amount or premium rather than interest; (b) exclude voluntary prepayments and the effects thereof; and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations.

(b) Accrued interest, if any, on the principal amount of this Convertible Note shall be payable quarterly in arrears on each Interest Payment Date, with the first such payment to be made on September 30, 2021 (the “Initial Interest Payment Date”). Subject to the provisions of Section 4 hereof relating to the conversion of this Convertible Note, the entire principal sum hereof, together with any accrued and unpaid interest thereon (including post-petition interest in any proceeding under any Debtor Relief Law) and other Obligations (other than yet unasserted contingent obligations), shall be due and payable on the Maturity Date. Additionally, accrued and unpaid interest including post-petition interest in any proceeding under any Debtor Relief Law) on the Obligations shall be due and payable upon any of the following: (i) the payment of the entire principal sum hereof; or (ii) conversion of this Convertible Note pursuant to the provisions of Section 4 hereof as to that portion of the principal amount so converted. Interest will be paid to the person in whose name a Convertible Note is registered at the Close of Business on the fifth (5th) calendar day prior to the relevant Interest Payment Date, whether or not a Business Day (the “Regular Record Date”).

(c) The principal amount and any accrued and unpaid interest of this Convertible Note shall be paid by wire transfer in immediately available funds in United States dollars at the account and/or wire directions provided by the Holder. If any day on which any amount is payable under this Convertible Note is not a Business Day, then the amount otherwise payable on that date will be made on the next succeeding day that is a Business Day (without any interest or other payment in respect of such delay) (each such day on which principal or interest is payable pursuant hereto, a “Payment Date”).

(d) Except as otherwise expressly provided herein, all holders of Convertible Notes must be treated equally with respect to such payment of interest amounts. Subject to the terms of the Intercreditor Agreement, in the event of any partial payment of principal or accrued interest, for whatever reason, any such partial payment of principal and/or interest on the Convertible Notes shall be allocated among the respective Convertible Notes and holders thereof so that the amount of such payments to each holder shall bear as nearly as practicable the same ratio to the aggregate amount then to be paid as the principal amount of the Convertible Notes then held by such holder bears to the aggregate principal amount of Convertible Notes then outstanding.

3. Seniority; Security Interest

(a) The indebtedness evidenced by this Convertible Note and the payment of the Obligations evidenced hereby and by the other Note Documents shall rank *pari passu* with the other Priority Lien Obligations and shall rank senior to, and have priority in right of payment over, all other indebtedness of Issuer and its Subsidiaries now or hereafter outstanding.

(b) This Convertible Note, along with the other Note Documents, is secured by a Lien on and security interest in certain assets of the Issuer and certain of its Subsidiaries, as described in the Collateral Documents and such security interest and guarantee shall be secured on a *pari passu* basis by the same persons and collateral and assets as the Liens securing the other Priority Lien Obligations. By its acceptance of this Convertible Note, the Holder has authorized the Collateral Agent to act on behalf of the Holder and other holders of the Convertible Notes, and in such capacity to enter into the Collateral Documents and the Intercreditor Agreement and certain other Note Documents, as the same may be amended, modified, restated or supplemented from time to time, and to exercise for the benefit of the Holder all rights, powers and remedies provided to the Collateral Agent, under or pursuant to the Collateral Documents, the Intercreditor Agreement and the other Note Documents including, without limitation, those available upon an Event of Default.

4. Conversion

4.1. Conversion Rights. The unpaid principal amount of this Convertible Note (together with all accrued but unpaid interest thereon) shall be convertible, in whole or in part, at the option of the Holder at any time prior to the payment in full of the principal amount of this Convertible Note (together with all accrued but unpaid interest thereon), into such number of shares of fully paid and non-assessable shares of Common Stock as is determined by dividing the principal amount of the Convertible Note so converted (together with all accrued but unpaid interest thereon) by the Conversion Price (the “Holder Conversion Right”). The Issuer shall pay any and all transfer agent fees, legal fees, costs and any other fees or costs that may be incurred or charged in connection with the issuance of shares of Common Stock to the Holder arising out of or relating to the conversion of this Convertible Note.

4.2. Issuance of Certificates. The Holder Conversion Right may be exercised by the Holder by the surrender of this Convertible Note (or of any replacement Convertible Note issued hereunder) with the conversion notice attached hereto as Exhibit A duly executed, at the principal office of the Issuer or the transfer agent of the Issuer. Conversion shall be deemed to have been effected on the date that such delivery of the Convertible Note and conversion notice is actually made (the “Conversion Date”). As promptly as practicable, and in any event within three (3) Trading Days, after a Conversion Date and the Issuer’s receipt of the Convertible Note being converted (and the conversion notice, if applicable) (such third Trading Day thereafter, the “Share Delivery Date”), the Issuer shall (A) if legends are not required to be placed on certificates of Common Stock pursuant to the then existing provisions of Rule 144 of the Securities Act of 1933 (“Rule 144”) and provided that the transfer agent is participating in The Depository Trust Company’s (“DTC”) Fast Automated Securities Transfer Program, credit such aggregate number of shares of Common Stock to which the Holder shall be entitled to the Holder’s or its designee’s balance account with DTC through its Deposit/Withdrawal at Custodian system or (B) if legends are required to be placed on certificates of Common Stock pursuant to Rule 144 or the transfer agent is not participating in the DTC Fast Automated Securities Transfer Program, issue and deliver to the address as specified in the Conversion Notice, a certificate, registered in the name of the Holder or its designee, for the number of shares of Common Stock to which the Holder shall be entitled, which certificates shall not bear any restrictive legends unless required pursuant to Rule 144 and a check or cash with respect to any fractional interest in a share of Common Stock as provided in Section 4.4. The Issuer shall not be obligated to credit Common Stock or issue Common Stock certificates in the name of any party other

than the Holder of the Convertible Notes, absent full compliance with the provisions of Section 9 hereof. The person in whose name the certificate or certificates for Common Stock are to be issued or credited shall be deemed to have become a stockholder of record on the next succeeding day on which the transfer books are open, but the Conversion Price shall be that in effect on the Conversion Date. All rights with respect to the Convertible Notes (or any portion thereof) that are converted pursuant to this Section 4, including the rights to receive interest and notices, shall terminate upon the conversion pursuant to this Section 4.2. Upon conversion of only a portion of this Convertible Note, the Issuer shall issue and deliver to the Holder hereof, at the expense of the Issuer, a new Convertible Note covering the principal amount of this Convertible Note not converted, which new Convertible Note shall entitle the holder thereof to interest on the principal amount thereof to the same extent as if the unconverted portion of this Convertible Note had not been surrendered for conversion.

4.3. Reservation of Common Stock Issuable Upon Conversion. The Issuer covenants that, for so long as any Convertible Notes remain outstanding, the Issuer will at all times have authorized and reserved for the purpose of issuance upon exercise of the Holder Conversion Right, a sufficient number of duly authorized shares of Common Stock to provide for the full exercise of the Holder Conversion Right. If at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then outstanding Convertible Notes, the Issuer shall take such corporate action as may be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purposes, including, without limitation, obtaining the requisite stockholder approval of any necessary amendment to the Certificate of Incorporation.

8

4.4. Fractional Shares. No fractional shares of Common Stock shall be issued upon conversion of this Convertible Note. In lieu of any fractional shares to which the Holder would otherwise be entitled, the Issuer shall pay cash equal to the product of such fraction multiplied by the Last Reported Sale Price on the Conversion Date, as determined in good faith by the Board.

4.5. Adjustment of Conversion Price. The Conversion Price and the number and kind of securities, including the Common Stock, which may be received upon the exercise of the Holder Conversion Right shall be subject to the adjustment from time to time upon the happening of certain events, as follows:

(a) Adjustment for Stock Splits and Combinations. If the Issuer shall at any time or from time to time after the Original Issuance Date effect a stock split or subdivision of the outstanding Common Stock, the Conversion Price then in effect immediately before that stock split or subdivision shall be proportionately decreased, and conversely, if the Issuer shall at any time or from time to time after the Original Issuance Date combine the outstanding shares of Common Stock, the Conversion Price then in effect immediately before the combination shall be proportionately increased. Any adjustment under this Section 4.5(a) shall become effective at the Close of Business on the date the stock split or subdivision or combination becomes effective.

(b) Adjustment for Certain Dividends and Distributions. In the event the Issuer shall at any time or from time to time after the Original Issuance Date make or issue, or fix a record date for the determination of holders of Common Stock entitled to receive, a dividend or other distribution payable on the Common Stock in additional shares of Common Stock, then and in each such event the Conversion Price then in effect immediately before such event shall be decreased as of the time of such issuance or, in the event such a record date shall have been fixed, as of the Close of Business on such record date, by multiplying the Conversion Price then in effect by a fraction:

(i) the numerator of which shall be the total number of shares of Common Stock issued and outstanding immediately prior to the time of such issuance or the Close of Business on such record date; and

(ii) the denominator of which shall be the total number of shares of Common Stock issued and outstanding immediately prior to the time of such issuance or the Close of Business on such record date plus the number of shares of Common Stock issuable in payment of such dividend or distribution; *provided, however*, if such record date shall have been fixed and such dividend is not fully paid or if such distribution is not fully made on the date fixed therefor, the Conversion Price shall be recomputed accordingly as of the Close of Business on such record date and thereafter such Conversion Price shall be adjusted pursuant to this Section 4.5(b) as of the time of actual payment of such dividends or distributions.

(c) Adjustments for Other Dividends and Distributions. In the event the Issuer at any time or from time to time after the Original Issuance Date shall make or issue, or fix a record date for the determination of holders of Common Stock entitled to receive, a dividend or other distribution payable in securities of the Issuer other than shares of Common Stock or in other property, then and in each such event an appropriate revision to the applicable Conversion Price shall be made and provisions shall be made (by adjustments of the Conversion Price or otherwise) so that the Holders shall receive upon conversion thereof in addition to the number of shares of Common Stock receivable thereupon, a dividend or other distribution of such securities or other property in an amount equal to the amount of such securities or other properties of the Issuer which they would have received had their Convertible Notes been converted into Common Stock on the date of such event and had thereafter, during the period from the date of such event to and including the Conversion Date, retained such securities (together with any distributions payable thereon during such period) receivable by them as aforesaid during such period, giving application to all adjustments called for during such period under this Section 4.5 with respect to the rights of the Holders.

9

(d) Adjustment for Reclassification, Exchange or Substitution. If the Common Stock issuable upon the conversion of the Convertible Notes at any time or from time to time after the Original Issuance Date shall be changed into the same or different number of shares of any class or classes of stock, whether by capital reorganization, reclassification, exchange, substitution or otherwise (other than a stock split, subdivision or combination of shares provided for in Section 4.5(a) above, stock or other dividend or distribution provided for in Section 4.5(b) or (c) above, or a Business Combination or sale of assets provided for in Section 4.5(e) below), then and in each such event an appropriate revision to the applicable Conversion Price shall be made and provisions shall be made (by adjustments of the Conversion Price or otherwise) so that the Holder shall have the right thereafter to convert each Convertible Note into the kind and amount of shares of stock and other securities and property receivable upon such reorganization, reclassification, exchange, substitution or other change, as holders of the number of shares of Common Stock into which such Convertible Note might have been converted immediately prior to such reorganization, reclassification, exchange, substitution or other change, all subject to further adjustment as provided herein.

(e) Reorganization, Merger, Consolidation or Sale of Assets. If at any time or from time to time there shall be a capital reorganization of the Common Stock (other than a stock split, subdivision or combination of shares provided for in Section 4.5(a) above, stock or other dividend or distribution provided for in Section 4.5(b) or (c) above, or a reclassification, exchange or substitution provided for in Section 4.5(d) above) or a Business Combination of the Issuer with or into another corporation or entity, or the sale of all or substantially all of the Issuer's properties and assets to any other person, then, as a part of such Business Combination provision shall be made so that the Holders of the Convertible Notes shall thereafter be entitled to receive upon conversion of the Convertible Notes, the number of shares of stock or other securities, Equity Interests or property of the Issuer, or of the successor entity resulting from such Business Combination, to which a Holder of Common Stock (or any shares of stock or other securities or Equity Interests which may be) issuable upon conversion of the Convertible Note would have been entitled if the Convertible Note had been converted immediately prior to such Business Combination. In any such case, appropriate adjustment shall be made in the application of the provisions of this Section 4.5 with respect to the rights and interests of the Holders after the Business Combination to the end that the provisions of this Section 4.5 (including adjustment of the Conversion Price then in effect and the number of Common Stock or other securities receivable upon conversion of the Convertible Notes) shall be applicable after that event.

(f) Adjustments for Dilutive Issuances.

(i) Special Definitions. For purposes of this Section 4.5(f), the following definitions shall apply:

(A) “Additional Shares of Common Stock” shall mean all shares of Common Stock issued (or, pursuant to Section 4.5(f)(ii), deemed to be issued) by the Issuer after the Original Issuance Date, other than (1) the following shares of Common Stock and (2) shares of Common Stock deemed issued pursuant to the following Options and Convertible Securities (clauses (1) and (2), collectively, “Exempted Securities”):

(I) securities issued pursuant to the conversion or exercise of Options or Convertible Securities issued or outstanding on or prior to the Original Issuance Date (so long as the conversion or exercise price in such securities are not amended to lower such price and/or adversely affect the Holder);

(II) the Other Convertible Notes and any additional debentures or other securities issued as payment of interest on the Convertible Notes;

(VI) shares of Common Stock, Options or Convertible Securities issued pursuant to the acquisition of another corporation or other entity by the Issuer or any of its subsidiaries by merger, purchase of all or substantially all of the assets or other reorganization or to a joint venture agreement, contribution agreement or similar arrangement, provided that such issuances are approved by the Board and the Issuer owns, directly or indirectly, not less than fifty one percent (51%) of the voting stock of such other entity;

(VII) shares of Common Stock, Options or Convertible Securities issued pursuant to the terms of that certain Business Combination Agreement, dated as of March 8, 2021, by and among the Issuer, Artemis Merger Sub Corp. and Airspan Networks Inc.; or

(C) “Option” shall mean rights, options or warrants to subscribe for, purchase or otherwise acquire Common Stock or Convertible Securities.

(ii) Deemed Issue of Additional Shares of Common Stock.

(A) If the Issuer at any time or from time to time after the Original Issuance Date shall issue any Options or Convertible Securities (excluding Options or Convertible Securities which are themselves Exempted Securities) or shall fix a record date for the determination of holders of any class of securities entitled to receive any such Options or Convertible Securities, then the maximum number of shares of Common Stock (as set forth in the instrument relating thereto, assuming the satisfaction of any conditions to exercisability, convertibility or exchangeability but without regard to any provision contained therein for a subsequent adjustment of such number) issuable upon the exercise of such Options or, in the case of Convertible Securities and Options therefor, the conversion or exchange of such Convertible Securities, shall be deemed to be Additional Shares of Common Stock issued as of the time of such issue or, in case such a record date shall have been fixed, as of the Close of Business on such record date.

(B) If the terms of any Option or Convertible Security, the issuance of which resulted in an adjustment to the Conversion Price pursuant to the terms of Section 4.5(f)(iii), are revised as a result of an amendment to such terms or any other adjustment pursuant to the provisions of such Option or Convertible Security (but excluding automatic adjustments to such terms pursuant to anti-dilution or similar provisions of such Option or Convertible Security) to provide for either (1) any increase or decrease in the number of shares of Common Stock issuable upon the exercise, conversion and/or exchange of any such Option or Convertible Security or (2) any increase or decrease in the consideration payable to the Issuer upon such exercise, conversion and/or exchange, then, effective upon such increase or decrease becoming effective, the Conversion Price computed upon the original issue of such Option or Convertible Security (or upon the occurrence of a record date with respect thereto) shall be readjusted to such Conversion Price as would have obtained had such revised terms been in effect upon the original date of issuance of such Option or Convertible Security. Notwithstanding the foregoing, no readjustment pursuant to this Section 4.5(f)(ii)(B) shall have the effect of increasing the Conversion Price to an amount which exceeds the lower of (i) the Conversion Price in effect immediately prior to the original adjustment made as a result of the issuance of such Option or Convertible Security, or (ii) the Conversion Price that would have resulted from any issuances of Additional Shares of Common Stock (other than deemed issuances of Additional Shares of Common Stock as a result of the issuance of such Option or Convertible Security) between the original adjustment date and such readjustment date.

11

(C) If the terms of any Option or Convertible Security (excluding Options or Convertible Securities which are themselves Exempted Securities), the issuance of which did not result in an adjustment to the Conversion Price pursuant to the terms of Section 4.5(f)(iii) (either because the consideration per share (determined pursuant to Section 4.5(f)(iv)) of the Additional Shares of Common Stock subject thereto was equal to or greater than the Conversion Price then in effect, or because such Option or Convertible Security was issued before the Original Issuance Date), are revised after the Original Issuance Date as a result of an amendment to such terms or any other adjustment pursuant to the provisions of such Option or Convertible Security (but excluding automatic adjustments to such terms pursuant to anti-dilution or similar provisions of such Option or Convertible Security) to provide for either (1) any increase in the number of shares of Common Stock issuable upon the exercise, conversion or exchange of any such Option or Convertible Security or (2) any decrease in the consideration payable to the Issuer upon such exercise, conversion or exchange, then such Option or Convertible Security, as so amended or adjusted, and the Additional Shares of Common Stock subject thereto (determined in the manner provided in Section 4.5(f)(ii)(A)) shall be deemed to have been issued effective upon such increase or decrease becoming effective.

(D) Upon the expiration or termination of any unexercised Option or unconverted or unexchanged Convertible Security (or portion thereof) which resulted (either upon its original issuance or upon a revision of its terms) in an adjustment to the Conversion Price pursuant to the terms of Section 4.5(f)(iii), the Conversion Price shall be readjusted to such Conversion Price as would have obtained had such Option or Convertible Security (or portion thereof) never been issued.

(E) If the number of shares of Common Stock issuable upon the exercise, conversion and/or exchange of any Option or Convertible Security, or the consideration payable to the Issuer upon such exercise, conversion and/or exchange, is calculable at the time such Option or Convertible Security is issued or amended but is subject to adjustment based upon subsequent events, any adjustment to the Conversion Price provided for in this Section 4.5(f)(ii) shall be effected at the time of

such issuance or amendment based on such number of shares or amount of consideration without regard to any provisions for subsequent adjustments (and any subsequent adjustments shall be treated as provided in clauses (B) and (C) of this Section 4.5(f)(ii)). If the number of shares of Common Stock issuable upon the exercise, conversion and/or exchange of any Option or Convertible Security, or the consideration payable to the Issuer upon such exercise, conversion and/or exchange, cannot be calculated at all at the time such Option or Convertible Security is issued or amended, any adjustment to the Conversion Price that would result under the terms of this Section 4.5(f)(ii) at the time of such issuance or amendment shall instead be effected at the time such number of shares and/or amount of consideration is first calculable (even if subject to subsequent adjustments), assuming for purposes of calculating such adjustment to the Conversion Price that such issuance or amendment took place at the time such calculation can first be made.

(iii) Adjustment of Conversion Price Upon Issuance of Additional Shares of Common Stock. In the event the Issuer shall, at any time after the Original Issuance Date and for so long as this Convertible Note remains outstanding, issue Additional Shares of Common Stock (including Additional Shares of Common Stock deemed to be issued pursuant to Section 4.5(f)(ii)), without consideration or for a consideration per share less than the applicable Conversion Price in effect immediately prior to such issue, then the Conversion Price shall be reduced, concurrently with such issue, to an amount (calculated to the nearest one-hundredth of a cent) determined in accordance with the following formula:

$$CP2 = CP1 * [(A + B) \div (A + C)]$$

For purposes of the foregoing formula, the following definitions shall apply:

(A) “CP2” shall mean the Conversion Price in effect immediately after such issue of Additional Shares of Common Stock;

12

(B) “CP1” shall mean the Conversion Price in effect immediately prior to such issue of Additional Shares of Common Stock;

(C) “A” shall mean the number of shares of Common Stock outstanding immediately prior to such issue of Additional Shares of Common Stock (treating for this purpose as outstanding all shares of Common Stock issuable upon exercise of Options outstanding immediately prior to such issue or upon conversion, exercise or exchange of Convertible Securities (including the Convertible Notes) outstanding (assuming exercise of any outstanding Options therefor) immediately prior to such issue);

(D) “B” shall mean the number of shares of Common Stock that would have been issued if such Additional Shares of Common Stock had been issued at a price per share equal to CP1 (determined by dividing the aggregate consideration received by the Issuer in respect of such issue by CP1); and

(E) “C” shall mean the number of such Additional Shares of Common Stock issued in such transaction.

(iv) Determination of Consideration. For purposes of this Section 4.5(f)(iv), the consideration received by the Issuer for the issue of any Additional Shares of Common Stock shall be computed as follows:

(A) Cash and Property. Such consideration shall:

(I) insofar as it consists of cash, be computed at the aggregate amount of cash received by the Issuer, excluding amounts paid or payable for accrued interest;

(II) insofar as it consists of property other than cash, be computed at the fair market value thereof at the time of such issue, as determined in good faith by the Board; and

(III) in the event Additional Shares of Common Stock are issued together with other shares or securities or other assets of the Issuer for consideration which covers both, be the proportion of such consideration so received, computed as provided in clauses (I) and (II) above, as determined in good faith by the Board.

(B) Options and Convertible Securities. The consideration per share received by the Issuer for Additional Shares of Common Stock deemed to have been issued pursuant to Section 4.5(f)(ii), relating to Options and Convertible Securities, shall be determined by dividing:

(I) the total amount, if any, received or receivable by the Issuer as consideration for the issue of such Options or Convertible Securities, plus the minimum aggregate amount of additional consideration (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such consideration) payable to the Issuer upon the exercise of such Options or the conversion or exchange of such Convertible Securities, or in the case of Options for Convertible Securities, the exercise of such Options for Convertible Securities and the conversion or exchange of such Convertible Securities, by

(II) the maximum number of shares of Common Stock (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such number) issuable upon the exercise of such Options or the conversion or exchange of such Convertible Securities, or in the case of Options for Convertible Securities, the exercise of such Options for Convertible Securities and the conversion or exchange of such Convertible Securities.

13

(v) Multiple Closing Dates. In the event the Issuer shall issue on more than one date Additional Shares of Common Stock that are a part of one transaction or a series of related transactions and that would result in an adjustment to the Conversion Price pursuant to the terms of Section 4.5(f)(iii), then, upon the final such issuance, the Conversion Price shall be readjusted to give effect to all such issuances as if they occurred on the date of the first such issuance (and without giving effect to any additional adjustments as a result of any such subsequent issuances within such period).

(g) Adjustment Relating to Trading Price. If, during the period commencing on and including the First Amendment Effective Date and ending on and including the fifteen (15) month anniversary of the First Amendment Effective Date, there is no thirty (30) consecutive Trading Day-period during which the average of the Daily VWAPs for such thirty (30) consecutive Trading Day period (after excluding the three (3) highest and the three (3) lowest Daily VWAPs during such period) equals or exceeds the Threshold Price, the Conversion Price shall be reduced to an amount equal to the amount that the Conversion Price would otherwise have been had the Conversion Price been \$6.00 on the First Amendment Effective Date (with corresponding adjustments to other terms of this Convertible Note that are based on the Conversion Price, including, without limitation, the table set forth in the definition of “Redemption Price”).

(h) Certificate of Adjustment. Upon the occurrence of each adjustment or readjustment of the applicable Conversion Price pursuant to this Section 4.5, the Issuer, at its expense, shall promptly, but in any event not later than ten (10) calendar days thereafter, compute such adjustment or readjustment in accordance with the terms hereof and prepare and furnish to each Holder a certificate, signed by an officer of the Issuer, setting forth such adjustment or readjustment (including the kind and amount of

securities, cash or other property into which the Convertible Note is convertible) and showing in detail the facts upon which such adjustment or readjustment is based. The Issuer shall, as promptly as reasonably practicable after the written request at any time of any Holder (but in any event not later than ten (10) calendar days thereafter), furnish or cause to be furnished to such Holder a certificate setting forth (i) the Conversion Price then in effect, and (ii) the number of shares of Common Stock and the amount, if any, of other securities, cash or property which then would be received upon the conversion of the Convertible Note.

(i) Notices of Record Date. If:

(i) the Issuer shall set a record date for the purpose of entitling the holders of its shares of Common Stock to receive a dividend, or any other distribution, payable otherwise than in cash;

(ii) the Issuer shall set a record date for the purpose of entitling the holders of its shares of Common Stock to subscribe for or purchase any shares of any class or other securities or to receive any other rights;

(iii) there shall occur any capital reorganization of the Issuer, reclassification of the shares of the Issuer (other than a subdivision or combination of its outstanding Common Stock), consolidation or merger of the Issuer with or into another corporation, or conveyance of all or substantially all of the assets of the Issuer to another corporation; or

(iv) there shall occur a voluntary or involuntary dissolution, liquidation, or winding up of the Issuer;

then, and in any such case, the Issuer shall cause to be sent to the Holders, at least ten (10) calendar days prior to the dates hereinafter specified, a written notice stating (x) the date which has been set as the record date for the purpose of such dividend, distribution, or rights, or (y) the date on which such reclassification, reorganization, consolidation, merger, conveyance, dissolution, liquidation, or winding up is proposed to take place and the record date as of which holders of Common Stock of record shall be entitled to exchange their shares of Common Stock for securities or other property deliverable upon such reclassification, reorganization, consolidation, merger, conveyance, dissolution, liquidation, or winding up.

14

4.6. Registration, Exchange and Transfer. The Issuer will keep or will cause to be kept a register in which, subject to such reasonable regulations as it may prescribe, it will register and transfer the Convertible Notes. No transfer of this Convertible Note shall be valid as against the Issuer unless made upon such register. This Convertible Note is subject to the restrictions on transfer set forth on the face hereof. Upon surrender for transfer of this Convertible Note and compliance with said restrictions on transfer, the Issuer shall execute and deliver in the name of the transferee or transferees a new Convertible Note or Convertible Notes for a like principal amount. Any new Convertible Note issued upon any registration of transfer or exchange of Convertible Note shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Convertible Note.

This Convertible Note, if presented for transfer, exchange, redemption or payment, shall (if so required by the Issuer) be duly endorsed by, or be accompanied by instruments of transfer in form satisfactory to the Issuer duly executed by, the registered Holder or by his duly authorized attorney.

Any exchange or transfer shall be without charge to the Holders, except that the Issuer may require payment of the sum sufficient to cover any processing cost, tax or governmental charge that may be imposed in relation thereto.

Prior to due presentment for registration of transfer of this Convertible Note, the Issuer may deem and treat the registered Holder hereof as the absolute owner hereof (whether or not this Convertible Note shall be overdue and notwithstanding any notation of ownership or other writing hereon by anyone other than the Issuer), for the purpose of receiving payment of or on account of the principal hereof and interest hereon, for the conversion hereof and for all other purposes, and the Issuer shall not be affected by any notice to the contrary.

4.7. Limitations on Beneficial Ownership. Notwithstanding anything to the contrary contained herein, the number of shares of Common Stock that may be acquired by the Holder upon any conversion of this Convertible Note (or otherwise in respect hereof) shall be limited to the extent necessary to insure that, following such conversion (or other issuance), the total number of shares of Common Stock then beneficially owned by such Holder and its affiliates and any other persons whose beneficial ownership of Common Stock would be aggregated with the Holder's for purposes of Section 13(d) of the Exchange Act, does not exceed four and nine hundred ninety-nine thousandths percent (4.999%) of the total number of issued and outstanding shares of Common Stock (including for such purpose the shares of Common Stock issuable upon such exercise) (unless otherwise expressly agreed by the Holder in writing). For such purposes, beneficial ownership shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. This provision shall not restrict the number of shares of Common Stock which a Holder may receive or beneficially own in order to determine the amount of securities or other consideration that such Holder may receive in the event of a merger or other business combination or reclassification involving the Issuer. This restriction may not be waived without the consent of the Holder.

5. Defaults and Remedies.

5.1. Defaults and Remedies. An Event of Default shall occur upon the occurrence of any of the events or circumstances specified in Section 6.1 of the Purchase Agreement. In the case of an Event of Default arising from certain events of bankruptcy or insolvency described in Section 6.1(h) and Section 6.1(i) of the Purchase Agreement, all outstanding Convertible Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Collateral Agent or the Holders of at least a majority in the aggregate principal amount of the then outstanding Convertible Notes may declare all the Convertible Notes to be due and payable immediately by notice in writing to the Issuer (with a copy to the Collateral Agent in the case of notice by such Holders) as further described in Section 6 of the Purchase Agreement specifying the Event of Default. Upon such declaration, the Convertible Notes, together with accrued and unpaid interest and the other Obligations, shall become due and payable immediately. If the Convertible Notes are accelerated or otherwise become due and payable prior to the Stated Maturity Date (including the acceleration of claims by operation of law) as a result of an Event of Default, the amount of principal of, accrued and unpaid interest, Make-Whole Amounts, premiums (if any) and other Obligations that becomes due and payable with respect to the Convertible Notes shall equal one hundred percent (100%) of the Redemption Price with respect to the Convertible Notes and other Obligations then due as of the date of acceleration. In the case of any Event of Default occurring by reason of any willful action or inaction taken or not taken by or on behalf of the Issuer or any Guarantor with the intention of avoiding payment of the Make-Whole Amount or any other amounts or premiums that the Issuer would have had to pay if the Issuer then had elected to redeem the Convertible Notes pursuant to Section 7, an equivalent amount equal to the applicable Make-Whole Amount or premiums (if any) shall also become and be immediately due and payable to the extent permitted by Law upon the acceleration of the Convertible Notes.

15

Holders may not enforce the Convertible Notes, the Purchase Agreement, or the other Note Documents except as provided in the Purchase Agreement. Subject to certain limitations, Holders of a majority in principal amount of the then outstanding Convertible Notes may direct the Collateral Agent in its exercise of any trust or power. If certain conditions specified in the Purchase Agreement are satisfied, Holders of a majority in aggregate principal amount of the Convertible Notes then outstanding by notice to the Collateral Agent may on behalf of the Holders of all of the Convertible Notes waive any existing Default or Event of Default and its consequences as provided under the terms of the Purchase Agreement, except a continuing Default or Event of Default in the payment of interest on, or the principal of, the Convertible Notes.

The Issuer is required to file periodic certificates with the Collateral Agent and the Holders as to the Issuer's compliance with the Note Documents and knowledge or status of any Default as described in the Purchase Agreement.

5.2. Waiver; Rescission of Acceleration. At any time before the date of any declaration accelerating the maturity of this Convertible Note, the Holders of a majority in aggregate principal amount of then-outstanding Convertible Notes may waive any Event of Default. Such waivers shall be evidenced by written notice or other document specifying the Event(s) of Default being waived and shall be binding on all existing or subsequent Holders of outstanding Convertible Notes. At any time after such declaration of acceleration has been made, and before a judgment or decree for payment of money due has been obtained, the Holders of a majority in aggregate principal amount of the then-outstanding Convertible Notes may, by written notice to the Issuer, rescind and annul such declaration.

6. Repurchase at Option of Holders.

6.1. Repurchase at Option of Holders Upon a Fundamental Change.

(i) If a Change of Control or a Termination of Trading (a "Fundamental Change") occurs at any time prior to the Stated Maturity Date, the Holder shall have the right, at the Holder's option, to require the Issuer to repurchase for cash all of the Holder's Convertible Notes, or any portion of the principal amount thereof properly surrendered and not validly withdrawn pursuant to Section 6.2 that is equal to \$1,000 or an integral multiple of \$1,000, on the date (subject to any postponement as set forth in this Section 6.1(i), the "Fundamental Change Repurchase Date") specified by the Issuer that is not less than twenty (20) calendar days or more than thirty-five (35) calendar days following the date of the Fundamental Change Issuer Notice (as defined below) at a repurchase price equal to one hundred percent (100%) of the Redemption Price with respect to the Convertible Notes to be repurchased (the "Fundamental Change Repurchase Price"). The Fundamental Change Repurchase Date shall be subject to postponement in order to allow the Issuer to comply with applicable law.

(ii) Repurchases of Convertible Notes under this Section 6.1 shall be made, at the option of the Holder thereof, upon:

(A) delivery to the Issuer by the Holder of a duly completed notice (the "Fundamental Change Repurchase Notice") in the form set forth in Exhibit B attached hereto, on or before the Close of Business on the Business Day immediately preceding the Fundamental Change Repurchase Date, subject to extension to comply with applicable law; and

16

(B) delivery of the Convertible Notes to the Issuer at any time after delivery of the Fundamental Change Repurchase Notice (together with all necessary endorsements for transfer), such delivery being a condition to receipt by the Holder of the Fundamental Change Repurchase Price therefor.

(iii) The Fundamental Change Repurchase Notice in respect of any Convertible Notes to be repurchased shall state:

(A) the portion of the principal amount of Convertible Notes to be repurchased, which must be in minimum denominations of \$1,000 or an integral multiple thereof; and

(B) that the Convertible Notes are to be repurchased by the Issuer pursuant to the applicable provisions of the Convertible Notes.

Notwithstanding anything herein to the contrary, the Holder shall have the right to withdraw, in whole or in part, such Fundamental Change Repurchase Notice at any time prior to the Close of Business on the Business Day immediately preceding the Fundamental Change Repurchase Date (the "Fundamental Change Expiration Time") by delivery of a written notice of withdrawal to the Issuer in accordance with Section 6.2.

(iv) On or before the twentieth (20th) calendar day after the occurrence of the effective date of a Fundamental Change, the Issuer shall provide to all Holders a written notice (the "Fundamental Change Issuer Notice") of the occurrence of the Fundamental Change, its effective date and of the repurchase right at the option of the Holders arising as a result thereof. Each Fundamental Change Issuer Notice shall specify:

(A) the events causing the Fundamental Change;

(B) the effective date of the Fundamental Change;

(C) the last date on which the Holder may exercise the repurchase right pursuant to this Section 6;

(D) the certificate number of the Convertible Note to be delivered for repurchase;

(E) the Fundamental Change Repurchase Price;

(F) the Fundamental Change Repurchase Date;

(G) the applicable Conversion Price and any adjustments to the Conversion Price;

(H) that the Convertible Notes with respect to which a Fundamental Change Repurchase Notice has been delivered by the Holder may be converted only if the Holder withdraws the Fundamental Change Repurchase Notice in accordance with the terms of the Convertible Notes; and

(I) the procedures that the Holders must follow to require the Issuer to repurchase their Convertible Notes.

No failure of the Issuer to give the foregoing notices and no defect therein shall limit the Holder's repurchase rights or affect the validity of the proceedings for the repurchase of the Convertible Notes pursuant to this Section 6.1. Simultaneously with providing such notice, the Issuer will publish such information on its website or through such other public medium as the Issuer may use at that time.

17

(v) Notwithstanding the foregoing, no Convertible Notes may be repurchased by the Issuer on any date at the option of the Holders in connection with a Fundamental Change if the principal amount of the Convertible Notes has been accelerated, and such acceleration has not been rescinded, on or prior to such date (except in the case of an acceleration resulting from a default by the Issuer in the payment of the Fundamental Change Repurchase Price with respect to such Convertible Notes). The Issuer will promptly return to the respective Holders thereof any Convertible Notes held by it during the acceleration of the Convertible Notes (except in the case of an acceleration resulting from a default by the Issuer in the payment of the Fundamental Change Repurchase Price with respect to such Convertible Notes), and, upon such return, the Fundamental Change Repurchase Notice with respect thereto shall be deemed to have been withdrawn.

6.2. Withdrawal of Fundamental Change Repurchase Notice. A Fundamental Change Repurchase Notice may be withdrawn by the Holder (in whole or in part) by means of a written notice of withdrawal delivered to the Issuer in accordance with this Section 6.2 at any time prior to the Fundamental Change Expiration Time, specifying:

- (i) the principal amount of the Convertible Notes with respect to which such notice of withdrawal is being submitted, which must be \$1,000 or an integral multiple thereof,
- (ii) the certificate number of the Convertible Note in respect of which such notice of withdrawal is being submitted, and
- (iii) the principal amount, if any, of such Convertible Note that remains subject to the original Fundamental Change Repurchase Notice, which portion must be in principal amounts of \$1,000 or an integral multiple of \$1,000.

6.3. Excess Cash Flow Offer.

(a) In the event that there shall be Consolidated Excess Cash Flow for any fiscal year of the Issuer and its Subsidiaries (commencing with the fiscal year ended December 31, 2021), not later than the earlier of (i) the date that is five (5) Business Days after the date of delivery of the annual financial statements for such fiscal year of the Issuer pursuant to Section 4(a)(ii) of the Purchase Agreement, and (ii) five (5) Business Days after the date on which the annual financial statements for the applicable fiscal year of the Issuer are required to be delivered pursuant to Section 4(a)(ii) of the Purchase Agreement, the Issuer will make an offer to purchase Convertible Notes (or a portion thereof), such offer to be in the form attached hereto as Exhibit C, which shall include, without limitation, a detailed calculation of the Consolidated Excess Cash Flow for such fiscal year (the "Excess Cash Flow Period") (each such offer to purchase, an "Excess Cash Flow Offer"), such offer having an aggregate principal amount equal to:

(1) an amount equal to fifty percent (50%) of Consolidated Excess Cash Flow for the Excess Cash Flow Period then ended; multiplied by

(2) a fraction (x) the numerator of which is equal to the outstanding aggregate principal amount of the Convertible Notes held by such Holder and (y) the denominator of which is equal to the outstanding aggregate principal amount of the Convertible Notes and all other Priority Lien Debt required to be repaid with such Consolidated Excess Cash Flow, rounded down to the nearest \$1,000 (the "Excess Cash Flow Offer Amount"). The purchase price for any Excess Cash Flow Offer will be one hundred percent (100%) of the sum of (i) the principal amount then outstanding, plus (ii) any accrued and unpaid interest through the applicable purchase date (the "Excess Cash Flow Payment"). If the Excess Cash Flow Offer is for less than all of the outstanding Convertible Notes and Convertible Notes in an aggregate principal amount in excess of the purchase amount are tendered and not withdrawn pursuant to the Excess Cash Flow Offer, the Issuer will purchase Convertible Notes having an aggregate principal amount equal to the purchase amount on a pro rata basis, with adjustments so that only Convertible Notes in multiples of \$1,000 principal amount (and in a minimum principal amount of \$1,000) will be purchased. Any portion of such Consolidated Excess Cash Flow remaining after consummation of the Excess Cash Flow Offer may be used for any purpose not otherwise prohibited by the Note Documents.

18

(b) Within the timeframe noted in (a) above, the Issuer shall send a written offer to each Holder by first class mail or such other notice method provided for in the Purchase Agreement, which shall govern the terms of the Excess Cash Flow Offer, with a copy of such offer to the Collateral Agent. The offer shall state:

(1) that an Excess Cash Flow Offer is being made as provided for herein, and that, although Holders are not required to tender their Convertible Notes, all Convertible Notes (or a portion thereof) that are validly tendered shall be accepted for payment, subject to pro rata reduction as set forth in Sections 6.3(a) and (e);

(2) the principal amount of Convertible Notes subject to the Excess Cash Flow Offer, the Excess Cash Flow Payment and the expiration date of the Excess Cash Flow Offer (the "Excess Cash Flow Offer Expiration Date"), which will be no earlier than thirty (30) days and no later than sixty (60) days after the date such written notice to the Holders and the Collateral Agent is sent and a settlement date for purchase (the "Excess Cash Flow Payment Date") not more than five (5) Business Days after the Excess Cash Flow Offer Expiration Date;

(3) that any Convertible Note (or portion thereof) accepted for payment pursuant to the Excess Cash Flow Offer (and duly paid for on the Excess Cash Flow Payment Date) shall cease to accrue interest after the Excess Cash Flow Payment Date;

(4) that any Convertible Notes (or portions thereof) not validly tendered shall continue to accrue interest;

(5) that any Holder electing to have a Convertible Note (or portion thereof) purchased pursuant to any Excess Cash Flow Offer shall be required to notify the Issuer of its election before the close of business on the Excess Cash Flow Offer Expiration Date;

(6) that Holders shall be entitled to withdraw their election if the Issuer receives, not later than the close of business on the Excess Cash Flow Offer Expiration Date, an electronic transmission or letter setting forth the name of the Holder, the principal amount of the Convertible Note (or portion thereof) the Holder delivered for purchase and a statement that such Holder is withdrawing its election to have such Convertible Note purchased; and

(7) the instructions and any other information necessary to enable Holders to tender their Convertible Notes (or portions thereof) and have such Convertible Notes (or portions thereof) purchased pursuant to the Excess Cash Flow Offer.

(e) On or before the Excess Cash Flow Payment Date, the Issuer shall, to the extent lawful, accept for payment all Convertible Notes or portions thereof properly tendered and not withdrawn pursuant to the Excess Cash Flow Offer. Promptly after such acceptance, on the Excess Cash Flow Payment Date, the Issuer will:

(1) deposit by 11:00 a.m., New York City time, with the Holder an amount equal to such Holder's pro rata share of the Excess Cash Flow Payment in respect of all Convertible Notes or portions thereof so tendered by such Holder; and

(2) deliver or cause to be delivered an Officer's Certificate of the Issuer delivered to the Collateral Agent and the Holders stating the aggregate principal amount of Convertible Notes or portions thereof being purchased by the Issuer.

(f) On the Excess Cash Flow Payment Date, the Issuer shall send to each Holder of Convertible Notes accepted for payment the Excess Cash Flow Payment for such Convertible Notes, a new Convertible Note (with a copy to the Collateral Agent) in a principal amount equal to the unpurchased portion of the Convertible Notes surrendered. Interest on the Convertible Notes purchased will cease to accrue on and after the Excess Cash Flow Payment Date.

19

(g) If the aggregate principal amount of Convertible Notes surrendered in an Excess Cash Flow Offer exceeds the Excess Cash Flow Offer Amount, the Issuers will select the Convertible Notes to be purchased on a pro rata basis with such adjustments as needed so that no Convertible Notes in an unauthorized denomination are purchased in part based on the aggregate principal amount, as applicable of the Convertible Notes tendered.

6.4. Excess Proceeds Offer.

(a) Not later than five (5) days after the date of receipt by the Issuer or any of its Subsidiaries of

(i) any Net Cash Proceeds from the issuance of any Indebtedness of the Issuer and its Subsidiaries (other than Permitted Indebtedness) including, without limitation, in any proceeding under Debtor Relief Laws (such Net Cash Proceeds, "Debt Issuance Net Proceeds"),

(ii) any Net Cash Proceeds from any Asset Disposition (to the extent the total aggregate amount of such Net Cash Proceeds received by the Issuer and/or its Subsidiaries in the same fiscal year (and not paid to the Holders of the Convertible Notes and/or other Priority Lien Debt to repay Priority Lien Obligations) are in excess of \$100,000) (such excess, the "Excess Asset Disposition Net Proceeds"); provided that solely with respect to the Divestiture Transaction, the requirement under this Section 6.4(a)(ii) shall not apply to the Company Retained Net Cash Proceeds of such Asset Disposition provided that all Company Retained Net Cash Proceeds are deposited into a Controlled Account within five (5) days after receipt thereof.

