**Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

On July 10, 2023, Airspan Networks Holdings Inc. (the "Company") received written notice (the "Notice") from the NYSE American LLC (the "NYSE American") stating that it is not in compliance with the continued listing standard set forth in Section 1003(f)(v) of the NYSE American Company Guide (the "Company Guide") because the Company's common stock was selling for a substantial period of time at a low price per share, which NYSE American determined to be a 30-trading day average of less than \$0.20 per share. The Notice stated that the Company's continued listing is predicated on it effecting a reverse stock split of its common stock or otherwise demonstrating sustained price improvement within a reasonable period of time, which NYSE American has determined to be no later than January 10, 2024.

However, NYSE American may take an accelerated delisting action that would pre-empt the cure period in the event that the common stock trades at a level viewed to be abnormally low.

As previously disclosed, on June 9, 2023, the Company received a letter (the "Letter") from the NYSE American stating that it is not in compliance with the continued listing standards set forth in Sections 1003(a)(i) and (ii) of the Company Guide and requesting that the Company submit a plan of compliance (the "Plan") addressing how it intends to regain compliance. In response to the Letter, the Company submitted the Plan to NYSE American, pursuant to which the Company also intends to regain compliance with Section 1003(f)(v) of the Company Guide.

The Company's common stock will continue to be listed on the NYSE American while the Company evaluates its various alternatives. The Company will also continue to be included in the list of NYSE American noncompliant issuers, and the below compliance ("BC") indicator will continue to be disseminated with the Company's ticker symbol(s). The Company's receipt of the Notice from the NYSE American does not affect the Company's business, operations or reporting requirements with the U.S. Securities and Exchange Commission.

A copy of the Company's press release dated July 11, 2023, regarding the receipt of the July Letter from the NYSE American is included as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.