(iii) any Net Cash Proceeds from any insurance or condemnation awards (once the total aggregate amount of such Net Cash Proceeds received by the Issuer and its Subsidiaries in such fiscal year (and not paid to the Holders of Convertible Notes as a repurchase of the Convertible Notes and/or a repayment of other Priority Lien Debt) exceeds \$100,000 (and to the extent repurchase is required, the required amount of such repurchase shall only be the net Cash Proceeds in excess of such amount (such excess, the "Excess Condemnation Net Proceeds"), and (ii) if the Issuer notifies the Agent of the Issuer's or of its Subsidiaries' intent to reinvest such Net Cash Proceeds on or prior to the fifth (5th) day after such receipt of Net Cash Proceeds then so long as no Default or Event of Default shall have occurred or be continuing at the time of such notice, at the time of reinvestment, or at any time in between, and (y) the proceeds of such insurance and/or condemnation award are held in a Controlled Account, the Issuer shall have the option, directly or through one or more Guarantors or its Subsidiaries, to use such Net Cash Proceeds to reinvest in similar productive assets of the business, in each case, (x) that are used or useful in the business of the Issuer and its Subsidiaries and (y) that comprise Collateral to the extent such property or asset sold or otherwise disposed of was Collateral, within one hundred and eighty (180) days of receipt of such Net Cash Proceeds (or if Issuer or the applicable Subsidiary enters into a binding commitment to reinvest such proceeds not later than the end of such one hundred and eighty (180) day period with the good faith expectation that such proceeds will be applied to satisfy such reinvestment commitment within the next one hundred eighty (180) days, an extension for a period of up to an additional one hundred eighty (180) days from the end of the initial one hundred and eighty (180) day period) (the "Reinvestment Period") and until the end of the Reinvestment Period, such insurance and/or condemnation awards shall not be considered Excess Condemnation Net Proceeds) or

(iv) any cash, Cash Equivalents or other proceeds from any capital contributions to, or issuances or other sales of or transactions with respect to any Equity Interests of the Issuer or any of its Subsidiaries resulting in gross proceeds in excess of \$75,000,000 in the aggregate in any six (6) month period after (but not including) August 13, 2021 (other than Equity Interests issued (A) pursuant to any employee stock or stock option compensation plan, (B) upon the Consummation of the Merger on the Closing Date as a result of the equity contribution occurring in connection therewith, (C) in order to purchase, redeem, convert or otherwise exchange the Convertible Notes in accordance with the terms of, in each case the Convertible Notes, those warrants issued pursuant to the Term Loan Credit Agreement and the Purchase Agreement), or (D) for purposes approved in writing by the Agent (such excess, "Excess Equity Issuance Net Proceeds").

20

(each of the events set forth in the foregoing clauses (i), (ii), (iii) and (iv), a "Mandatory Prepayment Event"), the Issuer will be obligated to make an offer in the form attached hereto as Exhibit D (such offer, a "Mandatory Prepayment Offer") to the Holders of the Convertible Notes to purchase Convertible Notes (or a portion thereof) in an amount equal to one hundred percent (100%) of the aggregate Convertible Notes Allocable Share of all such Excess Proceeds, plus accrued and unpaid interest on the aggregate principal amount of Convertible Notes to be prepaid to, but excluding, the date of purchase plus the applicable Make-Whole Amount (unless such Excess Proceeds derive from Excess Condemnation Net Proceeds, in which case the applicable Make-Whole Amount shall not be included) (the "Mandatory Prepayment Offer Payment Amount"). If the Mandatory Prepayment Offer is for less than all of the outstanding Convertible Notes and Convertible Notes in an aggregate principal amount in excess of the purchase amount are tendered and not withdrawn pursuant to the Mandatory Prepayment Offer, the Issuer will purchase Convertible Notes having an aggregate principal amount equal to the purchase amount on a pro rata basis, with adjustments so that only Convertible Notes in multiples of \$1,000 principal amount (and in a minimum principal amount of \$1,000) will be purchased. Any portion of such Excess Proceeds remaining after consummation of the Mandatory Prepayment Offer may be used for any purpose not otherwise prohibited by the Note Documents.

(b) Within the timeframe noted in (a) above, the Issuer shall send a written offer to each Holder by first class mail or such other notice method provided for in the Purchase Agreement, which shall govern the terms of the Mandatory Prepayment Offer, with a copy of such offer to the Collateral Agent. The offer shall state:

(1) that a Mandatory Prepayment Offer is being made as provided for herein, and that, although Holders are not required to tender their Convertible Notes, all Convertible Notes (or a portion thereof) that are validly tendered shall be accepted for payment, subject to pro rata reduction as set forth in Sections 6.4(a) and (e);

(2) the principal amount of Convertible Notes subject to the Mandatory Prepayment Offer, the Mandatory Prepayment Offer Amount and the nature and amount of the Excess Proceeds and the expiration date of the Mandatory Prepayment Offer (the "Mandatory Prepayment Offer Expiration Date"), which will be no earlier than thirty (30) days and no later than sixty (60) days after the date such written notice to the Holders and the Collateral Agent is sent and a settlement date for purchase (the "Mandatory Prepayment Date") not more than five (5) Business Days after the Mandatory Prepayment Offer Expiration Date;

(3) that any Convertible Note (or portion thereof) accepted for payment pursuant to the Mandatory Prepayment Offer (and duly paid for on the Mandatory Prepayment Date) shall cease to accrue interest after the Mandatory Prepayment Date;

(4) that any Convertible Notes (or portions thereof) not validly tendered shall continue to accrue interest;

(5) that any Holder electing to have a Convertible Note (or portion thereof) purchased pursuant to a Mandatory Prepayment Offer shall be required to notify the Issuer of its election before the close of business on the Mandatory Prepayment Offer Expiration Date;

(6) that Holders shall be entitled to withdraw their election if the Issuer receives, not later than the close of business on the Mandatory Prepayment Offer Expiration Date, an electronic transmission or letter setting forth the name of the Holder, the principal amount of the Convertible Note (or portion thereof) the Holder delivered for purchase and a statement that such Holder is withdrawing its election to have such Convertible Note purchased; and

(7) the instructions and any other information necessary to enable Holders to tender their Convertible Notes (or portions thereof) and have such Convertible Notes (or portions thereof) purchased pursuant to the Mandatory Prepayment Offer.

21

(c) On or before the Mandatory Prepayment Date, the Issuer shall, to the extent lawful, accept for payment all Convertible Notes or portions thereof properly tendered and not withdrawn pursuant to the Mandatory Prepayment Offer. Promptly after such acceptance, on the Mandatory Prepayment Date, the Issuer will:

(1) deposit by 11:00 a.m., New York City time, with the Holder an amount equal to such Holder's Allocable Share of the Excess Proceeds in respect of all

Convertible Notes or portions thereof so tendered by such Holder; and

(2) deliver or cause to be delivered an Officer's Certificate of the Issuer delivered to the Collateral Agent and the Holders stating the aggregate principal amount of Convertible Notes or portions thereof being purchased by the Issuer.

(f) On the Mandatory Prepayment Date, the Issuer shall send to each Holder of Convertible Notes accepted for payment the Excess Proceeds for such Convertible Notes and a new Convertible Note (with a copy to the Collateral Agent) in a principal amount equal to the unpurchased portion of the Convertible Notes surrendered. Interest on the Convertible Notes purchased will cease to accrue on and after the Mandatory Prepayment Date.

(g) If the aggregate principal amount of Convertible Notes surrendered in a Mandatory Prepayment Offer exceeds the Mandatory Prepayment Offer Amount, the Issuers will select the Convertible Notes to be purchased on a pro rata basis with such adjustments as needed so that no Convertible Notes in an unauthorized denomination are purchased in part based on the aggregate principal amount, as applicable of the Convertible Notes tendered.

6.5. Term Loan Repayment Offer.

(a) Not later than thirty (30) days after each date on which there is a voluntary prepayment, repayment or repurchase of the loans under the Term Loan Credit Agreement or any other Priority Lien Obligation, the Issuer will make an offer, with such offer to be in the form attached hereto as Exhibit E, to purchase the Convertible Notes (or a portion thereof) in an aggregate principal amount up to the aggregate principal amount of Priority Lien Debt repurchased or prepaid (the "Term Loan Offer Amount") at a price that, as a percentage of the principal acquired, is the same as the price paid in the repurchase or repayment of the Priority Lien Debt (each such offer, a "Term Loan Repayment Offer" and such payment shall include accrued and unpaid interest, if any, to, but excluding, the date of purchase plus the Make-Whole Amount, any such payment, a "Term Loan Payment"). If the Term Loan Repayment Offer is for less than all of the outstanding Convertible Notes and Convertible Notes in an aggregate principal amount in excess of the purchase amount are tendered and not withdrawn pursuant to the Term Loan Repayment Offer, the Issuer will purchase Convertible Notes having an aggregate principal amount equal to the purchase amount on a pro rata basis, with adjustments so that only Convertible Notes in multiples of \$1,000 principal amount (and in a minimum principal amount of \$1,000) will be purchased. Any portion of such Term Loan Payment remaining after consummation of the Term Loan Repayment Offer may be used for any purpose not otherwise prohibited by the Note Documents.

(b) Not later than thirty (30) days following any voluntary prepayment, repayment or repurchase of the loans under the Term Loan Credit Agreement or, as the context may require, other Priority Lien Obligation, the Issuer shall send a written offer to each Holder by first class mail or by such other manner provided for in the Purchase Agreement, which shall govern the terms of the Term Loan Repayment Offer, with a copy of such offer to the Collateral Agent. The offer shall state:

(1) that a voluntary prepayment, repayment or repurchase of the loans under the Term Loan Credit Agreement, or as the context may require, such other Priority Lien Obligation, has occurred and a Term Loan Repayment Offer is being made as provided for herein, and that, although Holders are not required to tender their Convertible Notes (or a portion thereof), all Convertible Notes that are validly tendered shall be accepted for payment, subject to pro rata reduction as set forth in Sections 6.5(a) and (e);

22

(2) the Term Loan Payment and the expiration date of the Term Loan Repayment Offer (the "Term Loan Repayment Offer Expiration Date"), which will be no earlier than thirty (30) days and no later than sixty (60) days after the date such written notice to the Holders and the Collateral Agent is sent and a settlement date for purchase (the "Term Loan Payment Date") not more than five (5) Business Days after the Term Loan Repayment Offer Expiration Date;

(3) that any Convertible Note (or portion thereof) accepted for payment pursuant to the Term Loan Repayment Offer (and duly paid for on the Term Loan Payment Date) shall cease to accrue interest after the Term Loan Payment Date;

(4) that any Convertible Notes (or portions thereof) not validly tendered shall continue to accrue interest;

(5) that any Holder electing to have a Convertible Note (or portion thereof) purchased pursuant to any Term Loan Repayment Offer shall notify the Issuer of its election to the Issuer at the address specified in the notice at before the close of business on the Term Loan Repayment Offer Expiration Date;

(6) that Holders shall be entitled to withdraw their election if the Issuer receives, not later than the close of business on the Term Loan Repayment Offer Expiration Date, an electronic transmission or letter setting forth the name of the Holder, the principal amount of the Convertible Note (or portion thereof) the Holder delivered for purchase and a statement that such Holder is withdrawing its election to have such Convertible Note purchased; and

(7) the instructions and any other information necessary to enable Holders to tender their Convertible Notes (or portions thereof) and have such Convertible Notes (or portions thereof) purchased pursuant to the Term Loan Repayment Offer.

If the Term Loan Repayment Offer is sent prior to the voluntary prepayment, repayment or repurchase of the loans under the other Priority Lien Documents, it may be conditioned upon the consummation of the voluntary prepayment, repayment or repurchase of the loans under the Term Loan Credit Agreement.

(c) On or before the Term Loan Payment Date, the Issuer shall, to the extent lawful, accept for payment all Convertible Notes or portions thereof properly tendered and not withdrawn pursuant to the Term Loan Repayment Offer. Promptly after such acceptance, on the Term Loan Payment Date, the Issuer will:

(1) deposit by 11:00 a.m., New York City time, with the Holder an amount equal to such Holder's pro rata share of the Term Loan Repayment Offer in respect of all Convertible Notes or portions thereof so tendered by such Holder; and

(2) deliver or cause to be delivered an Officer's Certificate of the Issuer delivered to the Collateral Agent and the Holders stating the aggregate principal amount of Convertible Notes or portions thereof being purchased by the Issuer.

(d) On the Term Loan Payment Date, the Issuer shall send to each Holder of Convertible Notes accepted for payment the Term Loan Payment for such Convertible Notes and a new Convertible Note (with a copy to the Collateral Agent) in a principal amount equal to the unpurchased portion of the Convertible Notes surrendered. Interest on the Convertible Notes purchased will cease to accrue on and after the Term Loan Payment Date.

(e) If the aggregate principal amount of Convertible Notes surrendered in a Term Loan Repayment Offer exceeds the Term Loan Offer Amount, the Issuers will select the Convertible Notes to be purchased on a pro rata basis with such adjustments as needed so that no Convertible Notes in an unauthorized denomination are purchased in part based on the aggregate principal amount, as applicable of the Convertible Notes tendered.

23

Cash Flow Offer, Mandatory Prepayment Offer or a Term Loan Repayment Offer pursuant to this Section 6, the Issuer will, if required:

- (i) comply with the provisions of any tender offer rules under the Exchange Act that may then be applicable;
- (ii) file a Schedule TO or any other required schedule under the Exchange Act; and
- (iii) otherwise comply with all federal and state securities laws in connection with any offer by the Issuer to repurchase the Convertible Notes;

in each case, so as to permit the rights and obligations under this Section 6 to be exercised in the time and in the manner specified in this Section 6 subject to postponement in order to allow the Issuer to comply with applicable law. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Convertible Note relating to the Issuer's obligations to purchase this Convertible Note upon a Fundamental Change, Excess Cash Flow Offer, Mandatory Prepayment Offer or a Term Loan Repayment Offer, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under such provisions of this Convertible Note by virtue of such conflict.

6.7. Offers with Declined Proceeds. If a holder of a Convertible Note or of any other Priority Lien Debt declines all or any portion of the payments the Issuer would have been required to make or offer to the holders of Priority Lien Debt on a pro rata and *pari passu* basis with an Excess Cash Flow Offer, Excess Proceeds Offer or Term Loan Repayment Offer under this Convertible Note (any such declined amounts, "Declined Proceeds" and any such declining holder of Priority Lien Debt, a "Declining Holder" and all other holders of Priority Lien Debt, "Non-Declining Holders"), then such Declined Proceeds shall be offered and paid to the Non-Declining Holders in accordance with their pro rata share of the Priority Lien Obligations until all of the remaining Declined Proceeds have been depleted. It being understood that for purposes of this Convertible Note, any such Declined Proceeds shall be treated in the same manner as the original proceeds and the same Excess Cash Flow Offer, Excess Proceeds Offer and Term Loan Repayment Offer mechanics described in this Section 6 shall apply thereto, provided however, for the purposes of determining when such Declined Proceeds are required to be offered to any Non-Declining Holders, the date of receipt of such proceeds by the Note Parties shall be the first (1st) Business Day after the last day that a Declining Holder under any Priority Lien Obligation has the right to decline their share of such proceeds (for example, if a Priority Lien Holder has a right to accept or decline such proceeds of an Asset Disposition for sixty (60) days under this Convertible Note and five (5) days under other Priority Lien Debt, then the first (1st) day that such Declined Proceeds would be required to be offered to the other Non-Declining Holders would be the first (1st) Business Day after the sixty (60) day period allowed under such Priority Lien Obligations).

7. Optional Redemption.

7.1. Optional Redemption Upon Triggering Event.

(a) On or after August 13, 2023, the Issuer may redeem all or any portion of the Convertible Note, at any time following a Triggering Event ending on, and including, the Trading Day immediately preceding the date on which the Issuer provides the Notice of Optional Redemption (an "Optional Redemption Notice Date") (the "Optional Redemption") by paying to the Holder the Redemption Price in the form of additional stock, cash or a combination thereof.

24

7.2. Notice of Optional Redemption.

(a) In case the Issuer exercises its Optional Redemption right pursuant to Section 7.1, it shall fix a date for Optional Redemption (each, an "Optional Redemption Date") and it shall deliver or cause to be delivered a written notice of such Optional Redemption (a "Notice of Optional Redemption") not less than thirty (30) nor more than sixty (60) Trading Days prior to the Optional Redemption Date to each Holder of Convertible Notes so to be redeemed as a whole or in part. Simultaneously with providing a Notice of Optional Redemption, the Issuer shall publish, or cause to be published, a notice containing the information set forth in such Notice of Optional Redemption on the Issuer's website or through such other public medium as the Issuer may use at that time. A Notice of Optional Redemption shall be irrevocable.

(b) If any Notice of Optional Redemption has been given in respect of the Convertible Notes in accordance with this Section 7.2, the Convertible Notes shall become immediately due and payable on the Optional Redemption Date at the place or places stated in the Notice of Optional Redemption and at the applicable Redemption Price.

(c) Each Notice of Optional Redemption shall specify:

- (i) the Optional Redemption Date;
- (ii) the Redemption Price;
- (iii) that on the Optional Redemption Date, the Redemption Price will become due and payable;
- (iv) the place or places where such Convertible Notes are to be surrendered for payment of the Redemption Price;

(v) that Holders may surrender their Convertible Notes for conversion at any time prior to the close of business on the Trading Day immediately preceding the Optional Redemption Date; and

(vi) in case any Convertible Note is to be redeemed in part only, the portion of the principal amount thereof to be redeemed and on and after the Optional Redemption Date, upon surrender of such Convertible Note, a new Convertible Note in principal amount equal to the unredeemed portion thereof shall be issued.

7.3. Restriction on Optional Redemption. The Issuer may not redeem any Convertible Notes on any date if the principal amount of the Convertible Notes has been accelerated in accordance with the terms herein, and such acceleration has not been rescinded, on or prior to the Optional Redemption Date (except in the case of an acceleration resulting from a default by the Issuer in the payment of the Redemption Price with respect to such Convertible Notes).

For the purposes of this Section 7, any capitalized terms used herein but not otherwise defined in this Convertible Note shall have the respective meanings ascribed to them in the Term Loan Credit Agreement.

8. Restrictions on Transfer.

8.1. Restricted Securities. By acceptance hereof, the Holder understands and agrees that this Convertible Note and the Common Stock receivable upon conversion hereof are characterized as "restricted securities" under the Securities Act inasmuch as they are being acquired from the Issuer in a transaction not involving a public offering and that under such laws and applicable regulations such securities may be resold without registration under the Securities Act only in certain limited circumstances. In this connection, the Holder represents that it is familiar with Rule 144 promulgated by the Securities and Exchange Commission, as presently in effect, and understands the resale limitations imposed thereby and by the Securities Act.

8.2. [Reserved]

8.3. Legends. It is understood that, until the date that is the later of (1) the date that is one (1) year after the last date of original issuance of the Convertible Notes, or such shorter period of time as permitted by Rule 144 or any successor provision thereto, and (2) such later date, if any, as may be required by applicable law, each Convertible Note and each certificate evidencing Common Stock acquired upon conversion thereof (or evidencing any other securities issued with respect thereto) shall bear the following legend (unless such Convertible Notes have been transferred pursuant to a registration statement that has become or been declared effective under the Securities Act and that continues to be effective at the time of such transfer, or sold pursuant to the exemption from registration provided by Rule 144 or any similar provision then in force under the Securities Act), or unless otherwise agreed by the Issuer in writing:

THIS CONVERTIBLE NOTE HAS / THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), OR ANY APPLICABLE STATE SECURITIES LAWS. SUCH SECURITIES HAVE BEEN ACQUIRED FOR INVESTMENT PURPOSES AND MAY NOT BE OFFERED FOR SALE, SOLD, DELIVERED AFTER SALE, TRANSFERRED, PLEDGED OR HYPOTHECATED IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT FILED BY THE ISSUER WITH THE U.S. SECURITIES AND EXCHANGE COMMISSION COVERING SUCH SECURITIES UNDER THE SECURITIES ACT OR AN OPINION OF COUNSEL SATISFACTORY TO THE ISSUER THAT SUCH REGISTRATION IS NOT REQUIRED.

Any Convertible Note (or security issued in exchange or substitution thereof) (i) as to which such restrictions on transfer shall have expired in accordance with their terms, (ii) that has been transferred pursuant to a registration statement that has become effective or been declared effective under the Securities Act and that continues to be effective at the time of such transfer or (iii) that has been sold pursuant to the exemption from registration provided by Rule 144 or any similar provision then in force under the Securities Act, may, upon surrender of such Convertible Note for exchange to the Issuer, be exchanged for a new Convertible Notes, of like tenor and aggregate principal amount, which shall not bear the aforementioned restricted legend required.

9. Notices.

9.1. Notices to Holder of Convertible Notes. Any notice required by the provisions of this Convertible Note to be given to the Holder shall be in writing and may be delivered by any means (including personal delivery, expedited courier, messenger service, fax, ordinary mail or electronic mail), but no such notice, request, demand, claim or other communication will be deemed to have been duly given unless and until it actually is received by the intended recipient.

9.2. Notices to the Issuer. Whenever any provision of this agreement requires a notice to be given to the Issuer by the Holder, the holder of Common Stock obtained upon the conversion of a Convertible Note or the holder of any other security of the Issuer obtained in connection with a recapitalization, merger, dividend or other event affecting a Convertible Note, then and in each such case, such notice shall be in writing and may be delivered by any means (including personal delivery, expedited courier, messenger service, fax, ordinary mail or electronic mail), but no such notice, request, demand, claim or other communication will be deemed to have been duly given unless and until it actually is received by the Issuer.

No notice under this Section 9.2 shall be valid unless signed by the holder of the Convertible Note, Common Stock or other security giving the notice or in the case of a notice by holders of a specified percent in aggregate principal amount of outstanding Convertible Notes unless signed by each holder of a Convertible Note whose Convertible Note has been counted in constituting the requisite percentage of Convertible Notes required to give such notice.

10. No Rights as Stockholder. This Convertible Note, as such, shall not entitle the Holder to any voting rights or other rights as a stockholder of the Issuer.

11. Headings, Governing Law, Purchase Agreement to Control. The descriptive headings in this Convertible Note are inserted for convenience only and do not constitute a part of this Convertible Note. **The validity, meaning and effect of this Convertible Note shall be determined in accordance with the laws of the State of New York without regard for its conflicts of laws principles, except Section 5-1401 of the New York General Obligations Law. In the case of a conflict between the provisions of this Convertible Note and the Purchase Agreement, the provisions of the Purchase Agreement shall control.**

12. Severability. Whenever possible, each provision hereof shall be interpreted in a manner as to be effective and valid under applicable law, but if any provision hereof is held to be prohibited by or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating or otherwise adversely affecting the remaining provisions hereof. If a court of competent jurisdiction should determine that a provision hereof would be valid or enforceable if a period of time were extended or shortened or a particular percentage were increased or decreased, then such court may make such change as shall be necessary to render the provision in question effective and valid under application law.

13. Additional Amounts. All payments and deliveries made by or on behalf of the Issuer or any of the Guarantors (including, in each case, any successor entity) under or with respect to the Convertible Notes or any other Note Document shall be made free and clear of, and without withholding or deduction for, or on account of, any present or future Taxes, unless such withholding or deduction is required by applicable Laws. If any applicable Law requires the deduction or withholding of any Tax from any such payment (as determined in the good faith discretion of the Issuer, any Guarantor, or any other applicable withholding agent), then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and if such Tax is an Indemnified Tax, then the sum payable to the Holder shall be increased by such Additional Amounts as may be necessary so that after making such deduction or withholding (including such deductions and withholdings applicable to the Additional Amounts), the beneficial owner of the Convertible Notes receives an amount equal to the sum it would have received had no such deduction or withholding been made. The Issuer or the relevant Guarantor shall use its reasonable efforts to obtain Tax receipts from each Governmental Authority evidencing the payment of any Taxes so deducted or withheld. The Issuer or the relevant Guarantor shall furnish to the Holder, within sixty (60) days after the date the payment of any Taxes so deducted or withheld is made, certified copies of Tax receipts evidencing payment by the Issuer or a Guarantor, as the case may be, a copy of any return reporting such payment or other evidence of such payment reasonably satisfactory to the Holder.

14. Mutilated, Destroyed, Lost or Stolen Notes. In case any Convertible Note shall become mutilated or be destroyed, lost or stolen, the Issuer shall execute and deliver a new Convertible Note in exchange and substitution for the mutilated Convertible Note, or in lieu of and in substitution for the Convertible Note so destroyed, lost or stolen. In every case the applicant for a substituted Note shall furnish to the Issuer such security or indemnity as may be required by it to hold it harmless from any loss, liability, cost or expense caused by or connected with such substitution, and, in every case of destruction, loss or theft, the applicant shall also furnish to the Issuer evidence to its satisfaction of the destruction, loss or theft of such Note and of the ownership thereof. No service charge shall be imposed by the Issuer upon the issuance of any substitute Convertible Note, but the Issuer may require a Holder to pay a sum sufficient to cover any documentary, stamp, or similar issue or transfer tax required in connection therewith as a result of the name of the Holder of the new substitute Note being different from the name of the Holder of the old Note that became mutilated or was destroyed, lost or stolen. Every substitute Convertible Note issued pursuant to the provisions of this Section 14 by virtue of the fact that any Convertible Note is destroyed, lost or stolen shall constitute an additional contractual obligation of the Issuer, whether or not the destroyed, lost or stolen Convertible Note shall be found at any time, and shall be entitled to all the benefits of (but shall be subject to all the limitations set forth in) this Convertible Note equally and proportionately with any and all other Convertible Notes duly issued under the Purchase Agreement. To the extent permitted by law, all Convertible Notes shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement, payment, redemption, conversion or repurchase of mutilated, destroyed, lost or stolen Convertible Notes and shall preclude any and all other rights or remedies notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement, payment, redemption, conversion or repurchase of negotiable

instruments or other securities without their surrender.

15. Remedies. Holder shall have, in addition to the rights and remedies contained in this Convertible Note, all of the rights and remedies of a creditor, now or hereafter available at law or in equity. Holder may, at its option, exercise any one or more of such rights and remedies individually, partially, or in any combination. No right, power, or remedy conferred upon Holder shall be exclusive of any other right, power, or remedy referred to herein or now or hereafter available at law or in equity. In addition to all other amounts payable upon an Event of Default, the Issuer shall reimburse Holder for all of its out of pocket expenses (including reasonable legal fees) incurred in the enforcement of Holder's rights and remedies in respect of this Convertible Note.

16. Amendment and Restatement. THIS CONVERTIBLE NOTE IS ISSUED IN SUBSTITUTION FOR, AND AMENDS AND RESTATES, SUPERSEDES AND CONTROLS IN ENTIRETY OVER THAT CERTAIN AMENDED AND RESTATED SENIOR SECURED CONVERTIBLE NOTE MADE BY THE ISSUER PAYABLE TO THE ORDER OF [HOLDER], DATED APRIL 8, 2022, WHICH AMENDED AND RESTATED THAT CERTAIN SENIOR SECURED CONVERTIBLE NOTE MADE BY THE ISSUER PAYABLE TO THE ORDER OF [HOLDER], DATED AUGUST 13, 2021, AND THIS CONVERTIBLE NOTE DOES NOT DISCHARGE, EXTINGUISH OR NEGATE THE DEBT EVIDENCED BY SUCH PRIOR CONVERTIBLE NOTES IN ANY RESPECT. NOTHING CONTAINED HEREIN SHALL CONSTITUTE OR BE DEEMED TO BE A NOVATION.

AGREEMENT**

This SENIOR SECURED CONVERTIBLE NOTE PURCHASE AND GUARANTEE AGREEMENT (as the same may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, this “Agreement”) is entered into on July 30, 2021 (the “Signing Date”), by and among New Beginnings Acquisition Corp., a Delaware corporation (the “Issuer”), each of the Purchasers listed on the signature pages hereto (collectively, the “Purchasers” and each, a “Purchaser”), the guarantors appearing on the signature pages hereto (together with each of their respective successors and assigns and each other subsidiary of the Issuer required pursuant to the terms of this Agreement and the Convertible Notes to become a guarantor hereunder, the “Guarantors”) and DBFIP ANI LLC (“Fortress”), as agent, collateral agent and trustee for the Secured Parties (Fortress in such capacities together with its successors and assigns in such capacities, the “Agent” and/or the “Collateral Agent”).

WHEREAS, on March 8, 2021, the Issuer, Artemis Merger Sub Corp., a Delaware corporation and direct, wholly-owned subsidiary of the Issuer (“Merger Sub”), and Airspan Networks Inc., a Delaware corporation (“Airspan”), entered into a Business Combination Agreement (as amended, modified, supplemented or waived from time to time in accordance with the terms of this Agreement, the “Transaction Agreement”) and the transactions contemplated by the Transaction Agreement to be completed on and prior to the closing date thereof, collectively, the “Transaction,” and the time and date of the closing of the Transaction, the “Merger Effective Time”), pursuant to which, among other things, in the manner, and on the terms and subject to the conditions and exclusions set forth therein, effective as of the closing of the Transaction, Merger Sub will merge with and into Airspan (the “Merger”), with Airspan being the surviving entity in the merger and continuing (immediately following the Merger) as a wholly-owned subsidiary of the Issuer;

WHEREAS, on March 8, 2021, the Issuer entered into subscription agreements with various “institutional accredited investors” (the “PIPE Investors”), pursuant to which such PIPE Investors agreed to purchase an aggregate of 7,500,000 shares of Common Stock (as defined below) for an aggregate purchase price of \$75,000,000 on the Closing Date (the “PIPE”).

WHEREAS, in connection with the Transaction, subject to the terms and conditions set forth in this Agreement and pursuant to an exemption from the registration requirements of Section 5 of the Securities Act contained in Section 4.2(a)(2) thereof, the Issuer desires to issue and sell and the Purchasers desire to subscribe for and purchase the Issuer’s 7% Senior Secured Convertible Notes (each, as amended, restated, amended and restated, replaced, reissued, modified or supplemented in accordance with the terms of this Agreement and the Intercreditor Agreement, a “Convertible Note” and collectively, the “Convertible Notes”) of and from the Issuer having the terms set forth on Annex A attached hereto, which is incorporated in and made a part of this Agreement, in an aggregate initial principal amount up to \$66,000,000, at the initial purchase price (the “Purchase Price”) (provided that in no case shall a Purchaser be required to purchase more than the aggregate amount of the Convertible Notes set forth beside such Purchaser’s name on Appendix A and if the aggregate initial principal amount of Convertible Notes issued on the Closing Date is less than \$66,000,000 in the aggregate, the share of the Convertible Note offered and sold to each Purchaser shall be allocated in accordance with the formula set forth in Appendix A (such amount, the “Purchaser’s Allocated Share”));

WHEREAS, as a condition of the purchase of the Convertible Notes, it is a requirement of the Purchasers that that the Convertible Notes are guaranteed by certain subsidiaries of the Issuer including, upon the consummation of the Merger, Airspan and the Subsidiaries thereof that are “Loan Parties” as such term is defined in the Term Loan Credit Agreement and that the Obligations under the Note Documents are secured by the same Collateral and on a pari passu basis with the Term Loan Obligations and any other Priority Lien Obligations (each as defined below); and

NOW, THEREFORE, in consideration of the foregoing and the mutual representations, warranties and covenants, and subject to the conditions, herein contained, and intending to be legally bound hereby, the parties hereto hereby agree as follows:

Section 1. Purchase and Sale of Convertible Notes: Backstop Fee

1.1 Purchase and Sale. Subject to the terms and conditions hereof including the satisfaction (or if applicable, waiver) of all of the closing conditions set forth in Section 2 below, at the Closing, each Purchaser hereby agrees to purchase, and the Issuer hereby agrees to issue and sell to each Purchaser, upon the payment of the Purchase Price, such Purchaser’s Allocated Share of the Convertible Notes (such issuance, the “Issuance”) in an aggregate principal amount for all Convertible Notes so issued to be equal to the amount in the Closing Notice delivered by the Issuer, which aggregate principal amount shall not be more than \$66,000,000 in the aggregate or less than \$20,000,000 in the aggregate. The total purchase price of the Convertible Notes to be funded by the Purchasers as of Closing in cash may be reduced by the amount of the Backstop Fee and the Administration Fee (all of which may be treated as original issue discount and be added to the face amount of the Convertible Notes so received by the Purchasers). All of the expenses of the Secured Parties relating to the issuance of the Convertible Notes (the “Purchaser Expenses”) shall be paid in cash by the Issuer on the Closing Date. The obligations of each Purchaser hereunder are several and not joint obligations and each Purchaser shall have no obligation and no liability to any Person for the performance or nonperformance by any other Purchaser hereunder.

1.2 Specified Fees.

(a) Backstop Fee. At the Closing, the Issuer hereby agrees to pay to the Purchasers an amount equal to \$1,000,000 (the “Backstop Fee”), which Backstop Fee shall be deducted from the Purchase Price delivered to the Issuer at Closing and may be treated as original issue discount at the Purchaser’s election.

(b) Administration Fee. The Issuer hereby agrees to pay to the Collateral Agent, or its designee, an administration fee in an amount equal to Fifty Thousand Dollars (\$50,000.00) per annum (the “Administration Fee”), which fee shall be due and payable annually in advance on the Closing Date and thereafter on each anniversary of the Closing Date. The Administration Fee paid on the Closing Date shall be deducted from the Purchase Price delivered to the Issuer at Closing and may be treated as original issue discount at the Purchaser’s election.

2

(c) Waiver Fee/Other Fees. In addition to the foregoing, the Issuer agrees to pay to the Agents and the Holders the Waiver Fee, the other Specified Fees and any other fees and expense reimbursements set forth in any other Note Document or as otherwise separately agreed by the parties, in such amounts and at such times so specified.

(d) Fees.

(1) Without limiting the generality of the foregoing, and notwithstanding anything to the contrary in this Agreement, the Convertible Notes or any Note Documents, it is understood and agreed that if the Obligations are accelerated or otherwise become due prior to the Stated Maturity Date for any reason, including because of an Event of Default or the commencement of any insolvency proceeding or by operation of law or otherwise under Debtor Relief Laws, the Specified Fees, if any, (in the case of the Administration Fee, to the extent then-earned and unpaid), in each case determined as of the date of such acceleration or other due date, will be

due and payable as ~~though the aggregate principal amount of all Convertible Notes outstanding as of such date were voluntarily prepaid as of such~~ of such acceleration or, as applicable, other due date and shall constitute part of the Obligations, in view of the impracticability and extreme difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each Holder's lost profits as a result thereof. ~~Each Note Party agrees that payment of any Specified Fee due hereunder is reasonable under the circumstances currently existing.~~ TO THE FULLEST EXTENT PERMITTED BY LAW, EACH NOTE PARTY EXPRESSLY WAIVES THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING SPECIFIED FEES IN CONNECTION WITH ANY SUCH ACCELERATION INCLUDING IN CONNECTION WITH ANY VOLUNTARY OR INVOLUNTARY ACCELERATION OF THE NOTES AND THE RELATED OBLIGATIONS PURSUANT TO ANY PROCEEDING UNDER ANY DEBTOR RELIEF LAW OR PURSUANT TO A PLAN OF REORGANIZATION. The Specified Fees shall also be payable in the event the Obligations (and/or this Agreement) are satisfied or released by foreclosure (whether by power of judicial proceeding or otherwise), deed in lieu of foreclosure or by any other similar means, or reinstated pursuant to section 1124 of the Bankruptcy Code. THE NOTE PARTIES EXPRESSLY AGREE THAT (I) EACH SPECIFIED FEE IS REASONABLE AND IS THE PRODUCT OF AN ARM'S LENGTH TRANSACTION BETWEEN SOPHISTICATED BUSINESS PEOPLE, ABLY REPRESENTED BY COUNSEL, (II) THE SPECIFIED FEES SHALL BE PAYABLE NOTWITHSTANDING THE THEN PREVAILING MARKET RATES AT THE TIME PAYMENT IS MADE, (III) THERE HAS BEEN A COURSE OF CONDUCT BETWEEN THE HOLDERS AND THE NOTE PARTIES GIVING SPECIFIC CONSIDERATION IN THIS TRANSACTION FOR SUCH AGREEMENT TO PAY THE SPECIFIED FEES, (IV) THE SPECIFIED FEES ARE NOT INTENDED TO ACT AS OR CONSTITUTE A PENALTY OR PUNISH ANY NOTE PARTY FOR ANY PREPAYMENT OR REPAYMENT, (V) THE NOTE PARTIES' AGREEMENT TO PAY THE SPECIFIED FEES IS A MATERIAL INDUCEMENT TO THE HOLDERS TO HOLD THE CONVERTIBLE NOTES AND PROVIDE CERTAIN CONSENTS AND WAIVERS IN CONNECTION WITH THE THIRD AMENDMENT, (VI) NO PORTION OF ANY SPECIFIED FEE REPRESENTS "UNMATURED INTEREST" WITHIN THE MEANING OF 11 U.S.C. § 502(b), AND (VII) THE NOTE PARTIES SHALL BE ESTOPPED FROM HEREAFTER CLAIMING DIFFERENTLY THAN AS AGREED TO IN THIS SECTION 1.2(d). Each Note Party expressly acknowledges that its agreement to pay the Specified Fees to the Holders as herein described is a material inducement to the Holders to enter into this Agreement and the Third Amendment and the other amendments to the Note Documents, to continue to hold the Convertible Notes and provide any applicable waivers, consents and/or other consideration agreed to in connection therewith. Each Note Party further expressly acknowledges and agrees that, prior to executing the Third Amendment, it has had the opportunity to review, evaluate, and negotiate the Specified Fees and the calculations thereof with its advisors, and that the Specified Fees are a good faith reasonable approximation of the Holders' liquidated damages upon the applicable triggering events, taking into account all of the circumstances, including the costs of funds, the opportunity cost of capital, the relative risk of the investment, and the operational benefits for the Note Parties from continued use of funds to pursue the Divestiture Transaction and in their continued business as a result of the Holders' agreement to accept the Specified Fees in lieu of additional up-front fees in cash.

3

~~(2) Issuer on its own behalf and on behalf of each other Note Party expressly agrees that: (A) the Specified Fees are reasonable and the product of an arm's-length transaction between sophisticated business people, ably represented by counsel; (B) the fees described hereunder shall be payable notwithstanding the then prevailing market rates at the time payment is made; (C) there has been a course of conduct between Holders and Issuer giving specific consideration in this transaction for such agreement to pay the Specified Fees; (D) no portion of any Specified Fee represents "unmatured interest" within the meaning of 11 U.S.C. § 502(b)(2); (E) the Specified Fees are not intended to act as or constitute a penalty or punish Issuer or any other Note Party for any payment or prepayment; and (F) the Note Parties shall be estopped hereafter from claiming differently than as agreed to in this paragraph. Each Note Party expressly acknowledges that its agreement to pay the Specified Fees to the Holders as herein described is a material inducement to the Holders to enter into this Agreement and the other Note Documents and purchase the Convertible Notes and provide any applicable waiver or other consideration agreed to in connection therewith.~~

~~(2)(3)~~ The Note Parties agree that, once paid, the earned, all of the Specified Fees and other fees described herein or in any other Note Document or any part thereof payable hereunder will not be refundable under any circumstances and are in addition to any other fees, costs and expenses payable pursuant to this Agreement or the other Note Documents. The Issuer shall reimburse Agent ~~or such and~~ each Holder for such costs and expenses as provided in this Agreement. Except as expressly provided herein, all such fees will be paid in US dollars and in immediately available funds ~~and shall not be subject to reduction by way of setoff or counterclaim.~~ All such payments shall be made without setoff, counterclaim or deduction for any taxes, levies, imposts, duties, deductions, charges or withholdings imposed by any national, state or local taxing authority. All or any portion of the fees received by Fortress hereunder may be allocated to any affiliate of Fortress, the Agent or any other Holder or be shared among Fortress, the Agent and their respective affiliates.

Section 2. Closing.

2.1 Closing Date. The consummation of the Issuance contemplated hereby (the "Closing") shall occur on the date of the closing of the Transaction (the "Closing Date"), immediately prior to or substantially concurrently with the consummation of the Transaction at the Merger Effective Time. Notwithstanding anything to the contrary contained in this Agreement, no Purchaser shall have any further obligation to purchase the Convertible Notes or deliver the Purchase Price therefor if the Transaction has not been consummated by August 15, 2021 (the "Merger Outside Date"; provided that the Merger Outside Date and the related Purchaser obligations shall refer to the next Business Day after such date, if the Issuer determines that the Outside Date (as defined in the Transaction Agreement) means such later Business Day).

2.2 Closing Notices. At least three (3) Business Days before the anticipated Closing Date, the Issuer shall deliver written notice to the Collateral Agent and the Purchasers (the "Closing Notice") specifying (i) the anticipated Closing Date, (ii) the aggregate principal amount of Convertible Notes to be issued to Purchaser, and (iii) the wire instructions for delivery of the Purchase Price to the Issuer. Immediately prior to the consummation of the Transaction, each Purchaser shall deliver the Purchase Price for the Convertible Notes (net of the Backstop Fee and Purchaser Expenses, as applicable) with respect to such Purchaser's Allocated Share by wire transfer of United States dollars in immediately available funds to the account specified by the Issuer in the Closing Notice, such funds to be held by the Issuer in escrow until the Closing separate from the Trust Account, and deliver to the Issuer such information as is reasonably requested in the Closing Notice in order for the Issuer to issue the Convertible Notes to such Purchaser or its nominee, including, without limitation, a duly completed and executed Internal Revenue Service Form W-9 or appropriate Form W-8. Upon satisfaction (or, if applicable, waiver) of the conditions set forth in this Section 2, at the Closing (or such later date agreed by such Purchaser at its sole discretion), the Issuer shall promptly deliver, to such Purchaser or its nominee the Convertible Notes. In the event that the consummation of the Transaction does not occur within three (3) Business Days after the anticipated Closing Date specified in the Closing Notice (the "Closing Outside Date"), unless otherwise agreed to in writing by the Issuer and Purchaser, the Issuer will promptly return (but in no event later than one (1) Business Day after the Closing Outside Date) the funds so delivered by the Purchasers to the Issuer pursuant to this Section 2.2 by wire transfer in immediately available funds to the account(s) specified by the Purchasers. Notwithstanding such return (x) a failure to consummate the Transaction on the anticipated Closing Date shall not, by itself, be deemed to be a failure of any of the conditions to Closing set forth in this Section 2 to be satisfied or waived on or prior to the Closing Date, and (y) unless and until this Agreement is terminated in accordance with Section 10 herein, each Purchaser shall remain obligated until the Merger Outside Date (A) to redeliver funds to the Issuer following the Issuer's delivery to such Purchaser of a new Closing Notice and (B) to consummate the Closing upon satisfaction of the conditions set forth in this Section 2.

4

2.3 Conditions Precedent. The Closing shall be subject to the satisfaction or valid waiver by each of the parties hereto of the conditions that, on the Closing Date:

(a) no Governmental Authority shall have enacted, issued, promulgated, enforced or entered any judgment, order, law, rule or regulation (whether temporary, preliminary or permanent) which is then in effect and has the effect of making consummation of the transactions contemplated hereby illegal or otherwise restraining or prohibiting consummation of the transactions contemplated hereby, and no Governmental Authority shall have instituted or threatened in writing a proceeding seeking to impose any such restraint or prohibition;

(b) the Issuer shall have obtained and furnished to each Purchaser and the Collateral Agent a copy of all consents and waivers required in connection with the consummation of the transactions related to the purchase of the Convertible Notes (excluding any consent or waiver in connection with the Golden Wayford Note), including evidence in form and substance satisfactory to the Purchaser of consents to the issuance of the Convertible Notes and the other Note Documents from Softbank Group International Limited in connection with the Softbank Loan Agreement;

(c) all conditions precedent to the closing of the Transaction set forth in the Transaction Agreement, including the approval of the Issuer's stockholders and regulatory approvals, if any, shall have been satisfied or waived (other than those conditions which, by their nature, are to be satisfied by a party to the Transaction Agreement at the closing of the Transaction, but subject to satisfaction or waiver by such party of such conditions as of the closing of the Transaction);

5

(d) the Underlying Shares shall have been approved for listing on NYSE American stock exchange (the "NYSE American"), subject to notice of official issuance, and no suspension of the qualification of the Underlying Shares for offering or trading in any jurisdiction, or initiation or threatening of any proceedings for any of such purposes, shall have occurred and be continuing; and

(e) the initial Purchasers and the Collateral Agent shall have received evidence in form and substance satisfactory to them that all of the Purchaser Expenses invoiced at least two (2) days prior to the Closing shall be paid concurrently with the consummation of the Closing on the Closing Date.

2.4 Account for Proceeds. Prior to the Closing, the Issuer shall have established a segregated account in the name of the Issuer for the purpose of holding the purchase price of the Convertible Notes delivered pursuant to Section 2.2 and upon the Closing such account shall be subject to a Control Agreement in form and substance satisfactory to the Purchasers and the Collateral Agent and pledged as Collateral to the Collateral Agent for the benefit of the Secured Parties.

2.5 Additional Conditions to Closing. In addition to the conditions set forth in Section 2.3, the obligation of each Purchaser to consummate the Closing shall be subject to the satisfaction or valid waiver by such Purchaser of the additional conditions that, on the Closing Date:

(a) all representations and warranties of the Issuer contained in this Agreement and all representations and warranties of the Guarantors contained herein and in the Term Loan Credit Agreement shall be true and correct in all material respects (other than representations and warranties that are qualified as to materiality or Material Adverse Effect, which representations and warranties shall be true and correct in all respects) at and as of the Closing as though made on the Closing (except for those representations and warranties that speak as of a specific date, which shall be so true and correct in all material respects as of such specified date), and consummation of the Closing shall constitute a reaffirmation by the Issuer of each of the representations, warranties and agreements of the Issuer and the Guarantors contained in this Agreement and in the Term Loan Credit Agreement as of the date of this Agreement and as of the Closing both before and after giving effect to consummation of the Transaction;

(b) the sum of (i) the gross proceeds from the PIPE received by the Issuer upon its consummation and (ii) the cash in the Trust Account of the Issuer shall have equaled no less than \$70,000,000;

(c) the aggregate principal amount of Convertible Notes issued to the Purchasers at Closing shall equal no less than \$20,000,000;

6

(d) the Issuer shall have performed, satisfied or complied with all agreements and covenants required by this Agreement to be performed, satisfied or complied with by it at or prior to the Closing;

(e) all authorizations, approvals or permits, if any, of any Governmental Authority or regulatory body of the United States or of any other country or state that are required in connection with the consummation of the Transactions and the lawful issuance and sale of the Convertible Notes and pursuant to this Agreement shall be obtained and effective as of the Closing; and

(f) no Material Adverse Effect shall have occurred nor shall Airspan shall have experienced a material adverse effect on its business, assets (including intangible assets), liabilities, condition (financial or otherwise) or the results of operations of such Person and its Subsidiaries;

(g) the Issuer shall have paid (or caused to be paid) on or before the Closing all fees and expenses then due and payable in connection with the Closing (including all reasonable and documented out-of-pocket expenses required to be reimbursed by the Issuer to the Purchasers and the Collateral Agent in connection with the Note Documents) shall have been paid, in each case to the extent due (which amount may be offset against the proceeds from the issuance of the Convertible Notes made on the date of the Closing under this Agreement);

(h) the Purchasers and the Collateral Agent shall have received a solvency certificate from the chief financial officer or treasurer (or officer with equivalent duties) of the Issuer in form and substance satisfactory to the Purchasers and the Collateral Agent;

(i) the Issuer shall have provided or caused to be provided the documentation and other information to the Purchasers and the Collateral Agent that they reasonably determine is required by United States regulatory authorities under applicable "know your customer" and anti-money-laundering rules and regulations, including, without limitation, the Patriot Act, in each case, at least three (3) Business Days prior to the Closing, to the extent that the Collateral Agent or the Purchaser shall have reasonably requested in writing at least ten (10) days prior to the Closing;

(j) on or prior to the Closing, the Purchaser and the Collateral Agent shall have received each of the conditions precedent to the Closing set forth on the closing agenda attached as Exhibit A to this Agreement;

(k) the initial Purchasers and the Collateral Agent shall have received evidence that the Transaction shall be consummated immediately following or substantially concurrently with the Closing on the Closing Date and in accordance with the terms of the Transaction Agreement without any amendment, modification or waiver of the Transaction Agreement that materially and adversely affects the Issuer or the Purchasers' investment in the Issuer unless such Purchaser shall have consented thereto in writing. For the avoidance of doubt the Issuer shall not amend the definition of "Material Adverse Effect" (as defined herein) or waive non-compliance with any condition to the consummation of the Merger without the prior written consent of the Purchasers; and

7

(l) on or prior to the Closing, each Purchaser and the Collateral Agent shall have received a disclosure letter from the Issuer and Airspan addressed to the Collateral Agent and the Purchasers in form and substance satisfactory to the Collateral Agent and the Purchasers and, if applicable, attaching and certifying such additional

supplements to the Disclosure Schedules to this Agreement and as to the matters and disclosures specified therein (the “Disclosure Letter”).

2.6 Requested Information. Prior to or at the Closing, each of the parties to this Agreement shall deliver all such other information and shall take all such actions as is reasonably requested by the other parties in order for the Issuer to deliver the Convertible Notes to Purchaser or its nominee and all such other documents or evidence necessary in connection with this Agreement and the other transactions contemplated hereby.

Section 3. Representations and Warranties.

3.1 Issuer Representations and Warranties. Each of the Note Parties represent and warrant to the Collateral Agent and the Holders, on its own behalf and on behalf of each of its Subsidiaries, that the following representations are true, complete and correct:

(a) Existence, Good Standing, and Power. The Issuer, each of the Guarantors, and each of their Subsidiaries (i) is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation or organization as identified in Schedule 3.1(I); (ii) has the requisite corporate power and authority to own, lease and operate its properties, to carry on its business as it is now being conducted and to enter into, deliver and perform its obligations under this Agreement; (iii) is duly licensed or qualified to conduct its business and, if applicable, is in good standing under the laws of each jurisdiction (other than its jurisdiction of incorporation) in which the conduct of its business or the ownership of its properties or assets requires such license or qualification, except, with respect to this clause (iii), where the failure to be in good standing would not reasonably be expected to have a Material Adverse Effect; and (iv) the Israeli Guarantor is not a “company in breach” (“*hevrah meferah*”), as such term is defined in the Israeli Companies Law, and neither has received a notice that it is expected to be registered as such. Schedule 3.1(I) also correctly sets forth a fully diluted capitalization table of Airspan and its respective Subsidiaries upon giving effect to the consummation of the Transactions at the Merger Effective Time showing all Equity Interests held in Airspan and each of its Subsidiaries, as well as, the legal name and jurisdiction of formation or organization for each such Person.

(b) Due Authorization and Valid Issuance of Common Stock. The shares of the Issuer’s common stock, par value \$0.0001 per share (the “Common Stock”) issuable upon conversion of the Convertible Notes (the “Underlying Shares”) are duly authorized and, when issued upon conversion of the Convertible Notes, will be validly issued, fully paid and non-assessable, free and clear of all Liens or other restrictions, and will not have been issued in violation of or subject to any preemptive or similar rights created under the Issuer’s organizational documents (as adopted on or prior to the Closing Date), by any contract to which the Issuer is a party or by which it is bound, or under the laws of its jurisdiction of incorporation.

8

(c) Due Execution and Binding Obligation. This Agreement has been duly authorized, executed and delivered by the Issuer and each of the Guarantors, and assuming the due authorization, execution and delivery of the same by the Purchasers, this Agreement constitutes the valid and legally binding obligation of the Issuer, enforceable against the Issuer and each of the Guarantors in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors generally and by the availability of equitable remedies. The Convertible Notes have been duly authorized by all necessary corporate action of the Issuer. When issued and sold against receipt of the consideration therefor, the Convertible Notes will be valid and legally binding obligations of the Issuer, enforceable in accordance with their terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws affecting enforcement of creditors’ generally, as limited by laws relating to the availability of equitable remedies. The execution and delivery of this Agreement and the other Note Documents, the issuance and sale of the Convertible Notes and the compliance by the Issuer and each of the Guarantors with all of the provisions of this Agreement and the other Note Documents and the consummation of the Transactions and the transactions contemplated herein and therein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any Lien, charge or encumbrance upon any of the property or assets of the Issuer pursuant to the terms of: (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other instrument or Contractual Obligation to which the Issuer or each of the Guarantors is a party or by which the Issuer or each of the Guarantors is bound or to which any of the property or assets of the Issuer, Airspan or any of their Subsidiaries is subject; (ii) the Organization Documents of the Issuer, and each of the Guarantors, Airspan or any of their Subsidiaries; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over the Issuer or each of the Guarantors or any of its respective properties, in each case that would reasonably be expected to have a Material Adverse Effect or materially affect the validity of the Convertible Notes or the legal authority of the Issuer or each of the Guarantors to comply in all material respects with the terms of this Agreement or any other Note Document (including the issuance and sale of the Convertible Notes).

(d) No Required Consents. Assuming the accuracy of the representations and warranties of the Purchasers set forth in Section 3.2 of this Agreement, except as set forth on Schedule 3.1(d), neither the Note Parties nor any of their Subsidiaries are required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other Governmental Authority, self-regulatory organization or other person in connection with the execution, delivery, performance, or enforcement (against the Issuer and/or the Guarantors) of the Transaction Agreement, this Agreement and the Note Documents (including, without limitation, the issuance of the Convertible Notes and the Underlying Shares (if any)), other than (i) filings required by applicable state securities laws, (ii) the filing of the Registration Statement (as defined below) pursuant to Section 5 below, (iii) those required by the U.S. Securities and Exchange Commission (the “SEC” or the “Commission”) or the NYSE American, including with respect to obtaining stockholder approval, (iv) those required to consummate the Transaction as provided under the Transaction Agreement, (v) the filing of notification under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, if applicable, (vi) those obtained and delivered on or prior to the Closing Date, and (vii) the failure of which to obtain would not be reasonably likely to have a Material Adverse Effect or have a material adverse effect on the Issuer’s legal authority to consummate the transactions contemplated hereby, including the issuance and sale of the Convertible Notes. No grants, funds or benefits (including, but not limited to, tax benefits actually applied) from the Israel Innovation Authority (formerly known as, the National Authority for Technological Innovation) or any other Governmental Authority were received by the Issuer or any Guarantor and none of the Issuer nor any of the Guarantors is obligated to pay any royalties or any other payments to the Israel Innovation Authority or any other Governmental Authority. The transactions contemplated by the Note Documents are not subject to any right and do not require the approval of the Israel Innovation Authority.

9

(e) No Securities Law Violations. Assuming the accuracy of each Purchaser’s representations and warranties set forth in 3.2 of this Agreement, no registration under the Securities Act of 1933, as amended (the “Securities Act”), is required for the offer and sale of the Convertible Notes by the Issuer to the Purchasers and issuance of the Underlying Shares (if any) to any Holder, and the Convertible Notes and the Underlying Shares (if any) are not being offered in a manner involving a public offering under, or in a distribution in violation of, the Securities Act or any state securities laws.

(f) No Solicitation. Neither the Issuer nor any person acting on its behalf has engaged or will engage in any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with any offer or sale of the Convertible Notes or any other action that would reasonably be expected to subject the offering, issuance or sale of any of the Convertible Notes to the Holders pursuant to this Agreement to the registration requirements of the Securities Act.

(g) No Broker Fees. No agent, broker, investment banker, financial advisor or other person is entitled to any broker’s or finder’s fee or any other commission or similar fee in connection with the transactions contemplated by this Agreement for which a Holder could become liable.

(h) Disclosures.

10

(1) Disclosures to the SEC. As of their respective dates, all reports, statements, schedules, prospectuses or registration statements, including all projections contained therein (collectively, the “SEC Reports”) required to be filed by the Issuer with the SEC complied in all material respects with the requirements of the Securities Act and the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the rules and regulations of the SEC promulgated thereunder, and none of the SEC Reports, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The financial statements of the Issuer included in the SEC Reports comply in all material respects with applicable accounting requirements and the rules and regulations of the SEC with respect thereto as in effect at the time of filing and fairly present in all material respects the financial position of the Issuer and its Subsidiaries and Airspan and its Subsidiaries as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, year-end audit adjustments. Except as disclosed in the SEC Reports, (a) neither the Issuer or Airspan or any of their Subsidiaries has any material liability of any nature (matured or unmatured, fixed or contingent), (b) all liability reserves, if any, established by the Issuer were adequate in all material respects and were established by the Issuer and its Subsidiaries and Airspan and its Subsidiaries in accordance with GAAP in the United States consistently applied. Notwithstanding the foregoing, the representations in the preceding two sentences shall not apply to the Issuer’s Annual Report on Form 10-K as filed with the SEC on March 31, 2021, which report was superseded by the filing of the Issuer’s Annual Report on Form 10-K/A on May 14, 2021. A copy of each SEC Report is available to Purchaser via the SEC’s EDGAR system. The Issuer has timely filed, after giving effect to any extension period, each report, statement, schedule, prospectus, and registration statement that the Issuer was required to file with the SEC since its initial registration of the Common Stock with the SEC. There are no outstanding or unresolved comments in comment letters received by the Issuer from the staff of the Division of Corporation Finance of the SEC with respect to any of the SEC Reports. Delivery of such reports, information and documents to the Collateral Agent is for informational purposes only and the Collateral Agent’s receipt of such shall not constitute actual or constructive knowledge or notice of any information contained therein or determinable from information contained therein, including the Issuer’s compliance with any of its covenants hereunder (as to which the Collateral Agent and the Holders are entitled to rely exclusively on any Compliance Certificates delivered hereunder).

None of the reports, financial statements, certificates or other information furnished by or on behalf of any of the Issuer and the Guarantors to the Collateral Agent (other than forward-looking information and projections and information of a general economic nature and general information about the such Person’s industry) in connection with the negotiation of this Agreement or delivered hereunder (as modified or supplemented by other information so furnished) contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which it was made, not materially misleading. All projections delivered to the Collateral Agent or any Secured Party have been prepared in good faith on a basis that is believed by the Issuer and each of the Guarantors to be, and based on assumptions, estimates, methods and tests that are believed by the Issuer and each of the Guarantors to be reasonable at the time such projections were prepared and information believed by the Issuer and each of the Guarantors to have been accurate based upon the information available to the Issuer and each of the Guarantors at the time such projections were furnished to the Secured Parties, and none of the Issuer nor any of the Guarantors is aware of any facts or information that would lead it to believe that such projections are incorrect or misleading in any material respect; it being understood that projections are by their nature subject to significant uncertainties and contingencies, many of which are beyond the Issuer and the Guarantors’ control and actual results may differ materially from the projections and such variations may be material.

No condition exists or event has occurred which, in itself or with the giving of notice or lapse of time or both, would result in the suspension, revocation, impairment, forfeiture or non-renewal of any material permit, license, authorization, approval, entitlement or accreditation necessary to the operation of the business of the Issuer, or as the context may require, the Guarantors, as currently operated, and, to the Knowledge of the Issuer and the Guarantors, the business of Airspan and its Subsidiaries as currently operated, and to the Knowledge of the Issuer and the Guarantors, there is no claim that any thereof is not in full force and effect or would cease to be in full force and effect after giving effect to the consummation of the transactions contemplated by the Note Documents (including the purchase and sale of the Convertible Notes and the consummation of the Transactions).

The charges, accruals and reserves on the books of the Issuer and its Subsidiaries in respect of Taxes for all fiscal periods are adequate in all material respects, and there are no material unpaid assessments against Issuer or any Subsidiary nor, to the Issuer's or any Guarantor's or Subsidiary's Knowledge, any basis for the assessment of any additional Taxes, penalties or interest for any fiscal period or audits by any federal, state or local taxing authority. All Taxes and other assessments and levies that the Issuer or any Subsidiary is required to withhold or to collect for payment have been duly withheld and collected and paid to the proper Governmental Authority or third party when due. There are no Tax Liens or claims pending or threatened against the Issuer or any Guarantor or any Subsidiary or any of their respective assets or property other than Permitted Liens. Neither the Issuer nor any Guarantor or any of their Subsidiaries is a party to any Tax sharing agreement or other similar arrangement.

(w) ERISA and Foreign Plans Compliance: Pensions

(1) (i) Each Plan of the Issuer and each Guarantor, and to the Knowledge of the Issuer and the Guarantors, Airspan and the other Guarantors, is in compliance in all material respects with the applicable provisions of ERISA, the Code and other Federal or state Laws and (ii) each Foreign Plan of the Issuer and its Subsidiaries, and, to the Knowledge of the Issuer and the Guarantors, Airspan and its Subsidiaries, is in material compliance with applicable Law and regulations, special arrangements, collective bargaining agreements and extension orders in any applicable jurisdiction. Each Plan of the Issuer and each Guarantor, and, to the Knowledge of the Issuer and the Guarantors, Airspan and each Guarantor, that is intended to qualify under Section 401(a) of the Code has received a favorable determination letter from the IRS or, with respect to a prototype or volume submitter plan, can rely on an opinion letter from the IRS to the document sponsor, to the effect that such Plan is so qualified and, to the Knowledge of the Issuer and its Subsidiaries, nothing has occurred which would prevent, or cause the loss of, such qualification. Issuer and each ERISA Affiliate have made all required contributions to each such Plan subject to Section 412 of the Code, and no application for a funding waiver or an extension of any amortization period pursuant to Section 412 of the Code has been made with respect to any Plan of the Issuer and each Guarantor, and to the Knowledge of the Issuer and the Guarantors, Airspan and each Guarantor.

(2) There are no pending or, to the Knowledge of the Issuer, the Guarantors or any of their Subsidiaries, threatened claims, actions or lawsuits, or action by any Governmental Authority. (4) To the best of its Knowledge, none of the Issuer, any Guarantor, Airspan, nor any of their Affiliates is or has at any time been (i) an employer (for the purposes of sections 38 to 51 of the Pensions Act 2004) of an occupational pension scheme which is not a money purchase scheme (both terms as defined in the Pensions Schemes Act 1993); or (ii) 'connected' with or an 'associate' of (as those terms are used in sections 38 and 43 of the Pensions Act 2004) such an employer.

(x) Intellectual Property: Licensing

(1) Schedule 3.1(x)(1) sets forth a complete and accurate list as of the Closing Date after giving effect to the Merger Effective Time of all: (i) issuances, registrations and applications for Intellectual Property owned or exclusively licensed by Issuer or a Subsidiary, indicating for each, as applicable, the title, jurisdiction, record owner, and application or registration number; and (ii) Licenses to which the Issuer or any of its Subsidiaries is a party or otherwise bound that are material to the conduct of the business of the Issuer or any Subsidiary or that involve any Assigned Patent, excluding for the avoidance of doubt, any commercially available 'off-the-shelf' software or open source software licenses used in the business of the Issuer or any Subsidiary, or any licenses granted to customers, distributors or agents of the Issuer or any Subsidiary for the purpose of testing, demonstrating, using, installing, maintaining, updating, repairing, decommissioning and otherwise exploiting the Products (each, a "Material License").

(2) Except as set forth on the Disclosure Schedule, Issuer and each Subsidiary exclusively own (or will own upon giving effect to the Transactions at the Merger Effective Time) all right, title and interest in and to, or have a valid and enforceable right to use, free and clear of any Lien other than any Permitted Liens, all Intellectual Property necessary for the conduct of its business as presently conducted and as it will be conducted upon giving effect to the consummation of the Transactions at the Merger Effective Time. Except as set forth in Schedule 3.1(x)(2), within the (3) three years preceding the Closing Date, no claim has been brought, is pending, or, to the knowledge of the Issuer or the Guarantors, has been threatened, by any Person (i) alleging that the conduct of the business of the Issuer or a Subsidiary, or to the Knowledge of the Issuer and the Guarantors, Airspan and its Subsidiaries, infringes, misappropriates, dilutes or otherwise violates the Intellectual Property of any Person or (ii) challenging or questioning the validity, enforceability, ownership, use, registrability or patentability of any Material Intellectual Property. To the knowledge of the Issuer and the Guarantors, no Person is infringing, misappropriating, diluting or otherwise violating any Intellectual Property of the Issuer or any Subsidiary, or to the Knowledge of the Issuer and the Guarantors, Airspan and its Subsidiaries.

17

(3) Other than as set forth on Schedule 3.1(x)(3), no Foreign Subsidiary of the Issuer, any Guarantor or to the Knowledge of the Issuer and the Guarantors, Airspan and its Subsidiaries, owns any registrations or applications to register any Material Intellectual Property. To the knowledge of the Issuer and the Guarantors, all registrations and pending applications for Material Intellectual Property, listed in accordance with Section 3.1(x)(1) are (i) subsisting and have not been adjudged invalid or unenforceable, in whole or part, and (ii) valid and in full force and effect. Issuer and each Subsidiary, and to the Knowledge of the Issuer and the Guarantors, Airspan and each of its Subsidiaries, has taken commercially reasonable steps to maintain, enforce and protect its Intellectual Property, including by requiring each employee, consultant and independent contractor involved in the creation, development or authorship of any Intellectual Property to execute an agreement pursuant to which such Person (x) agrees to protect the confidential information of the Issuer and each Subsidiary and (y) assigns to Issuer or a Subsidiary, as applicable, all rights in any Intellectual Property created in the course of his, her or its employment or other engagement with the Issuer or a Subsidiary.

(4) Except as may be disclosed to the Collateral Agent in writing prior to the Closing Date, the Issuer and each Guarantor, and to the Knowledge of the Issuer and the Guarantors, Airspan and IP Hold-Co, have obtained and properly recorded previously executed assignments from inventors and all other Persons for the Assigned Patents as necessary to fully perfect their rights and title therein in accordance with applicable Law in each respective jurisdiction. All inventors named on the Assigned Patents are true and correct.

(5) Except as may be set forth on Schedule 3.1(x)(5), there is no obligation imposed by a standards-setting organization with respect to any of the

Assigned Patents. No funding, facilities or personnel of any Governmental Authority were used, directly or indirectly, to develop or create, in whole or in part, any Intellectual Property assets, or any other products or services of the Issuer or its Subsidiaries, and to the Knowledge of the Issuer and the Guarantors, Airspan and each of its Subsidiaries.

(6) Except as set forth in Schedule 3.1(x)(6), none of the Assigned Patents has ever been found invalid, unpatentable, or unenforceable for any reason in any proceeding and Issuer and its Subsidiaries have no Knowledge of and has not received any notice or information of any kind suggesting that the Assigned Patents may be invalid, unpatentable, or unenforceable. If any of the Assigned Patents are terminally disclaimed to another patent or patent application, all patents and patent applications subject to such terminal disclaimer are included in the Assigned Patents. To the extent “small entity” fees were paid to the United States Patent and Trademark Office for any Assigned Patent, such reduced fees were then appropriate because the payor qualified to pay “small entity” fees at the time of such payment and specifically had not licensed rights in any Assigned Patent to an entity that was not a “small entity.”

18

(7) Issuer and each Subsidiary, and to the Knowledge of the Issuer and Guarantors, Airspan and each of its Subsidiaries, have taken all reasonable and necessary steps to maintain and enforce the Material Intellectual Property and Material Licenses and to preserve the confidentiality of all trade secrets and proprietary information included in the set of Material Intellectual Property, including by requiring Persons having access thereto to execute binding, written non-disclosure agreements or otherwise effectively obligate themselves with respect to non-disclosure and non-use. Neither the Issuer or any of its Subsidiaries, including their employees, and to the knowledge of the Issuer, the Guarantors, and Airspan, each of the Issuer’s, Airspan’s, the IP Hold-Co and the Guarantor’s agents and contractors, has disclosed any trade secrets or other proprietary, confidential or personal information in which the Issuer or any of its Subsidiaries or any other Person has (or purports to have) any right, title, or interest (or any tangible embodiment thereof) to any Person without having the recipient thereof execute a written agreement regarding the non-disclosure and non-use thereof or otherwise effectively obligate themselves with respect to non-disclosure and non-use. All use, disclosure, or appropriation of any trade secret or other proprietary, confidential or personal information not owned by the Issuer or any of its Subsidiaries, and to the Knowledge of the Issuer and Guarantors, Airspan and each of its Subsidiaries, has been pursuant to the terms of a written agreement between the Issuer or one of its Subsidiaries (or as the context may require, Airspan and one of its Subsidiaries) and the owner of such trade secret or proprietary, confidential or personal information, or otherwise with such owner’s express written consent. Neither the Issuer nor any of its Subsidiaries, nor to the Knowledge of the Issuer and Guarantors, Airspan and each of its Subsidiaries, has received any notice in the past two (2) years from any Person that there has been an unauthorized use or disclosure of any trade secrets or other proprietary, confidential or personal information by the Issuer or any of its Subsidiaries, or any of their employees, agents, or contractors. No escrow agents or other Persons other than the Issuer or any of its Subsidiaries (or as the context may require, Airspan and one of its Subsidiaries), and their employees and independent contractors who are subject to written obligations of confidentiality, have access to or otherwise possess any source code, or any current or contingent rights of any kind to any source code, included in the set of Material Intellectual Property, nor has the Issuer or any of its Subsidiaries granted access or any current or contingent rights of any kind to any source code that is part of the Intellectual Property owned or controlled by the Issuer or any of its Subsidiaries (or as the context may require, Airspan and one of its Subsidiaries). To the knowledge of the Issuer and the Guarantors, no product, system, program or software module designed, developed, distributed or otherwise made available by the Issuer or any of its Subsidiaries to any Person, including products and services, contains any “back door,” “time bomb,” “Trojan horse,” “worm,” “drop dead device,” “virus” or other software routines or hardware components designed to permit unauthorized access or to disable or erase software, hardware or data without the consent of the user (“Harmful Code”).

19

(8) Schedule 3.1(x)(8) delivered to the Collateral Agent on or before the Closing Date is a complete and correct list of the following: (i) each open source software module by name and version number that is associated with a Reciprocal License that is incorporated in, linked to, or used in relation to, any product or service sold or distributed by the business of the Issuer, any Guarantor, Airspan, or any of their Subsidiaries; (ii) the Reciprocal License applicable to each such open source software module and a reference to where the terms of such Reciprocal License may be found (e.g., a link to a site that has the applicable Reciprocal License); (iii) whether the Issuer, any Guarantor, Airspan, or any of their Subsidiaries has modified any such open source software module, and (iv) whether such open source software module has been, or is expected to be, distributed by the Issuer, any Guarantor, Airspan, or any of their Subsidiaries or only used internally by the Issuer, any Guarantor, Airspan, or any of their Subsidiaries. Issuer’s, the Guarantor’s, Airspan’s, and each of their Subsidiaries’ use or distribution of each component of software subject to a Reciprocal License complies with the applicable Reciprocal License governing such software, including all notice and attribution requirements. Neither Issuer, any Guarantor, Airspan, or any of their Subsidiaries has used any materials subject to a Reciprocal License in any manner that would (A) require the disclosure or distribution in source code form, (B) require the license thereof for the purpose of making derivative works, (C) impose any restriction on the consideration to be charged for distribution of any Material Intellectual Property, or (D) impose any restriction on the Issuer or any of its Subsidiaries, from asserting its rights in relation to any Material Intellectual Property or the Collateral Agent or any Secured Party in exercising its rights hereunder.

(9) Neither the Issuer nor any Guarantor or any of their Subsidiaries, or to Issuer’s, any Guarantor’s or any of their Subsidiaries’ Knowledge, any counterparty, is in material breach of or default under the provisions of any of the Material Licenses, or has received written notice of any such breach or default or the intention of the other party to terminate such License, nor is there any event, fact, condition or circumstance which, with notice or passage of time or both, would constitute or result in a material conflict, breach, default or event of default under, any of the foregoing.

(10) Except as set forth in Schedule 3.1(x)(10), none of the Intellectual Property of the Issuer, Airspan, IP Hold-Co or any Guarantor has been or is currently involved in any reexamination, supplemental examination, reissue, interference proceeding, or any similar proceeding, and no such proceedings are pending or threatened.

(11) Except as set forth in Schedule 3.1(x)(11), none of the Issuer, the Guarantors nor any of their respective Subsidiaries, nor to the Knowledge of the Issuer and Guarantors, Airspan and its Subsidiaries, has received any notices alleging that the conduct of its business (including the development, manufacture, use, sale or other commercialization of any Product) infringes any Intellectual Property of any third party, and to the Knowledge of the Issuer and the Guarantors, the conduct of the business of the Issuer, the Guarantors, Airspan, and their respective Subsidiaries (including the development, manufacture, use, sale or other commercialization of any Product) does not infringe any Intellectual Property of any third party.

20

(12) None of the Issuer, the Guarantors, Airspan, nor any of their Subsidiaries is a party to any agreement that conflicts with the security interest in the Intellectual Property of the Issuer or any Asset Security Provider granted under the Collateral Documents, and no license agreement with respect to any such Intellectual Property diminishes in any material respect the value of any Intellectual Property, the Issuer, any Guarantor, Airspan, or any of their Subsidiaries or interferes with the security interest granted to the Collateral Agent pursuant to the terms of the Note Documents. After giving effect to the consummation of the Transactions at the Merger Effective Time on the Closing Date, no material Intellectual Property of the Issuer, any Guarantor, Airspan, or any of their Subsidiaries is included in the set of Excluded Assets of the Issuer or the Guarantors. The consummation of the transactions contemplated hereby (including the purchase and sale of convertible Notes, the consummation of the Transactions and the grant of Liens on the Collateral) will not constitute a breach or violation of, or otherwise affect the enforceability of, any licenses of any Intellectual Property owned or licensed by the Issuer, any Guarantor, Airspan or any of their respective Subsidiaries.

(13) Each of the Issuer, each Guarantor and each of their Subsidiaries, and to the Knowledge of the Issuer and the Guarantors, each of Airspan and each of its Subsidiaries, have or had, as appropriate, complete, valid and enforceable rights to use a complete and correct copy of all data, data sets and databases used in, held for use in, or necessary for the conduct of the business of the Issuer and its Subsidiaries and the business of Airspan and its Subsidiaries (including their products), as currently conducted and as had been conducted in the past (collectively, “Company Data and Data Sets”), and all such material Company Data and Data Sets are or were, as appropriate, either (i) owned by Issuer or one of its Subsidiaries (or as the context may require, Airspan or one of its Subsidiaries), (ii) used under valid, enforceable licenses to Issuer or one of its Subsidiaries (or as the context may require, Airspan or one of its Subsidiaries), or (iii) otherwise used without encroaching on the rights of any third party.

(q) Pensions. No Note Party shall, nor shall they permit any Note Party ~~organized~~ incorporated under the laws of England and Wales, at any time be (a) an employer (for the purposes of sections 38 to 51 of the Pensions Act 2004) of an occupational pension scheme which is not a money purchase scheme (both terms as defined in the Pensions Schemes Act 1993); or (b) 'connected' with or an 'associate' of (as those terms are used in sections 38 and 43 of the Pensions Act 2004) such an employer.

(r) Centre of Main Interests and Establishment. No Note Party (i) incorporated in a member state of the European Union shall, without the prior written consent of the Collateral Agent, take any action that shall cause its centre of main interests (as that term is used in Article 3(1) of the Regulation) to be situated outside of its jurisdiction of incorporation or (ii) incorporated under the laws of England and Wales shall change its center of main interests or acquire an "establishment" in any other jurisdiction.

Section 5. Registration of Underlying Shares.

5.1 Registration Statement. The Issuer agrees that the Issuer will file with the Commission (at the Issuer's sole cost and expense) a registration statement (the "Registration Statement") registering the resale of all of the Underlying Shares (if any) no later than fifteen (15) Business Days after the Closing Date, and the Issuer shall use its commercially reasonable efforts to have the Registration Statement declared effective as soon as practicable after the filing thereof, but no later than the earlier of (i) sixty (60) calendar days after the filing thereof (or, in the event the Commission reviews and has written comments to the Registration Statement, the ninetieth (90th) calendar day following the filing thereof) and (ii) the tenth (10th) Business Day after the date the Issuer is notified (orally or in writing, whichever is earlier) by the Commission that the Registration Statement will not be "reviewed" or will not be subject to further review ((i) and (ii) collectively, the "Effectiveness Deadline"); provided, that if such day falls on a Saturday, Sunday or other day that the Commission is closed for business, the Effectiveness Deadline shall be extended to the next Business Day on which the Commission is open for business. The Issuer will provide a draft of the Registration Statement to the applicable Holder for review at least three (3) Business Days in advance of filing the Registration Statement. Unless otherwise agreed to in writing by the applicable Holder, such Holder shall not be identified as a statutory underwriter in the Registration Statement unless requested by the Commission or another regulatory agency; provided, that if the Commission or another regulatory agency requests that a Holder be identified as a statutory underwriter in the Registration Statement, such Holder will have the opportunity to withdraw from the Registration Statement upon its prompt written request to the Issuer. Notwithstanding the foregoing, if the Commission prevents the Issuer from including any or all of the shares proposed to be registered under the Registration Statement due to limitations on the use of Rule 415 under the Securities Act for the resale of the Underlying Shares by the applicable stockholders or otherwise, such Registration Statement shall register for resale such number of Underlying Shares which is equal to the maximum number of Underlying Shares as is permitted by the Commission. In such event, the number of Underlying Shares to be registered for each selling stockholder named in the Registration Statement shall be reduced pro rata among all such selling stockholders and as promptly as practicable after being permitted to register additional Underlying Shares under Rule 415 under the Securities Act, the Issuer shall amend the Registration Statement or file a new Registration Statement to register such Underlying Shares not included in the Registration Statement and cause such amendment or Registration Statement to become effective as promptly as practicable. The Issuer agrees that, except for such times as the Issuer is permitted hereunder to suspend the use of the prospectus forming part of a Registration Statement, the Issuer will use its commercially reasonable efforts to cause such Registration Statement to remain effective with respect to Such Holder until the earlier of (i) three (3) years from the issuance of the Convertible Notes, or (ii) the date on which all of the Underlying Shares (if any) shall have been sold. If requested by any Holder, the Issuer shall use its best efforts to (i) cause the removal of the restrictive legends from any Underlying Shares being sold under the Registration Statement or from any Convertible Notes and Underlying Shares to be sold pursuant to Rule 144 (including any successor rule thereto) and (ii) cause its legal counsel to deliver an opinion, if necessary, to the transfer agent in connection with the instruction under subclause (i) to the effect that the removal of such restrictive legends in such circumstances may be effected under the Securities Act, in each case upon the receipt of customary representations and other documentation, if any, from the Holder (as defined below) as reasonably requested by the Issuer, its counsel or the transfer agent, establishing that conditions precedent to the removal of any restrictive legends have been satisfied on the part of the Holder. From and after such time as the benefits of Rule 144 or any other similar rule or regulation of the Commission that may allow such Holder to sell securities of the Issuer to the public without registration are available to Holders of the Issuer's Common Stock for so long as such Holder holds Underlying Shares, the Issuer shall, at its expense, make and keep public information available, as those terms are understood and defined in Rule 144; use commercially reasonable efforts to file with the Commission in a timely manner all reports and other documents required of the Issuer under the Securities Act and the Exchange Act so long as the Issuer remains subject to such requirements and such reports and other documents are required for the applicable provisions of Rule 144 to enable such Holder to sell the Underlying Shares (if any) under Rule 144 for so long as such Holder holds any Convertible Note; and furnish to such Holder, promptly upon such Holder's reasonable request, (i) a written statement by the Issuer, if true, that it has complied with the reporting requirements of Rule 144, the Securities Act, and the Exchange Act, (ii) a copy of the most recent annual or quarterly report of the Issuer and such other reports and documents so filed by the Issuer, and (iii) such other information as may be reasonably requested to permit such Holder to sell such securities pursuant to Rule 144 without registration. "Underlying Shares" shall be deemed to include, as of any date of determination, any equity

security issued or issuable with respect to the Underlying Shares (if any) by way of share split, dividend, distribution, recapitalization, merger, exchange, replacement or similar event. The Issuer's obligations to include the Underlying Shares in the Registration Statement are contingent upon such Holder furnishing in writing to the Issuer such information regarding a Holder, the securities of the Issuer held by such Holder and the intended method of disposition of the Underlying Shares as shall be reasonably requested by the Issuer to effect the registration of the Underlying Shares, and such Holder and the Collateral Agent (as applicable) shall execute such documents in connection with such registration as the Issuer may reasonably request that are customary of a selling stockholder in similar situations, including providing that the Issuer shall be entitled to postpone and suspend the effectiveness or use of the Registration Statement during any customary blackout or similar period or as permitted hereunder; provided, however, that such Holder shall not in connection with the foregoing be required to execute any lock-up or similar agreement or otherwise be subject to any contractual restriction on the ability to transfer the Underlying Shares. In the case of the registration effected by the Issuer pursuant to this Agreement, the Issuer shall, upon reasonable request, inform such Holder as to the status of such registration. No Holder shall be entitled to use the Registration Statement for an underwritten offering of any Underlying Shares. Notwithstanding anything to the contrary contained herein, the Issuer may delay or postpone filing of such Registration Statement, and from time to time require a Holder not to sell under the Registration Statement or suspend the use or effectiveness of any such Registration Statement if it determines that in order for the Registration Statement to not contain a material misstatement or omission, an amendment thereto would be needed, or if such filing or use could materially affect a bona fide business or financing transaction of the Issuer or would require premature disclosure of information that could materially adversely affect the Issuer, or if the Commission issues any stop order suspending the effectiveness of any Registration Statement or indicates the intention to initiate any proceedings for such purpose (each such circumstance, a "Suspension Event"); provided, that, (w) the Issuer shall not so delay filing or so suspend the use of the Registration Statement for a period of more than sixty (60) consecutive days or more than two (2) times in any three hundred sixty (360) day period and (x) the Issuer shall use commercially reasonable efforts to make such registration statement available for the sale by such Holder of such securities as soon as practicable thereafter.

5.2 Suspension Events. Upon receipt of any written notice from the Issuer (which notice shall not contain any material nonpublic information regarding the Issuer) of the occurrence of any Suspension Event during the period that the Registration Statement is effective or if as a result of a Suspension Event the Registration Statement or related prospectus contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made (in the case of the prospectus) not misleading, each Holder agrees that ~~(i) it will immediately discontinue offers and sales of any Underlying Shares under the Registration Statement (excluding, for the avoidance of doubt, sales conducted pursuant to Rule 144) until such Holder receives copies of a supplemental or amended prospectus (which the Issuer agrees to promptly prepare at its expense) that corrects the misstatement(s) or omission(s) referred to above and receives notice that any post-effective amendment has become effective or unless otherwise notified by the Issuer that it may resume such offers and sales, and (ii) it will maintain the confidentiality of any information included in such written notice delivered by the Issuer unless otherwise required by law, subpoena or regulatory request or requirement.~~ If so directed by the Issuer, such Holder will deliver to the Issuer, or in such Holder's sole discretion destroy, all copies of the prospectus covering the Underlying Shares in such Holder's possession; provided, however, that this obligation to deliver or destroy all copies of the prospectus covering the Underlying Shares shall not apply (w) to the extent a Holder is required to retain a copy of such prospectus (A) in order to comply with applicable legal, regulatory, self-regulatory or professional requirements or (B) in accordance with a bona fide pre-existing document retention policy or (x) to copies stored electronically on archival servers as a result of automatic data back-up.

5.3 Other Required Notices. The Issuer shall advise each of the Holders within five (5) Business Days:

- (a) when a Registration Statement or any amendment thereto has been filed with the Commission and when such Registration Statement or any post-effective amendment thereto has become effective;
- (b) of any request by the Commission for amendments or supplements to any Registration Statement or the prospectus included therein or for additional information;
- (c) of the issuance by the Commission of any stop order suspending the effectiveness of any Registration Statement or the initiation of any proceedings for such purpose;
- (d) of the receipt by the Issuer of any notification with respect to a Suspension Event; and
- (e) subject to the provisions in this Agreement, of the occurrence of any event that requires the making of any changes in any Registration Statement or prospectus so that, as of such date, the statements therein are not misleading and do not omit to state a material fact required to be stated therein or necessary to make the statements therein (in the case of a prospectus, in the light of the circumstances under which they were made) not misleading.

Notwithstanding anything to the contrary set forth herein, the Issuer shall not, when so advising the Holders of such events, the Holders with any material, nonpublic information regarding the Issuer other than to the extent that providing notice to the Holders of the occurrence of the events listed in (a) through (e) above constitutes material, nonpublic information regarding the Issuer, and each such Holder is notified that such events are material, nonpublic information at the time of notification.

5.4 Effectiveness of Registration Statement. The Issuer shall use its commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of any Registration Statement as soon as reasonably practicable.

5.5 Amendment to Registration Statement: Supplement of Prospectus. Except for such times as the Issuer is permitted hereunder to suspend, and has suspended, the use of a prospectus forming part of a Registration Statement as contemplated by this Agreement, the Issuer shall as soon as reasonably practicable prepare a post-effective amendment to such Registration Statement or a supplement to the related prospectus, or file any other required document so that, as thereafter delivered to Holders of the Underlying Shares included therein, such prospectus will not include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

5.6 Listing of Underlying Shares. The Issuer shall use its reasonable best efforts to cause all of the Underlying Shares (when issued) to be listed on each securities exchange or market, if any, on which the Issuer's Common Stock have been listed.

5.7 Registration of Underlying Shares. The Issuer shall use its reasonable best efforts to take all other steps necessary to effect the registration of the Underlying Shares (if any) issuable upon conversion of the Convertible Notes required hereby. The Issuer shall be responsible for all registration and filing fees (including fees with respect to filings required to be made with the Financial Industry Regulatory Authority, Inc.), national securities exchange fees, blue sky fees and expenses, printing and delivery expenses and fees and disbursement of the Issuer's counsel and accountants incurred in connection with the registration of the Underlying Shares.

5.8 Piggyback Registration Rights for Underwritten Offerings.

- (a) If (but without any obligation to do so) the Issuer proposes to register any of its Common Stock under the Securities Act in connection with an underwritten offering of such securities solely for cash, then the Issuer shall give written notice of such proposed offering to the Holders as soon as practicable but not less than ten (10) days before the anticipated filing date of the "red herring" prospectus or prospectus supplement used for marketing such offering, which notice shall (A) describe the amount and type of securities to be included in such offering and the name of the proposed managing underwriter or underwriters in such offering, and (B) offer to such Holders

the opportunity to include in such underwritten offering such number of Underlying Shares as the Holders may request in writing within five (5) days after receipt of such written notice (such registered offering, a “Piggyback Registration”). Subject to [Section 5.8\(b\)](#), the Issuer shall, in good faith, cause such Underlying Shares to be included in such Piggyback Registration and shall use its commercially reasonable efforts to cause the managing underwriter or underwriters of such Piggyback Registration to permit the Underlying Shares requested by the applicable Holders pursuant to this [Section 5.8\(a\)](#) to be included therein on the same terms and conditions as any similar securities of the Issuer included in such registered offering and to permit the sale of such Underlying Shares in accordance with the intended method of distribution thereof. The inclusion of any of a Holder’s Underlying Shares in a Piggyback Registration shall be subject to such Holder agreeing to enter into an underwriting agreement in customary form with the underwriter(s) selected for such underwritten offering.

(b) If the total amount of securities, including Underlying Shares of the applicable Holder(s), requested to be included in such offering exceeds the amount of securities sold other than by the Issuer that the underwriters determine in their reasonable discretion is compatible with the success of the offering, then the Issuer shall be required to include in the offering only that number of such securities, including Underlying Shares, which the underwriters determine in their reasonable discretion will not jeopardize the success of the offering (the securities so included to be apportioned pro rata among the selling security holders according to the total amount of securities entitled to be included therein owned by each selling security holder or in such other proportions as shall mutually be agreed to by such selling security holders).

68

(c) Each Holder shall have the right to withdraw from a Piggyback Registration for any or no reason whatsoever upon written notification to the Issuer and the underwriter or underwriters (if any) of its intention to withdraw from such Piggyback Registration prior to the filing of the applicable “red herring” prospectus or prospectus supplement with respect to such Piggyback Registration used for marketing such transaction. The Issuer (whether on its own good faith determination or as the result of a request for withdrawal by persons or entities pursuant to separate written contractual obligations) may withdraw a Registration Statement filed with the Commission in connection with a Piggyback Registration at any time prior to the effectiveness of such Registration Statement or otherwise abandon such offering. The expenses of such withdrawal registration shall be borne by the Issuer. Notwithstanding anything to the contrary in this Agreement, the Issuer shall be responsible for all registration and filing fees (including fees with respect to filings required to be made with the Financial Industry Regulatory Authority, Inc.), national securities exchange fees, blue sky fees and expenses, printing and delivery expenses and fees and disbursement of the Issuer’s counsel and accountants incurred in connection with the Piggyback Registration prior to its withdrawal under this [Section 5.8\(c\)](#).

(d) Each Holder shall have the right to irrevocably waive its rights under this [Section 5.8](#) (without prejudicing or altering its other rights under this [Section 5](#)) by providing written notice to the Issuer in accordance with this Agreement, in which case the Issuer will not provide any notice contemplated by this [Section 5.8](#).

Section 6. Events of Default.

6.2 Rights and Remedies.

(a) Acceleration. If any Event of Default (other than an Event of Default specified in Section 6.1(h) or Section 6.1(i) hereof) occurs and is continuing, the Collateral Agent or the Holders of at least a majority in aggregate principal amount of the Convertible Notes then outstanding, by written notice to the Issuer (and to the Collateral Agent if the notice is given by the Holders), may declare the principal, interest, fees and other amounts and premiums in respect of the Convertible Notes and other

Obligations (including, without limitation the Make-Whole Amounts (if any) ~~to~~ and the Specified Fees (in the case of any Administration Fees, to the extent then-earned)) to become and shall automatically be immediately due and payable. Upon a declaration of acceleration, the principal, interest, fees and other amounts and premiums in respect of the Convertible Notes and other Obligations (including, without limitation the Make-Whole Amounts (if any) and the Specified Fees (in the case of any Administration Fees, to the extent then-earned)) will become immediately due and payable. If an Event of Default specified in Section 6.1(h) or Section 6.1(i) hereof occurs, the principal, interest, fees and other amounts and premiums in respect of the Convertible Notes and other Obligations (including, without limitation the Make-Whole Amounts (if any) and the Specified Fees (in the case of any Administration Fees, to the extent then-earned)) will become immediately due and payable without any declaration or other act on the part of the Collateral Agent or any Holder. Without limiting the generality of the foregoing, it is understood and agreed that if the Obligations are accelerated or otherwise become due prior to their Stated Maturity Date (as defined in the Convertible Notes), in each case, as a result of an Event of Default (including, without limitation, an Event of Default under Section 6.1(h) or Section 6.1(i) hereof (including the acceleration of any portion of the Convertible Notes by operation of law)), the Applicable Redemption Amount shall be due and payable (including any Make-Whole Amounts and Specified Fees (in the case of any Administration Fees, to the extent then-earned)) as though the Convertible Notes had been optionally redeemed on the date of such acceleration and any such Make-Whole Amounts and any other premiums comprising the Applicable Redemption Amount shall constitute part of the Obligations with respect to the Convertible Notes in view of the impracticability and difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each Holder's lost profits as a result thereof. If the Applicable Redemption Amount becomes due and payable, it shall be deemed to be principal of the Convertible Notes, and interest shall accrue on the full principal amount of the Convertible Notes (including any such Make-Whole Amounts and Specified Fees (in the case of any Administration Fees, to the extent then-earned) and any other premiums comprising the Applicable Redemption Amount) from and after the applicable triggering event, including in connection with an Event of Default specified under Section 6.1(h) or Section 6.1(i) hereof. Any such Make-Whole Amounts, Specified Fees and any other premiums comprising the Applicable Redemption Amount payable above shall be presumed to be liquidated damages sustained by each holder/Holder as the result of the acceleration of the Convertible Notes and the Issuer and the Guarantors to the extent they provide guarantees for the Obligations agree that it is reasonable under the circumstances currently existing. The premium shall also be payable in the event the Convertible Notes or the Obligations are satisfied, released or discharged through foreclosure, whether by judicial proceeding, deed in lieu of foreclosure, sale or collection of the Collateral or by any other means, or in connection with the restructuring, reorganization or compromise of the obligations by a plan of reorganization or otherwise. THE ISSUER AND THE GUARANTORS EXPRESSLY WAIVE (TO THE FULLEST EXTENT THEY MAY LAWFULLY DO SO) THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING AMOUNTS IN CONNECTION WITH ANY SUCH ACCELERATION. The Issuer and Guarantors will expressly agree (to the fullest extent they may lawfully do so) that: (A) any such Make-Whole Amounts and any other premiums comprising the Applicable Redemption Amount is reasonable and is the product of an arm's length transaction between sophisticated business entities ably represented by counsel; (B) the Applicable Redemption Amount shall be payable notwithstanding the then prevailing market rates at the time acceleration occurs; (C) there has been a course of conduct between Holders and the Issuer giving specific consideration in this transaction for such agreement to pay the Applicable Redemption Amount; and (D) the Issuer and any Guarantor shall be estopped from claiming differently than as agreed to in this paragraph. Each of the Issuer and the Guarantors expressly acknowledge that their agreement to pay the Applicable Redemption Amount to Holders as herein described was a material inducement to investors to acquire the Convertible Notes. The Holders of a majority in principal amount of the outstanding Convertible Notes by written notice to the Issuer and to the Collateral Agent may waive all past Defaults and rescind and annul a declaration of acceleration and its consequences if: (x) all existing Events of Default, other than the nonpayment of the principal of, and interest and premium, if any, on, the Convertible Notes that have become due solely by the declaration of acceleration, have been cured or waived; and (y) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

73

(b) Other Remedies. If an Event of Default occurs and is continuing, the Collateral Agent may pursue any available remedy to collect the payment of principal of, premium on, if any, or interest on, or Make-Whole Amounts on the Convertible Notes and other Obligations or to enforce the performance of any provision of the Convertible Notes, this Agreement and/or the other Note Documents, including without limitation, (i) subject to the Intercreditor Agreement, apply any funds in its possession to the Obligations, (ii) if a Triggering Event (as defined in the IP Hold-Co Operating Agreement) has occurred and is continuing, distributions made pursuant to the IP Hold-Co Operating Agreement shall be made in accordance with the IP Hold-Co Operating Agreement and applied to the Obligations in the order provided by the IP Hold-Co Operating Agreement and then in the manner provided in Section 6.2(j); (iii) provide notice to the Issuer and the Guarantors that any funds, payments, recoveries, distributions or other amounts received shall be applied as set forth in Section 6.2(i) rather than as set forth in Section 4.1(e) and (iv) subject to the terms of the Intercreditor Agreement and any limitations therein, exercise any and all other remedies under the Collateral Documents, Note Documents and under the UCC or other applicable Law available to the Collateral Agent and the Holders or any rights in equity. The Collateral Agent may maintain a proceeding even if it does not possess any of the Convertible Notes or does not produce any of them in the proceeding. A delay or omission by the Collateral Agent or any Holder of a Convertible Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by Law. It being understood that in all cases the Issuer and the Guarantors shall remain liable to the Secured Parties for any deficiency. If the Collateral Agent, in its good faith business judgment, directly or indirectly enters into a deferred payment or other credit transaction with any purchaser at any sale of Collateral, the Secured Parties shall have the option, exercisable at any time, of either reducing the Obligations by the principal amount of the purchase price or deferring the reduction of the Obligations until the actual receipt by the Secured Parties of cash therefor.

(c) Waiver of Past Defaults. The Holders of a majority in aggregate principal amount of the then outstanding Convertible Notes by notice to the Collateral Agent may on behalf of the Holders of all of the Convertible Notes waive an existing Default or Event of Default and its consequences hereunder, except as otherwise provided in Section 6.2(a) hereof and Section 14.3 hereof. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Agreement; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

(d) Control by Majority. The Holders of a majority in aggregate principal amount of the then outstanding Convertible Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Collateral Agent or exercising any power conferred on the Collateral Agent. However, the Collateral Agent may refuse to follow any direction that conflicts with Law, this Agreement or the other Note Documents, that may involve the Collateral Agent in personal liability, or that the Collateral Agent determines in good faith may be unduly prejudicial to the rights of Holders not joining in the giving of such direction (it being understood that the Collateral Agent shall have no duty to determine whether any direction is prejudicial to any Holder). In addition, the Collateral Agent may take any other action it deems necessary or proper that is not inconsistent with any such direction received from the Holders. The Collateral Agent shall not be obligated to take any action at the direction of Holders of Convertible Notes unless such Holders have offered, and if requested, provided to the Collateral Agent indemnity or security satisfactory to the Trustee/trustee and the Collateral Agent.

74

(e) Limitation on Suits. A Holder of a Convertible Note may not institute any proceeding, judicial or otherwise, with respect to this Agreement, the Convertible Notes or the other Note Documents, or for the appointment of a receiver or trustee, or for any other remedy under this Agreement, the Convertible Notes or the other Note Documents, unless: (A) the Holder of a Convertible Note has previously given to the Collateral Agent written notice of a continuing Event of Default; (B) the Holders of at least a majority in aggregate principal amount of outstanding Convertible Notes have made a written request to the Collateral Agent to institute proceedings in respect of the Event of Default in its own name as Collateral Agent under this Agreement; (C) the Holders of the Convertible Notes have offered and, if requested, provided to the Collateral Agent an indemnity reasonably satisfactory to the Collateral Agent against any costs, liabilities or expenses to be incurred in compliance with such request; (D) the Collateral Agent for sixty (60) days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and (E) during such sixty (60) day period, the Holders of a majority in aggregate principal amount of the then outstanding Convertible Notes have not given the Collateral Agent a direction that is inconsistent with such written request. A Holder of a Convertible Note may not use this Agreement to prejudice the rights of another Holder of a Convertible Note or to obtain a preference or priority over another Holder of a Convertible Note.

(f) Rights of Holders to Receive Payment Notwithstanding anything in this Agreement to the contrary, the right of any Holder of a Convertible Note to receive payment of principal of, or interest on its Convertible Note on or after the Stated Maturity Date thereof (as defined in the Convertible Note), or to bring suit for the enforcement of any such payment on or after such dates, shall not be impaired or affected without the consent of that Holder.

(g) Collection Suit by Collateral Agent If an Event of Default specified in Section 6.1(i) hereof occurs and is continuing, the Collateral Agent is authorized to recover a judgment in its own name and as collateral agent against the Issuer and the Guarantors for the whole amount of principal of, premium on, if any, interest and Make-Whole Amounts, if any, remaining unpaid on the Convertible Notes and interest on overdue principal and, to the extent lawful, interest and such further amounts and Obligations as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Collateral Agent, its agents and counsel.

(h) Collateral Agent May File Proof of Claims The Collateral Agent is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Collateral Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Collateral Agent, its agents and counsel) and the Holders of the Convertible Notes allowed in any judicial proceedings relative to the Issuer or the Guarantors (or any other obligor upon the Convertible Notes or Note Documents), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Collateral Agent, and in the event that the Collateral Agent shall consent to the making of such payments directly to the Holders, to pay to the Collateral Agent any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Collateral Agent, its agents and counsel, and any other amounts due the Collateral Agent under Section 9 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Collateral Agent, its agents and counsel, and any other amounts due the Collateral Agent under Section 9 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Collateral Agent to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Convertible Notes or the rights of any Holder, or to authorize the Collateral Agent to vote in respect of the claim of any Holder in any such proceeding.

75

(i) Application of Monies Collected by the Collateral Agent Subject to the Intercreditor Agreement, if the Collateral Agent collects any money or property pursuant to this Article VI Section 6 with respect to the Convertible Notes, it shall apply the money or property in the following order (or in such other order as the Collateral Agent determines) at the dates fixed by the Collateral Agent for distribution of such monies, upon presentation of the several Convertible Notes, and stamping thereon the payment, if only partially paid, and upon surrender thereof, if fully paid:

First: to the Collateral Agent, their respective agents and attorneys for amounts due under Section Sections 9 and 13 hereof and under the other Note Documents, including payment of all compensation, expenses, fees, indemnification and liabilities incurred, and all advances made, by the Collateral Agent and the costs and expenses of collection;

Second: in case the principal of the outstanding Convertible Notes shall not have become due and be unpaid, to the payment of any interest on, and any cash due upon conversion of, the Convertible Notes in default in the order of the date due of the payments of such interest and cash due upon conversion, as the case may be, with interest (to the extent that such interest has been collected by the Collateral Agent) payable upon such overdue payments at the rate borne by the Convertible Notes at such time, such payments to be made ratably to the Holders based on the aggregate principal amount of Convertible Notes held thereby;

Third: in case the principal of the outstanding Convertible Notes shall have become due, by declaration or otherwise, and be unpaid to the payment of the whole amount (including, if applicable, the payment of the Applicable Redemption Amount (including any Make-Whole Amounts) and any cash due upon conversion) then owing and unpaid upon the Convertible Notes for principal and interest, if any, with interest on the overdue principal and, to the extent that such interest has been collected by the Collateral Agent, upon overdue installments of interest at the rate borne by the Convertible Notes at such time, and in case such monies shall be insufficient to pay in full the whole amounts so due and unpaid upon the Convertible Notes, then to the payment of such Applicable Redemption Amount (including any Make-Whole Amounts) (including, if applicable, any Make-Whole Amount and any cash due upon conversion), ratably to the aggregate of such principal (including, if applicable, any Make-Whole Amount and any cash due upon conversion) and accrued and unpaid interest; and

76

Fourth: to the Collateral Agent, on behalf of Holders of Convertible Notes and other Secured Parties, in an amount necessary to pay any additional Obligation (or Guaranteed Obligation) then due and payable; and

Fifth: the balance, if any, after all of the Obligations have been indefeasibly paid in full in cash, to the Issuer or to such other party as a court of competent jurisdiction shall direct.

6.3 No Waiver; Remedies Cumulative The Collateral Agent and Secured Parties' failure, at any time or times, to require strict performance by the Issuer or the Guarantors of any provision of this Agreement or any other Note Document shall not waive, affect, or diminish any right of the Secured Parties thereafter to demand strict performance and compliance herewith or therewith. No waiver hereunder shall be effective unless signed by the party granting the waiver and then is only effective for the specific instance and purpose for which it is given. The Collateral Agent and Secured Parties' rights and remedies under this Agreement and the other Note Documents are cumulative. The Collateral Agent and Secured Parties have all rights and remedies provided under the UCC, by Law, or in equity. The Collateral Agent and Secured Parties' exercise of one (1) right or remedy is not an election and shall not preclude the Collateral Agent or Secured Parties from exercising any other remedy under this Agreement or other remedy available at Law or in equity, and the Collateral Agent or Secured Parties' waiver of any Event of Default is not a continuing waiver. The Collateral Agent or Secured Parties' delay in exercising any remedy is not a waiver, election, or acquiescence.

Section 7. Guaranty.

7.1 Unconditional Guaranty.

(a) In consideration of the execution and delivery of this Agreement and the purchase of the Convertible Notes by the Purchasers, the Merger Sub and, effective as of the consummation of the Merger, each other Guarantor hereby irrevocably, absolutely, unconditionally and jointly and severally with the other Guarantors guarantees to the Purchasers and each other Secured Party, as a primary obligor and not merely as a surety, the due and punctual payment in full of (i) the principal of and interest on (including, without limitation, interest accruing after the filing of any petition in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding, whether or not a claim for post-filing or post-petition interest is allowed in such proceeding), and any other amounts due under, the Convertible Notes and the other Note Documents when and as the same shall become due and payable (whether at stated maturity or by required or optional prepayment or by acceleration or otherwise including any Make-Whole Amounts and other fees, amounts, and premiums) and (ii) any other sums which may become due under the terms and provisions of this Agreement, the Convertible Notes, or any other Note Document or other instrument referred to herein or therein (including amounts that would become due but for the operation of the

automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a)) (all such obligations described in clauses (i) and (ii) above are herein called the “Guaranteed Obligations”). The guaranty in the preceding sentence is an absolute, present and continuing guaranty of payment and not of collectability and is in no way conditional or contingent upon any attempt to collect from the Issuer or any other guarantor of the Note Documents (including, without limitation, any other Guarantor) or upon any other action, occurrence or circumstance whatsoever. In the event that the Issuer shall fail so to pay any of such Guaranteed Obligations, each Guarantor agrees to pay the same when due to the Holders entitled thereto, without demand, presentment, protest or notice of any kind, in lawful money of the United States of America, pursuant to the requirements for payment specified in the Convertible Notes and this Agreement. Each default in payment of any of the Guaranteed Obligations shall give rise to a separate cause of action hereunder and separate suits may be brought hereunder as each cause of action arises. Each Guarantor agrees that the Convertible Notes issued in connection with this Agreement may (but need not) make reference to the guaranty provided in this Section 7.

77

(b) Each Guarantor agrees to pay and to indemnify and save each Holder harmless from and against any damage, loss, cost or expense (including reasonable documented attorneys’ fees) which such Holder may incur or be subject to as a consequence, direct or indirect, of (i) any breach by such Guarantor, by any other Guarantor or by the Issuer of any warranty, covenant, term or condition in, or the occurrence of any default under, the Convertible Notes, this Agreement, or any other Note Document or instrument referred to herein or therein, together with all expenses resulting from the compromise or defense of any claims or liabilities arising as a result of any such breach or default, (ii) any legal action commenced to challenge the validity or enforceability of the Convertible Notes, this Agreement or any other Note Document or instrument referred to herein or therein and (iii) enforcing or defending (or determining whether or how to enforce or defend) the provisions of this Section 7.

(c) Each Guarantor hereby acknowledges and agrees that such Guarantor’s liability hereunder is joint and several with the other Guarantors and any other person(s) who may guarantee the Obligations under and in respect of the Convertible Notes, this Agreement and the other Note Documents, and that payment by any Guarantor of a portion, but not all, of the Guaranteed Obligations shall in no way limit, affect, modify or abridge any Guarantor’s liability for any portion of the Guaranteed Obligations which has not been paid.

7.2 Contribution by Guarantors. All Guarantors desire to allocate among themselves (collectively, the “Contributing Guarantors”), in a fair and equitable manner, their obligations arising under this Guaranty. Accordingly, in the event any payment or distribution is made on any date by a Guarantor (a “Funding Guarantor”) under this Guaranty such that its Aggregate Payments exceeds its Fair Share as of such date, such Funding Guarantor shall be entitled to a contribution from each of the other Contributing Guarantors in an amount sufficient to cause each Contributing Guarantor’s Aggregate Payments to equal its Fair Share as of such date. “Fair Share” means, with respect to a Contributing Guarantor as of any date of determination, an amount equal to (a) the ratio of (i) the Fair Share Contribution Amount with respect to such Contributing Guarantor, to (ii) the aggregate of the Fair Share Contribution Amounts with respect to all Contributing Guarantors multiplied by, (b) the aggregate amount paid or distributed on or before such date by all Funding Guarantors under this Guaranty in respect of the obligations guaranteed. “Fair Share Contribution Amount” means, with respect to a Contributing Guarantor as of any date of determination, the maximum aggregate amount of the obligations of such Contributing Guarantor under this Guaranty that would not render its obligations hereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of Title 11 of the United States Code or any comparable applicable provisions of state law; provided, solely for purposes of calculating the “Fair Share Contribution Amount” with respect to any Contributing Guarantor for purposes of this Section 7.2, any assets or liabilities of such Contributing Guarantor arising by virtue of any rights to subrogation, reimbursement or indemnification or any rights to or obligations of contribution hereunder shall not be considered as assets or liabilities of such Contributing Guarantor. “Aggregate Payments” means, with respect to a Contributing Guarantor as of any date of determination, an amount equal to (1) the aggregate amount of all payments and distributions made on or before such date by such Contributing Guarantor in respect of this Guaranty (including in respect of this Section 7.2), minus (2) the aggregate amount of all payments received on or before such date by such Contributing Guarantor from the other Contributing Guarantors as contributions under this Section 7.2. The amounts payable as contributions hereunder shall be determined as of the date on which the related payment or distribution is made by the applicable Funding Guarantor. The allocation among Contributing Guarantors of their obligations as set forth in this Section 7.2 shall not be construed in any way to limit the liability of any Contributing Guarantor hereunder. Each Guarantor is a third party beneficiary to the contribution agreement set forth in this Section 7.2.

78

7.3 Obligations Absolute. The obligations of each Guarantor hereunder shall be primary, absolute, irrevocable and unconditional, irrespective of the validity or enforceability of the Convertible Notes, this Agreement, or any other Note Document or instrument referred to herein or therein, shall not be subject to any counterclaim, setoff, deduction or defense based upon any claim such Guarantor may have against the Issuer, any Holder or the Collateral Agent or otherwise, and shall remain in full force and effect without regard to, and shall not be released, discharged or in any way affected by, any circumstance or condition whatsoever (whether or not such Guarantor shall have any knowledge or notice thereof) (subject to the penultimate sentence of this Section 7.3), including, without limitation: (i) any amendment to, modification of, supplement to or restatement of the Convertible Notes, this Agreement or any other Note Document or instrument referred to herein or therein (it being agreed that the obligations of each Guarantor hereunder shall apply to the Convertible Notes, this Agreement or any such other Note Document or instrument as so amended, modified, supplemented or restated) or any assignment or transfer of any thereof or of any interest therein, or any furnishing, acceptance or release of any security for the Convertible Notes or the addition, substitution or release of any other Guarantor or any other entity or other person primarily or secondarily liable in respect of the Guaranteed Obligations; (ii) any waiver, consent, extension, indulgence or other action or inaction under or in respect of the Convertible Notes, this Agreement or any other Note Document or instrument referred to herein or therein; (iii) any bankruptcy, insolvency, arrangement, reorganization, readjustment, composition, liquidation or similar proceeding with respect to the Issuer or any Guarantor or the property of the Issuer or any Guarantor; (iv) any merger, amalgamation or consolidation of any Guarantor or of the Issuer into or with any other person or any sale, lease or transfer of any or all of the assets of any Guarantor or of the Issuer to any person; (v) any failure on the part of the Issuer for any reason to comply with or perform any of the terms of any other agreement with any Guarantor; (vi) any failure on the part of any Holder or the Collateral Agent to obtain, maintain, register or otherwise perfect any security; or (vii) any other event or circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor (whether or not similar to the foregoing), and in any event however material or prejudicial it may be to any Guarantor or to any subrogation, contribution or reimbursement rights any Guarantor may otherwise have. Each Guarantor covenants that its obligations hereunder will not be discharged except by indefeasible payment in full (other than contingent indemnification obligations for which no claim has been asserted) in cash of all of the Guaranteed Obligations and all other obligations hereunder in the agreed currency and at the agreed place of payment. For the avoidance of doubt, the Guarantors hereby acknowledge that the obligations of each Guarantor hereunder are independent of the obligations of the Issuer and the obligations of any other guarantor (including any other Guarantor) of the obligations of the Issuer, and a separate action or actions may be brought and prosecuted against such Guarantor whether or not any action is brought against the Issuer or any of such other guarantors and whether or not the Issuer is joined in any such action or actions.

79

7.4 Waiver.

(a) Generally. Each Guarantor unconditionally waives to the fullest extent permitted by law, (i) notice of acceptance hereof, of any action taken or omitted in reliance hereon and of any default by the Issuer in the payment of any amounts due under the Convertible Notes, this Agreement or any other Note Document or instrument referred to herein or therein, and of any of the matters referred to in this Section 7, (ii) all notices which may be required by statute, rule of law or otherwise to preserve any of the rights of any Holder or the Collateral Agent against such Guarantor, including, without limitation, presentment to or demand for payment from the Issuer or any Guarantor with respect to any Convertible Note or any Note Document, notice to the Issuer or to any Guarantor of default or protest for nonpayment or dishonor and the filing of claims

with a court in the event of the bankruptcy, of the Issuer, (iii) any right to require any Holder or the Collateral Agent to enforce, assert or exercise any right, power or remedy including, without limitation, any right, power or remedy conferred in the Convertible Notes, this Agreement or in the other Note Documents, (iv) any requirement for diligence on the part of any Holder or the Collateral Agent, (v) any defenses, set offs or counterclaims which Issuer may allege or assert against any Collateral Agent, Purchasers or other Holder or Secured Party in respect of the Guaranteed Obligations, including failure of consideration, breach of warranty, payment, statute of frauds, statute of limitations, accord and satisfaction and usury; and (vi) any other act or omission or thing or delay in doing any other act or thing which might in any manner or to any extent vary the risk of such Guarantor or otherwise operate as a discharge of such Guarantor or in any manner lessen the obligations of such Guarantor hereunder.

(b) Real Property. Each Guarantor waives all rights and defenses that it may have because the Obligations are secured by real property. This means, among other things: (i) the Holders and the Collateral Agent may collect from any Guarantor without first foreclosing on any real or personal property Collateral pledged by the Issuer or any other Guarantor; and (ii) if the Holders and/or the Collateral Agent foreclose on any real property Collateral pledged by the Issuer or any Guarantor: (A) the amount of the Obligations may be reduced only by the price for which that Collateral is sold at the foreclosure sale, even if the Collateral is worth more than the sale price; and (B) the Holders and the Collateral Agent may collect from the other Guarantors even if the Holders and the Collateral Agent, by foreclosing on the real property Collateral, have destroyed any right the Guarantors may have to collect from the Issuer or any other Guarantor. This is an unconditional and irrevocable waiver of any rights and defenses the Guarantors may have because the Obligations are secured by real property. In the event that all or any part of the Guaranteed Obligations at any time are secured by any one (1) or more deeds of trust, security deeds or mortgages creating or granting Liens on any interests in Real Estate Assets, each of the Guarantors authorizes the Holders and the Collateral Agent, upon the occurrence of and during the continuance of any Event of Default, at their sole option, without notice or demand and without affecting any Obligations, the enforceability of the Guaranteed Obligations under this Guaranty, or the validity or enforceability of any Liens of Holders and the Collateral Agent on any Collateral securing the Guaranteed Obligations, to foreclose any or all of such deeds of trust, security deeds or mortgages by judicial or nonjudicial sale. Insofar as the Liens created by the Collateral Documents or other documents or instruments referred to herein or therein secure the Guaranteed Obligations of other Persons, each of the Guarantors expressly waives any defenses to the enforcement of this Guaranty or the other Note Documents or any Liens created or granted hereby or by the other Note Documents, or other documents or instruments referred to herein or therein or to the recovery by the Holders and the Collateral Agent against the Issuer, any Guarantor or any other Person liable therefor of any deficiency after a judicial or nonjudicial foreclosure or sale, even though such a foreclosure or sale may impair the subrogation rights of such Guarantor and may preclude any of them from obtaining reimbursement or contribution from any other Person.

80

7.5 Obligations Unimpaired.

(a) Generally. Each Guarantor authorizes the Holders and the Collateral Agent, without notice or demand to such Guarantor or any other Guarantor and without affecting its obligations hereunder, from time to time: (i) to renew, compromise, extend, accelerate or otherwise change the time for payment of, all or any part of this Agreement, the Convertible Notes, or any other instrument referred to herein or therein; (ii) to change any of the representations, covenants, events of default or any other terms or conditions of or pertaining to this Agreement, the Convertible Notes, or any other instrument referred to herein or therein, including, without limitation, decreases or increases in amounts of principal, rates of interest or any other obligation; (iii) to take and hold security for the payment of the Convertible Notes, this Agreement or any Note Document or other document or instrument referred to herein or therein, for the performance of the guaranty provided in this Section 7 or otherwise for the Guaranteed Obligations and to exchange, enforce, waive, subordinate and release any such security; (iv) to apply any such security and to direct the order or manner of sale thereof as the Holders in their sole discretion may determine; (v) to obtain additional or substitute endorsers or guarantors or release any other Guarantor or any other person or entity primarily or secondarily liable in respect of the Guaranteed Obligations; (vi) to exercise or refrain from exercising any rights against the Issuer, any Guarantor or any other person; (vii) to apply any sums, by whomsoever paid or however realized, to the payment of the Guaranteed Obligations and all other obligations owed hereunder; and (viii) enforce this Guaranty upon the occurrence of an Event of Default notwithstanding the existence of any dispute between Issuer and any Secured Party with respect to the existence of such Event of Default. The Holders and the Collateral Agent shall have no obligation to proceed against any additional or substitute endorsers or guarantors or to pursue or exhaust any security provided by the Issuer, such Guarantor or any other Guarantor or any other Person or to pursue any other remedy available to the Holders or the Collateral Agent.

(b) Acceleration. If an event permitting the acceleration of the maturity of the principal amount of any Convertible Notes shall exist and such acceleration shall at such time be prevented or the right of any Holder to receive any payment on account of the Guaranteed Obligations shall at such time be delayed or otherwise affected by reason of the pendency against the Issuer, any Guarantor or any other guarantors of a case or proceeding under a bankruptcy, or insolvency law, such Guarantor agrees that, for purposes of this Agreement and its obligations hereunder, the maturity of such principal amount shall be deemed to have been accelerated with the same effect as if the Holder thereof had accelerated the same in accordance with the terms of this Agreement, and such Guarantor shall forthwith pay such accelerated Guaranteed Obligations.

81

(c) Israeli Guarantee Law. It is expressly agreed that the Israeli Guarantee Law, 1967 (the "Israeli Guarantee Law") shall not apply to this Agreement or to any other Note Document and that should the Israeli Guarantee Law for any reason be deemed to apply to this Agreement or to any Note Document, or to it in connection thereof, the Issuer and each Guarantor hereby irrevocably and unconditionally waives all rights and defenses that may have been available to it under the Israeli Guarantee Law, provided that the forgoing shall not in any way affect or constitute a waiver of any rights or defenses available to Issuer or Guarantor under the terms of this Agreement or the laws of the State of New York after giving effect to the other provisions of this Section 7.

7.6 Subrogation and Subordination.

(a) Each Guarantor will not exercise any rights which it may have acquired by way of subrogation under this Section 7, by any payment made hereunder or otherwise, or accept any payment on account of such subrogation rights, or any rights of reimbursement, setoff, counterclaim, contribution or indemnity or any rights or recourse to any security for the Convertible Notes or this Section 7 unless and until all of the Guaranteed Obligations shall have been indefeasibly paid in full in cash (other than contingent indemnification obligations for which no claim has been asserted) or at conversion.

(b) Each Guarantor hereby subordinates the payment of all Obligations of the Issuer or any other guarantor of the Guaranteed Obligations owing to such Guarantor, whether now existing or hereafter arising, including, without limitation, all rights and claims described in ~~clause~~ Section 7.1 of this Section 7, to the indefeasible payment in full in cash of all of the Guaranteed Obligations (other than contingent indemnification obligations for which no claim has been asserted) or at conversion. If the Required Holders (as defined in the Convertible Notes) so request, any such obligations shall be enforced and performance received by such Guarantor as trustee for the Holders and the proceeds thereof shall be paid over to the Holders promptly, in the form received (together with any necessary endorsements) to be applied to the Guaranteed Obligations, whether matured or unmatured, as may be directed by the Required Holders, but without reducing or affecting in any manner the liability of any Guarantor under this Section 7.

(c) If any amount or other payment is made to or accepted by any Guarantor in violation of any of the preceding Sections 7.1 and 7.3 of this Section 7, such amount shall be deemed to have been paid to such Guarantor for the benefit of, and held in trust for the benefit of, the Holders and shall be paid over to the Holders promptly, in the form received (together with any necessary endorsements) to be applied to the Guaranteed Obligations, whether matured or unmatured, as may be directed by the Required Holders, but without reducing or affecting in any manner the liability of such Guarantor under this Section 7.

(d) Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Agreement and that its agreements set forth in this Section 7 (including this Section 7) are knowingly made in contemplation of such benefits.

7.7 Reinstatement of Guaranty. The guaranty provided in this Section 7 shall continue to be effective, or be reinstated, as the case may be, if and to the extent at any time payment, in whole or in part, of any of the sums due to any Holder on account of the Guaranteed Obligations is rescinded or must otherwise be restored or returned by a Holder upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Issuer or any other guarantors, or upon or as a result of the appointment of a custodian, receiver, trustee or other officer with similar powers with respect to the Issuer or any other guarantors or any part of its or their property, or otherwise, all as though such payments had not been made.

7.8 Term of Guaranty. The guaranty provided in this Section 7 and all guarantees, covenants and agreements of the Guarantors contained herein shall continue in full force and effect and shall not be discharged until such time as all of the Guaranteed Obligations and all other obligations hereunder shall be indefeasibly paid in full in cash (other than contingent indemnification obligations for which no claim has been asserted) or at conversion, and shall be subject to reinstatement pursuant to Section 7.

7.9 Financial Condition of Issuer. Any credit extension (including a further purchase of additional Convertible Notes) may be made to Issuer or continued from time to time without notice to or authorization from any Guarantor regardless of the financial or other condition of the Issuer at the time of any such grant or continuation. No Purchaser, Collateral Agent or other Holder shall have any obligation to disclose or discuss with any Guarantor its assessment, or any Guarantor's assessment, of the financial condition of the Issuer. Each Guarantor has adequate means to obtain information from the Issuer on a continuing basis concerning the financial condition of the Issuer and its ability to perform its obligations under the Note Documents, and each Guarantor assumes the responsibility for being and keeping informed of the financial condition of the Issuer and of all circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations. Each Guarantor hereby waives and relinquishes any duty on the part of any Purchaser, Collateral Agent or other Holder to disclose any matter, fact or thing relating to the business, operations or conditions of the Issuer now known or hereafter known by any Purchaser, Collateral Agent or other Holder.

7.10 Bankruptcy, etc.

(a) So long as any Guaranteed Obligations remain outstanding, no Guarantor shall, without the prior written consent of Collateral Agent acting pursuant to the instructions of a majority of the Holders, commence or join with any other Person in commencing any bankruptcy, reorganization or insolvency case or proceeding of or against Issuer or any other Guarantor. The obligations of Guarantors hereunder and under the Note Documents shall not be reduced, limited, impaired, discharged, deferred, suspended or terminated by any case or proceeding, voluntary or involuntary, involving the bankruptcy, insolvency, receivership, reorganization, liquidation or arrangement of the Issuer or any other Guarantor or by any defense which the Issuer or any other Guarantor may have by reason of the order, decree or decision of any court or administrative body resulting from any such proceeding.

(b) Each Guarantor acknowledges and agrees that any interest on any portion of the Guaranteed Obligations which accrues after the commencement of any case or proceeding referred to in Section 7.1 above (or, if interest on any portion of the Guaranteed Obligations ceases to accrue by operation of law by reason of the commencement of such case or proceeding, such interest as would have accrued on such portion of the Guaranteed Obligations if such case or proceeding had not been commenced) shall be included in the Guaranteed Obligations because it is the intention of Guarantors and the Secured Parties that the Guaranteed Obligations which are guaranteed by Guarantors pursuant hereto should be determined without regard to any rule of law or order which may relieve the Issuer of any portion of such Guaranteed Obligations. Guarantors will permit any trustee in bankruptcy, receiver, debtor in possession, assignee for the benefit of creditors or similar Person to pay the Collateral Agent and/or the Holders, or allow the claim of the Collateral Agent on behalf of itself and the other Secured Parties in respect of, any such interest accruing after the date on which such case or proceeding is commenced.

(c) In the event that all or any portion of the Guaranteed Obligations are paid by the Issuer, the obligations of Guarantors hereunder shall continue and remain in full force and effect or be reinstated, as the case may be, in the event that all or any part of such payment(s) are rescinded or recovered directly or indirectly from the Collateral Agent and/or any of the other Purchaser and Holder or other Secured Party as a preference, fraudulent transfer or otherwise, and any such payments which are so rescinded or recovered shall constitute Guaranteed Obligations for all purposes hereunder.

To evidence its Note Guarantee, each Guarantor hereby agrees that the delivery of a counterpart signature or a Joinder Agreement to this Agreement and/or a notation of such Note Guarantee substantially in the form attached as Exhibit B hereto will be endorsed by an officer of such Guarantor on each Convertible Note authenticated and delivered by the Collateral Agent (but the failure to execute such notation shall not affect the validity of any Note Guarantee). Each Guarantor hereby agrees that its Note Guarantee set forth in this Section 7 will remain in full force and effect notwithstanding any failure to endorse on each Convertible Note a notation of such Note Guarantee. If the officer whose signature is on this Agreement or on the Note Guarantee no longer holds that office at the time, the Note Guarantee will be valid nevertheless.

Section 8. Trust Account Waiver. Each Purchaser acknowledges that the Issuer is a blank check company with the powers and privileges to effect a merger, asset acquisition, reorganization or similar business combination involving the Issuer and one or more businesses or assets. Each Purchaser further acknowledges that, as described in the Issuer's prospectus relating to its initial public offering dated October 29, 2020 available at www.sec.gov, substantially all of the Issuer's assets consist of the cash proceeds of the Issuer's initial public offering and private placements of its securities, and substantially all of those proceeds have been deposited in a trust account (the "Trust Account") for the benefit of the Issuer, its public stockholders and the underwriters of the Issuer's initial public offering. For and in consideration of the Issuer entering into this Agreement, the receipt and sufficiency of which are hereby acknowledged, the Issuer has opened a separate Controlled Account for the proceeds of the issuance of Convertible Notes which is separate from the Trust Account and each Purchaser hereby irrevocably waives any and all right, title and interest, or any claim of any kind it has or may have in the future, in or to any monies held in the Trust Account, and agrees not to seek recourse against the Trust Account, in each case, as a result of, or arising out of, this Agreement; provided, that nothing in this Section 8 shall (i) serve to limit or prohibit the Collateral Agent's or any Secured Party's right to pursue a claim against the Issuer for legal relief against assets held outside the Trust Account, for specific performance or other equitable relief, (ii) ~~shall~~ serve to limit or prohibit any claims that the Purchaser may have in the future against the Issuer's assets or funds that are not held in the Trust Account (including any funds that have been released from the Trust Account and any assets that have been purchased or acquired with any such funds) or (iii) ~~shall~~ be deemed to limit a Purchaser's right, title, interest or claim to the Trust Account by virtue of a Purchaser's record or beneficial ownership of Common Stock acquired by any means other than pursuant to this Agreement.

Section 9. Indemnity.

9.1 Expenses. Whether or not the transactions contemplated hereby shall be consummated, the Issuer agrees to pay promptly (i) all of the Collateral Agent's and each Holder's actual and reasonable costs and expenses of preparation of the Note Documents (including the reasonable fees, charges and disbursements of counsel for the Collateral Agent's and each Holder's) and any consents, amendments, waivers or other modifications thereto; (ii) all the reasonable fees, expenses and disbursements of counsel to the Collateral Agent and each Holder in connection with the negotiation, preparation, execution and administration of the Note Documents and any consents, amendments, waivers or other modifications thereto and any other documents or matters requested by the Issuer or any Guarantor; (iii) all the actual costs and reasonable expenses of creating and

perfecting Liens in favor of the Collateral Agent, for the benefit of the Secured Parties, including without limitation filing and recording fees, expenses and taxes, stamp or documentary taxes, search fees, translation fees, title insurance premiums and reasonable fees, expenses and disbursements of counsel to the Collateral Agent and each Holder and of counsel providing any opinions that the Collateral Agent and any Holder may request in respect of the Collateral or the Liens created pursuant to the Collateral Documents; (iv) all of each Secured Party's actual costs and reasonable fees, expenses for, and disbursements of any of each Secured Party, auditors, accountants, consultants or appraisers whether internal or external, and all reasonable attorneys' fees (including allocated costs of internal counsel and expenses and disbursements of outside counsel) incurred by each Secured Party; (v) all the actual costs and expenses (including the fees, expenses and disbursements of any appraisers, consultants, advisors and agents employed or retained by each Secured Party and its counsel) in connection with the custody or preservation of any of the Collateral; and (vi) all Attorneys' Fees and, after the occurrence of a Default or an Event of Default, all costs and expenses, including reasonable attorneys' fees (including allocated costs of internal counsel) and costs of settlement incurred by the Collateral Agent and each Holder in enforcing any Obligations of or in collecting any payments due from the Issuer or any Guarantor hereunder or under the other Note Documents or any document or instrument referred to herein or therein by reason of such Default or Event of Default (including in connection with the sale of, collection from, or other realization upon any of the Collateral or the enforcement of the Guaranty or the Intercreditor Agreement) or in connection with any refinancing or restructuring of the credit arrangements provided hereunder in the nature of a "work out" or pursuant to any insolvency or bankruptcy cases or proceedings. For the avoidance of doubt, with respect to the fees of counsel for the Collateral Agent and each Holder provided for in clauses (i)-(v) of this Section 9, such fees shall be limited to a single external lead counsel, a single special counsel acting in each relevant jurisdiction, a single special counsel for each relevant specialty and in the case of an actual or perceived conflict arises, the fees, costs, client charges and expenses of conflicts counsel.

9.2 Accuracy of Statements. In addition to Section 9.1 above, each of the Issuer and each Guarantor agrees to indemnify and hold harmless, to the extent permitted by Law, Collateral Agent, each Holder, their, managers, directors, and officers, employees, and agents, and each person who controls any one of them (within the meaning of the Securities Act or the Exchange Act) and each Affiliate of the Collateral Agent or the Holders (within the meaning of Rule 405 under the Securities Act) (the "Noteholder Indemnified Parties") from and against any and all losses, claims, damages, liabilities and expenses (including, without limitation, any reasonable external attorneys' fees and expenses reasonably incurred in connection with defending or investigating any such action or claim) caused by any untrue or alleged untrue statement of material fact contained in or incorporated by reference in any Registration Statement, prospectus included in any Registration Statement or preliminary prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as the same are caused by or contained in any information furnished in writing to the Issuer by or on behalf of a Purchaser expressly for use therein.

9.3 General Indemnification. The Issuer and the Guarantors shall fully indemnify the Noteholder Indemnified Parties against any and all losses, liabilities or expenses incurred by such Persons arising out of this Agreement and the Note Documents, including the costs and expenses of enforcing this Agreement and/or any of the Note Documents against the Issuer and/or the Guarantors (including this Section 9) and defending itself against any claim (whether asserted by either of the Issuer or any other Holder or any other person) or liability in connection with the exercise or performance of any of such Persons' powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its negligence, bad faith or willful misconduct.

9.4 Right to Notice and Defense. Any person or entity entitled to indemnification herein shall (1) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that the failure to give prompt notice shall not impair any person's or entity's right to indemnification hereunder to the extent such failure has not prejudiced the indemnifying party) and (2) permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party shall not be subject to any liability for any settlement made by the indemnified party without its consent. An indemnifying party who elects not to assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one counsel (plus one local counsel in each applicable jurisdiction) for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of legal counsel to any indemnified party a conflict of interest exists between such indemnified party and any other of such indemnified parties with respect to such claim in such case, the indemnity shall include the fees and expenses of additional counsel and local counsel for each affected party. No indemnifying party shall, without the consent of the indemnified party, consent to the entry of any judgment or enter into any settlement which cannot be settled in all respects by the payment of money (and such money is so paid by the indemnifying party pursuant to the terms of such settlement) or which settlement does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

9.5 Survival of Indemnification. The indemnification provided for under this Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director, employee, agent, Affiliate or controlling person or entity of such indemnified party and shall survive the transfer of the Convertible Notes purchased pursuant to this Agreement and the corresponding Underlying Shares (if any).

9.6 Contribution In Lieu of Indemnification. If the indemnification provided under this Section 9 from the indemnifying party is unavailable or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities and expenses referred to herein, then the indemnifying party, in lieu of indemnifying the indemnified party, shall contribute to the amount paid or payable by the indemnified party as a result of such losses, claims, damages, liabilities and expenses in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party, as well as any other relevant equitable considerations. The relative fault of the indemnifying party and indemnified party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, was made by (or not made by, in the case of an omission), or relates to information supplied by (or not supplied by, in the case of an omission), or on behalf of, such indemnifying party or indemnified party, and the indemnifying party's and indemnified party's relative intent, knowledge, access to information and opportunity to correct or prevent such action. The amount paid or payable by a party as a result of the losses or other liabilities referred to above shall be deemed to include, subject to the limitations set forth above, any legal or other fees, charges or expenses reasonably incurred by such party in connection with any investigation or proceeding. Notwithstanding anything to the contrary herein, in no event will any party be liable for consequential, special, exemplary or punitive damages in connection with this Agreement. Each indemnifying party's obligation to make a contribution pursuant to this Section 9 shall be individual, not joint and several.

Section 10. Termination. This Agreement shall terminate and be void and of no further force and effect (other than the indemnification and expense reimbursement provisions which are expressly intended to survive the termination hereof), and all rights and obligations of the parties hereunder shall terminate without any further liability on the part of any party in respect thereof, upon the earliest to occur of (a) such date and time as the Transaction Agreement is validly terminated in accordance with its terms without being consummated, (b) upon the mutual written agreement of all parties hereto to terminate this Agreement or (c) if, on the closing of the Transaction, any of the conditions to Closing set forth in Section 2 of this Agreement have not been satisfied as of the time required hereunder to be so satisfied or waived by the party entitled to grant such waiver and, as a result thereof, the transactions contemplated by this Agreement are not consummated, or (d) by written notice from the Purchasers given any time on or after August 16, 2021, if the Closing has not occurred by such date (the termination events described in clauses (a)-(d) above, collectively, the "Termination Events"); provided, that nothing herein will relieve any party from liability for any willful breach hereof prior to the time of termination or common law intentional fraud in the making of any representation or warranty hereunder, and each party will be entitled to any remedies at law or in equity to recover losses, liabilities or damages arising from such breach or fraud. The Issuer shall notify Purchasers of the termination of the Transaction Agreement promptly after the termination thereof. Upon the occurrence of any Termination Event, except as set forth in the proviso to the first sentence of this Section 10, this Agreement other than Section 9, Section 12, Section 13, Section 14.6, Section 14.7, and all other provisions intended by their terms to survive such Termination Events shall be void and of no further effect and any portion of the Purchase Price paid by each Purchaser to the Issuer in connection herewith shall promptly (and in any event within one Business Day) following the Termination Event be returned to such Purchaser.

Section 11. Appointment of Collateral Agent; Collateral Documents; Intercreditor and Subordination Agreements

11.1 Appointment of Collateral Agent. Each Holder (including each Purchaser party hereto) desires to designate a Person to act as their administrative agent, collateral agent, trustee and representative for and on their behalf with respect to all administrative agency and collateral matters and under the Note Documents. Accordingly, by the Purchasers' execution of this Agreement and by each Holder's acceptance of a Convertible Note, each Holder (including the Purchasers) hereby irrevocably designates, authorizes and appoints DBFIP ANI LLC ("DBFIP") to act as its administrative agent, collateral agent, trustee and representative for and on its behalf with respect to all administrative and collateral matters and under Note Documents and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of this Agreement, the Collateral Documents, the Note Documents and the Intercreditor and Subordination Agreements, and consents and agrees to the terms of the Intercreditor and Subordination Agreements and each Collateral Document and each other Note Document, as the same may be amended, restated, supplemented or otherwise modified from time to time in accordance with their respective terms. Each Purchaser and each other Holder hereby grants to the Collateral Agent all such powers and authority as are necessary, desirable or appropriate to carry out the functions and duties delegated or assigned to the Collateral Agent hereunder and thereunder (including, without limitation, the authority to release Collateral from the Liens, security interests and encumbrances created under the Note Documents under the circumstances specifically provided therein).

(a) The Collateral Agent agrees to act as such on the express conditions contained in this Section 11.1. The provisions of this Section 11.1 are solely for the benefit of the Collateral Agent and neither the Issuer nor any of the Holders or Guarantors or any other Person shall have any rights as a third party beneficiary of any of the provisions contained herein. Each Holder agrees that any action taken by the Collateral Agent in accordance with the provision of this Agreement, the Intercreditor and Subordination Agreements, the Collateral Documents and/or the other Note Documents, and the exercise by the Collateral Agent of any rights or remedies set forth herein and therein shall be authorized and binding upon all Holders. Notwithstanding any provision to the contrary contained elsewhere in this Agreement, the Collateral Documents, the Note Documents and/or the Intercreditor and Subordination Agreements, the duties of the Collateral Agent shall be ministerial and administrative in nature, and the Collateral Agent shall not have any duties or responsibilities, except those expressly set forth herein, in the Intercreditor and Subordination Agreements, and in the other Note Documents to which the Collateral Agent is a party, nor shall the Collateral Agent have or be deemed to have any trust or other fiduciary relationship with the Issuer, any Holder or any Grantor, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement, the Collateral Documents and the Intercreditor and Subordination Agreements or otherwise exist against the Collateral Agent. Without limiting the generality of the foregoing sentence, the use of the term "agent" in this Agreement with reference to the Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

88

(b) The Collateral Agent may perform any of its duties under this Agreement, the Collateral Documents, the Note Documents or the Intercreditor Agreement (if any) by or through receivers, agents, employees, attorneys-in-fact or with respect to any specified Person, such Person's Affiliates, and the respective officers, directors, employees, agents, advisors and attorneys-in-fact of such Person and its Affiliates, (a "Related Person") and shall be entitled to seek and rely on advice of counsel and other advisors or advisory committees of any Secured Party concerning all matters pertaining to such duties, and shall be entitled to act upon, and shall be fully protected in taking action in reliance upon any advice or opinion given by legal counsel or such other advisors or advisory committees of any Secured Party. The Collateral Agent shall not be responsible for the negligence or willful misconduct of any receiver, agent, employee, attorney-in-fact or Related Person that it selects as long as such selection was made in good faith.

(c) None of the Collateral Agent or any of its respective Related Persons shall (i) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or the transactions contemplated hereby (except for its own gross negligence or willful misconduct) or under or in connection with any Collateral Document, Note Document or the Intercreditor Agreement (if any) or the transactions contemplated thereby (except for its own gross negligence or willful misconduct), or (ii) be responsible in any manner to any Holder for any recital, statement, representation, warranty, covenant or agreement made by the Issuer or any other Grantor or Affiliate of any Grantor, or any Officer or Related Person thereof, contained in this Agreement, or any other Note Documents, or in any certificate, report, statement or other document referred to or provided for in, or received by the Collateral Agent under or in connection with, this Agreement, the Collateral Documents, the Note Documents or the Intercreditor and Subordination Agreements (if any), or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement, the Collateral Documents, the Note Documents or the Intercreditor Agreement, or for any failure of any Grantor or any other party to this Agreement, the Collateral Documents, the Note Documents or the Intercreditor and Subordination Agreements to perform its obligations hereunder or thereunder. None of the Collateral Agent or any of its respective Related Persons shall be under any obligation to any Holder to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement, the Collateral Documents, the Note Documents or the Intercreditor and Subordination Agreements or to inspect the properties, books, or records of the Issuer, any Guarantor or any Guarantor's Subsidiaries or Affiliates.

89

(d) The Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, facsimile, certification, telephone message, statement, or other communication, document or conversation (including those by telephone or e-mail) reasonably believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person or Persons, and upon advice and statements of legal counsel (including, without limitation, counsel to the Issuer or any other Guarantor), independent accountants and other experts, advisory committees, and advisors selected by the Collateral Agent. The Collateral Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, or other paper or document reasonably believed by it to be genuine and correct. The Collateral Agent shall be fully justified in failing or refusing to take any action under this Agreement, the Collateral Documents, the Note Documents or the Intercreditor and Subordination Agreements unless it shall first receive such advice or concurrence of the Holders of a majority in aggregate principal amount of the Convertible Notes as it determines and, if it so requests, it shall first be indemnified to its satisfaction by the Holders against any and all liability, loss and expense which may be incurred by it by reason of taking or continuing to take any such action. The Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement, the Collateral Documents, the Note Documents or the Intercreditor and Subordination Agreements in accordance with a request, direction, instruction or consent of the Holders of a majority in aggregate principal amount of the then outstanding Convertible Notes and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Holders.

(e) The Collateral Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default (each as defined in the Convertible Notes), unless a responsible officer of the Collateral Agent shall have received written notice from the Holders of a majority of the principal amount of the Convertible Notes or the Issuer referring to this Agreement or the Convertible Notes, describing such Default or Event of Default and stating that such notice is a "notice of default." The Collateral Agent shall take such action with respect to such Default or Event of Default as may be requested by the Holders of a majority in aggregate principal amount of the Convertible Notes.

(f) The Collateral Agent may resign at any time by notice to the Issuer, such resignation to be effective upon the acceptance of a successor agent to its appointment as Collateral Agent. If the Collateral Agent resigns under this Agreement, the Issuer shall appoint a successor collateral agent. If no successor collateral agent is appointed prior to the intended effective date of the resignation of the Collateral Agent (as stated in the notice of resignation), the Collateral Agent may appoint, after consulting with the Holders, subject to the consent of the Issuer (which shall not be unreasonably withheld and which shall not be required during a continuing Event of Default), a successor collateral agent. If no successor collateral agent is appointed and consented to by the Issuer pursuant to the preceding sentence within thirty (30) days after the

intended effective date of resignation (as stated in the notice of resignation) the Collateral Agent shall be entitled to petition a court of competent jurisdiction to appoint a successor. Upon the acceptance of its appointment as successor collateral agent hereunder, such successor collateral agent shall succeed to all the rights, powers and duties of the retiring Collateral Agent, and the term “Collateral Agent” shall mean such successor collateral agent, and the retiring Collateral Agent’s appointment, powers and duties as the Collateral Agent shall be terminated. After the retiring Collateral Agent’s resignation hereunder, the provisions of this Section 11 (and Section 9) shall continue to inure to its benefit and the retiring Collateral Agent shall not by reason of such resignation be deemed to be released from liability as to any actions taken or omitted to be taken by it while it was the Collateral Agent under this Agreement.

90

(g) DBFIP shall initially act as Collateral Agent and shall be authorized to appoint co- Collateral Agents as necessary in its sole discretion. Except as otherwise explicitly provided herein or in the Collateral Documents, the Note Documents or the Intercreditor and Subordination Agreements (if any), neither the Collateral Agent nor any of its respective officers, directors, employees or agents or other Related Persons shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The Collateral Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither the Collateral Agent nor any of its officers, directors, employees or agents shall be responsible for any act or failure to act hereunder, except for its own gross negligence or willful misconduct.

(h) The Collateral Agent is authorized and directed to (i) enter into the Collateral Documents and other Note Documents to which it is party, whether executed on or after the Closing, (ii) enter into the Intercreditor and Subordination Agreements, (iii) make the representations of the Holders set forth in the Collateral Documents, the Note Document and Intercreditor and Subordination Agreements, (iv) bind the Holders on the terms as set forth in the Collateral Documents, the Note Documents and the Intercreditor and Subordination Agreements and (v) perform and observe its obligations under the Collateral Documents, the Note Document and the Intercreditor and Subordination Agreements (if any).

(i) The Collateral Agent is each Holder’s agent for the purpose of perfecting the Holders’ security interest in assets which, in accordance with Article 9 of the Uniform Commercial Code can be perfected only by possession. Should a Holder obtain possession of any such Collateral, such Holder shall notify the Collateral Agent thereof and promptly shall deliver such Collateral to the Collateral Agent or otherwise deal with such Collateral in accordance with the Collateral Agent’s instructions.

(j) The Collateral Agent shall have no obligation whatsoever to any of the Holders to assure that the Collateral exists or is owned by the Issuer or any Guarantor or is cared for, protected, or insured or has been encumbered, or that the Collateral Agent’s Liens have been properly or sufficiently or lawfully created, perfected, protected, maintained or enforced or are entitled to any particular priority, or to determine whether all or any part of such Issuer’s or Guarantor’s property constituting Collateral intended to be subject to the Lien and security interest of the Collateral Documents has been properly and completely listed or delivered, as the case may be, or the genuineness, validity, marketability or sufficiency thereof or title thereto, or to exercise at all or in any particular manner or under any duty of care, disclosure, or fidelity, or to continue exercising, any of the rights, authorities, and powers granted or available to the Collateral Agent pursuant to this Agreement, any Collateral Document, Note Document or the Intercreditor and Subordination Agreements (if any) other than pursuant to the instructions of the Holders of a majority in aggregate principal amount of the Convertible Notes or as otherwise provided in the Collateral Documents and/or the Note Documents, it being understood and agreed that in respect of the Collateral, or any act, omission, or event related thereto, the Collateral Agent shall have no other duty or liability whatsoever to the any Holder as to any of the foregoing.

91

(k) No provision of this Agreement, the Intercreditor and Subordination Agreements or any Collateral Document or any other Note Document shall require the Collateral Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or to take or omit to take any action hereunder or thereunder or take any action at the request or direction of Holders if it shall have received indemnity satisfactory to the Collateral Agent against potential costs and liabilities incurred by the Collateral Agent relating thereto. Notwithstanding anything to the contrary contained in this Agreement, the Intercreditor and Subordination Agreements (if any) or the Collateral Documents or Note Documents, in the event the Collateral Agent is entitled or required to commence an action to foreclose or otherwise exercise its remedies to acquire control or possession of the Collateral, the Collateral Agent shall not be required to commence any such action or exercise any remedy or to inspect or conduct any studies of any property under the mortgages or take any such other action if the Collateral Agent has determined that the Collateral Agent may incur personal liability as a result of the presence at, or release on or from, the Collateral from the Liens created under the Collateral Documents or such property, of any hazardous substances unless the Collateral Agent has received security or indemnity from the Holders in an amount and in a form all satisfactory to the Collateral Agent in its sole discretion, protecting the Collateral Agent from all such liability. The Collateral Agent shall at any time be entitled to cease taking any action set forth in this paragraph

~~(k)~~ (k) if it no longer reasonably deems any indemnity, security or undertaking from the Issuer or the Holders to be sufficient.

~~(l)~~ (l) The Collateral Agent (i) shall not be liable for any action taken or omitted to be taken by it in connection with this Agreement, the Intercreditor and Subordination Agreements (if any), the Collateral Documents and/or Note Documents or any document or instrument referred to herein or therein, except to the extent that any of the foregoing are found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from its own gross negligence or willful misconduct, (ii) shall not be liable for interest on any money received by it except as the Collateral Agent may agree in writing with the Issuer (and money held in trust by the Collateral Agent need not be segregated from other funds except to the extent required by law) and (iii) may consult with counsel of its selection and the advice or opinion of such counsel as to matters of law shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it in good faith and in accordance with the advice or opinion of such counsel. The grant of permissive rights or powers to the Collateral Agent shall not be construed to impose duties to act.

~~(m)~~ (m) The Collateral Agent shall not be liable for delays or failures in performance resulting from acts beyond its control. Such acts shall include but not be limited to acts of God, strikes, lockouts, riots, acts of war, epidemics, governmental regulations superimposed after the fact, fire, communication line failures, computer viruses, power failures, earthquakes or other disasters. The Collateral Agent shall not be liable for any indirect, special, punitive, incidental or consequential damages (included but not limited to lost profits) whatsoever, even if it has been informed of the likelihood thereof and regardless of the form of action.

92

~~(n)~~ (n) The Collateral Agent does not assume any responsibility for any failure or delay in performance or any breach by the Issuer or any other Grantor under this Agreement, the Intercreditor and Subordination Agreements, the Collateral Documents and/or the Note Documents. The Collateral Agent shall not be responsible to the Holders or any other person for any recitals, statements, information, representations or warranties contained in any Note Documents or in any certificate, report, statement, or other document referred to or provided for in, or received by the Collateral Agent under or in connection with, this Agreement, the Intercreditor and Subordination Agreements or any other Note Document; the execution, validity, genuineness, effectiveness or enforceability of the Intercreditor and Subordination Agreements and/or any other Note Document or Collateral Document of any other party thereto; the genuineness, enforceability, collectability, value, sufficiency, location or existence of any Collateral, or the validity, effectiveness, enforceability, sufficiency, extent, perfection or priority of any Lien therein; the validity, enforceability or collectability of any Obligations; the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any obligor; or for any failure of any obligor to perform its Obligations under this Agreement, the Intercreditor and Subordination Agreements and the Note Documents. The Holders, by their acceptance of the Convertible Notes, hereby authorize and direct the Collateral Agent to execute such Collateral Documents.

(q) (++) Subject to the provisions of the applicable Note Documents and the Intercreditor and Subordination Agreements, each Holder, by acceptance of the Convertible Notes, agrees that the Collateral Agent shall execute and deliver the Intercreditor and Subordination Agreements and the Note Documents to which it is a party and all agreements, documents and instruments incidental thereto, and act in accordance with the terms thereof. Subject to the terms of the Collateral Documents, if the Collateral Agent shall request direction from the Holders of a majority in aggregate principal amount of the then outstanding Convertible Notes with respect to any Action, the Collateral Agent shall be entitled to refrain from such Action unless and until the Collateral Agent shall have received direction from the Holders of a majority in aggregate principal amount of the then outstanding Convertible Notes, and the Collateral Agent shall not incur liability to any Person by reason of so refraining.

(t) (++) Notwithstanding anything to the contrary in this Agreement or any other Note Document, in no event shall the Collateral Agent be responsible for, or have any duty or obligation with respect to, the recording, filing, registering, perfection, protection or maintenance of the security interests or Liens intended to be created by this Agreement or the other Note Documents, including without limitation the filing or continuation of any UCC financing or continuation statements or similar documents or instruments, nor shall the Collateral Agent be responsible for, and the Collateral Agent makes no representation regarding, the validity, effectiveness or priority of any of the Collateral Documents or the security interests or Liens intended to be created thereby.

It is hereby expressly acknowledged and agreed that, in doing so, the Collateral Agent is (a) expressly authorized to make the representations attributed to Holders in any such agreements and (b) not responsible for the terms or contents of such agreements, or for the validity or enforceability thereof, or the sufficiency thereof for any purpose. Whether or not so expressly stated therein, in entering into, or taking (or forbearing from) any action under, the Intercreditor and Subordination Agreements or any other Collateral Documents or Note Documents, the Collateral Agent each shall have all of the rights, immunities, indemnities and other protections granted to it under this Agreement and the Convertible Note (in addition to those that may be granted to it under the terms of such other agreement or agreements).

11.3 Limitations on Liability of Collateral Agent. The Collateral Agent shall sign any amendment or supplement to this Agreement or any Note Document authorized pursuant to this Agreement or the Convertible Note if the amendment or supplement does not adversely affect the rights, duties, liabilities, protections, privileges, indemnities or immunities of the Collateral Agent. Without limiting the generality of the foregoing, the Obligations of each Note Party include (a) the obligation (irrespective of whether a claim therefor is allowed in a proceeding under any Debtor Relief Law) to pay principal, interest, fees, expenses, prepayment premiums, any Backstop Fee, Administration Fee, ~~Fundamental Change of Control~~ Repurchase Price, Waiver Fee or other Applicable Redemption Amount or Make-Whole Amount and/or Attorneys’ Fee (including, in each case as defined in the Term Loan Credit Agreement, any Applicable Prepayment Premium, End of Term Fee, Administration Fee, Origination Fees, Waiver Fee and/or Attorneys’ Fees) and disbursements, indemnities and other amounts payable by such Person under the Note Documents or the Term Loan Documents (other than the “Warrant” as defined in the “Initial Credit Agreement” as defined in the Term Loan Credit Agreement), (b) the obligation to pay all costs and expenses incurred by the Collateral Agent and/or any other Secured Party to obtain, preserve, perfect and enforce the security interest granted herein and to maintain, preserve and collect the property subject to the security interest, including but not limited to all reasonable Attorneys’ Fees and expenses of any Secured Party to enforce any Obligations whether or not by litigation and (c) the obligation to reimburse any amount in respect of any of the foregoing that any Secured Party (in its reasonable discretion pursuant to the terms of this Agreement or any other Note Document or Term Loan Document) may elect to pay or advance of behalf of such Note Party. The parties hereto hereby acknowledge and agree that the Collateral Agent holds the Collateral as defined in each of the Collateral Documents in trust for the benefit of the Collateral Agent and the Holders and pursuant to the terms of the Collateral Documents and the Intercreditor and Subordination Agreements (if any). Each Holder (including the Purchasers), by accepting a Convertible Note, consents and agrees to the terms of the Collateral Documents (including the provisions providing for the possession, use, release and foreclosure of Collateral) and the Intercreditor and Subordination Agreements (if any) as the same may be in effect or may be amended from time to time in accordance with their terms and this Agreement and the Intercreditor and Subordination Agreements (if any), and authorizes and directs the Collateral Agent to enter into the Collateral Documents, the Note Documents and the Intercreditor and Subordination Agreements and to perform its obligations and exercise its rights thereunder in accordance therewith. The Issuer on its own behalf or on the behalf of the Guarantors shall deliver (or cause to be delivered) to the Collateral Agent copies of all documents required to be filed pursuant to the Collateral Documents, and will do or cause to be done all such acts and things as may be reasonably required by the next sentence of this Section 11.4, to assure and confirm to the Collateral Agent the security interest in the Collateral contemplated hereby, by the Collateral Documents and the other Note Documents or any part thereof, as from time to time constituted, so as to render the same available for the security and benefit of this Agreement and of the Convertible Notes secured hereby, according to the intent and purposes herein expressed. The Note Parties shall take any and all actions and make all filings (including the filing of UCC financing statements, continuation statements and amendments thereto) required to cause the Collateral Documents to create and maintain, as security for the Obligations of the Issuer and the Guarantors to the Collateral Agent, the Purchasers, the Holders and any other Secured Parties under this Agreement, the Convertible Notes, the Note Guarantees, the Collateral Documents and the Note Documents, a valid and enforceable perfected Lien and security interest in and on all of the Collateral intended to be granted pursuant to the terms of the Collateral Documents (subject to the terms of the Intercreditor and Subordination Agreements and the Collateral Documents), in favor of the Collateral Agent for the benefit of the Holders and the Collateral Agent subject to no Liens other than Permitted Liens. In addition, in the event the Issuer or any Guarantor takes any action to grant or perfect a Lien in favor of the Secured Parties (as defined in the Term Loan Credit Agreement) in any assets, the Issuer or such Guarantor shall also take such action to grant or perfect a Lien in favor of the Collateral Agent without request of the Collateral Agent.

11.5 Delegation of Duties. Subject to the provisions of the Collateral Documents and the Intercreditor and Subordination Agreements, following an Event of Default, the Collateral Agent, without the consent of the Holders, on behalf of the Holders, may or may direct an agent acting on its behalf to take all actions it determines in order to: (a) enforce any of the terms of the Collateral Documents; and (b) collect and receive any and all amounts payable in respect of the Obligations hereunder. Subject to the provisions of the Collateral Documents and the Intercreditor and Subordination Agreements, the Collateral Agent shall have power to institute and to maintain such suits and proceedings as the Collateral Agent may determine to prevent any impairment of the Collateral granted pursuant to the Collateral Documents by any acts which may be unlawful or in violation of any of the Collateral Documents or this Agreement or the other Note Documents, and such suits and proceedings as the Collateral Agent may determine to preserve or protect its interests and the interests of the Collateral Agent and/or the Holders in such Collateral. Nothing in this Section shall be considered to impose any such duty or obligation to act on the part of the Collateral Agent.

11.6 Collateral Agent’s Receipt of Funds. Subject to the provisions of any Intercreditor and Subordination Agreements, the Collateral Agent is authorized to receive any funds for the benefit of the Holders distributed under the Collateral Documents, and to make further distributions of such funds to the Holders according to the provisions of this Agreement and the other Note Documents.

11.7 No Impairment. Except as otherwise permitted under this Agreement, the Intercreditor and Subordination Agreements (if any) and the Collateral Documents and Note Documents, neither the Issuer nor any of the Guarantors will be permitted to take any action, or knowingly omit to take any action, which action or omission would have the result of materially impairing the security interest with respect to the Collateral for the benefit of the Collateral Agent and the Holders.

11.8 Unauthorized Payments to Holders. If, at any time or times any Holder shall receive (i) by payment, foreclosure, setoff, or otherwise, any proceeds of Collateral or any payments with respect to the Guaranteed Obligations, except for any such proceeds or payments received by such Holders from the Collateral Agent pursuant to the terms of this Agreement, or (ii) payments from the Collateral Agent in excess of such Holder’s pro rata share of all such distributions by the Collateral Agent, such Holder promptly shall (A) turn the same over to the Collateral Agent, in kind, and with such endorsements as may be required to negotiate the same to the Collateral Agent, or in immediately available funds, as applicable, for the account of all of the Holders and for application to the Obligations in accordance with the applicable provisions of this Agreement, or (B) purchase, without recourse or warranty, an undivided interest and participation in the Guaranteed Obligations owed to the other Holders so that such excess payment received shall be applied ratably as among the Holders in accordance with their pro rata shares; provided, that to the extent that such excess payment received by the purchasing party is thereafter recovered from it, those purchases of participations shall be rescinded in whole or in part, as applicable, and the applicable portion of the purchase price paid therefor shall be returned to such purchasing party, but without interest except to the extent that such purchasing party is required to pay interest in connection with the recovery of the excess payment.

11.9 Obligation to Pledge. If the Issuer or any Guarantor acquires any assets or property that are required to become Collateral pursuant to this Agreement, the Convertible Note, the Note Documents or the Collateral Documents or the Term Loan Credit Agreement or the Term Loan Documents or the Priority Lien Documents, or any Subsidiary becomes a Guarantor that is required to pledge its assets or property as Collateral pursuant to this Agreement or the other Note Documents, the Term Loan Credit Agreement or the Term Loan Documents or the Priority Lien Documents, the Issuer or, as the context may require, such Guarantor shall promptly (and in any event within the time period(s) required by the Collateral and Guarantee Requirements (or such longer period as the Collateral Agent may agree in its sole discretion)) execute a joinder to an

existing Collateral Document or enter into a new Collateral Document (in each case, to the extent necessary to cause such Collateral be so pledged) and take such steps necessary to validly perfect the Collateral Agent's Lien (to the extent required by the Note Documents and/or as the context may require the Term Loan Documents). To the extent that the Issuer or a Guarantor is entering into a joinder, entering into a new Collateral Document, or taking other steps to perfect a Lien in order to secure the obligations evidenced by the Term Loan Documents, the Issuer and Guarantors shall take the same steps in connection with this Agreement (with such changes as are appropriate to reflect the applicable priority of the Lien, or the applicable perfection requirements, consistent with the terms of the Note ~~Security~~ Documents, the Intercreditor and Subordination Agreements and the Liens being created on the Closing Date), which shall satisfy the Obligations hereunder, and the Collateral Agent, as applicable, is authorized and directed to execute any documentation consistent therewith. The Issuer and each Guarantor shall execute such further documents, financing statements, agreements and instruments, and take all further commercially reasonable further actions (including the filing and recording of financing statements or amendments or continuation statements or equivalent in respect thereof), that may be required under any applicable Law, to ensure that the Liens of the Secured Parties under the Note Documents on the Collateral remain perfected (to the extent required by the Note Documents) with the priority required by the Note Documents and the Intercreditor and Subordination Agreements, all at the expense of the Issuer and Guarantors and provide to the Collateral Agent and the Holders, from time to time upon reasonable request, evidence reasonably satisfactory to the Collateral Agent as to the perfection and priority of the Liens created or intended to be created by the Note Documents. It being understood and agreed that the Issuer and Guarantors shall not be required to provide, and neither the Collateral Agent nor the Holders shall request, any additional Liens in respect of the Excluded Assets.

The Issuer or the relevant Guarantor shall furnish to the Holder, as soon as practicable, after the date the payment of any Taxes so deducted or withheld is made, certified copies of Tax receipts evidencing payment by the Issuer or a Guarantor, as the case may be, a copy of any return reporting such payment or other evidence of such payment reasonably satisfactory to the Holder.

In addition, if reasonably requested by the Issuer, such Holder shall deliver such other documentation prescribed by applicable law and reasonably requested by the Issuer as will enable the Issuer to determine whether or not such Holder is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Sections 13.4(b)(1), (b)(2), and (b)(4) below) shall not be required if in the Holder's reasonable judgment such completion, execution or submission would subject such Holder to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Holder or if such Holder is legally prohibited from completing, executing or submitting such documentation or cannot obtain, using best efforts and following a good faith effort to do so, any information requested by the Issuer.

(b) Without limiting the generality of the foregoing,

(1) Any Holder that is a U.S. Person shall deliver to the Issuer on or prior to the date on which such Holder becomes a Holder under this Agreement (and from time to time thereafter upon the reasonable request of the Issuer), executed copies of IRS Form W-9 certifying that such Holder is exempt from U.S. federal backup withholding tax;

(A) in the case of a Foreign Holder claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Note Document, executed copies of IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Note Document, executed copies of IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(B) executed copies of IRS Form W-8ECI;

(C) in the case of a Foreign Holder claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit C-1 to the effect that such Foreign Holder is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10-percent shareholder" of the Issuer or of Airspan within the meaning of Section 881(c)(3)(B) of the Code or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN or W-8BEN-E; or

(D) to the extent a Foreign Holder is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit C-2 or Exhibit C-3, IRS Form W-9 and/or other certification documents from each beneficial owner, as applicable; provided that, if the Foreign Holder is a partnership and one or more direct or indirect partners of such Foreign Holder are claiming the portfolio interest exemption, such Foreign Holder may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit C-4 on behalf of each such direct and indirect partner;

(3) any Foreign Holder shall, to the extent it is legally entitled to do so, deliver to the Issuer (in such number of copies as shall be requested by the Issuer) on or prior to the date on which such Foreign Holder becomes a Holder under this Agreement (and from time to time thereafter upon the reasonable request of the Holder), executed copies of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Issuer to determine the withholding or deduction required to be made; and

(4) if a payment made to a Holder under any Note Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Holder were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Holder shall deliver to the Issuer at the time or times prescribed by law and at such time or times reasonably requested by the Issuer such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Issuer as may be necessary for the Issuer to comply with their obligations under FATCA and to determine that such Holder has complied with such Holder's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (4), "FATCA" shall include any amendments made to FATCA after the Closing Date.

104

Each Holder agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Issuer in writing of its legal inability to do so.

13.5 Tax Indemnification. The Issuer and the Guarantors shall jointly and severally indemnify each Holder, and shall make payment in respect thereof within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 13) payable or paid by such Holder or required to be withheld or deducted from a payment to such Holder, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto (including any recording and filing fees with respect thereto or resulting therefrom and any liabilities with respect to, or resulting from, any delay in paying such Indemnified Taxes), whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Issuer or a Guarantor by the applicable Holder shall be conclusive absent manifest error. If the Issuer and the Guarantors fail to timely pay to the appropriate Governmental Authority any Taxes payable under this Section 13, the Issuer and the Guarantors shall indemnify the Holder for any incremental taxes, interest or penalties that may become payable by such Holder as a result of any such failure. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified by a Note Party pursuant to this Section 13.5 (including by the payment of additional amounts pursuant to this Section 13.5), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 13.5 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided, that the indemnifying party, upon the request of such indemnified party, agrees to repay such indemnified party the amount paid over to the indemnifying party pursuant to this Section 13.5 (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 13.5, in no event will the indemnified party be required to pay any amount to any Note Parties pursuant to this Section 13.5, the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 13.5 shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

105

13.6 VAT. Notwithstanding anything in this Section 13 to the contrary:

(a) All amounts expressed to be payable under a Note Document by the Issuer or any Guarantor to a Secured Party which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, subject to paragraph (~~ib~~) below, if VAT is or becomes chargeable on any supply made by any Holder to the Issuer or any Guarantor under a Note Document and such Secured Party is required to account to the relevant tax authority for the VAT, the Issuer or applicable Guarantor must pay to such Secured Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and such Holder must promptly provide an appropriate VAT invoice to the Issuer or applicable Guarantor).

(b) If VAT is or becomes chargeable on any supply made by any Secured Party (the "Supplier") to any other Secured Party (the "Specified Recipient") under a Note Document, and the Issuer or any Guarantor other than the Specified Recipient (the "Relevant Party") is required by the terms of any Note Document to pay an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Specified Recipient in respect of that consideration):

(1) (where the Supplier is the Person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Specified Recipient must (where this paragraph (A1) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Specified Recipient receives from the relevant tax authority which the Specified Recipient reasonably determines relates to the VAT chargeable on that supply; and

(2) (where the Specified Recipient is the Person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Specified Recipient, pay to the Specified Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Specified Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.

(c) Where a Note Document requires the Issuer or any Guarantor to reimburse or indemnify a Secured Party for any cost or expense, the Issuer or applicable Guarantor shall reimburse or indemnify (as the case may be) such Holder for the full amount of such cost or expense, including such part thereof as represents VAT, save to the extent that such Secured Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.

(d) Any reference in this Section 13.6 to the Issuer or any Guarantor shall, at any time when such Person is treated as a member of a group for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the representative member of such group at such time (the term "representative member" to have the same meaning as in the Value Added Tax Act 1994).

106

(e) In relation to any supply made by a Secured Party to the Issuer or any Guarantor under a Note Document, if reasonably requested by such Holder, the Issuer or applicable Guarantor must promptly provide such Secured Party with details of that the Issuer or applicable Guarantor's VAT registration and such other information as is reasonably requested in connection with such Secured Party's VAT reporting requirements in relation to such supply

13.7 Survival. Each party's obligations under this Section 13 shall survive any assignment of rights by, or the replacement of, a Holder or beneficial owner of its Convertible Notes and the repayment, satisfaction or discharge of all obligations under any Note Document, and will apply, mutatis mutandis, to any jurisdiction in which any successor Person to the Issuer (or any Guarantor) is incorporated, engaged in business, organized or resident for tax purposes, or any jurisdiction from or through which payment is made under or with respect to the Convertible Notes (or any Note Guarantee) by or on behalf of such Person and, in each case, any political subdivision thereof or therein.

Section 14. Miscellaneous.

14.1 Acknowledgement of Reliance. Each Purchaser acknowledges that the Issuer will rely on the acknowledgments, understandings, agreements, representations and warranties of such Purchaser contained in this Agreement. Prior to the Closing, each Purchaser agrees to promptly notify the Issuer if it becomes aware that any of the acknowledgments, understandings, agreements, representations and warranties of such Purchaser set forth herein are no longer accurate in any material respect (other than those acknowledgments, understandings, agreements, representations and warranties qualified by materiality, in which case such Purchaser shall notify the Issuer if they are no longer accurate in any respect). The Issuer acknowledges that the Purchasers will rely on the acknowledgments, understandings, agreements, representations and warranties contained in this Agreement. Prior to the Closing, the Issuer agrees to promptly notify the Purchasers if it becomes aware that any of the acknowledgments, understandings, agreements, representations and warranties of the Issuer set forth herein are no longer accurate in any material respect (other than those acknowledgments, understandings, agreements, representations and warranties qualified by materiality, in which case the Issuer shall notify the Purchasers if they are no longer accurate in any respect).

14.2 Disclosure of Agreement. Each of the Issuer, Airspan, the Collateral Agent and each of the Purchasers is irrevocably authorized to produce this Agreement or a copy hereof to any interested party in any administrative or legal proceeding or official inquiry with respect to the matters covered hereby.

14.3 Registration; Exchange; Substitution of Convertible Notes

(a) Registration of Convertible Notes. The Issuer shall keep at its principal executive office a register with the names and address of the holders of the Convertible Notes. Such register will include the name and address of each holder of one or more Convertible Notes, each transfer thereof and the name and address of each transferee of one or more Convertible Notes shall be registered in such register. Prior to due presentment for registration of transfer, the Person in whose name any Convertible Note shall be registered shall be deemed and treated as the owner and holder thereof for all purposes hereof. The Issuer shall give to any holder of a Convertible Note that is an ~~Institutional Investor~~ institutional investor promptly upon request there for, a complete and correct copy of the names and addresses of all registered holders of Convertible Notes.

107

(b) Transfer and Exchange of Convertible Notes Upon surrender of any Convertible Note to the Issuer at the address and to the attention of the designated officer (all as specified in Section 12.1), for registration of transfer or exchange (and in the case of a surrender for registration of transfer accompanied by a written instrument of transfer duly executed by the registered holder of such Convertible Note or such holder's attorney duly authorized in writing and accompanied by the relevant name, address and other information for notices of each transferee of such Convertible Note or part thereof), promptly, but in any event not later than five (5) Business Days thereafter, the Issuer shall execute and deliver, at the Issuer's expense (except as provided below), one or more new Convertible Notes (as requested by the holder thereof) of the same series (and of the same tranche if such series has separate tranches) in exchange therefor, in an aggregate principal amount equal to the unpaid principal amount of the surrendered Convertible Note. Each such new Convertible Note shall be payable to such Person as such holder may request and shall be substantially in the form of the Convertible Note of such ~~Series~~ series originally issued hereunder or pursuant to any ~~Supplement~~ supplement. Each such new Convertible Note shall be dated and bear interest from the date to which interest shall have been paid on the surrendered Convertible Note or dated the date of the surrendered Convertible Note if no interest shall have been paid thereon. The Issuer may require payment of a sum sufficient to cover any stamp tax or governmental charge imposed in respect of any such transfer of Convertible Notes. Any transferee, by its acceptance of a Convertible Note registered in its name (or the name of its nominee), shall be deemed to have made the representation set forth in Section 3.2, provided, that in lieu thereof such holder may (in reliance upon information provided by the Issuer, which shall not be unreasonably withheld) make a representation to the effect that the purchase by any holder of any Convertible Note will not constitute a non-exempt prohibited transaction under section 406(a) of ERISA.

(c) Pledges Not Deemed Transfers The Issuer acknowledges and agrees that, notwithstanding anything herein to the contrary, the Convertible Notes (and Underlying Shares) may be pledged by the Purchasers in connection with a bona fide credit facility, which shall not be deemed to be a transfer, sale or assignment of the Convertible Notes (and Underlying Shares) hereunder, and the Purchasers effecting a pledge of any Convertible Notes (or Underlying Shares) shall not be required to provide the Issuer with any notice thereof or otherwise make any delivery to the Issuer pursuant to this Agreement. The Issuer hereby agrees to execute and deliver such documentation as a pledgee of any Convertible Notes (or Underlying Shares) may reasonably request in connection with a pledge of any Convertible Notes (or Underlying Shares) to such pledgee by the Purchasers.

14.4 Assignments. Neither this Agreement nor any rights that may accrue to a Holder hereunder (other than the Convertible Notes acquired hereunder and the corresponding Underlying Shares (if any) and such Holder's rights under Section 5 hereof) may be transferred or assigned. Neither this Agreement nor any rights that may accrue to the Issuer hereunder may be transferred or assigned (provided, that, for the avoidance of doubt, the Issuer may transfer this Agreement and its rights hereunder solely

in connection with the consummation of the Transaction and exclusively to another entity under the control of, or under common control with, the Issuer). Notwithstanding the foregoing, a Holder may assign its rights and obligations under this Agreement to one or more of its Affiliates (including, without limitation, other investment funds or accounts managed or advised by the investment manager who acts on behalf of a Holder or by an Affiliate) or, with the Issuer's prior written consent, to another Person, provided that (i) such assignee(s) agrees in writing to be bound by the terms hereof, and upon such assignment by a Holder, the assignee(s) shall become a Holder hereunder and have the rights and obligations and be deemed to make the representations and warranties of each Holder provided for herein to the extent of such assignment and (ii) no such assignment shall relieve a Purchaser of its obligations hereunder if any such assignee fails to perform such obligations.

14.5 Survival. All the agreements, representations and warranties, covenants, and other agreements and undertakings made by each party hereto in this Agreement (including the representations and warranties in [Section 3](#), the guaranty in [Section 7](#), the indemnification provisions in [Section 9](#), the collateral agency provisions in [Section 11](#), and the costs and expenses provisions of [Section 14.21](#)) shall survive the Closing.

For the avoidance of doubt, if for any reason the Closing does not occur prior to the consummation of the Transaction, all representations, warranties, covenants and agreements of the parties hereunder shall survive the consummation of the Transaction and remain in full force and effect. All representations and warranties contained herein or in any [Supplement](#) shall survive the execution and delivery of this Agreement, such supplement hereto and the Convertible Notes, the purchase or transfer by any Holder of any such Convertible Note or portion thereof or interest therein and the payment of any Convertible Note may be relied upon by any subsequent holder of any such Convertible Note, regardless of any investigation made at any time by or on behalf of any Holder or any other holder of any such Convertible Note. All statements contained in any certificate or other instrument delivered by or on behalf of the Issuer pursuant to this Agreement shall be deemed representations and warranties of the Issuer under this Agreement.

14.6 Affiliate Activities. The obligations of the Holders hereunder are several and no Holder shall be responsible for the obligations of any other Holder hereunder. The Issuer and each of the Guarantors hereby expressly acknowledge that certain of the Collateral Agent, Holders and/or certain Affiliates of the Fortress Investment Group (collectively, "FIG") are, or on or after the Closing Date may become, direct or indirect owners of warrants or of Equity Interests of the Issuer or the Guarantors. Notwithstanding any common ownership and/or control between FIG, on the one hand, and the Holders and the Collateral Agent, on the other hand, (i) the Issuer and each Guarantor acknowledge and agree that: (a) FIG, on the one hand, and the Holders and the Collateral Agent, on the other hand, are separate and distinct legal entities and (b) the Holders and the Collateral Agent may exercise all the rights, privileges and benefits of the holder the Collateral Agent, or as the context may require, of any Convertible Note and enforce all remedies and other provisions hereunder and under any other Note Document without regard to the fact that FIG is an owner of warrants or of Equity Interests of a Notes Party; (ii) to the maximum extent permitted by applicable Law, (x) the Issuers and the Guarantors hereby waive and release any and all defenses, affirmative defenses, set-offs, claims, counterclaims or causes of action of any kind of nature that the Issuers and Guarantors may have against FIG or the Secured Parties relating to any Convertible Note, this Agreement or the other Note Documents, or the enforcement by FIG or the Holder or any other Secured Party of the rights and remedies hereunder and thereunder, arising by reason of the fact that FIG or any Holder or any other Secured Party is an owner of warrants or of other Equity Interests of the Issuer or any Guarantor and (y) the Issuer and each of the Guarantors waive any and all defenses, affirmative defenses, setoffs, claims counterclaims or causes of action of any kind or nature that the Issuer and any of the Guarantors may have against FIG arising by reason of the fact that FIG or any Holder or any other Secured Party holds warrants or other Equity Interests and is also acting in its capacity as the Collateral Agent and/or a Holder or other Secured Party hereunder; and (iii) the Issuer and each of the Guarantors covenant and agree never to institute or cause to be instituted or continue prosecution of any suit or cause of action or proceeding of any kind or nature whatsoever against the Secured Parties in contravention of the foregoing. Anything in this Agreement or any other Note Document to the contrary notwithstanding, each Holder hereby agrees with each other Holder that no Holder shall take any action to protect or enforce its rights arising out of this Agreement or any Convertible Note or otherwise with respect to the Obligations without first obtaining the prior written consent of the Collateral Agent or Required Holders (as applicable), it being the intent of the Holders that any such action to protect or enforce rights under this Agreement and any Convertible Note or otherwise with respect to the Obligations shall be taken in concert and at the direction or with the consent of the Collateral Agents or Required Holders (as applicable).

14.7 No Fiduciary Duty. The Collateral Agent, each Secured Party, and their Affiliates (collectively, solely for purposes of this paragraph, the "FIG Parties"), may have economic interests that conflict with those of the Issuer and the Guarantors, their other equityholders and/or their Affiliates. The Issuer and each Guarantor agrees that nothing in the Note Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any FIG Party, on the one hand, and the Issuer or such Guarantor, its equityholders or its Affiliates, on the other. The Issuer and each Guarantor acknowledges and agrees on its own behalf and on behalf of its subsidiaries that (i) the transactions contemplated by the Note Documents (including the exercise of rights and remedies hereunder and under the other Note Documents) are arm's-length commercial transactions between the FIG Parties, on the one hand, and the Issuer and/or Guarantors, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no FIG Party has assumed an advisory or fiduciary responsibility in favor of the Issuer or any Guarantor, its equityholders, its subsidiaries or its Affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any FIG Party has advised, is currently advising or will advise the Issuer or any Guarantor, its equityholders, subsidiaries or its Affiliates on other matters) or any other obligation to the Issuer or any Guarantor except the obligations expressly set forth in the Note Documents and (y) each FIG Party is acting solely as principal and not as the agent or fiduciary of the Issuer or any Guarantor on its own behalf and on behalf of its subsidiaries that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. The Issuer or each Guarantor agrees that neither it nor will any of its subsidiaries claim that the Collateral Agent or FIG Party has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Issuer or such Guarantor or any of their subsidiaries, in connection with such transaction or the process leading thereto.

14.8 Additional Information. The Issuer may request from the Holders such additional information as the Issuer may reasonably deem necessary to evaluate the eligibility of such Holders to acquire the Convertible Notes and to register the Underlying Shares (if any) for resale, and the Holders shall provide such information as may be reasonably requested; provided, that the Issuer agrees to keep any such information provided by a Holder confidential, except (i) as required by the federal securities laws, rules or regulations and (ii) to the extent such disclosure is required by other laws, rules or regulations, at the request of the staff of the Commission or regulatory agency or under the regulations of a stock exchange, in which case of clause (i) or (ii), the Issuer shall provide the applicable Holders with prior written notice of such permitted disclosure, and shall reasonably consult with the Holders regarding such disclosure. Each Holder acknowledges that subject to the conditions set forth in [Section 14.18](#), the Issuer may file a copy of this Agreement with the Commission as an exhibit to a periodic report of the Issuer or a registration statement of the Issuer; provided that such copy shall not identify the Holders and, if applicable, its investment adviser by name (except to the extent required by the federal securities laws, exchange rules, the Commission or any other securities authorities or any rules and regulations promulgated thereby).

14.9 Amendments. This Agreement may not be amended, modified or waived except by an instrument in writing, signed by each of the parties hereto; provided, that:

(a) prior to the Closing, no amendment, modification or waiver of the provisions of this Agreement shall be effective without the prior written consent of the Issuer (other than amendments, modifications or waivers that (x) are solely ministerial in nature or otherwise immaterial and do not affect any economic or any other material term of this Agreement or (y) would not increase conditionality or impose any new obligation on Merger Sub or Airspan, reduce the principal amount of Convertible Notes

hereunder or reduce or impair the rights of Merger Sub hereunder), which consent shall not be unreasonably withheld, conditioned or delayed;

(b) on and after the Closing, the Issuer, the Guarantors and the Collateral Agent may amend or supplement this Agreement, the Convertible Notes and the Note Documents without the consent of any Holder:

(1) to add guarantees or additional guarantors with respect to the Issuer's obligations under this Agreement, the Convertible Notes or the other Note Documents;

(2) to allow any Guarantor to execute a Joinder Agreement or supplement to this Agreement to join as guarantor or enter into another guarantee in form and substance satisfactory to the Collateral Agent to guarantee the obligations under the Note Documents (each, a "Note Guarantee") or to release a Guarantor as provided in this Agreement;

(3) to provide for the assumption of the Issuer's or a Guarantor's obligations under this Agreement and under the Note Documents or Note Guarantees, as applicable, by a successor company to the extent permitted by this Agreement and the Convertible Notes;

111

(4) to surrender any right or power conferred upon the Issuer, Airspan or another Guarantor under this Agreement;

(5) to add to the Issuer's or a Guarantor's covenants for the benefit of the Secured Parties and/or the Collateral Agent;

(6) to cure any ambiguity or correct any inconsistency or defect in this Agreement or in the Note Documents that does not adversely affect any Holder in any material respect;

(7) to evidence the acceptance of appointment by a successor Collateral Agent (to the extent that such successor is appointed in accordance with the terms of this Agreement and/or the applicable Note Documents);

(8) to make, complete, confirm or add any grant of Collateral permitted or required by this Agreement, the Convertible Note, the Intercreditor and Subordination Agreements or any of the Note Documents or any release of Collateral that is permitted under this Agreement, the Intercreditor and Subordination Agreements and the Note Documents;

(9) to provide for the issuance of additional Convertible Notes in accordance with the limitations set forth in this Agreement and in the Convertible Notes as of the date hereof;

(10) to provide for the succession of any parties to the Note Documents (and other amendments that are administrative or ministerial in nature) in connection with an amendment, renewal, extension, substitution, refinancing, restructuring, replacement, supplementing or other modification from time to time of the Term Loan Credit Agreement or any other agreement that is not prohibited by this Agreement or the Note Documents;

(11) to amend the Intercreditor and Subordination Agreements or otherwise enter into a new intercreditor agreement in respect of any Term Loan Obligations

(12) in a manner permitted under the Convertible Notes to the extent permitted under the Intercreditor and Subordination Agreements and provided such amended or such new intercreditor agreement is not less favorable to the Secured Parties (taken as a whole) than the Intercreditor and Subordination Agreements in effect as of the initial Closing

(13) to the extent required under the Intercreditor and Subordination Agreements, to conform any Note Documents to reflect permitted amendments or modifications to comparable provisions under any security documents in respect of obligations incurred pursuant to the Term Loan Credit Agreement and the Term Loan Documents or any other Priority Lien Obligations; or

(14) to make any other change; provided that such change individually, or in the aggregate with all other such changes, does not, and will not, adversely affect the legal rights of any Holder in any material respect.

112

(c) on and after Closing, with the consent of the Required Holders, the Collateral Agent may amend the Convertible Notes for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, the Convertible Notes; provided, however, that no such amendment shall, without the consent of the Required Holders affected thereby:

(1) change: (i) the maturity of the principal of, or any installment of interest on, any Convertible Note; or (ii) the coin or currency in which the principal of or interest on any Convertible Note is payable;

(2) reduce the principal amount thereof or the interest rate thereon (except to reflect a reduction in principal amount as a result of a prepayment in accordance with the terms hereof and of the Convertible Notes);

(3) increase the Conversion Price (as defined therein) thereof;

(4) reduce the percentage in principal amount of the outstanding Convertible Notes the consent of whose holders is required for any amendment or waiver as provided for in the Convertible Notes; or

(5) amend, modify or waive this Section 14.9.

Prompt written notice that any Convertible Note has been amended or interpreted in accordance with the terms of this Section 14.9 shall be given to each holder of a Convertible Note. The Issuer will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to the provisions of this Section 14.9 to each holder of outstanding Convertible Notes promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite holders of Convertible Notes.

The Issuer will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security or provide other credit support, to any holder of Convertible Notes as consideration for or as an inducement to the entering into by any holder of Convertible Notes of any waiver or amendment of any of the terms and provisions hereof or any other Note Document unless such remuneration is concurrently paid, or security is concurrently granted

or other credit support is concurrently provided, on the same terms, ratably to each holder of Convertible Notes then outstanding even if such holder did not consent to such waiver or amendment.

Any amendment or waiver consented to as provided in this Section 14.9 applies equally to all holders of Convertible Notes and is binding upon them and upon each future holder of any Convertible Note and upon the Issuer without regard to whether such Convertible Note has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant, agreement, Default or Event of Default not expressly amended or waived or impair any right consequent thereon. No course of dealing between the Issuer or any Guarantor and the holder of any Convertible Note nor any delay of any Holder or the Collateral Agent in exercising any rights hereunder or under any Convertible Note shall operate as a waiver of any rights of any holder of such Convertible Note. As used herein, the term “this Agreement” and references thereto shall mean this Agreement as it may from time to time be amended or supplemented. Upon such amendment or interpretation, the Convertible Notes shall be deemed modified in accordance therewith, such amendment or interpretation shall form a part of the Convertible Notes for all purposes, and every subsequent holder of a Convertible Note shall be bound thereby.

113

14.10 [Reserved].

14.11 Successors and Assigns. Except as otherwise provided herein (including the next sentence hereof), this Agreement is intended for the benefit of the parties hereto and their respective Affiliates and their respective heirs, executors, administrators, successors, legal representatives, and permitted assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other person. Except as set forth in Section 8, Section 14.1, Section 14.2, Section 14.4, Section 14.9 and this Section 14.11, this Agreement shall not confer any rights or remedies upon any person other than the parties hereto, and their respective successor and assigns, and the parties hereto acknowledge that such persons so referenced are third-party beneficiaries of this Agreement for the purposes of, and to the extent of, the rights granted to them, if any, pursuant to the applicable provisions.

14.12 [Reserved].

14.13 Third Party Beneficiaries. Nothing in this Agreement or any Note Document, whether express or implied, is intended to (a) confer any benefits, rights or remedies under or by reason of this Agreement on any Persons other than the express parties to it and their respective permitted successors and assigns; (b) relieve or discharge the obligation or liability of any Person not an express party to this Agreement; or (c) give any Person not an express party to this Agreement any right of subrogation or action against any party to this Agreement.

14.14 Severability of Provisions. If any provision of this Agreement shall be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions of this Agreement shall not in any way be affected or impaired thereby and shall continue in full force and effect.

14.15 No Waivers or Election of Remedies. No failure or delay by a party hereto in exercising any right, power or remedy under this Agreement, and no course of dealing between the parties hereto, shall operate as a waiver of any such right, power or remedy of such party. No single or partial exercise of any right, power or remedy under this Agreement by a party hereto, nor any abandonment or discontinuance of steps to enforce any such right, power or remedy, shall preclude such party from any other or further exercise thereof or the exercise of any other right, power or remedy hereunder. The election of any remedy by a party hereto shall not constitute a waiver of the right of such party to pursue other available remedies. No notice to or demand on a party not expressly required under this Agreement shall entitle the party receiving such notice or demand to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the party giving such notice or demand to any other or further action in any circumstances without such notice or demand.

114

14.16 Counterparts. This Agreement may be executed and delivered in one or more counterparts (including by facsimile or electronic mail or in .pdf) and by different parties in separate counterparts, with the same effect as if all parties hereto had signed the same document. All counterparts so executed and delivered shall be construed together and shall constitute one and the same agreement.

14.17 [Reserved].

14.18 Disclosure Document. The Issuer shall, by 9:00 a.m., New York City time, on the Business Day immediately following the date of this Agreement, issue one or more press releases or file with the Commission a Current Report on Form 8-K (collectively, the “Disclosure Document”) disclosing all material terms of the transactions contemplated hereby and any other material, nonpublic information that the Issuer has provided to the Purchasers at any time prior to the filing of the Disclosure Document. 2. Payments.

(a) The outstanding principal balance and other Obligations evidenced by this Convertible Note and the other Note Documents shall bear interest on and after the Original Issuance Date, at the then Applicable Rate. Interest shall be computed on the basis of a 360-day year of twelve (12) thirty (30) day months and shall accrue commencing on the Original Issuance Date. For the avoidance of doubt, any interest due and payable in respect of the Obligations shall include any interest calculated using the Default Rate to the extent applicable.

Notwithstanding anything to the contrary contained herein or in any other Note Document, the interest paid or agreed to be paid under the Note Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “Maximum Rate”). If the Holder receives interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal amount of the Obligations or, if it exceeds such unpaid principal, refunded to the Issuer. In determining whether the interest contracted for, charged, or received by the Holder exceeds the Maximum Rate, the Holder may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, Make-Whole Amount or premium rather than interest; (b) exclude voluntary prepayments and the effects thereof; and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations.

(b) Accrued interest, if any, on the principal amount of this Convertible Note shall be payable quarterly in arrears on each Interest Payment Date, with the first such payment to be made on September 30, 2021 (the “Initial Interest Payment Date”). Subject to the provisions of Section 4 hereof relating to the conversion of this Convertible Note, the entire principal sum hereof, together with any accrued and unpaid interest thereon (including post-petition interest in any proceeding under any Debtor Relief Law) and other Obligations (other than yet unasserted contingent obligations), shall be due and payable on the Maturity Date. Additionally, accrued and unpaid interest (including post-petition interest in any proceeding under any Debtor Relief Law) on the Obligations shall be due and payable upon any of the following: (i) the payment of the entire principal sum hereof; or (ii) conversion of this Convertible Note pursuant to the provisions of Section 4 hereof as to that portion of the principal amount so converted. Interest will be paid to the person in whose name a Convertible Note is registered at the Close of Business on the fifth (5th) calendar day prior to the relevant Interest Payment Date, whether or not a Business Day (the “Regular Record Date”).

(c) The principal amount and any accrued and unpaid interest of this Convertible Note shall be paid by wire transfer in immediately available funds in United States dollars at the account and/or wire directions provided by the Holder. If any day on which any amount is payable under this Convertible Note is not a Business Day, then the amount otherwise payable on that date will be made on the next succeeding day that is a Business Day (without any interest or other payment in respect of such delay) (each such day on which principal or interest is payable pursuant hereto, a “Payment Date”).

(d) Except as otherwise expressly provided herein, all holders of Convertible Notes must be treated equally with respect to such payment of interest amounts. Subject to the terms of the Intercreditor Agreement, in the event of any partial payment of principal or accrued interest, for whatever reason, any such partial payment of principal and/or interest on the Convertible Notes shall be allocated among the respective Convertible Notes and holders thereof so that the amount of such payments to each holder shall bear as nearly as practicable the same ratio to the aggregate amount then to be paid as the principal amount of the Convertible Notes then held by such holder bears to the aggregate principal amount of Convertible Notes then outstanding.

7

3. Seniority; Security Interest

(a) The indebtedness evidenced by this Convertible Note and the payment of the Obligations evidenced hereby and by the other Note Documents shall rank *pari passu* with the other Priority Lien Obligations and shall rank senior to, and have priority in right of payment over, all other indebtedness of Issuer and its Subsidiaries now or hereafter outstanding.

(b) This Convertible Note, along with the other Note Documents, is secured by a Lien on and security interest in certain assets of the Issuer and certain of its Subsidiaries, as described in the Collateral Documents and such security interest and guarantee shall be secured on a *pari passu* basis by the same persons and collateral and assets as the Liens securing the other Priority Lien Obligations. By its acceptance of this Convertible Note, the Holder has authorized the Collateral Agent to act on behalf of the Holder and other holders of the Convertible Notes, and in such capacity to enter into the Collateral Documents and the Intercreditor Agreement and certain other Note Documents, as the same may be amended, modified, restated or supplemented from time to time, and to exercise for the benefit of the Holder all rights, powers and remedies provided to the Collateral Agent, under or pursuant to the Collateral Documents, the Intercreditor Agreement and the other Note Documents including, without limitation, those available upon an Event of Default.

4. Conversion

4.1. Conversion Rights. The unpaid principal amount of this Convertible Note (together with all accrued but unpaid interest thereon) shall be convertible, in whole or in part, at the option of the Holder at any time prior to the payment in full of the principal amount of this Convertible Note (together with all accrued but unpaid interest thereon), into such number of shares of fully paid and non-assessable shares of Common Stock as is determined by dividing the principal amount of the Convertible Note so converted (together with all accrued but unpaid interest thereon) by the Conversion Price (the “Holder Conversion Right”). The Issuer shall pay any and all transfer agent fees, legal fees, costs and any other fees or costs that may be incurred or charged in connection with the issuance of shares of Common Stock to the Holder arising out of or relating to the conversion of this Convertible Note.

4.2. Issuance of Certificates. The Holder Conversion Right may be exercised by the Holder by the surrender of this Convertible Note (or of any replacement Convertible Note issued hereunder) with the conversion notice attached hereto as Exhibit A duly executed, at the principal office of the Issuer or the transfer agent of the Issuer. Conversion shall be deemed to have been effected on the date that such delivery of the Convertible Note and conversion notice is actually made (the “Conversion Date”). As promptly as practicable, and in any event within three (3) Trading Days, after a Conversion Date and the Issuer’s receipt of the Convertible Note being converted (and the conversion notice, if applicable) (such third Trading Day thereafter, the “Share Delivery Date”), the Issuer shall (A) if legends are not required to be placed on certificates of Common Stock pursuant to the then existing provisions of Rule 144 of the Securities Act of 1933 (“Rule 144”) and provided that the transfer agent is participating in The Depository Trust Company’s (“DTC”) Fast Automated Securities Transfer Program, credit such aggregate number of shares of Common Stock to which the Holder shall be entitled to the Holder’s or its designee’s balance account with DTC through its Deposit/Withdrawal at Custodian system or (B) if legends are required to be placed on certificates of Common Stock pursuant to Rule 144 or the transfer agent is not participating in the DTC Fast Automated Securities Transfer Program, issue and deliver to the address as specified in the Conversion Notice, a certificate, registered in the name of the Holder or its designee, for the number of shares of Common Stock to which the Holder shall be entitled, which certificates shall not bear any restrictive legends unless required pursuant to Rule 144 and a check or cash with respect to any fractional interest in a share of Common Stock as provided in Section 4.4. The Issuer shall not be obligated to credit Common Stock or issue Common Stock certificates in the name of any party other than the Holder of the Convertible Notes, absent full compliance with the provisions of Section 9 hereof. The person in whose name the certificate or certificates for Common Stock are to be issued or credited shall be deemed to have become a stockholder of record on the next succeeding day on which the transfer books are open, but the Conversion Price shall be that in effect on the Conversion Date. All rights with respect to the Convertible Notes (or any portion thereof) that are converted pursuant to this Section 4, including the rights to receive interest and notices, shall terminate upon the conversion pursuant to this Section 4.2. Upon conversion of only a portion of this Convertible Note, the Issuer shall issue and deliver to the Holder hereof, at the expense of the Issuer, a new Convertible Note covering the principal amount of this Convertible Note not converted, which new Convertible Note shall entitle the holder thereof to interest on the principal amount thereof to the same extent as if the unconverted portion of this

The Issuer covenants that, for so long as any Convertible Notes remain outstanding, the Issuer will at all times have authorized and reserved for the purpose of issuance upon exercise of the Holder Conversion Right, a sufficient number of duly authorized shares of Common Stock to provide for the full exercise of the Holder Conversion Right. If at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then outstanding Convertible Notes, the Issuer shall take such corporate action as may be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purposes, including, without limitation, obtaining the requisite stockholder approval of any necessary amendment to the Certificate of Incorporation.

4.4. Fractional Shares. No fractional shares of Common Stock shall be issued upon conversion of this Convertible Note. In lieu of any fractional shares to which the Holder would otherwise be entitled, the Issuer shall pay cash equal to the product of such fraction multiplied by the Last Reported Sale Price on the Conversion Date, as determined in good faith by the Board.

4.5. Adjustment of Conversion Price. The Conversion Price and the number and kind of securities, including the Common Stock, which may be received upon the exercise of the Holder Conversion Right shall be subject to the adjustment from time to time upon the happening of certain events, as follows:

(a) Adjustment for Stock Splits and Combinations. If the Issuer shall at any time or from time to time after the Original Issuance Date effect a stock split or subdivision of the outstanding Common Stock, the Conversion Price then in effect immediately before that stock split or subdivision shall be proportionately decreased, and conversely, if the Issuer shall at any time or from time to time after the Original Issuance Date combine the outstanding shares of Common Stock, the Conversion Price then in effect immediately before the combination shall be proportionately increased. Any adjustment under this Section 4.5(a) shall become effective at the Close of Business on the date the stock split or subdivision or combination becomes effective.

(b) Adjustment for Certain Dividends and Distributions. In the event the Issuer shall at any time or from time to time after the Original Issuance Date make or issue, or fix a record date for the determination of holders of Common Stock entitled to receive, a dividend or other distribution payable on the Common Stock in additional shares of Common Stock, then and in each such event the Conversion Price then in effect immediately before such event shall be decreased as of the time of such issuance or, in the event such a record date shall have been fixed, as of the Close of Business on such record date, by multiplying the Conversion Price then in effect by a fraction:

(i) the numerator of which shall be the total number of shares of Common Stock issued and outstanding immediately prior to the time of such issuance or the Close of Business on such record date; and

(ii) the denominator of which shall be the total number of shares of Common Stock issued and outstanding immediately prior to the time of such issuance or the Close of Business on such record date plus the number of shares of Common Stock issuable in payment of such dividend or distribution; *provided, however*, if such record date shall have been fixed and such dividend is not fully paid or if such distribution is not fully made on the date fixed therefor, the Conversion Price shall be recomputed accordingly as of the Close of Business on such record date and thereafter such Conversion Price shall be adjusted pursuant to this Section 4.5(b) as of the time of actual payment of such dividends or distributions.

(c) Adjustments for Other Dividends and Distributions. In the event the Issuer at any time or from time to time after the Original Issuance Date shall make or issue, or fix a record date for the determination of holders of Common Stock entitled to receive, a dividend or other distribution payable in securities of the Issuer other than shares of Common Stock or in other property, then and in each such event an appropriate revision to the applicable Conversion Price shall be made and provisions shall be made (by adjustments of the Conversion Price or otherwise) so that the Holders shall receive upon conversion thereof in addition to the number of shares of Common Stock receivable thereupon, a dividend or other distribution of such securities or other property in an amount equal to the amount of such securities or other properties of the Issuer which they would have received had their Convertible Notes been converted into Common Stock on the date of such event and had thereafter, during the period from the date of such event to and including the Conversion Date, retained such securities (together with any distributions payable thereon during such period) receivable by them as aforesaid during such period, giving application to all adjustments called for during such period under this Section 4.5 with respect to the rights of the Holders.

(d) Adjustment for Reclassification, Exchange or Substitution. If the Common Stock issuable upon the conversion of the Convertible Notes at any time or from time to time after the Original Issuance Date shall be changed into the same or different number of shares of any class or classes of stock, whether by capital reorganization, reclassification, exchange, substitution or otherwise (other than a stock split, subdivision or combination of shares provided for in Section 4.5(a) above, stock or other dividend or distribution provided for in Section 4.5(b) or (c) above, or a Business Combination or sale of assets provided for in Section 4.5(e) below), then and in each such event an appropriate revision to the applicable Conversion Price shall be made and provisions shall be made (by adjustments of the Conversion Price or otherwise) so that the Holder shall have the right thereafter to convert each Convertible Note into the kind and amount of shares of stock and other securities and property receivable upon such reorganization, reclassification, exchange, substitution or other change, as holders of the number of shares of Common Stock into which such Convertible Note might have been converted immediately prior to such reorganization, reclassification, exchange, substitution or other change, all subject to further adjustment as provided herein.

(e) Reorganization, Merger, Consolidation or Sale of Assets. If at any time or from time to time there shall be a capital reorganization of the Common Stock (other than a stock split, subdivision or combination of shares provided for in Section 4.5(a) above, stock or other dividend or distribution provided for in Section 4.5(b) or (c) above, or a reclassification, exchange or substitution provided for in Section 4.5(d) above) or a Business Combination of the Issuer with or into another corporation or entity, or the sale of all or substantially all of the Issuer's properties and assets to any other person, then, as a part of such Business Combination provision shall be made so that the Holders of the Convertible Notes shall thereafter be entitled to receive upon conversion of the Convertible Notes, the number of shares of stock or other securities, Equity Interests or property of the Issuer, or of the successor entity resulting from such Business Combination, to which a Holder of Common Stock (or any shares of stock or other securities or Equity Interests which may be) issuable upon conversion of the Convertible Note would have been entitled if the Convertible Note had been converted immediately prior to such Business Combination. In any such case, appropriate adjustment shall be made in the application of the provisions of this Section 4.5 with respect to the rights and interests of the Holders after the Business Combination to the end that the provisions of this Section 4.5 (including adjustment of the Conversion Price then in effect and the number of Common Stock or other securities receivable upon conversion of the Convertible Notes) shall be applicable after that event.

(f) Adjustments for Dilutive Issuances.

(i) Special Definitions. For purposes of this Section 4.5(f), the following definitions shall apply:

(A) "Additional Shares of Common Stock" shall mean all shares of Common Stock issued (or, pursuant to Section 4.5(f)(ii), deemed to be issued) by the Issuer after the Original Issuance Date, other than (1) the following shares of Common Stock and (2) shares of Common Stock deemed issued pursuant to the following Options and Convertible Securities (clauses (1) and (2), collectively, "Exempted Securities");

(I) securities issued pursuant to the conversion or exercise of Options or Convertible Securities issued or outstanding on or prior to the Original Issuance Date (so long as the conversion or exercise price in such securities are not amended to lower such price and/or adversely affect the Holder);

(II) the Other Convertible Notes and any additional debentures or other securities issued as payment of interest on the Convertible Notes;

(III) shares of Common Stock, Options or Convertible Securities issued by reason of a dividend, stock split, split-up or other distribution on shares of Common Stock that is covered by [Section 4.5\(a\)](#) through [Section 4.5\(e\)](#);

(IV) shares of Common Stock or Options issued to employees or directors of, or consultants or advisors to, the Issuer or any of its subsidiaries pursuant to a plan, agreement or arrangement approved by the Board;

(V) shares of Common Stock or Convertible Securities actually issued upon the exercise of Options or shares of Common Stock actually issued upon the conversion or exchange of Convertible Securities, in each case provided such issuance is pursuant to the terms of such Option or Convertible Security;

(VI) shares of Common Stock, Options or Convertible Securities issued pursuant to the acquisition of another corporation or other entity by the Issuer or any of its subsidiaries by merger, purchase of all or substantially all of the assets or other reorganization or to a joint venture agreement, contribution agreement or similar arrangement, provided that such issuances are approved by the Board and the Issuer owns, directly or indirectly, not less than [fifty one percent \(51%\)](#) of the voting stock of such other entity; ~~or~~

(VII) shares of Common Stock, Options or Convertible Securities issued pursuant to the terms of that certain Business Combination Agreement, dated as of March 8, 2021, by and among the Issuer, Artemis Merger Sub Corp. and Airspan Networks Inc.; [or](#)

(VIII) shares of Common Stock, Options or Convertible Securities [issuable pursuant to the Term Loan Credit Agreement, including, without limitation, those warrants issued pursuant to the Term Loan Credit Agreement and any shares issued upon exercise thereof.](#)

(B) “Convertible Securities” shall mean any evidences of indebtedness, shares or other securities directly or indirectly convertible into or exchangeable for Common Stock, but excluding Options.

(C) “Option” shall mean rights, options or warrants to subscribe for, purchase or otherwise acquire Common Stock or Convertible Securities.

(ii) Deemed Issue of Additional Shares of Common Stock.

(A) If the Issuer at any time or from time to time after the Original Issuance Date shall issue any Options or Convertible Securities (excluding Options or Convertible Securities which are themselves Exempted Securities) or shall fix a record date for the determination of holders of any class of securities entitled to receive any such Options or Convertible Securities, then the maximum number of shares of Common Stock (as set forth in the instrument relating thereto, assuming the satisfaction of any conditions to exercisability, convertibility or exchangeability but without regard to any provision contained therein for a subsequent adjustment of such number) issuable upon the exercise of such Options or, in the case of Convertible Securities and Options therefor, the conversion or exchange of such Convertible Securities, shall be deemed to be Additional Shares of Common Stock issued as of the time of such issue or, in case such a record date shall have been fixed, as of the Close of Business on such record date.

(B) If the terms of any Option or Convertible Security, the issuance of which resulted in an adjustment to the Conversion Price pursuant to the terms of [Section 4.5\(f\)\(iii\)](#), are revised as a result of an amendment to such terms or any other adjustment pursuant to the provisions of such Option or Convertible Security (but excluding automatic adjustments to such terms pursuant to anti-dilution or similar provisions of such Option or Convertible Security) to provide for either (1) any increase or decrease in the number of shares of Common Stock issuable upon the exercise, conversion and/or exchange of any such Option or Convertible Security or (2) any increase or decrease in the consideration payable to the Issuer upon such exercise, conversion and/or exchange, then, effective upon such increase or decrease becoming effective, the Conversion Price computed upon the original issue of such Option or Convertible Security (or upon the occurrence of a record date with respect thereto) shall be readjusted to such Conversion Price as would have obtained had such revised terms been in effect upon the original date of issuance of such Option or Convertible Security. Notwithstanding the foregoing, no readjustment pursuant to this [Section 4.5\(f\)\(ii\)\(B\)](#) shall have the effect of increasing the Conversion Price to an amount which exceeds the lower of (i) the Conversion Price in effect immediately prior to the original adjustment made as a result of the issuance of such Option or Convertible Security, or (ii) the Conversion Price that would have resulted from any issuances of Additional Shares of Common Stock (other than deemed issuances of Additional Shares of Common Stock as a result of the issuance of such Option or Convertible Security) between the original adjustment date and such readjustment date.

(C) If the terms of any Option or Convertible Security (excluding Options or Convertible Securities which are themselves Exempted Securities), the issuance of which did not result in an adjustment to the Conversion Price pursuant to the terms of [Section 4.5\(f\)\(iii\)](#) (either because the consideration per share (determined pursuant to [Section 4.5\(f\)\(iv\)](#)) of the Additional Shares of Common Stock subject thereto was equal to or greater than the Conversion Price then in effect, or because such Option or Convertible Security was issued before the Original Issuance Date), are revised after the Original Issuance Date as a result of an amendment to such terms or any other adjustment pursuant to the provisions of such Option or Convertible Security (but excluding automatic adjustments to such terms pursuant to anti-dilution or similar provisions of such Option or Convertible Security) to provide for either (1) any increase in the number of shares of Common Stock issuable upon the exercise, conversion or exchange of any such Option or Convertible Security or (2) any decrease in the consideration payable to the Issuer upon such exercise, conversion or exchange, then such Option or Convertible Security, as so amended or adjusted, and the Additional Shares of Common Stock subject thereto (determined in the manner provided in [Section 4.5\(f\)\(ii\)\(A\)](#)) shall be deemed to have been issued effective upon such increase or decrease becoming effective.

(D) Upon the expiration or termination of any unexercised Option or unconverted or unexchanged Convertible Security (or portion thereof) which resulted (either upon its original issuance or upon a revision of its terms) in an adjustment to the Conversion Price pursuant to the terms of [Section 4.5\(f\)\(iii\)](#), the Conversion Price shall be readjusted to such Conversion Price as would have obtained had such Option or Convertible Security (or portion thereof) never been issued.

(E) If the number of shares of Common Stock issuable upon the exercise, conversion and/or exchange of any Option or Convertible Security, or the consideration payable to the Issuer upon such exercise, conversion and/or exchange, is calculable at the time such Option or Convertible Security is issued or amended but is subject to adjustment based upon subsequent events, any adjustment to the Conversion Price provided for in this [Section 4.5\(f\)\(ii\)](#) shall be effected at the time of such issuance or amendment based on such number of shares or amount of consideration without regard to any provisions for subsequent adjustments (and any subsequent adjustments shall be treated as provided in clauses (B) and (C) of this [Section 4.5\(f\)\(ii\)](#)). If the number of shares of Common Stock issuable upon the exercise, conversion and/or exchange of any Option or Convertible Security, or the consideration payable to the Issuer upon such exercise, conversion and/or exchange, cannot be calculated at all at the time such Option or Convertible Security is issued or amended, any adjustment to the Conversion Price that would result under the terms of this [Section 4.5\(f\)\(ii\)](#) at the time of such issuance or amendment shall instead be effected at the time such number of shares and/or amount of consideration is first calculable (even if subject to subsequent adjustments), assuming for purposes of calculating such adjustment to the Conversion Price that such issuance or amendment took place at the time such calculation can first be

(iii) Adjustment of Conversion Price Upon Issuance of Additional Shares of Common Stock. In the event the Issuer shall, at any time after the Original Issuance Date and for so long as this Convertible Note remains outstanding, issue Additional Shares of Common Stock (including Additional Shares of Common Stock deemed to be issued pursuant to Section 4.5(f)(ii)), without consideration or for a consideration per share less than the applicable Conversion Price in effect immediately prior to such issue, then the Conversion Price shall be reduced, concurrently with such issue, to an amount (calculated to the nearest one-hundredth of a cent) determined in accordance with the following formula:

$$CP2 = CP1 * [(A + B) \div (A + C)]$$

For purposes of the foregoing formula, the following definitions shall apply:

(A) “CP2” shall mean the Conversion Price in effect immediately after such issue of Additional Shares of Common Stock;

(B) “CP1” shall mean the Conversion Price in effect immediately prior to such issue of Additional Shares of Common Stock;

(C) “A” shall mean the number of shares of Common Stock outstanding immediately prior to such issue of Additional Shares of Common Stock (treating for this purpose as outstanding all shares of Common Stock issuable upon exercise of Options outstanding immediately prior to such issue or upon conversion, exercise or exchange of Convertible Securities (including the Convertible Notes) outstanding (assuming exercise of any outstanding Options therefor) immediately prior to such issue);

(D) “B” shall mean the number of shares of Common Stock that would have been issued if such Additional Shares of Common Stock had been issued at a price per share equal to CP1 (determined by dividing the aggregate consideration received by the Issuer in respect of such issue by CP1); and

(E) “C” shall mean the number of such Additional Shares of Common Stock issued in such transaction.

(iv) Determination of Consideration. For purposes of this Section 4.5(f)(iv), the consideration received by the Issuer for the issue of any Additional Shares of Common Stock shall be computed as follows:

(A) Cash and Property. Such consideration shall:

(I) insofar as it consists of cash, be computed at the aggregate amount of cash received by the Issuer, excluding amounts paid or payable for accrued interest;

(II) insofar as it consists of property other than cash, be computed at the fair market value thereof at the time of such issue, as determined in good faith by the Board; and

(III) in the event Additional Shares of Common Stock are issued together with other shares or securities or other assets of the Issuer for consideration which covers both, be the proportion of such consideration so received, computed as provided in clauses (I) and (II) above, as determined in good faith by the Board.

(B) Options and Convertible Securities. The consideration per share received by the Issuer for Additional Shares of Common Stock deemed to have been issued pursuant to Section 4.5(f)(ii), relating to Options and Convertible Securities, shall be determined by dividing:

(I) the total amount, if any, received or receivable by the Issuer as consideration for the issue of such Options or Convertible Securities, plus the minimum aggregate amount of additional consideration (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such consideration) payable to the Issuer upon the exercise of such Options or the conversion or exchange of such Convertible Securities, or in the case of Options for Convertible Securities, the exercise of such Options for Convertible Securities and the conversion or exchange of such Convertible Securities, by

(II) the maximum number of shares of Common Stock (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such number) issuable upon the exercise of such Options or the conversion or exchange of such Convertible Securities, or in the case of Options for Convertible Securities, the exercise of such Options for Convertible Securities and the conversion or exchange of such Convertible Securities.

(v) Multiple Closing Dates. In the event the Issuer shall issue on more than one date Additional Shares of Common Stock that are a part of one transaction or a series of related transactions and that would result in an adjustment to the Conversion Price pursuant to the terms of Section 4.5(f)(iii), then, upon the final such issuance, the Conversion Price shall be readjusted to give effect to all such issuances as if they occurred on the date of the first such issuance (and without giving effect to any additional adjustments as a result of any such subsequent issuances within such period).

(g) Adjustment Relating to Trading Price. If, during the period commencing on and including the First Amendment Effective Date and ending on and including the fifteen (15) month anniversary of the First Amendment Effective Date, there is no thirty (30) consecutive Trading Day-period during which the average of the Daily VWAPs for such thirty (30) consecutive Trading Day period (after excluding the three (3) highest and the three (3) lowest Daily VWAPs during such period) equals or exceeds the Threshold Price, the Conversion Price shall be reduced to an amount equal to the amount that the Conversion Price would otherwise have been had the Conversion Price been \$6.00 on the First Amendment Effective Date (with corresponding adjustments to other terms of this Convertible Note that are based on the Conversion Price, including, without limitation, the table set forth in the definition of “Redemption Price”).

(h) Certificate of Adjustment. Upon the occurrence of each adjustment or readjustment of the applicable Conversion Price pursuant to this Section 4.5, the Issuer, at its expense, shall promptly, but in any event not later than ten (10) calendar days thereafter, compute such adjustment or readjustment in accordance with the terms hereof and prepare and furnish to each Holder a certificate, signed by an officer of the Issuer, setting forth such adjustment or readjustment (including the kind and amount of securities, cash or other property into which the Convertible Note is convertible) and showing in detail the facts upon which such adjustment or readjustment is based. The Issuer shall, as promptly as reasonably practicable after the written request at any time of any Holder (but in any event not later than ten (10) calendar days thereafter), furnish or cause to be furnished to such Holder a certificate setting forth (i) the Conversion Price then in effect, and (ii) the number of shares of Common Stock and the amount, if any, of other securities, cash or property which then would be received upon the conversion of the Convertible Note.

(i) Notices of Record Date. If:

(i) the Issuer shall set a record date for the purpose of entitling the holders of its shares of Common Stock to receive a dividend, or any other distribution, payable otherwise than in cash;

(ii) the Issuer shall set a record date for the purpose of entitling the holders of its shares of Common Stock to subscribe for or purchase any shares of any class or other securities or to receive any other rights;

(iii) there shall occur any capital reorganization of the Issuer, reclassification of the shares of the Issuer (other than a subdivision or combination of its outstanding Common Stock), consolidation or merger of the Issuer with or into another corporation, or conveyance of all or substantially all of the assets of the Issuer to another corporation; or

(iv) there shall occur a voluntary or involuntary dissolution, liquidation, or winding up of the Issuer;

then, and in any such case, the Issuer shall cause to be sent to the Holders, at least ten (10) calendar days prior to the dates hereinafter specified, a written notice stating (x) the date which has been set as the record date for the purpose of such dividend, distribution, or rights, or (y) the date on which such reclassification, reorganization, consolidation, merger, conveyance, dissolution, liquidation, or winding up is proposed to take place and the record date as of which holders of Common Stock of record shall be entitled to exchange their shares of Common Stock for securities or other property deliverable upon such reclassification, reorganization, consolidation, merger, conveyance, dissolution, liquidation, or winding up.

4.6. Registration, Exchange and Transfer. The Issuer will keep or will cause to be kept a register in which, subject to such reasonable regulations as it may prescribe, it will register and transfer the Convertible Notes. No transfer of this Convertible Note shall be valid as against the Issuer unless made upon such register. This Convertible Note is subject to the restrictions on transfer set forth on the face hereof. Upon surrender for transfer of this Convertible Note and compliance with said restrictions on transfer, the Issuer shall execute and deliver in the name of the transferee or transferees a new Convertible Note or Convertible Notes for a like principal amount. Any new Convertible Note issued upon any registration of transfer or exchange of Convertible Note shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Convertible Note.

This Convertible Note, if presented for transfer, exchange, redemption or payment, shall (if so required by the Issuer) be duly endorsed by, or be accompanied by instruments of transfer in form satisfactory to the Issuer duly executed by, the registered Holder or by his duly authorized attorney.

Any exchange or transfer shall be without charge to the Holders, except that the Issuer may require payment of the sum sufficient to cover any processing cost, tax or governmental charge that may be imposed in relation thereto.

Prior to due presentment for registration of transfer of this Convertible Note, the Issuer may deem and treat the registered Holder hereof as the absolute owner hereof (whether or not this Convertible Note shall be overdue and notwithstanding any notation of ownership or other writing hereon by anyone other than the Issuer), for the purpose of receiving payment of or on account of the principal hereof and interest hereon, for the conversion hereof and for all other purposes, and the Issuer shall not be affected by any notice to the contrary.

4.7. Limitations on Beneficial Ownership. Notwithstanding anything to the contrary contained herein, the number of shares of Common Stock that may be acquired by the Holder upon any conversion of this Convertible Note (or otherwise in respect hereof) shall be limited to the extent necessary to insure that, following such conversion (or other issuance), the total number of shares of Common Stock then beneficially owned by such Holder and its affiliates and any other persons whose beneficial ownership of Common Stock would be aggregated with the Holder's for purposes of Section 13(d) of the Exchange Act, does not exceed four and nine hundred ninety-nine thousandths percent (4.999%) of the total number of issued and outstanding shares of Common Stock (including for such purpose the shares of Common Stock issuable upon such exercise) (unless otherwise expressly agreed by the Holder in writing). For such purposes, beneficial ownership shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. This provision shall not restrict the number of shares of Common Stock which a Holder may receive or beneficially own in order to determine the amount of securities or other consideration that such Holder may receive in the event of a merger or other business combination or reclassification involving the Issuer. This restriction may not be waived without the consent of the Holder.

5. Defaults and Remedies.

5.1. Defaults and Remedies. An Event of Default shall occur upon the occurrence of any of the events or circumstances specified in Section 6.1 of the Purchase Agreement. In the case of an Event of Default arising from certain events of bankruptcy or insolvency described in Section 6.1(h) and Section 6.1(i) of the Purchase Agreement, all outstanding Convertible Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Collateral Agent or the Holders of at least a majority in the aggregate principal amount of the then outstanding Convertible Notes may declare all the Convertible Notes to be due and payable immediately by notice in writing to the Issuer (with a copy to the Collateral Agent in the case of notice by such Holders) as further described in Section 6 of the Purchase Agreement specifying the Event of Default. Upon such declaration, the Convertible Notes, together with accrued and unpaid interest and the other Obligations, shall become due and payable immediately. If the Convertible Notes are accelerated or otherwise become due and payable prior to the Stated Maturity Date (including the acceleration of claims by operation of law) as a result of an Event of Default, the amount of principal of, accrued and unpaid interest, Make-Whole Amounts, premiums (if any) and other Obligations that becomes due and payable with respect to the Convertible Notes shall equal one hundred percent (100%) of the Redemption Price with respect to the Convertible Notes and other Obligations then due as of the date of acceleration. In the case of any Event of Default occurring by reason of any willful action or inaction taken or not taken by or on behalf of the Issuer or any Guarantor with the intention of avoiding payment of the Make-Whole Amount or any other amounts or premiums that the Issuer would have had to pay if the Issuer then had elected to redeem the Convertible Notes pursuant to Section 7, an equivalent amount equal to the applicable Make-Whole Amount or premiums (if any) shall also become and be immediately due and payable to the extent permitted by Law upon the acceleration of the Convertible Notes.

Holders may not enforce the Convertible Notes, the Purchase Agreement, or the other Note Documents except as provided in the Purchase Agreement. Subject to certain limitations, Holders of a majority in principal amount of the then outstanding Convertible Notes may direct the Collateral Agent in its exercise of any trust or power. If certain conditions specified in the Purchase Agreement are satisfied, Holders of a majority in aggregate principal amount of the Convertible Notes then outstanding by notice to the Collateral Agent may on behalf of the Holders of all of the Convertible Notes waive any existing Default or Event of Default and its consequences as provided under the terms of the Purchase Agreement, except a continuing Default or Event of Default in the payment of interest on, or the principal of, the Convertible Notes.

The Issuer is required to file periodic certificates with the Collateral Agent and the Holders as to the Issuer's compliance with the Note Documents and knowledge or status of any Default as described in the Purchase Agreement.

5.2. Waiver; Rescission of Acceleration. At any time before the date of any declaration accelerating the maturity of this Convertible Note, the Holders of a majority in aggregate principal amount of then-outstanding Convertible Notes may waive any Event of Default. Such waivers shall be evidenced by written notice or other document specifying the Event(s) of Default being waived and shall be binding on all existing or subsequent Holders of outstanding Convertible Notes. At any time after such declaration

of acceleration has been made, and before a judgment or decree for payment of money due has been obtained, the Holders of a majority in aggregate principal amount of the then-outstanding Convertible Notes may, by written notice to the Issuer, rescind and annul such declaration.

6. Repurchase at Option of Holders.

6.1. Repurchase at Option of Holders Upon a Fundamental Change.

(i) If a Change of Control or a Termination of Trading (a “Fundamental Change”) occurs at any time prior to the Stated Maturity Date, the Holder shall have the right, at the Holder’s option, to require the Issuer to repurchase for cash all of the Holder’s Convertible Notes, or any portion of the principal amount thereof properly surrendered and not validly withdrawn pursuant to Section 6.2 that is equal to \$1,000 or an integral multiple of \$1,000, on the date (subject to any postponement as set forth in this Section 6.1(i), the “Fundamental Change Repurchase Date”) specified by the Issuer that is not less than twenty (20) calendar days or more than thirty-five (35) calendar days following the date of the Fundamental Change Issuer Notice (as defined below) at a repurchase price equal to one hundred percent (100%) of the Redemption Price with respect to the Convertible Notes to be repurchased (the “Fundamental Change Repurchase Price”). The Fundamental Change Repurchase Date shall be subject to postponement in order to allow the Issuer to comply with applicable law.

(ii) Repurchases of Convertible Notes under this Section 6.1 shall be made, at the option of the Holder thereof, upon:

(A) delivery to the Issuer by the Holder of a duly completed notice (the “Fundamental Change Repurchase Notice”) in the form set forth in Exhibit B attached hereto, on or before the Close of Business on the Business Day immediately preceding the Fundamental Change Repurchase Date, subject to extension to comply with applicable law; and

(B) delivery of the Convertible Notes to the Issuer at any time after delivery of the Fundamental Change Repurchase Notice (together with all necessary endorsements for transfer), such delivery being a condition to receipt by the Holder of the Fundamental Change Repurchase Price therefor.

(iii) The Fundamental Change Repurchase Notice in respect of any Convertible Notes to be repurchased shall state:

(A) the portion of the principal amount of Convertible Notes to be repurchased, which must be in minimum denominations of \$1,000 or an integral multiple thereof; and

(B) that the Convertible Notes are to be repurchased by the Issuer pursuant to the applicable provisions of the Convertible Notes.

Notwithstanding anything herein to the contrary, the Holder shall have the right to withdraw, in whole or in part, such Fundamental Change Repurchase Notice at any time prior to the Close of Business on the Business Day immediately preceding the Fundamental Change Repurchase Date (the “Fundamental Change Expiration Time”) by delivery of a written notice of withdrawal to the Issuer in accordance with Section 6.2.

(iv) On or before the twentieth (20th) calendar day after the occurrence of the effective date of a Fundamental Change, the Issuer shall provide to all Holders a written notice (the “Fundamental Change Issuer Notice”) of the occurrence of the Fundamental Change, its effective date and of the repurchase right at the option of the Holders arising as a result thereof. Each Fundamental Change Issuer Notice shall specify:

(A) the events causing the Fundamental Change;

(B) the effective date of the Fundamental Change;

(C) the last date on which the Holder may exercise the repurchase right pursuant to this Section 6;

(D) the certificate number of the Convertible Note to be delivered for repurchase;

(E) the Fundamental Change Repurchase Price; (F) the Fundamental Change Repurchase Date;

(G) the applicable Conversion Price and any adjustments to the Conversion Price;

(H) that the Convertible Notes with respect to which a Fundamental Change Repurchase Notice has been delivered by the Holder may be converted only if the Holder withdraws the Fundamental Change Repurchase Notice in accordance with the terms of the Convertible Notes; and

(I) the procedures that the Holders must follow to require the Issuer to repurchase their Convertible Notes.

No failure of the Issuer to give the foregoing notices and no defect therein shall limit the Holder’s repurchase rights or affect the validity of the proceedings for the repurchase of the Convertible Notes pursuant to this Section 6.1. Simultaneously with providing such notice, the Issuer will publish such information on its website or through such other public medium as the Issuer may use at that time.

(v) Notwithstanding the foregoing, no Convertible Notes may be repurchased by the Issuer on any date at the option of the Holders in connection with a Fundamental Change if the principal amount of the Convertible Notes has been accelerated, and such acceleration has not been rescinded, on or prior to such date (except in the case of an acceleration resulting from a default by the Issuer in the payment of the Fundamental Change Repurchase Price with respect to such Convertible Notes). The Issuer will promptly return to the respective Holders thereof any Convertible Notes held by it during the acceleration of the Convertible Notes (except in the case of an acceleration resulting from a default by the Issuer in the payment of the Fundamental Change Repurchase Price with respect to such Convertible Notes), and, upon such return, the Fundamental Change Repurchase Notice with respect thereto shall be deemed to have been withdrawn.

6.2. Withdrawal of Fundamental Change Repurchase Notice. A Fundamental Change Repurchase Notice may be withdrawn by the Holder (in whole or in part) by means of a written notice of withdrawal delivered to the Issuer in accordance with this Section 6.2 at any time prior to the Fundamental Change Expiration Time, specifying:

(i) the principal amount of the Convertible Notes with respect to which such notice of withdrawal is being submitted, which must be \$1,000 or an integral multiple thereof,

(ii) the certificate number of the Convertible Note in respect of which such notice of withdrawal is being submitted, and

(iii) the principal amount, if any, of such Convertible Note that remains subject to the original Fundamental Change Repurchase Notice, which portion must be in principal amounts of \$1,000 or an integral multiple of \$1,000.

6.3. Excess Cash Flow Offer.

(a) In the event that there shall be Consolidated Excess Cash Flow for any fiscal year of the Issuer and its Subsidiaries (commencing with the fiscal year ended December 31, 2021), not later than the earlier of (i) the date that is five (5) Business Days after the date of delivery of the annual financial statements for such fiscal year of the Issuer pursuant to Section 4(a)(ii) of the Purchase Agreement, and (ii) five (5) Business Days after the date on which the annual financial statements for the applicable fiscal year of the Issuer are required to be delivered pursuant to Section 4(a)(ii) of the Purchase Agreement, the Issuer will make an offer to purchase Convertible Notes (or a portion thereof), such offer to be in the form attached hereto as Exhibit C, which shall include, without limitation, a detailed calculation of the Consolidated Excess Cash Flow for such fiscal year (the "Excess Cash Flow Period") (each such offer to purchase, an "Excess Cash Flow Offer"), such offer having an aggregate principal amount equal to:

(1) an amount equal to fifty percent (50%) of Consolidated Excess Cash Flow for the Excess Cash Flow Period then ended; multiplied by

(2) a fraction (x) the numerator of which is equal to the outstanding aggregate principal amount of the Convertible Notes held by such Holder and (y) the denominator of which is equal to the outstanding aggregate principal amount of the Convertible Notes and all other Priority Lien Debt required to be repaid with such Consolidated Excess Cash Flow, rounded down to the nearest \$1,000 (the "Excess Cash Flow Offer Amount"). The purchase price for any Excess Cash Flow Offer will be one hundred percent (100%) of the sum of (i) the principal amount then outstanding, plus (ii) any accrued and unpaid interest through the applicable purchase date (the "Excess Cash Flow Payment"). If the Excess Cash Flow Offer is for less than all of the outstanding Convertible Notes and Convertible Notes in an aggregate principal amount in excess of the purchase amount are tendered and not withdrawn pursuant to the Excess Cash Flow Offer, the Issuer will purchase Convertible Notes having an aggregate principal amount equal to the purchase amount on a pro rata basis, with adjustments so that only Convertible Notes in multiples of \$1,000 principal amount (and in a minimum principal amount of \$1,000) will be purchased. Any portion of such Consolidated Excess Cash Flow remaining after consummation of the Excess Cash Flow Offer may be used for any purpose not otherwise prohibited by the Note Documents.

(b) Within the timeframe noted in (a) above, the Issuer shall send a written offer to each Holder by first class mail or such other notice method provided for in the Purchase Agreement, which shall govern the terms of the Excess Cash Flow Offer, with a copy of such offer to the Collateral Agent. The offer shall state:

(1) that an Excess Cash Flow Offer is being made as provided for herein, and that, although Holders are not required to tender their Convertible Notes, all Convertible Notes (or a portion thereof) that are validly tendered shall be accepted for payment, subject to pro rata reduction as set forth in Sections 6.3(a) and (e);

(2) the principal amount of Convertible Notes subject to the Excess Cash Flow Offer, the Excess Cash Flow Payment and the expiration date of the Excess Cash Flow Offer (the "Excess Cash Flow Offer Expiration Date"), which will be no earlier than thirty (30) days and no later than sixty (60) days after the date such written notice to the Holders and the Collateral Agent is sent and a settlement date for purchase (the "Excess Cash Flow Payment Date") not more than five (5) Business Days after the Excess Cash Flow Offer Expiration Date;

(3) that any Convertible Note (or portion thereof) accepted for payment pursuant to the Excess Cash Flow Offer (and duly paid for on the Excess Cash Flow Payment Date) shall cease to accrue interest after the Excess Cash Flow Payment Date;

(4) that any Convertible Notes (or portions thereof) not validly tendered shall continue to accrue interest;

(5) that any Holder electing to have a Convertible Note (or portion thereof) purchased pursuant to any Excess Cash Flow Offer shall be required to notify the Issuer of its election before the close of business on the Excess Cash Flow Offer Expiration Date;

(6) that Holders shall be entitled to withdraw their election if the Issuer receives, not later than the close of business on the Excess Cash Flow Offer Expiration Date, an electronic transmission or letter setting forth the name of the Holder, the principal amount of the Convertible Note (or portion thereof) the Holder delivered for purchase and a statement that such Holder is withdrawing its election to have such Convertible Note purchased; and

(7) the instructions and any other information necessary to enable Holders to tender their Convertible Notes (or portions thereof) and have such Convertible Notes (or portions thereof) purchased pursuant to the Excess Cash Flow Offer.

(c) On or before the Excess Cash Flow Payment Date, the Issuer shall, to the extent lawful, accept for payment all Convertible Notes or portions thereof properly tendered and not withdrawn pursuant to the Excess Cash Flow Offer. Promptly after such acceptance, on the Excess Cash Flow Payment Date, the Issuer will:

(5) that any Holder electing to have a Convertible Note (or portion thereof) purchased pursuant to a Mandatory Prepayment Offer shall be required to notify the Issuer of its election before the close of business on the Mandatory Prepayment Offer Expiration Date;

(6) that Holders shall be entitled to withdraw their election if the Issuer receives, not later than the close of business on the Mandatory Prepayment Offer Expiration Date, an electronic transmission or letter setting forth the name of the Holder, the principal amount of the Convertible Note (or portion thereof) the Holder delivered for purchase and a statement that such Holder is withdrawing its election to have such Convertible Note purchased; and

Interest on the Convertible Notes purchased will cease to accrue on and after the Mandatory Prepayment Date.

(g) If the aggregate principal amount of Convertible Notes surrendered in a Mandatory Prepayment Offer exceeds the Mandatory Prepayment Offer Amount, the Issuers will select the Convertible Notes to be purchased on a pro rata basis with such adjustments as needed so that no Convertible Notes in an unauthorized denomination are purchased in part based on the aggregate principal amount, as applicable of the Convertible Notes tendered.

22

6.5. Term Loan Repayment Offer.

(a) Not later than thirty (30) days after each date on which there is a voluntary prepayment, repayment or repurchase of the loans under the Term Loan Credit Agreement or any other Priority Lien Obligation, the Issuer will make an offer, with such offer to be in the form attached hereto as Exhibit E, to purchase the Convertible Notes (or a portion thereof) in an aggregate principal amount up to the aggregate principal amount of Priority Lien Debt repurchased or prepaid (the "Term Loan Offer Amount") at a price that, as a percentage of the principal acquired, is the same as the price paid in the repurchase or repayment of the Priority Lien Debt (each such offer, a "Term Loan Repayment Offer" and such payment shall include accrued and unpaid interest, if any, to, but excluding, the date of purchase plus the Make-Whole Amount, any such payment, a "Term Loan Payment"). If the Term Loan Repayment Offer is for less than all of the outstanding Convertible Notes and Convertible Notes in an aggregate principal amount in excess of the purchase amount are tendered and not withdrawn pursuant to the Term Loan Repayment Offer, the Issuer will purchase Convertible Notes having an aggregate principal amount equal to the purchase amount on a pro rata basis, with adjustments so that only Convertible Notes in multiples of \$1,000 principal amount (and in a minimum principal amount of \$1,000) will be purchased. Any portion of such Term Loan Payment remaining after consummation of the Term Loan Repayment Offer may be used for any purpose not otherwise prohibited by the Note Documents.

(b) Not later than thirty (30) days following any voluntary prepayment, repayment or repurchase of the loans under the Term Loan Credit Agreement or, as the context may require, other Priority Lien Obligation, the Issuer shall send a written offer to each Holder by first class mail or by such other manner provided for in the Purchase Agreement, which shall govern the terms of the Term Loan Repayment Offer, with a copy of such offer to the Collateral Agent. The offer shall state:

(1) that a voluntary prepayment, repayment or repurchase of the loans under the Term Loan Credit Agreement, or as the context may require, such other Priority Lien Obligation, has occurred and a Term Loan Repayment Offer is being made as provided for herein, and that, although Holders are not required to tender their Convertible Notes (or a portion thereof), all Convertible Notes that are validly tendered shall be accepted for payment, subject to pro rata reduction as set forth in Sections 6.5(a) and (e);

(2) the Term Loan Payment and the expiration date of the Term Loan Repayment Offer (the "Term Loan Repayment Offer Expiration Date"), which will be no earlier than thirty (30) days and no later than sixty (60) days after the date such written notice to the Holders and the Collateral Agent is sent and a settlement date for purchase (the "Term Loan Payment Date") not more than five (5) Business Days after the Term Loan Repayment Offer Expiration Date;

(3) that any Convertible Note (or portion thereof) accepted for payment pursuant to the Term Loan Repayment Offer (and duly paid for on the Term Loan Payment Date) shall cease to accrue interest after the Term Loan Payment Date;

(4) that any Convertible Notes (or portions thereof) not validly tendered shall continue to accrue interest;

(5) that any Holder electing to have a Convertible Note (or portion thereof) purchased pursuant to any Term Loan Repayment Offer shall notify the Issuer of its election to the Issuer at the address specified in the notice at before the close of business on the Term Loan Repayment Offer Expiration Date;

(6) that Holders shall be entitled to withdraw their election if the Issuer receives, not later than the close of business on the Term Loan Repayment Offer Expiration Date, an electronic transmission or letter setting forth the name of the Holder, the principal amount of the Convertible Note (or portion thereof) the Holder delivered for purchase and a statement that such Holder is withdrawing its election to have such Convertible Note purchased; and

(7) the instructions and any other information necessary to enable Holders to tender their Convertible Notes (or portions thereof) and have such Convertible Notes (or portions thereof) purchased pursuant to the Term Loan Repayment Offer.

23

If the Term Loan Repayment Offer is sent prior to the voluntary prepayment, repayment or repurchase of the loans under the other Priority Lien Documents, it may be conditioned upon the consummation of the voluntary prepayment, repayment or repurchase of the loans under the Term Loan Credit Agreement.

(c) On or before the Term Loan Payment Date, the Issuer shall, to the extent lawful, accept for payment all Convertible Notes or portions thereof properly tendered and not withdrawn pursuant to the Term Loan Repayment Offer. Promptly after such acceptance, on the Term Loan Payment Date, the Issuer will:

(1) deposit by 11:00 a.m., New York City time, with the Holder an amount equal to such Holder's pro rata share of the Term Loan Repayment Offer in respect of all Convertible Notes or portions thereof so tendered by such Holder; and

(2) deliver or cause to be delivered an Officer's Certificate of the Issuer delivered to the Collateral Agent and the Holders stating the aggregate principal amount of Convertible Notes or portions thereof being purchased by the Issuer.

(d) On the Term Loan Payment Date, the Issuer shall send to each Holder of Convertible Notes accepted for payment the Term Loan Payment for such Convertible Notes and a new Convertible Note (with a copy to the Collateral Agent) in a principal amount equal to the unpurchased portion of the Convertible Notes surrendered. Interest on the Convertible Notes purchased will cease to accrue on and after the Term Loan Payment Date.

(e) If the aggregate principal amount of Convertible Notes surrendered in a Term Loan Repayment Offer exceeds the Term Loan Offer Amount, the Issuers will select the Convertible Notes to be purchased on a pro rata basis with such adjustments as needed so that no Convertible Notes in an unauthorized denomination are purchased in part based on the aggregate principal amount, as applicable of the Convertible Notes tendered.

6.6. Covenant to Comply with Applicable Laws Upon Repurchase of Convertible Notes In connection with any repurchase offer upon a Fundamental Change, Excess Cash Flow Offer, Mandatory Prepayment Offer or a Term Loan Repayment Offer pursuant to this Section 6, the Issuer will, if required:

(i) comply with the provisions of any tender offer rules under the Exchange Act that may then be applicable;

(ii) file a Schedule TO or any other required schedule under the Exchange Act; and

(iii) otherwise comply with all federal and state securities laws in connection with any offer by the Issuer to repurchase the Convertible Notes;

in each case, so as to permit the rights and obligations under this Section 6 to be exercised in the time and in the manner specified in this Section 6 subject to postponement in order to allow the Issuer to comply with applicable law. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Convertible Note relating to the Issuer's obligations to purchase this Convertible Note upon a Fundamental Change, Excess Cash Flow Offer, Mandatory Prepayment Offer or a Term Loan Repayment Offer, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under such provisions of this Convertible Note by virtue of such conflict.

24

6.7. Offers with Declined Proceeds. If a holder of a Convertible Note or of any other Priority Lien Debt declines all or any portion of the payments the Issuer would have been required to make or offer to the holders of Priority Lien Debt on a pro rata and *pari passu* basis with an Excess Cash Flow Offer, Excess Proceeds Offer or Term Loan Repayment Offer under this Convertible Note (any such declined amounts, "Declined Proceeds" and any such declining holder of Priority Lien Debt, a "Declining Holder" and all other holders of Priority Lien Debt, "Non-Declining Holders"), then such Declined Proceeds shall be offered and paid to the Non-Declining Holders in accordance with their pro rata share of the Priority Lien Obligations until all of the remaining Declined Proceeds have been depleted. It being understood that for purposes of this Convertible Note, any such Declined Proceeds shall be treated in the same manner as the original proceeds and the same Excess Cash Flow Offer, Excess Proceeds Offer and Term Loan Repayment Offer mechanics described in this Section 6 shall apply thereto, provided however, for the purposes of determining when such Declined Proceeds are required to be offered to any Non-Declining Holders, the date of receipt of such proceeds by the Note Parties shall be the first (1st) Business Day after the last day that a Declining Holder under any Priority Lien Obligation has the right to decline their share of such proceeds (for example, if a Priority Lien Holder has a right to accept or decline such proceeds of an Asset Disposition for sixty (60) days under this Convertible Note and five (5) days under other Priority Lien Debt, then the first (1st) day that such Declined Proceeds would be required to be offered to the other Non-Declining Holders would be the first (1st) Business Day after the sixty (60) day period allowed under such Priority Lien Obligations).

7. Optional Redemption.

7.1. Optional Redemption Upon Triggering Event.

(a) On or after August 13, 2023, the Issuer may redeem all or any portion of the Convertible Note, at any time following a Triggering Event ending on, and including, the Trading Day immediately preceding the date on which the Issuer provides the Notice of Optional Redemption (an "Optional Redemption Notice Date") (the "Optional Redemption") by paying to the Holder the Redemption Price in the form of additional stock, cash or a combination thereof.

7.2. Notice of Optional Redemption.

(a) In case the Issuer exercises its Optional Redemption right pursuant to Section 7.1, it shall fix a date for Optional Redemption (each, an "Optional Redemption Date") and it shall deliver or cause to be delivered a written notice of such Optional Redemption (a "Notice of Optional Redemption") not less than thirty (30) nor more than sixty (60) Trading Days prior to the Optional Redemption Date to each Holder of Convertible Notes so to be redeemed as a whole or in part. Simultaneously with providing a Notice of Optional Redemption, the Issuer shall publish, or cause to be published, a notice containing the information set forth in such Notice of Optional Redemption on the Issuer's website or through such other public medium as the Issuer may use at that time. A Notice of Optional Redemption shall be irrevocable.

(b) If any Notice of Optional Redemption has been given in respect of the Convertible Notes in accordance with this Section 7.2, the Convertible Notes shall become immediately due and payable on the Optional Redemption Date at the place or places stated in the Notice of Optional Redemption and at the applicable Redemption Price.

(c) Each Notice of Optional Redemption shall specify: (i) the Optional Redemption Date;

(ii) the Redemption Price;

(iii) that on the Optional Redemption Date, the Redemption Price will become due and payable;

(iv) the place or places where such Convertible Notes are to be surrendered for payment of the Redemption Price;

(v) that Holders may surrender their Convertible Notes for conversion at any time prior to the close of business on the Trading Day immediately preceding the Optional Redemption Date; and

25

(vi) in case any Convertible Note is to be redeemed in part only, the portion of the principal amount thereof to be redeemed and on and after the Optional Redemption Date, upon surrender of such Convertible Note, a new Convertible Note in principal amount equal to the unredeemed portion thereof shall be issued.

7.3. Restriction on Optional Redemption. The Issuer may not redeem any Convertible Notes on any date if the principal amount of the Convertible Notes has been accelerated in accordance with the terms herein, and such acceleration has not been rescinded, on or prior to the Optional Redemption Date (except in the case of an acceleration resulting from a default by the Issuer in the payment of the Redemption Price with respect to such Convertible Notes).

For the purposes of this Section 7, any capitalized terms used herein but not otherwise defined in this Convertible Note shall have the respective meanings ascribed to them in the Term Loan Credit Agreement.

8. Restrictions on Transfer.

8.1. Restricted Securities. By acceptance hereof, the Holder understands and agrees that this Convertible Note and the Common Stock receivable upon conversion hereof are characterized as "restricted securities" under the Securities Act inasmuch as they are being acquired from the Issuer in a transaction not involving a public offering and that under such laws and applicable regulations such securities may be resold without registration under the Securities Act only in certain limited circumstances. In this connection, the Holder represents that it is familiar with Rule 144 promulgated by the Securities and Exchange Commission, as presently in effect, and understands the resale limitations imposed thereby and by the Securities Act.

8.2. [Reserved]

8.3. Legends. It is understood that, until the date that is the later of (1) the date that is one (1) year after the last date of original issuance of the Convertible Notes, or

such shorter period of time as permitted by Rule 144 or any successor provision thereto, and (2) such later date, if any, as may be required by applicable law, each Convertible Note and each certificate evidencing Common Stock acquired upon conversion thereof (or evidencing any other securities issued with respect thereto) shall bear the following legend (unless such Convertible Notes have been transferred pursuant to a registration statement that has become or been declared effective under the Securities Act and that continues to be effective at the time of such transfer, or sold pursuant to the exemption from registration provided by Rule 144 or any similar provision then in force under the Securities Act), or unless otherwise agreed by the Issuer in writing:

THIS CONVERTIBLE NOTE HAS / THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), OR ANY APPLICABLE STATE SECURITIES LAWS. SUCH SECURITIES HAVE BEEN ACQUIRED FOR INVESTMENT PURPOSES AND MAY NOT BE OFFERED FOR SALE, SOLD, DELIVERED AFTER SALE, TRANSFERRED, PLEDGED OR HYPOTHECATED IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT FILED BY THE ISSUER WITH THE U.S. SECURITIES AND EXCHANGE COMMISSION COVERING SUCH SECURITIES UNDER THE SECURITIES ACT OR AN OPINION OF COUNSEL SATISFACTORY TO THE ISSUER THAT SUCH REGISTRATION IS NOT REQUIRED.

Any Convertible Note (or security issued in exchange or substitution thereof) (i) as to which such restrictions on transfer shall have expired in accordance with their terms, (ii) that has been transferred pursuant to a registration statement that has become effective or been declared effective under the Securities Act and that continues to be effective at the time of such transfer or (iii) that has been sold pursuant to the exemption from registration provided by Rule 144 or any similar provision then in force under the Securities Act, may, upon surrender of such Convertible Note for exchange to the Issuer, be exchanged for a new Convertible Notes, of like tenor and aggregate principal amount, which shall not bear the aforementioned restricted legend required.

9. Notices.

9.1. Notices to Holder of Convertible Notes Any notice required by the provisions of this Convertible Note to be given to the Holder shall be in writing and may be delivered by any means (including personal delivery, expedited courier, messenger service, fax, ordinary mail or electronic mail), but no such notice, request, demand, claim or other communication will be deemed to have been duly given unless and until it actually is received by the intended recipient.

9.2. Notices to the Issuer. Whenever any provision of this agreement requires a notice to be given to the Issuer by the Holder, the holder of Common Stock obtained upon the conversion of a Convertible Note or the holder of any other security of the Issuer obtained in connection with a recapitalization, merger, dividend or other event affecting a Convertible Note, then and in each such case, such notice shall be in writing and may be delivered by any means (including personal delivery, expedited courier, messenger service, fax, ordinary mail or electronic mail), but no such notice, request, demand, claim or other communication will be deemed to have been duly given unless and until it actually is received by the Issuer.

No notice under this Section 9.2 shall be valid unless signed by the holder of the Convertible Note, Common Stock or other security giving the notice or in the case of a notice by holders of a specified percent in aggregate principal amount of outstanding Convertible Notes unless signed by each holder of a Convertible Note whose Convertible Note has been counted in constituting the requisite percentage of Convertible Notes required to give such notice.

10. No Rights as Stockholder. This Convertible Note, as such, shall not entitle the Holder to any voting rights or other rights as a stockholder of the Issuer.

11. Headings, Governing Law, Purchase Agreement to Control. The descriptive headings in this Convertible Note are inserted for convenience only and do not constitute a part of this Convertible Note. **The validity, meaning and effect of this Convertible Note shall be determined in accordance with the laws of the State of New York without regard for its conflicts of laws principles, except Section 5-1401 of the New York General Obligations Law. In the case of a conflict between the provisions of this Convertible Note and the Purchase Agreement, the provisions of the Purchase Agreement shall control.**

12. Severability. Whenever possible, each provision hereof shall be interpreted in a manner as to be effective and valid under applicable law, but if any provision hereof is held to be prohibited by or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating or otherwise adversely affecting the remaining provisions hereof. If a court of competent jurisdiction should determine that a provision hereof would be valid or enforceable if a period of time were extended or shortened or a particular percentage were increased or decreased, then such court may make such change as shall be necessary to render the provision in question effective and valid under application law.

13. Additional Amounts. All payments and deliveries made by or on behalf of the Issuer or any of the Guarantors (including, in each case, any successor entity) under or with respect to the Convertible Notes or any other Note Document shall be made free and clear of, and without withholding or deduction for, or on account of, any present or future Taxes, unless such withholding or deduction is required by applicable Laws. If any applicable Law requires the deduction or withholding of any Tax from any such payment (as determined in the good faith discretion of the Issuer, any Guarantor, or any other applicable withholding agent), then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and if such Tax is an Indemnified Tax, then the sum payable to the Holder shall be increased by such Additional Amounts as may be necessary so that after making such deduction or withholding (including such deductions and withholdings applicable to the Additional Amounts), the beneficial owner of the Convertible Notes receives an amount equal to the sum it would have received had no such deduction or withholding been made. The Issuer or the relevant Guarantor shall use its reasonable efforts to obtain Tax receipts from each Governmental Authority evidencing the payment of any Taxes so deducted or withheld. The Issuer or the relevant Guarantor shall furnish to the Holder, within sixty (60) days after the date the payment of any Taxes so deducted or withheld is made, certified copies of Tax receipts evidencing payment by the Issuer or a Guarantor, as the case may be, a copy of any return reporting such payment or other evidence of such payment reasonably satisfactory to the Holder.

14. Mutilated, Destroyed, Lost or Stolen Notes. In case any Convertible Note shall become mutilated or be destroyed, lost or stolen, the Issuer shall execute and deliver a new Convertible Note in exchange and substitution for the mutilated Convertible Note, or in lieu of and in substitution for the Convertible Note so destroyed, lost or stolen. In every case the applicant for a substituted Note shall furnish to the Issuer such security or indemnity as may be required by it to hold it harmless from any loss, liability, cost or expense caused by or connected with such substitution, and, in every case of destruction, loss or theft, the applicant shall also furnish to the Issuer evidence to its satisfaction of the destruction, loss or theft of such Note and of the ownership thereof. No service charge shall be imposed by the Issuer upon the issuance of any substitute Convertible Note, but the Issuer may require a Holder to pay a sum sufficient to cover any documentary, stamp, or similar issue or transfer tax required in connection therewith as a result of the name of the Holder of the new substitute Note being different from the name of the Holder of the old Note that became mutilated or was destroyed, lost or stolen. Every substitute Convertible Note issued pursuant to the provisions of this Section 14 by virtue of the fact that any Convertible Note is destroyed, lost or stolen shall constitute an additional contractual obligation of the Issuer, whether or not the destroyed, lost or stolen Convertible Note shall be found at any time, and shall be entitled to all the benefits of (but shall be subject to all the limitations set forth in) this Convertible Note equally and proportionately with any and all other Convertible Notes duly issued under the Purchase Agreement. To the extent permitted by law, all Convertible Notes shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement, payment, redemption, conversion or repurchase of mutilated, destroyed, lost or stolen Convertible Notes and shall preclude any and all other rights or remedies notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement, payment, redemption, conversion or repurchase of negotiable instruments or other securities without their surrender.

15. Remedies. Holder shall have, in addition to the rights and remedies contained in this Convertible Note, all of the rights and remedies of a creditor, now or hereafter available at law or in equity. Holder may, at its option, exercise any one or more of such rights and remedies individually, partially, or in any combination. No right, power, or remedy conferred upon Holder shall be exclusive of any other right, power, or remedy referred to herein or now or hereafter available at law or in equity. In addition to all other amounts payable upon an Event of Default, the Issuer shall reimburse Holder for all of its out of pocket expenses (including reasonable legal fees) incurred in the enforcement of Holder's rights and remedies in respect of this Convertible Note.

16. Amendment and Restatement. ("**Borrower**"), the Company, certain subsidiaries of the Company, guarantors, the lenders from time to time party thereto and DBFIP ANI LLC, as administrative agent and collateral agent (the "**Credit Agreement**") and capitalized terms not otherwise defined herein shall have the meaning ascribed to such term in the Credit Agreement. This Warrant is one of a series of warrants referred to as the "**Warrants**" in the Credit Agreement.

¹ 7.5% of the fully diluted capitalization of the Company as of the Date of Issuance.

I. EXERCISE.

A. Exercise.

1. Number and Exercise Price of Warrant Shares; Expiration Date. Subject to the terms and conditions set forth herein, each Warrant entitles the Holder upon exercise to receive from the Company one fully paid and nonassessable share of Common Stock, as may be adjusted from time to time pursuant to the terms herein (the "**Warrant Shares**"), at an initial purchase price of \$0.01 per share (as may be adjusted from time to time pursuant to the terms herein, the "**Warrant Price**"), on or after the Date of Issuance and on or before the date that is seven and one-half (7.5) years following the date hereof (as adjusted by Section II.A. below, the "**Expiration Date**") in connection with:
 - a. any Acquisition (as defined below);
 - b. any debt financing or issuance of equity or instruments convertible into equity interests of the Company in which the Company receives in excess of \$50,000,000 in one or a series of related transactions; and
 - c. any other strategic transactions, joint ventures, financings or combinations between the Company and one or more investors or third parties in which the Company or its subsidiaries receive in excess of \$50,000,000 in one or a series of related transactions (each of (a) through (c), an "**Exercise Trigger Event**"). The parties agree that if the Company completes its proposed sale of Mimosa Networks, Inc. on the terms previously announced by the Company, such sale shall not be deemed an Exercise Trigger Event.
2. Exercise. While this Warrant remains outstanding and exercisable in accordance with Section I.A.1 above, the Holder may exercise this Warrant, in whole or in part, (i) in connection with an Exercise Trigger Event or (ii) at any time following the date that is the three year anniversary of the date of this Warrant, by delivering to the Company this Warrant together with a duly executed Notice of Exercise in substantially the form attached hereto as Appendix 1 ("**Notice of Exercise**") and, unless Holder is exercising this Warrant pursuant to a cashless exercise as set forth in Section I.B, a check, wire transfer of same-day funds (to an account designated by the Company), or other form of payment acceptable to the Company for the aggregate Warrant Price for the Warrant Shares being purchased. In the case of partial exercises of this Warrant resulting in purchases of a portion of the total number of Warrant Shares available hereunder, upon request of the Holder, a new Warrant Certificate evidencing the number of Warrants equivalent to the number of Warrants remaining unexercised may be issued by the Company to the Holder of such Warrant Certificate or their duly authorized assigns in accordance with Section I.D hereof. The Company shall maintain records showing the number of Warrant Shares purchased and the date of such purchases. Issuance of Warrant Shares to Holder upon the exercise of this Warrant shall be made without charge to Holder for any transfer or similar tax in respect of the issuance of such Warrant Shares, all of which taxes and expenses shall be paid by the Company.

- B. Cashless Exercise. On any exercise of this Warrant, in lieu of payment of the aggregate Warrant Price in the manner as specified in Section I.A above, but otherwise in accordance with the requirements of Section I.A, Holder may elect to receive Warrant Shares equal to the value of this Warrant, or portion hereof as to which this Warrant is being exercised. Thereupon, the Company shall issue to the Holder such number of fully paid and non-assessable Warrant Shares as are computed using the following formula:

$$X = Y(A-B)/A$$

where:

X = the number of Warrant Shares to be issued to the Holder;

Y = the number of Warrant Shares with respect to which this Warrant is being exercised (inclusive of the Warrant Shares surrendered to the Company in payment of the aggregate Warrant Price);

A = the Fair Market Value (as determined pursuant to Section I.C below) of one Warrant Share; and

B = the Warrant Price.

C. Fair Market Value.

1. If shares of Common Stock are then traded or quoted on a nationally recognized securities exchange, inter-dealer quotation system or over-the-counter market (a "**Trading Market**"), the fair market value ("**Fair Market Value**") of a Warrant Share shall be the average of the closing price of a share of Common Stock as reported by Bloomberg L.P. the Trading Market for the shares of Common Stock for the five (5) trading days immediately preceding the date on which Holder delivers this Warrant together with its Notice of Exercise to the Company. If shares of Common Stock are not then traded in a Trading Market, the Fair Market Value of a Warrant Share shall be the fair market value per share of Common Stock as determined jointly by the Board of Directors of the Company and the Holder, each acting in good faith.
2. Notwithstanding anything to the contrary in Section I.C.1 above, the Fair Market Value in the case of an exercise in connection with an Acquisition shall be the consideration paid per share of Common Stock in such Acquisition.

- D. Replacement of Warrant. On receipt of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of this Warrant and, in the case of loss, theft or destruction, on delivery of an indemnity agreement reasonably satisfactory in form, substance and amount to the Company or, in the case of mutilation, on surrender of this Warrant to the Company for cancellation, the Company shall, within a reasonable time, execute and deliver to Holder, in lieu of this Warrant, a new warrant of like tenor and amount.

3

E. Treatment of Warrant Upon Acquisition of Company.

1. Acquisition. For the purpose of this Warrant, "**Acquisition**" means (i) a merger or consolidation in which the Company is a constituent party or a subsidiary of the Company is a constituent party and the Company issues shares of its capital stock pursuant to such merger or consolidation, except any such merger or consolidation involving the Company or a subsidiary in which the shares of capital stock or other equity interests of the Company outstanding immediately prior to such merger or consolidation continue to represent, or are converted into or exchanged for shares of capital stock that represent, immediately following such merger or consolidation continue to represent, immediately following such merger or consolidation, a majority, by voting power, of the capital stock or other equity interests of (1) the surviving or the resulting entity or (2) if the surviving or the resulting entity is a wholly owned subsidiary of another entity immediately following such merger or consolidation, the parent entity of such surviving or resulting entity, (ii) the transfer (whether by merger, consolidation or otherwise), in one transaction or a series of related transactions, to a person or group of affiliated persons (other than an underwriter of the Company's securities), of shares of the Company's capital stock if, after the closing of such transaction or series of related transactions, such person or group of affiliated persons would hold at least 50%, by voting power, of the capital stock of the Company (or the surviving or acquiring entity), (iii) the sale, lease, transfer, exclusive license or another disposition, in a single transaction or series of related transactions, by the Company or any subsidiary of the Company of all or substantially all the assets of the Company and its subsidiaries taken as a whole, or the sale or disposition (whether by merger, consolidation or otherwise, and whether in a single transaction or a series of related transactions) of one or more subsidiaries of the Company if substantially all of the assets of the Company and its subsidiaries taken as a whole are held by such subsidiary or subsidiaries, except where such sale, lease, transfer, exclusive license or other disposition is to a wholly owned subsidiary of the Company, or (iv) a "Change of Control" with respect to the Credit Agreement.
2. Treatment of Warrant at Acquisition. In the event of an Acquisition, if Holder has not previously exercised this Warrant pursuant to Section I.A above as to all Warrant Shares, then this Warrant shall automatically be deemed to be cashless exercised pursuant to Section I.B above, as to all Warrant Shares effective immediately prior to and contingent upon the consummation of an Acquisition. In connection with such cashless exercise, Holder shall be deemed to have restated each of the representations and warranties in Section IV of the Warrant as of the date thereof and the Company shall promptly notify the Holder of the number of Warrant Shares (or such other securities) issued upon exercise.

- F. Charges, Taxes and Expenses. Issuance of Warrant Shares shall be made without charge to the Holder for any issue or transfer tax or other incidental expense in respect of the issuance of such Warrant Shares, all of which taxes and expenses shall be paid by the Company, and such Warrant Shares shall be issued in the name of the Holder or in such name or names as may be directed by the Holder; provided, however, that in the event that Warrant Shares are to be issued in a name other than the name of the Holder, this Warrant when surrendered for exercise shall be accompanied by a notice of assignment executed by the Holder and the Company may require, as a condition thereto, the payment of a sum sufficient to reimburse it for any transfer tax incidental thereto. The Company shall pay all transfer agent fees required for same-day processing of any Notice of Exercise and all fees to the Depository Trust Company (or another established clearing corporation performing similar functions) required for same-day electronic delivery of the Warrant Shares.

4

G. Delivery of Warrant Shares Upon Exercise. The Company shall cause the Warrant Shares purchased hereunder to be transmitted by its transfer agent to the Holder by crediting the account of the Holder's or its designee's balance account with The Depository Trust Company through its Deposit or Withdrawal at Custodian system ("DWAC") if the Company is then a participant in such system and either (A) there is an effective registration statement permitting the issuance of the Warrant Shares to or resale of the Warrant Shares by Holder, or (B) the Warrant Shares are eligible for resale by the Holder without volume or manner-of-sale limitations pursuant to Rule 144 and, in either case, the Warrant Shares have been sold by the Holder prior to the Warrant Share Delivery Date (as defined below), and otherwise by physical delivery of a certificate, registered in the Company's share register in the name of the Holder or its designee, for the number of Warrant Shares to which the Holder is entitled pursuant to such exercise to the address specified by the Holder in the Notice of Exercise by the date that is two (2) trading days after the delivery to the Company of the Notice of Exercise (such date, the "Warrant Share Delivery Date"). If the Warrant Shares can be delivered via DWAC, the transfer agent shall have received from the Company, at the expense of the Company, any legal opinions or other documentation required by it to deliver such Warrant Shares without legend (subject to receipt by the Company of reasonable back up documentation from the Holder, including with respect to affiliate status) and, if applicable and requested by the Company prior to the Warrant Share Delivery Date, the transfer agent shall have received from the Holder a confirmation of sale of the Warrant Shares (provided the requirement of the Holder to provide a confirmation as to the sale of Warrant Shares shall not be applicable to the issuance of unlegended Warrant Shares upon a cashless exercise of this Warrant if the Warrant Shares are then eligible for resale pursuant to Rule 144(b)(1)). The Warrant Shares shall be deemed to have been issued, and Holder or any other person so designated to be named therein shall be deemed to have become a holder of record of such shares for all purposes, as of the date the Warrant has been exercised, with payment to the Company of the Warrant Price (or by cashless exercise, if permitted) and all taxes required to be paid by the Holder, if any, pursuant to Section I.F prior to the issuance of such shares, having been paid.

H. Rescission Rights. If the Company fails to cause its transfer agent to deliver to the Holder the Warrant Shares pursuant to Section I.G by the Warrant Share Delivery Date, then the Holder will have the right to rescind such exercise; provided, however, that the Holder shall be required to return any Warrant Shares or Common Stock subject to any such rescinded exercise notice concurrently with the return to Holder of the aggregate Warrant Price paid to the Company for such Warrant Shares and the restoration of Holder's right to acquire such Warrant Shares pursuant to this Warrant (including, issuance of a replacement warrant certificate evidencing such restored right).

II. ADJUSTMENTS TO THE SHARES AND WARRANT PRICE.

A. Adjustment to Number of Class Shares of Common Stock Upon Reorganization, Reclassification, Consolidation or Merger. In the event of any (i) capital reorganization of the Company, (ii) reclassification of the equity interests in the Company, (iii) consolidation or merger by the Company with or into another person, or (iv) other similar transaction, in each case, which entitles the holders of any equity interests to receive (either directly or upon subsequent liquidation) units, securities or assets with respect to, or in exchange for, such equity interests, then the Company, at the direction of the Holder, shall make an appropriate adjustment with respect to the Holder's rights under this Warrant to ensure that the provisions hereof shall thereafter be applicable, as nearly as possible, in relation to any units, securities or assets thereafter acquirable upon exercise of this Warrant. The provisions of this Section II.A shall similarly apply to successive reorganizations, reclassifications, consolidations, mergers, sales or similar transactions of the type described in this Section II.A. Notwithstanding the foregoing, and for greater certainty herein, the parties agree that the Warrant will not survive any Acquisition and will be deemed to be exercised in the event of an Acquisition pursuant to Section I.E.2.

5

B. Adjustments in Warrant Price. Whenever the number of Warrant Shares purchasable upon the exercise of this Warrant is adjusted, as provided in Section II.A above, the Warrant Price shall be adjusted (to the nearest cent) by multiplying such Warrant Price immediately prior to such adjustment by a fraction (x) the numerator of which shall be the number of Warrant Shares purchasable upon the exercise of this Warrant immediately prior to such adjustment, and (y) the denominator of which shall be the number of Warrant Shares so purchasable immediately thereafter; provided, that no adjustment shall be made if such adjustment would cause the exercise price per Warrant Share to be less than the par value of a Warrant Share.

C. Stock Dividends. If the Company declares or pays a dividend or distribution on the outstanding shares of Common Stock payable in cash, additional shares of Common Stock or other securities or property, then upon exercise of this Warrant, for each Warrant Share acquired, Holder shall receive, without additional cost to Holder, the total number and kind of securities and property which Holder would have received had Holder owned the shares of record as of the date the dividend or distribution occurred.

D. No Fractional Share. No fractional Warrant Share shall be issuable upon exercise of this Warrant and the number of Warrant Shares to be issued shall be rounded down to the nearest whole Warrant Share. If a fractional Warrant Share interest arises upon any exercise of the Warrant, the Company shall eliminate such fractional Warrant Share interest by paying Holder in cash the amount computed by multiplying the fractional interest by (i) the Fair Market Value (as determined in accordance with Section I.C above) of a full Warrant Share, less (ii) the then-effective Warrant Price.

E. Notice/Certificate as to Adjustments. Upon each adjustment of the Warrant Price, class and/or number of Warrant Shares, the Company, at the Company's expense, shall notify Holder in writing within a reasonable time setting forth the adjustments to the Warrant Price, class and/or number of Warrant Shares and facts upon which such adjustment is based. The Company shall, upon written request from Holder, furnish Holder with a certificate of its Chief Financial Officer, including computations of such adjustment and the Warrant Price, class and number of Warrant Shares in effect upon the date of such adjustment.

III. REPRESENTATIONS AND COVENANTS OF THE COMPANY.

A. Representations and Warranties. The Company represents and warrants to, and agrees with, the Holder as follows:

1. The Company represents and warrants that it is duly organized, validly existing, and in good standing under the laws of its jurisdiction of formation, with all requisite power and authority to issue and enter into this Warrant and to perform its obligations hereunder. The Company has all requisite legal right, power and authority to issue this Warrant and to perform all its obligations relating thereto. The issuance of this Warrant by the Company and the consummation of the transactions contemplated herein have all been duly authorized by the Board of Directors of the Company, and, where required, the stockholders of the Company. No consent, waiver or authorization of, or filing with any other person or entity (including without limitation, any governmental authority) is required in connection with any of the foregoing or with the validity or enforceability against the Company of this Warrant.

6

2. The Company covenants that at all times during which any Warrants remain outstanding, it shall ensure that there will be reserved for issuance such number of shares of Common Stock as is necessary for exercise in full of this Warrant. All Warrant Shares which may be issued upon the exercise of this Warrant, and all securities, if any, issuable upon conversion of the Warrant Shares, shall, upon issuance, be duly authorized, validly issued, fully paid and non-assessable, and free of any taxes, liens and encumbrances except for restrictions on transfer provided for herein, under the Company's Second Amended and Restated Certificate of Incorporation (the "*Certificate of Incorporation*") and/or Bylaws, and under applicable federal and state securities laws.
3. The execution, delivery and performance of this Warrant do not and will not, with or without the passage of time or the giving of notice or both, (i) conflict with or violate any provision of the Certificate of Incorporation, (ii) conflict with or violate any requirement of law or material contractual obligation applicable to the Company, (iii) result in or require the creation or imposition of any lien upon any assets of the Company or (iv) require any action by or in respect of, or filing with, any governmental body, agency or official, other than (x) such as have been obtained and remain in full force and effect, and (y) such qualifications or filings under applicable federal and state securities laws as may be required in connection with the transactions contemplated hereby.
4. The Company will not register the issuance of and shall not require the issuance of Warrants to be registered under the Securities Act.
5. Neither the Company nor any of its subsidiaries is (or expects to become in the foreseeable future) a United States real property holding corporation ("*USRPHC*") within the meaning of Section 897(c)(2) of the Internal Revenue Code of 1986, as amended. The Company shall (i) if it is legally able to do so, provide to Holder, upon Holder's written request, a certification that this Warrant does not constitute a "United States real property interest", in accordance with Treasury Regulations Section 1.897-2(h)(1), and (ii) in connection with the provision of any certification pursuant to the preceding clause (i), comply with the notice provisions set forth in Treasury Regulations Section 1.897-2(h). In the event the Company becomes aware of any facts or circumstances that could reasonably be expected to cause it to become a USRPHC, the Company shall promptly notify Holder.
6. The Company will not take any action to be classified as anything other than a U.S. entity treated as a corporation for U.S. federal income tax purposes without the written consent of Holder.

B. Notice of Certain Events. If the Company proposes at any time to:

1. declare any dividend or distribution upon the outstanding shares of Common Stock, whether in cash, property, stock, or other securities and whether or not a regular cash dividend;
2. offer for subscription or sale pro rata to the holders of the outstanding shares of Common Stock any additional shares of any class or series of the Company's stock (other than pursuant to contractual pre-emptive rights);
3. effect any reclassification, exchange, combination, substitution, reorganization or recapitalization of the outstanding shares of Common Stock;

7

4. effect an Acquisition or to liquidate, dissolve or wind up; or
5. effect any Exercise Trigger Event.

then, in connection with each such event, the Company shall give Holder:

- a. in the case of the matters referred to in III.B.1 and III.B.2 above, at least ten (10) Business Days (or such shorter period agreed with the Holder) prior written notice of the earlier to occur of the effective date thereof or the date on which a record will be taken for such dividend, distribution, or subscription rights (and specifying the date on which the holders of outstanding shares of Common Stock will be entitled thereto) or for determining rights to vote, if any; and
- b. in the case of the matters referred to in III.B.3, III.B.4 and III.B.5 above at least ten (10) Business Days (or such shorter period agreed with the Holder) prior written notice of the date when the same will take place (and specifying the date on which the holders of outstanding shares of Common Stock will be entitled to exchange their shares for the securities or other property deliverable upon the occurrence of such event and such reasonable information as Holder may reasonably require regarding the treatment of this Warrant in connection with such event giving rise to the notice).

IV. REPRESENTATIONS, WARRANTIES OF THE HOLDER.

The Holder represents and warrants to the Company as follows:

- A. Purchase for Own Account. This Warrant and the Warrant Shares to be acquired upon exercise of this Warrant by Holder are being acquired for investment for Holder's account, not as a nominee or agent, and not with a view to public resale or distribution within the meaning of the Securities Act.
- B. Accredited Investor Status. Holder is an "accredited investor" within the meaning of Regulation D promulgated under the Securities Act.
- C. The Securities Act. Holder understands that this Warrant and the Warrant Shares issuable upon exercise hereof have not been registered under the Securities Act in reliance upon a specific exemption therefrom, which exemption depends upon, among other things, the bona fide nature of its investment intent as expressed herein. Holder understands that this Warrant and the Warrant Shares issued upon any exercise hereof must be held indefinitely unless subsequently registered under the Securities Act and qualified under applicable state securities laws, or unless exemption from such registration and qualification are otherwise available. Holder is aware of the provisions of Rule 144 promulgated under the Securities Act.
- D. No Voting Rights. Holder, as a holder of this Warrant, will not have any voting rights until the exercise of this Warrant.
- E. Investment Experience. The Holder has substantial experience in evaluating and investing in private placement transactions of securities in companies similar to the Company, and has such knowledge and experience in financial or business matters so that it is capable of evaluating the merits and risks of its investment in the Company and protecting its own interests.

8

- F. Access to Data. The Holder has had an opportunity to ask questions of officers of the Company, which questions were answered to its satisfaction. The Holder believes that it has received all the information that it considers necessary or appropriate for deciding whether to acquire the Company's securities. The Holder understands that any such discussions, as well as any information issued by the Company, were intended to describe certain aspects of the Company's business and prospects, but were not necessarily a thorough or exhaustive description. The Holder acknowledges that any business plans prepared by the Company have been, and continue to be, subject to change and that any projections included in such business plans or otherwise are necessarily speculative in nature, and it can be expected that some or all of the assumptions underlying the projections will not materialize or will vary significantly from actual results.
- G. Legal Counsel. The Holder has had the opportunity to review this Warrant, the exhibits and schedules attached hereto and the transactions contemplated by this Warrant with its own legal counsel. The Holder is not relying on any statements or representations of the Company or its agents for legal advice with respect to this investment or the transactions contemplated by this Warrant.
- H. Tax Advisors. The Holder has reviewed with its own tax advisors the U.S. federal, state and local and non-U.S. tax consequences of this investment and the transactions contemplated by this Warrant. With respect to such matters, the Holder relies solely on any such advisors and not on any statements or representations of the Company or any of its agents, written or oral, except such statements or representations of the Company made by the Company hereunder. The Holder understands that it (and not the Company) shall be responsible for its own tax liability that may arise as a result of this investment and the transactions contemplated by this Warrant, except as otherwise provided under this Warrant; provided, that the Company and Holder shall cooperate in good faith in determining the amount of withholding taxes, if any, that would be payable by the Company and the dividend income to the Holder as a result of any constructive dividend resulting from any adjustment described in Section II and preparing any Internal Revenue Service Form 8937 (or similar tax form) related to such adjustment.
- I. No "Bad Actor" Disqualification. Neither (i) the Holder, (ii) any of its directors, executive officers, other officers that may serve as a director or officer of any company in which it invests, general partners or managing members, nor (iii) any beneficial owner of any of the Company's voting equity securities (in accordance with Rule 506(d) of the Securities Act) held by the Holder is subject to any of the "bad actor" disqualifications described in Rule 506(d)(1)(i) through (viii) under the Securities Act, except as set forth in Rule 506(d)(2) or (d)(3) under the Securities Act and disclosed, reasonably in advance of the acceptance of this Warrant, in writing in reasonable detail to the Company.
- J. Location. The Holder received and accepted the offer to acquire the Warrants and any Warrant Shares at the address set out as the Holder's notice address in Section VI.E.

V. REGISTRATION RIGHTS.

A. Demand Registration.

1. Grant of Right. The Company, upon written demand (a "**Demand Notice**") of the Holder(s) of at least 51% of the Warrants and/or the underlying Warrant Shares, agrees to register, on one occasion, all or any portion of the Warrant Shares underlying the Warrants (collectively, the "**Registrable Securities**"). On such occasion, the Company will file a registration statement with the Securities and Exchange Commission (the "**Commission**") covering the Registrable Securities within sixty (60) days after receipt of a Demand Notice and use its reasonable best efforts to have the registration statement declared effective promptly thereafter, subject to compliance with review by the Commission; provided, however, that the Company shall not be required to comply with a Demand Notice if the Company has filed a registration statement with respect to which the Holder is entitled to piggyback registration rights pursuant to Section V.B hereof and either: (i) the Holder has elected to participate in the offering covered by such registration statement or (ii) if such registration statement relates to an underwritten primary offering of securities of the Company, until the offering covered by such registration statement has been withdrawn or until thirty (30) days after such offering is consummated. The demand for registration may be made at any time following the Date of Issuance and expiring on the Expiration Date. The Company covenants and agrees to give written notice of its receipt of any Demand Notice by any Holder(s) to all other registered Holders of the Warrants and/or the Registrable Securities within ten (10) days after the date of the receipt of any such Demand Notice.
2. Terms. The Company shall bear all fees and expenses attendant to the registration of the Registrable Securities pursuant to Section V.A.1, but the Holders shall pay any and all underwriting commissions and the expenses of any legal counsel selected by the Holders to represent them in connection with the sale of the Registrable Securities. The Company agrees to use its reasonable best efforts to cause the filing required herein to become effective promptly and to qualify or register the Registrable Securities in such states as are reasonably requested by the Holder(s); provided, however, that in no event shall the Company be required to register the Registrable Securities in a state in which such registration would cause: (i) the Company to be obligated to register or license to do business in such state or submit to general service of process in such state, or (ii) the principal stockholders of the Company to be obligated to escrow their shares of capital stock of the Company. The Company shall cause any registration statement filed pursuant to the demand right granted under Section V.A.1 to remain effective for a period of at least twelve (12) consecutive months after the date that the Holders of the Registrable Securities covered by such registration statement are first given the opportunity to sell all of such securities. The Holders shall only use the prospectuses provided by the Company to sell the Warrant Shares covered by such registration statement, and will immediately cease to use any prospectus furnished by the Company if the Company advises the Holder that such prospectus may no longer be used due to a material misstatement or omission.

B. "Piggy-Back" Registration.

1. Grant of Right. In addition to the demand right of registration described in Section V.A hereof, the Holder shall have the right, for a period of no more than two (2) years from the Date of Issuance in accordance with FINRA Rule 5110(g)(8)(D), to include the Registrable Securities as part of any other registration of securities filed by the Company (other than in connection with a transaction contemplated by Rule 145(a) promulgated under the Securities Act or pursuant to Form S-8 or any equivalent form); provided, however, that if, solely in connection with any primary underwritten public offering for the account of the Company, the managing underwriter(s) thereof shall, in its reasonable discretion, impose a limitation on the number of Warrant Shares which may be included in the registration statement because, in such underwriter(s)' judgment, marketing or other factors dictate such limitation is necessary to facilitate public distribution, then the Company shall be obligated to include in such registration statement only such limited portion of the Registrable Securities with respect to which the Holder requested inclusion hereunder as the underwriter shall reasonably permit. Any exclusion of Registrable Securities shall be made pro rata among the Holders seeking to include Registrable Securities in proportion to the number of Registrable Securities sought to be included by such Holders; provided, however, that the Company shall not exclude any Registrable Securities unless the Company has first excluded all outstanding securities, the holders of which are not entitled to inclusion of such securities in such registration statement or are not entitled to pro rata inclusion with the Registrable Securities.

2. Terms. The Company shall bear all fees and expenses attendant to registering the Registrable Securities pursuant to Section V.B.1 hereof, but the Holders shall pay any and all underwriting commissions and the expenses of any legal counsel selected by the Holders to represent them in connection with the sale of the Registrable Securities. In the event of such a proposed registration, the Company shall furnish the then Holders of outstanding Registrable Securities with not less than thirty (30) days written notice prior to the proposed date of filing of such registration statement. Such notice to the Holders shall continue to be given for each registration statement filed by the Company during the two (2) year period following the Date of Issuance until such time as all of the Registrable Securities have been sold by the Holder. The holders of the Registrable Securities shall exercise the “piggy-back” rights provided for herein by giving written notice within ten (10) days of the receipt of the Company’s notice of its intention to file a registration statement. Except as otherwise provided in this Warrant, there shall be no limit on the number of times the Holder may request registration under this Section V.B.2; provided, however, that such registration rights shall terminate on the second anniversary of the Date of Issuance.

C. General Terms.

1. Indemnification. The Company shall indemnify the Holder(s) of the Registrable Securities to be sold pursuant to any registration statement hereunder and each person, if any, who controls such Holders within the meaning of Section 15 of the Securities Act or Section 20 (a) of the Exchange Act against all loss, claim, damage, expense or liability (including all reasonable attorneys’ fees and other expenses reasonably incurred in investigating, preparing or defending against any claim whatsoever) to which any of them may become subject under the Securities Act, the Exchange Act or otherwise, arising from such registration statement. The Holder(s) of the Registrable Securities to be sold pursuant to such registration statement, and their successors and assigns, shall severally, and not jointly, indemnify the Company, against all loss, claim, damage, expense or liability (including all reasonable attorneys’ fees and other expenses reasonably incurred in investigating, preparing or defending against any claim whatsoever) to which they may become subject under the Securities Act, the Exchange Act or otherwise, arising from information furnished by or on behalf of such Holders, or their successors or assigns, in writing, for specific inclusion in such registration statement.

11

2. Exercise of Warrants. Nothing contained in this Warrant shall be construed as requiring the Holder(s) to exercise their Warrants prior to or after the initial filing of any registration statement or the effectiveness thereof.
3. Documents Delivered to Holders. The Company shall furnish to each Holder participating in any of the foregoing offerings and to each underwriter of any such offering, if any, a signed counterpart, addressed to such Holder or underwriter, of: (i) an opinion of counsel to the Company, dated the effective date of such registration statement (and, if such registration includes an underwritten public offering, an opinion dated the date of the closing under any underwriting agreement related thereto), and (ii) a “cold comfort” letter dated the effective date of such registration statement (and, if such registration includes an underwritten public offering, a letter dated the date of the closing under the underwriting agreement) signed by the independent registered public accounting firm which has issued a report on the Company’s financial statements included in such registration statement, in each case covering substantially the same matters with respect to such registration statement (and the prospectus included therein) and, in the case of such accountants’ letter, with respect to events subsequent to the date of such financial statements, as are customarily covered in opinions of issuer’s counsel and in accountants’ letters delivered to underwriters in underwritten public offerings of securities. The Company shall also deliver promptly to each Holder participating in the offering requesting the correspondence and memoranda described below and to the managing underwriter, if any, copies of all correspondence between the Commission and the Company, its counsel or auditors and all memoranda relating to discussions with the Commission or its staff with respect to the registration statement and permit each Holder and underwriter to do such investigation, upon reasonable advance notice, with respect to information contained in or omitted from the registration statement as it deems reasonably necessary to comply with applicable securities laws or rules of FINRA. Such investigation shall include access to books, records and properties and opportunities to discuss the business of the Company with its officers and independent auditors, all to such reasonable extent and at such reasonable times as any such Holder shall reasonably request.
4. Underwriting Agreement. The Company shall enter into an underwriting agreement with the managing underwriter(s), if any, selected by any Holders whose Registrable Securities are being registered pursuant to this Section V, which managing underwriter shall be reasonably satisfactory to the Company. Such agreement shall be reasonably satisfactory in form and substance to the Company, each Holder and such managing underwriters, and shall contain such representations, warranties and covenants by the Company and such other terms as are customarily contained in agreements of that type used by the managing underwriter. The Holders shall be parties to any underwriting agreement relating to an underwritten sale of their Registrable Securities and may, at their option, require that any or all the representations, warranties and covenants of the Company to or for the benefit of such underwriters shall also be made to and for the benefit of such Holders. Such Holders shall not be required to make any representations or warranties to or agreements with the Company or the underwriters except as they may relate to such Holders, their Warrant Shares and their intended methods of distribution.

12

5. Damages. Should the registration or the effectiveness thereof required by Sections V.A and V.B hereof be delayed by the Company or the Company otherwise fails to comply with such provisions, the Holder(s) shall, in addition to any other legal or other relief available to the Holder(s), be entitled to obtain specific performance or other equitable (including injunctive) relief against the threatened breach of such provisions or the continuation of any such breach, without the necessity of proving actual damages and without the necessity of posting bond or other security.

6. Suspension Events. Notwithstanding anything to the contrary contained herein, the Company may delay or postpone filing of such registration statement, and from time to time require a Holder not to sell under the registration statement or suspend the use or effectiveness of any such registration statement if it determines that in order for the registration statement to not contain a material misstatement or omission, an amendment thereto would be needed, or if such filing or use could materially affect a bona fide business or financing transaction of the Company or would require premature disclosure of information that could materially adversely affect the Company, or if the Commission issues any stop order suspending the effectiveness of any registration statement or indicates the intention to initiate any proceedings for such purpose (each such circumstance, a “*Suspension Event*”); provided, that, (w) the Company shall not so delay filing or so suspend the use of the registration statement for a period of more than sixty (60) consecutive days or more than two (2) times in any three hundred sixty (360) day period and (x) the Company shall use commercially reasonable efforts to make such registration statement available for the sale by such Holder of such securities as soon as practicable thereafter. Upon receipt of any written notice from the Company (which notice shall not contain any material nonpublic information regarding the Company) of the occurrence of any Suspension Event during the period that the registration statement is effective or if as a result of a Suspension Event the registration statement or related prospectus contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made (in the case of the prospectus) not misleading, each Holder agrees that it will immediately discontinue offers and sales of any Warrant Shares under the Registration Statement (excluding, for the avoidance of doubt, sales conducted pursuant to Rule 144) until such Holder receives copies of a supplemental or amended prospectus (which the Company agrees to promptly prepare at its expense) that corrects the misstatement(s) or omission(s) referred to above and receives notice that any post-effective amendment has become effective or unless otherwise notified by the Company that it may resume such offers and sales. If so directed by the Company, such Holder will deliver to the Company, or in such Holder’s sole discretion destroy, all copies of the prospectus covering the Warrant Shares in such Holder’s possession; provided, however, that this obligation to deliver or destroy all copies of the prospectus covering the Warrant Shares shall not apply (w) to the extent a Holder is required to retain a copy of such prospectus (A) in order to comply with applicable legal, regulatory, self-regulatory or professional requirements or (B) in accordance with a bona fide pre-existing document retention policy or (x) to copies stored electronically on archival servers as a result of automatic data back-up.

VI. MISCELLANEOUS.

- A. Term. Subject to the provisions of Section I.E above, this Warrant is exercisable in whole or in part at any time and from time to time until 6:00 PM, Pacific time, on the Expiration Date; and shall be void thereafter.
- B. No Impairment. The Company shall not, by amendment of the Certificate of Incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities, or any other action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed by it hereunder, but shall at all times in good faith assist in the carrying out of all the provisions of this Warrant and in the taking of all such action as may be requested by the Holder in order to protect the exercise rights of the Holder against dilution or other impairment, consistent with the tenor and purpose of this Warrant.
- C. Transfers; Bad Actors; Taxes.

1. This Warrant and the Warrant Shares issued upon exercise of this Warrant may not be transferred or assigned in whole or in part except with the prior written consent of the Company, such consent not to be unreasonably withheld; *provided*, that this Warrant (or such Warrant Shares) may be assigned, conveyed or transferred without the prior written consent of the Company (i) in connection with a related transfer of a corresponding amount of outstanding Loans (as such term is defined in the Credit Agreement) to a permitted purchaser of such Loans pursuant to the terms of the Credit Agreement; (ii) in the case of the Warrant Shares, at any time following an Acquisition; or (iii) to an affiliate of the Holder, in each case by giving the Company a written notice of the portion of the Warrant (or such Warrant Shares) being transferred, such notice setting forth the name, address and taxpayer identification number of the transferee, and surrendering this Warrant (if applicable) to the Company for reissuance to the transferee(s) (and to the new Holder for any remaining Warrant Shares, if applicable). In any event, any such assignment or transfer shall be in compliance with applicable federal and state securities laws, which must be demonstrated in a manner reasonably satisfactory to the Company, as reasonably requested by the Company.
2. The Holder agrees not to sell, assign or transfer any securities of the Company, or any beneficial interest therein, to any person (other than the Company) unless and until the proposed transferee provides the transferor with similar representations reasonably satisfactory to the Company that neither the proposed transferee nor any of its directors, executive officers, other officers that may serve as a director or officer of any company in which it invests, general partners or managing members nor any person that would be deemed a beneficial owner of those securities (in accordance with Rule 506(d) of the Securities Act) is subject to any of the “bad actor” disqualifications described in Rule 506(d)(1)(i) through (viii) under the Securities Act, except as set forth in Rule 506(d)(2)(ii) or (iii) or (d)(3) under the Securities Act and disclosed, reasonably in advance of the transfer, in writing in reasonable detail to the Company. The Holder will promptly notify the Company in writing if the Holder or, to the Holder’s knowledge, any person specified in Rule 506(d)(1) under the Securities Act becomes subject to any of the “bad actor” disqualifications described in Rule 506(d)(1)(i) through (viii) under the Securities Act.

3. In no event shall the Company be required to pay any tax which may be payable in respect of any transfer involved in the issue and delivery of any certificate, or a book entry, in a name other than that of the Holder, and the Company shall not be required to issue or deliver any such certificate, or make such book entry, unless and until the person or persons requesting the issue or entry thereof shall have paid to the Company the amount of such tax or shall have established to the satisfaction of the Company that such tax has been paid or is not payable.
- D. Transfer Procedure. Subject to the provisions of Section VI.C, the Holder may transfer all or part of this Warrant or the Warrant Shares issued upon exercise of this Warrant to any transferee, provided, however, in connection with any such transfer, the Holder will surrender this Warrant to the Company for reissuance to the transferee(s) (and Holder if applicable); and provided further, that any transferee shall agree in writing with the Company to be bound by all of the terms and conditions of this Warrant, including Section IV; and provided further, that the transfer of any Warrant Shares issued on exercise hereof shall be subject to the provisions of the Certificate of Incorporation and/or the Company’s Bylaws, each as amended and in effect from time to time.
- E. Notices. All notices and other communications hereunder from the Company to the Holder, or vice versa, shall be deemed delivered and effective (i) when given personally, (ii) on the third (3rd) Business Day after being mailed by first-class registered or certified mail, postage prepaid, (iii) upon actual receipt if given by facsimile or electronic mail and such receipt is confirmed in writing by the recipient, or (iv) on the first Business Day following delivery to a reliable overnight courier service, courier fee prepaid, in any case at such address as may have been furnished to the Company or Holder, as the case may be, in writing by the Company or such Holder from time to time in accordance with the provisions of this Section VI.E. All notices to Holder shall be addressed as follows until the Company receives notice of a change of address in connection with a transfer or otherwise:

**AMENDED EMPLOYMENT AGREEMENT BETWEEN
ERIC STONESTROM AND AIRSPAN NETWORKS, INC.**

THIS EMPLOYMENT AGREEMENT (“the Agreement”) entered into between ERIC STONESTROM, an individual residing in the state of Florida (“Stonestrom”) and AIRSPAN NETWORKS HOLDINGS INC. (“Airspan”), jointly “the Parties”, is made as of May 18, 2023 (the “Effective Date”).

In consideration of the promises and mutual covenants contained herein, the Parties, intending to be legally bound, agree as follows:

SECTION 1. TERM OF EMPLOYMENT

The term of this Agreement shall be from the Effective Date until the first anniversary of the Effective Date (the “Initial Term”). At the conclusion of the Initial Term, this Agreement will automatically renew for additional, successive twelve (12) month terms (“Additional Terms”) unless and until either party provides the other with written notice of non-renewal at least fifteen (15) days prior to the expiration of the then-current term. Should such notice of non-renewal be given, this Agreement will expire at the conclusion of the then-current term and be considered a “Non-Renewal” for the purposes of this Agreement and entitle Stonestrom to the payments and benefits that would have been due to him under a termination “without Cause.”

SECTION 2. TITLE, POWERS, AND RESPONSIBILITIES

(a) Title. As of the Effective Date Stonestrom resigns his position as Chief Executive Officer and shall be employed as Executive Chairman of Airspan’s Board of Directors.

(b) Power and Responsibilities.

- Stonestrom shall use his best efforts to faithfully perform the duties of his employment and shall perform such duties as are usually performed by a person serving in his position with a business similar in size and scope as Airspan and such other additional duties as may be prescribed from time to time by the Board of Airspan which are reasonable and consistent with Airspan’s operations, taking into account Stonestrom’s expertise and job responsibilities.
- Stonestrom shall have authority regarding decisions which materially affect the strategies and major business decisions of Airspan, or have a material impact on Airspan’s operations, including, but not limited to, decisions regarding Airspan’s finances, funding, and executive distributions.

SECTION 3. COMPENSATION AND BENEFITS

(a) Annual Base Salary. Stonestrom’s base salary shall be Five Hundred and Sixty-Seven Thousand Dollars (\$567,000.00) annually beginning on the Effective Date and continuing through the date of any termination of his employment, as provided for herein. Stonestrom’s salary shall be paid in regular increments, based on the normal payroll schedule for Airspan. In the event the Parties elect to continue Stonestrom’s employment for any Additional Term(s), Stonestrom’s salary shall not be reduced below \$567,000.00 annually, unless the parties agree in writing otherwise.

(b) Deferred Compensation, COBRA and Accumulated Leave. The parties agree and recognize that Stonestrom shall be entitled to the following:

(i) payment of severance for “good reason” in the amount of Five Hundred and Sixty-Seven Thousand Dollars (\$567,000.00) paid to Stonestrom at the earlier of: (1) the date of Stonestrom’s separation from service for any reason; or (2) the date of a Transaction, as defined herein. Notwithstanding the foregoing, with respect to any payment hereunder that becomes payable upon Stonestrom’s separation from service, the payment shall be on the first payroll period following the dates of (1) or (2), or if Stonestrom’s separation payment is deemed to be treated under Section 409A of the Internal Revenue Code at the time, it will be paid in accordance with relevant Section 409A restrictions, in accordance with Section 6 below;

(ii) upon Stonestrom’s separation from service for any reason, if he timely elects COBRA coverage, the Company shall pay the cost of Stonestrom’s COBRA coverage for 12 months (which subsidized coverage may be imputed as income to Stonestrom to the extent necessary to preserve the tax-qualified status of the Company’s group health plan); and

(iii) compensation for all accumulated leave as estimated in the Company accounts as estimated in the company accounts used in filing of the annual 10K on March 16, 2023, in addition to any further leave accrual after the date of execution of this Agreement, paid to Stonestrom at the earlier of: (i) the date of Stonestrom’s separation from service for any reason; or (ii) the date of a Transaction, as defined herein.

(c) Bonus. Stonestrom shall continue to be eligible to receive up to sixty percent (60%) of his annual salary, based on the goals and metrics established in advance by Airspan’s Compensation Committee.

(d) Senior Management Incentive Program. The parties understand and agree that they anticipate Stonestrom’s duties as Executive Chair include increasing the value of Airspan, and that a material portion of his compensation shall be based on that growth. In keeping with such goal, and as a material inducement for Stonestrom to accept the terms of this Agreement, upon any Transaction, Stonestrom (or in the event of his death, his beneficiary or beneficiaries, or his estate) shall receive compensation as a participant in the Senior Management Incentive Program, a copy of which shall be provided to Stonestrom upon the Senior Management Incentive Program receiving approval from Airspan’s Compensation Committee. On the effective date of any Transaction, Stonestrom shall be entitled to a single lump-sum cash payment from Airspan (or a third party with whom Airspan has contracted to make the payment) in an amount equal to the Senior Management Incentive Program benefit identified in the Senior Management Incentive Program if the Transaction takes place during his employment or in a period within six months following the termination of his employment by Airspan without Cause, resignation for Good Reason, or Airspan’s non-renewal of this Agreement, to be paid within the time specified in Section 6. Airspan shall disclose the obligations to pay the Senior Management Incentive Program benefit to any third party involved in any Transaction and specifically agrees that Stonestrom’s rights to such Senior Management Incentive Program benefit shall be preserved in any contract, agreement, or other document that effectuates any such event. Airspan expressly agrees that Stonestrom shall be considered a third-party beneficiary to any agreement for any Transaction for the purpose of enforcing his right to receive the Senior Management Incentive Program benefit identified herein.

(e) Employee Benefits. Stonestrom shall be entitled to receive any health, dental, life, and disability insurance through Airspan through any program currently provided by Airspan to any other employee, and Stonestrom shall continue to receive any benefits currently provided immediately prior to the execution of this Agreement. Stonestrom

shall continue to be entitled to the same amount of paid vacation time during each calendar year of the term of the Agreement as was when he served in his immediately prior position of employment, and such vacation leave shall continue to accrue if not used and the value of such leave shall be paid at the same value as calculated the salary provided for in this Agreement upon his separation from his employment or as otherwise provided above. Should Stonestrom's salary be reduced for any reason, the vacation shall remain payable at the rate provided for in this Agreement.

(f) Restricted Stock Units. Stonestrom's Restricted Stock Units (RSUs) that have been previously issued to him shall continue to vest under the same schedule as previously established and shall vest in entirety in the event Airspan terminates Stonestrom's employment without Cause, Airspan elects to not renew this Agreement, or Stonestrom resigns for Good Reason. In addition, in the event of a Transaction (including any Transaction defined under this Agreement which does not meet the definition for "change in control event" under Section 409A), all such RSUs shall immediately vest.

(g) Expense Reimbursements. Stonestrom shall have the right to expense reimbursement in accordance with Airspan's standard policy for expense reimbursements as in effect from time to time.

(h) Indemnification. With respect to Stonestrom's acts or failures to act during his employment in his capacity as an officer, employment, or agent of Airspan, Airspan shall jointly and severally indemnify, hold harmless and defend Stonestrom and permit Stonestrom to avail himself of the coverage and protections provided by any liability insurance coverage held by Airspan (if any is held by Airspan), except for any acts or failures to act constituting gross negligence, willful misconduct or Cause. Stonestrom shall be indemnified by Airspan and Airspan shall pay Stonestrom's related expenses and attorney's fees and costs when and as incurred, to the full extent permitted by law, including in any situation in which any third party challenges Stonestrom's authority or ability to serve in his position.

(i) Stock Options. Stonestrom shall continue to vest any stock options based on the vesting schedule created by the stock option contracts or agreements currently in place. Stonestrom shall have six months from the date of any separation from employment to exercise any options (or until expiry of the option term, if earlier).

3

SECTION 4. TERMINATION OF EMPLOYMENT

(a) Termination for Cause or Without Cause. Airspan shall have the right to terminate Stonestrom for Cause, as defined herein. Upon a termination for Cause, Stonestrom shall be paid the deferred compensation, accumulated leave and COBRA benefits described in Section 3(b) above, the value of his then-vested Restricted Stock Options (RSUs) (to the extent not paid or settled at the time of termination), as well as his accumulated vacation and sick leave, pro-rated bonus and any payments for his salary to the date of termination, but shall not be entitled to payment of the Senior Management Incentive Program benefit. Stonestrom may challenge or dispute any termination for Cause by requesting final and binding arbitration within thirty days of notice of such termination. Stonestrom shall continue to receive all pay and benefits for the time before and after requesting arbitration, and through the date of an arbitration award. The arbitration fees and costs, including attorney's fees, shall be paid by Airspan, and the American Arbitration Association rules for employment disputes shall apply to such arbitration. Any termination by Airspan without Cause, Transaction, resignation for Good Reason or non-renewal of this Agreement shall entitle Stonestrom to payment of the Management Incentive Payment (as provided above, the Management Incentive Plan payment will only be paid if a Transaction occurs within six months after termination), as well as all deferred compensation, salary and benefits to date, COBRA reimbursement, and accrued vacation and sick leave payments. For the avoidance of doubt, any payment made to Stonestrom under this paragraph and/or pursuant to Section 3(b) above shall be paid as soon as administratively practicable and in no event later than sixty (60) days from the date a separation from service or other qualifying event occurs, although in the event of foreclosure or bankruptcy such payments shall be made within ten (10) days; *provided that*, any payment of Deferred Compensation that is required to be delayed by six months pursuant to Section 409A of the Internal Revenue Code shall be paid as soon as administratively practicable in a manner that does not violate the requirements of Section 409A of the Internal Revenue Code, as described in Sections 3(b) and 6(a) of this Agreement.

(b) Death. If Stonestrom's employment terminates as a result of his death, Airspan shall:

(i) pay to Stonestrom's estate, as soon as practicable after his death his base salary through the end of the month in which his employment terminates, as well as any compensation for company-owned life insurance, and all benefits listed in paragraph 3 of this Agreement, including the value of any accrued vacation leave at the salary rate provided herein, and the deferred compensation benefit;

(ii) pay to Stonestrom's estate Stonestrom's Senior Management Incentive Program benefit with valuation based at the time of Stonestrom's death if his death occurs within six months of a Transaction (with the ability to revise based on subsequent events as provided above); and

(iii) pay any unpaid bonuses, when actually determined, for the year in which Stonestrom's death occurs. Any amount payable to Stonestrom under this Agreement which are unpaid at the date of Stonestrom's death or payable hereunder or otherwise by reason of his death, shall be paid in accordance with the terms of this Agreement to Stonestrom's estate, provided that if there is a specific beneficiary designation in place for any specific amount payable, then payment of such amount shall be made to such beneficiary.

4

SECTION 5. DEFINITIONS

(a) Transaction means any Sale, Change in Control, Merger, Significant Asset Purchase or Recapitalization, as defined herein. Notwithstanding the foregoing, with respect to any compensation hereunder that is deferred compensation (subject to Section 409A of the Internal Revenue Code) that becomes payable on account of a Transaction, such compensation shall not be paid unless the Transaction qualifies as a "change in control event" under Section 409A.

(b) "Change of Control" means the occurrence of one or more of the following:

(i) the sale of all or substantially all of the assets of Airspan in a single transaction or series of related transactions;

(ii) Airspan sells a sufficient amount of its interests (whether by tender offer, original issuance, or a single or series of related stock or interest purchases and/or transactions) sufficient to confer on the purchaser or purchasers thereof (whether individually or a group acting in concert) beneficial ownership of at least fifty percent (50%) of Airspan;

(iii) Airspan is party to a merger, consolidation or combination that would result in the holders of interests in Airspan at the time of this Agreement having lesser ownership interests in the resulting business entity immediately after such merger, consolidation or combination; or

(iv) or a change or alteration of possession, directly or indirectly, whether or not in conjunction with any other person or entity, of the power to direct or cause the direction of the management or policies, whether through the ownership of securities or other ownership interests, by contract or otherwise.

(c) "Sale" shall mean the occurrence of one or more of the following: the sale, lease, distribution or transfer (whether by merger, consolidation, recapitalization, reorganization, sale of securities, sale of assets or otherwise), in one transaction or a series of related transactions, to a person or entity or group of persons or entities acting in

concert pursuant to which such person(s) or entity(ies) acquire securities or ownership representing more than thirty percent (30%) of the voting power or ownership of Airspan.

(d) “Merger” shall mean: the combination of Airspan with any other business entity not part of this Agreement, or the absorption of Airspan into any other business entity, or the combination of all the assets of Airspan with any other business entity. The divestment of the Mimosa Networks, Inc. subsidiary to Radisys Corporation or related Reliance Jio legal entities is excluded from this definition.

(e) “Recapitalization” shall mean: an adjustment or recasting of a corporation’s capital structure through amendment of the articles of incorporation or merger with a parent or subsidiary or other entity; and shall also occur if Airspan substitutes debt for equity in the capital structure, readjusts ownership amounts, or income, or priority to increase or decrease interests or debts, transfers any interest to a related corporation in exchange for another class of stock or ownership, adopts another form of ownership, or otherwise rearranges or changes capital structure.

5

(f) “Significant Asset Purchase” shall mean: the purchase by Airspan of a company, corporation, partnership, business, or entity, or a combination of such entities, of a combined value equal to at least ten percent of the value of Airspan.

(g) “Cause” means the occurrence of any one or more of the following: (i) Stonestrom has been convicted of, or pleads guilty *omolo contendere* to, a felony involving dishonesty, theft, misappropriation, embezzlement, fraud, or moral turpitude; (ii) Stonestrom intentionally damages material assets of Airspan; (iii) Stonestrom intentionally discloses material Confidential Information of Airspan resulting in a loss to Airspan; or (iv) Stonestrom intentionally commits a material breach of this Agreement or engages in acts or omissions which constitute failure to follow reasonable and lawful directives of Airspan provided, however, that such acts or omissions are not cured within thirty (30) days following Airspan giving written notice to Stonestrom that Airspan considers such acts or omissions to be “Cause” under this Agreement.

No act, or failure to act, on the part of Stonestrom shall be determined “intentional” if it was due primarily to an error in judgment or negligence, but shall be deemed “intentional” only if done, or omitted to be done, by Stonestrom not in good faith and without reasonable belief that his action or omission was in or not opposed to the best interest of Airspan. Failure to meet performance standards or objectives shall not constitute Cause for purposes hereof.

(h) “Disability” means Stonestrom’s incapacity due to physical or mental illness or cause, which results in Stonestrom being unable to perform his duties with Airspan on a full-time basis for a period of six (6) consecutive months. Any dispute as to disability shall be conclusively determined by written opinions rendered by two qualified physicians, one selected by Stonestrom, and one selected by Airspan; provided that if such opinions are conflicting, then such physicians shall select a mutually agreeable third physician whose opinion shall be conclusive and binding.

(i) “Good Reason” means the occurrence of any one or more of the following:

(i) a material and continuing failure to pay Stonestrom’s compensation and benefits (as described in Section 3) that have been earned, if any, by Airspan;

(ii) a material reduction in Stonestrom’s compensation or benefits (as described in Section 3);

(iii) any failure by Airspan to comply with any of the material provisions of this Agreement and which is not remedied by Airspan (if capable of remedy) within thirty (30) days after receipt of notice thereof given by Stonestrom;

(iv) any requirement that Stonestrom perform duties that, in the good faith and reasonable professional judgment of Stonestrom are inconsistent with ethical or lawful business practices; or

(v) Stonestrom being required to relocate to a principal place of employment more than one hundred (100) miles from his current principal place of employment during the term of this Agreement, unless Stonestrom agrees and Airspan pays all reasonable costs and expenses related thereto; or

6

(vi) if following a Change of Control only, there occurs a material change in Stonestrom’s duties, roles, or responsibilities. For purposes of this subsection, “material change” shall be one of such a character that a reasonable person serving in a like or similar executive capacity would feel compelled to resign from employment. Examples of “material change” include, but are not limited to, substantial reduction of Stonestrom’s authority to make decisions relating to his business responsibilities; Stonestrom being required to assume or perform substantially greater responsibilities (without additional compensation) than previously required to perform; substantial reduction of Stonestrom’s responsibilities for personnel matters relating to his business operations, substantial alteration or change in Stonestrom’s work schedule; any restructuring or realignment of any of Stonestrom responsibilities, in a manner that distinguishes them or is materially adverse to Stonestrom; and other substantial changes in Stonestrom’s terms or conditions of employment not related to Stonestrom’s principal business responsibilities.

SECTION 6. SECTION 409A

(a) Notwithstanding anything herein to the contrary, this Agreement is intended to be interpreted and applied so that the payment of the benefits set forth herein shall either be exempt from, or in the alternative, comply with, the requirements of Section 409A of the Internal Revenue Code of 1986, as amended (the “Code”), and the published guidance thereunder (“Section 409A”). A termination of employment shall not be deemed to have occurred for purposes of any provision of this Agreement providing for the payment of any amounts or benefits upon or following a termination of employment that are considered “non-qualified deferred compensation” under Section 409A unless such termination is also a “separation from service” within the meaning of Section 409A and, for purposes of any such provision of this Agreement, references to a “termination,” “Termination Date” or like terms shall mean “separation from service.” Notwithstanding any provision of this Agreement to the contrary, if Stonestrom is a “specified employee” within the meaning of Section 409A on the date of his “separation from service,” any payments or arrangements due upon a termination of Stonestrom’s employment under any arrangement that constitutes a “nonqualified deferral of compensation” within the meaning of Section 409A and which do not otherwise qualify under the exemptions under Treas. Regs. Section 1.409A-1 (including without limitation, the short-term deferral exemption or the permitted payments under Treas. Regs. Section 1.409A-1(b)(9)(iii) (A)), shall be delayed and paid or provided on the earlier of (a) the date which is six months after Stonestrom’s “separation from service” for any reason other than death, or (b) the date of Stonestrom’s death. All tax gross-up payments provided under this Agreement or any other agreement with Stonestrom shall be made or provided by the end of Stonestrom’s taxable year next following Stonestrom’s taxable year in which Stonestrom remits the related taxes, in accordance with the requirements of Section 409A.

(b) Separation from Service. After any Termination Date, Stonestrom shall have no duties or responsibilities that are inconsistent with having a “separation from service” within the meaning of Section 409A as of the Termination Date and, notwithstanding anything in the Agreement to the contrary, distributions upon termination of employment of nonqualified deferred compensation may only be made upon a “separation from service” as determined under Section 409A and such date shall be the Termination Date for purposes of this Agreement. Each payment under this Agreement or otherwise shall be treated as a separate payment for purposes of Section 409A. In no event may Stonestrom, directly or indirectly, designate the calendar year of any payment to be made under this Agreement which constitutes a “nonqualified deferral of compensation” within the meaning of Section 409A and to the extent an amount is payable within a time period, the time during which such amount is paid shall be in the discretion of Airspan.

SECTION 7. MISCELLANEOUS

(a) Notices. Notices and all other communications shall be in writing and shall be deemed to have been duly given when personally delivered or when mailed by United States registered or certified mail. Notices and communications to Stonestrom shall be sent to the address Stonestrom most recently provided to Airspan.

(b) No Waiver. No failure by either Airspan or Stonestrom at any time to give notice of any breach by the other of, or to require compliance with, any condition or provision of this Agreement shall be deemed a waiver of any provisions or conditions of this Agreement.

(c) Governing Law. This Agreement shall be governed by New York law without reference to the choice of law principles thereof.

(d) Assignment. This Agreement shall be binding upon and inure to the benefit of Airspan and any successor in interest to Airspan or any segment of such business. Such assignment shall be subject to the other obligations contained in this Agreement, and the ability to assign does not negate any of Stonestrom's rights to the severance, compensation, bonuses, benefits, vesting, Senior Management Incentive Program benefit or other benefits contained herein. Any assignee shall be obligated to the terms and benefits in this Agreement and shall be obligated to pay such benefits upon assignment or purchase.

(e) Other Agreements. This Agreement replaces and merges any and all previous agreements and understandings regarding all terms and conditions of Stonestrom's employment relationship with Airspan and this Agreement constitutes the entire Agreement between Airspan and Stonestrom, other than any stock option agreements or confidentiality agreements that the parties have entered into.

(f) Amendment. No amendment to this Agreement shall be effective unless it is in writing and signed by Airspan and Stonestrom.

(g) Invalidity and Severability. If any part of this Agreement is held by a court of competent jurisdiction to be invalid or otherwise unenforceable, the remaining part shall be unaffected and shall continue in full force and effect, and the invalid or otherwise unenforceable part shall be deemed not to be part of this Agreement.

(h) Litigation. Venue shall be proper in Palm Beach County, Florida, for all legal actions arising out of or connected with this Agreement, except to the extent that a separate valuation, disability or arbitration process is necessary as identified herein. Each Party hereby expressly and irrevocably submits to the jurisdiction of such courts for the purpose of any such action and expressly and irrevocably waives, to the fullest extent permitted by law, any objection which is or hereafter may have to the laying of venue of any such action brought in any such court and any claim that such action has been brought in an inconvenient forum. Should litigation be initiated, and a judgment obtained, the prevailing party shall be entitled to an award or reasonable attorney fees and costs. Should litigation be initiated and the parties reach a settlement before judgment, Airspan shall pay Stonestrom's attorney fees and costs.

IN WITNESS THEREOF, Airspan and Stonestrom have executed this Agreement effective as of the Effective Date.
